INFORMATION CIRCULAR

with information as at September 17, 2024, *except as otherwise indicated*

This Information Circular is furnished in connection with the solicitation of proxies by the management of MANNING VENTURES INC. (the “Company”) for use at the annual general meeting (the “Meeting”) of its shareholders to be held on Tuesday, October 29, 2024 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to “the Company”, “we” and “our” refer to MANNING VENTURES INC. “Common Shares” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. The Company has arranged for intermediaries to forward the meeting materials to beneficial owners of Common Shares held as of the record date by those intermediaries and may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and act on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on **any** ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders who choose to submit a proxy may do so by one of the following methods:

- (a) complete, date and sign the enclosed form of Proxy and return it to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, Canada, M5J 2Y1, or by hand delivery to the 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, Canada, V6C 3B9;
- (b) use a touch-tone phone to transmit voting choices to a toll free number. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed Proxy for the toll free number, the holder's account number and the Proxy access number; or
- (c) log on to the internet website of the Company's transfer agent at www.investorvote.com. Registered shareholders must follow the instructions provided at the website and refer to the enclosed Proxy for the holder's account number and the Proxy access number.

Registered Shareholders must ensure the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or any adjournment thereof.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an "**intermediary**"). In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for Non-Objecting Beneficial Owners).

The Company is taking advantage of the provisions of National Instrument 54-101 "*Communication with Beneficial Owners of Securities of a Reporting Issuer*" that permit it to directly deliver proxy-related materials to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form ("**VIF**") from our transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your

behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder’s representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted at the Meeting or to have an alternate representative duly appointed to attend the Meeting and to vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

The solicitation of proxies involve securities of an issuer located in Canada and are being effected in accordance with the corporate laws of Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder’s authorized attorney in writing, or, if the Registered Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare or at the address of the registered office of the Company at 1500 Royal Centre, 1055 West Georgia Street, P. O. Box 11117, Vancouver, British Columbia, V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the Registered Shareholder’s Common Shares.

The Company is relying on the exemption in section 6.1 of NI 52-110 from the requirements of Parts 3 (*Composition of the Audit Committee*) and 5 (*Reporting Obligations*).

CORPORATE GOVERNANCE

General

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and accountable to shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making. This section sets out the Company’s approach to corporate governance and addresses the Company’s compliance with National Instrument 58-101 – *Disclosure of Corporate Governance Practices*.

Board of Directors

In order to identify and manage risks, the Board requires management to provide complete and accurate information with respect to the Company’s activities and to provide relevant information concerning the industry in which the Company operates. The Board is responsible for monitoring the Company’s officers, who in turn are responsible for the maintenance of internal controls and management information systems.

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in view of the Company’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

At the date of this Information Circular, the Board consists of four directors: Etienne Moshevich, Alexander Klenman, Christopher Robert Cooper and Charanjit Hayre.

Etienne Moshevich, Christopher Robert Cooper and Charanjit Hayre are considered to be “independent” within the meaning of NI 58-101 (by way of Section 1.4 of NI 52-110). Alexander Klenman is not independent by virtue of his being the CEO of the Company.

Board Mandate

The Board adopted a Mandate of the Board of Directors on December 1, 2018. A copy of the Board Mandate can be accessed on the Company’s corporate website at <https://manning-ventures.com/corporate-governance/>.

The Board Mandate facilitates independent supervision of management through meetings of the Board and through frequent informal discussions among independent members of the Board and management. In addition, the Board will have access to the Company’s external auditors, legal counsel and to any of the Company’s officers.

The Board will have a stewardship responsibility to supervise the management of and oversee the conduct of the business of the Company, provide leadership and direction to management, evaluate management, set policies appropriate for the business of the Company and approve corporate strategies and goals.

The day-to-day management of the business and affairs of the Company will be delegated by the Board to the senior officers of the Company. The Board will give direction and guidance through the CEO to management and will keep management informed of its evaluation of the senior officers in achieving and complying with goals and policies established by the Board.

To facilitate open and candid discussion among its independent directors, such directors will be encouraged to communicate with each other directly to discuss ongoing issues pertaining to the Company.

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia), is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its committees.

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties, business, technology and industry and on the responsibilities of directors. Directors are also encouraged to take part in training courses or information sessions provided by regulatory bodies to keep abreast of current developments in corporate governance requirements.

Board meetings are always commenced with an update and/or presentation by the Company's management team to give the directors additional insight into the Company's business and progress.

Ethical Business Conduct

On December 1, 2018 the Board adopted a Code of Business Conduct and Ethics. A copy of the Code of Business Conduct and Ethics can be accessed on the Company's website at <https://manning-ventures.com/corporate-governance/>.

A copy of the Code of Business Conduct and Ethics was filed under the Company's SEDAR+ corporate profile at www.sedarplus.ca on July 13, 2022.

Each member of the Board has been made aware of the fiduciary duties placed on individual directors by the governing corporate legislation and the common law applicable to the Company and the restrictions on an individual director's participation in decisions of the Board in which the director has an interest. The Board finds that the knowledge of its members of these legal restrictions is sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Where a Board member has an interest in a transaction involving the Company, that director must declare his interest in advance of its consideration by the Board and must refrain from voting on any resolution approving the transaction. Further, the Company's auditors have full and unrestricted access to the audit committee at all times to discuss their audit and their related findings as to the integrity of the financial reporting process.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to nominate for election at the annual general meeting of shareholders, taking into account the size of the Company, its asset base and the number of members required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

Other than as set out in this Information Circular, the directors receive no cash compensation for acting in their capacity as directors of the Company. The compensation for senior management of the Company is determined by and at the discretion of the Board. The Board determines compensation for the directors, the Chief Executive Officer and the Chief Financial Officer.

Other Board Committees

The Board has no committees other than the audit committee.

Assessments

The Board has not developed written descriptions or objectives for its executives and looks to generally accepted industry standards as adequately delineating the roles and responsibilities of such persons. There is no formal process for regular assessment of the Board, its committees and individual directors. Rather the Board informally assesses performance through ongoing dialogue amongst Board members.

Accordingly, Shareholders will be asked to approve and confirm the Company's Option Plan and to be re-approved by the Shareholders no later than October 29, 2027. B. 10% "rolling" Restricted Share Unit Plan (Share-based)

The Company has a 10% "rolling" restricted share unit plan dated for reference January 18, 2021, which was approved for adoption by shareholders at the Company's August 17, 2022 Annual General Meeting (the "**RSU Plan**").

The RSU Plan provides that the maximum number of Common Shares made available for issuance pursuant to the RSU Plan shall be determined from time to time, subject to adjustments as provided in the RSU Plan. The RSU Plan is a "rolling plan" and therefore when RSUs are cancelled (whether or not upon payment with respect to vested RSUs) or terminated, Common Shares shall automatically be available for issuance pursuant to the RSU Plan.

Credit for Dividends

A Participant's Account will be credited with additional RSUs (the "**Dividend RSUs**") as of each dividend payment date in respect of which cash dividends are paid on Common Shares. The number of Dividend RSUs credited to a Participant's Account in connection with the payment of dividends on Common Shares will be based on the actual amount of cash dividends that would have been paid to such Participant had he or she been holding such number of Common Shares equal

to the number of RSUs credited to the Participant's Account on the date on which cash dividends are paid on the Common Shares and the market price of the Common Shares on the payment date. Note that the Company is not obligated to pay dividends on Common Shares.

Resignation, Termination, Leave of Absence or Death

Generally, if a Participant's employment or service is terminated, or if the Participant resigns from employment with the Company, then all RSUs held by the Participant (whether vested or unvested) shall terminate automatically upon the termination of the Participant's service or employment.

In the event a Participant is terminated by reason of (i) termination by the Company other than for cause or (ii) the Participant's death, the Participant's unvested RSUs shall vest automatically as of such date. In the event the termination of the Participant's services by reason of voluntary resignation, only the Participant's unvested RSUs shall terminate automatically as of such date.

Change of Control

In the event of a Change of Control, the Board may, in its discretion, without the necessity or requirement for the agreement or consent of any Participant: (i) accelerate, conditionally or otherwise, on such terms as it sees fit, the vesting date of any RSU; (ii) permit the conditional settlement of any RSU, on such terms as it sees fit; (iii) otherwise amend or modify the terms of the RSU, including for greater certainty permitting Participants to settle any RSU, to assist the Participants to tender the underlying Common Shares to, or participate in, the actual or potential Change of Control Event (as defined in the RSU Plan) or to obtain the advantage of holding the underlying Common Shares during such Change of Control Event; and (iv) terminate, following the successful completion of such Change of Control Event, on such terms as it sees fit, the RSUs not settled prior to the successful completion of such Change of Control Event, including, without limitation, for no payment or other compensation. The determination of the Board in respect of any such Change of Control Event shall for the purposes of this RSU Plan be final, conclusive and binding.

Adjustments

In the event there is a change in the outstanding Common Shares by reason of any stock dividend or split, recapitalization, amalgamation, consolidation, combination or exchange of shares, or other corporate change, the Board shall make, subject to the prior approval of the CSE where necessary, appropriate substitution or adjustment in (i) the number or kind of Common Shares or other securities reserved for issuance pursuant to the RSU Plan, and (ii) the number and kind of Common Shares or other securities subject to unsettled and outstanding RSUs granted pursuant to the RSU Plan.

Vesting

Each award of RSUs vests on the date(s) (the "**Vesting Date**") specified by the Board on the award date, and reflected in the applicable RSU agreement certificate.

Limitations under the RSU Plan

The maximum number of Common Shares made available for issuance pursuant to the RSU Plan shall be determined from time to time by the Board, but in any case, shall not exceed 10% of the Common Shares issued and outstanding from time to time, subject to adjustments as provided in the RSU Plan.

Oversight and Description of Director and Name Executive Officer Compensation

Director Compensation

The Company currently does not have a compensation committee. Compensation being awarded or paid to the Company's directors and NEOs consists primarily of management fees or salary, stock options and bonuses. Payments may be made from time to time to NEOs, or companies they control, for the provision of consulting or management services. Such services are

paid for by the Company at competitive industry rates for work of a similar nature by reputable arm's length services providers. In addition, the Board may award bonuses, in its sole discretion, to NEOs from time to time.

In assessing the compensation of its directors and NEOs, the Company currently does not have in place any formal objectives, criteria or analysis. Compensation payable to directors and NEOs are approved by the full Board, on an annual basis. The Company has not established any specific performance criteria or goals to which total compensation or any significant element of total compensation to be paid to any NEO is dependent. NEOs' performance is reviewed in light of the Company's objectives from time to time and such officers' compensation is also compared to that of executive officers of companies of similar size and stage of development in the industry.

Compensation

At present, the Board as a whole determines the compensation of the Company's CEO and CFO and does so with reference to industry standards and the financial situation of the Company. The Board has the sole responsibility for determining the compensation of the directors of the Company.

Given the Company's size and lack of revenues, the Board does not plan to form a compensation committee to monitor and review the salary and benefits of the executive officers of the Company at the present time. The Board will carry out these functions until such time as it considers the formation of a compensation committee to be warranted.

Elements of NEO Compensation Program

The responsibilities relating to executive and director compensation, including reviewing and recommending compensation of the Company's officers and employees and overseeing the Company's base compensation structure and equity-based compensation program is performed by the Board as a whole. The Board also assumes responsibility for reviewing and monitoring the long-range compensation strategy for the Company's senior management. The Board generally reviews the compensation of senior management on an annual basis taking into account compensation paid by other issuers of similar size and activity and the performance of officers generally and in light of the Company's goals and objectives.

The compensation program for the senior management of the Company is designed within this context with a view that the level and form of compensation achieves certain objectives, including:

- (a) attracting and retaining qualified executives;
- (b) motivating the short and long-term performance of these executives; and
- (c) better aligning their interests with those of the Company's shareholders.

In compensating its senior management, the Company has employed a base salary. Recommendations for senior management compensation are presented to the Board for review.

Base Salary or Consulting Fees

In the Board's view, paying base salaries which are reasonable in relation to the level of service expected while remaining competitive in the markets in which the Company operates is a first step to attracting and retaining qualified and effective executives.

Base salary ranges for the executive officers were initially determined upon a review of companies within the industry, which were of the same size as the Company, at the same stage of development as the Company and considered comparable to the Company.

In determining the base salary or consulting fees of an executive officer, the Board considers the following factors:

- (a) the particular responsibilities related to the position;
- (b) salaries paid by other companies in the same industry which were similar in size as the Company;
- (c) the experience level of the executive officer;
- (d) the amount of time and commitment which the executive officer devotes to the Company; and
- (e) the executive officer's overall performance and performance in relation to the achievement of corporate milestones and objectives.

Bonus Incentive Compensation

The Company’s objective is to achieve certain strategic objectives and milestones. The Board considers executive bonus compensation dependent upon the Company meeting those strategic objectives and milestones and sufficient cash resources being available for the granting of bonuses. The Board approves executive bonus compensation dependent upon compensation levels based on recommendations of the CEO. Such recommendations are generally based on information provided by issuers that are similar in size and scope to the Company’s operations.

Equity Participation

The Company believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation is accomplished through the Company’s stock option plan and its restricted share unit plan. Stock options (“**Options**”) and restricted share units (“**RSUs**”) are awarded to executives and employees taking into account a number of factors, including the amount and term of options and RSUs previously granted, base salary and bonuses and competitive factors. The amounts and terms of options and RSUs granted are determined based on recommendations put forward by the CEO. Due to the Company’s limited financial resources, the Company emphasizes the provisions of stock option grants and RSU awards to maintain executive motivation.

Except for the grant of incentive share options and restricted share unit awards to the NEOs and any compensation payable pursuant to an executive compensation agreement between the CEO and CFO and the Company, there are no arrangements under which NEOs were compensated by the Company during the two most recently completed financial years for services in the capacity as NEOs, directors or consultants.

Key Management Compensation and Related Party Balances and Transactions

The Company’s related parties consist of key management personnel and companies owned directly or indirectly by key management personnel. Key management personnel compensation Key management includes directors and key officers of the Company, including the President, Chief Executive Officer (“CEO”) and Chief Financial Officer (“CFO”).

Risks Associated with the Company’s Compensation Program

The Company’s directors have not considered the implications of any risks to the Company associated with decisions regarding the Company’s compensation program. The Company intends to formalize its compensation policies and practices and will take into consideration the implications of the risks associated with the Company’s compensation program and how it might mitigate those risks.

The Company did not retain a compensation consultant during the financial year ended November 30, 2023.

Option Certificate, save and except as noted below. Each Option will also be subject to, in addition to the provisions of the Plan, the terms and conditions contained in the schedules, if any, attached to the Option Certificate for such Option. Should the terms and conditions contained in such schedules be inconsistent with the provisions of the Plan, such terms and conditions will supersede the provisions of the Plan.

SECTION 3 PURPOSE AND PARTICIPATION

3.1 Purpose of Plan

The purpose of the Plan is to provide the Company with a share-related mechanism to attract, retain and motivate qualified Executives, Employees and Consultants, to incent such individuals to contribute toward the long term goals of the Company, and to encourage such individuals to acquire Shares of the Company as long term investments.

3.2 Participation in Plan

The Committee shall, from time to time and in its sole discretion, determine those Executives, Employees and Consultants, if any, to whom Options are to be granted.

3.3 Limits on Option Grants

The following limitations shall apply to the Plan and all Options thereunder:

- (a) the maximum number of Shares which may be reserved for issuance to any one Option Holder under the Plan shall be subject to applicable Regulatory Rules; and
- (b) with respect to section 5.1, the Expiry Date of an Option shall be no later than the tenth anniversary of the Grant Date of such Option;

and such limitation will not be an amendment to this Plan requiring the Option Holders consent under section 9.2 of this Plan.

3.4 Notification of Grant

Following the granting of an Option, the Administrator shall, within a reasonable period of time, notify the Option Holder in writing of the grant and shall enclose with such notice the Option Certificate representing the Option so granted. In no case will the Company be required to deliver an Option Certificate to an Option Holder until such time as the Company has obtained all necessary Regulatory Approvals for the grant of the Option.

3.5 Copy of Plan

Each Option Holder, concurrently with the notice of the grant of the Option, shall be provided with a copy of the Plan. A copy of any amendment to the Plan shall be promptly provided by the Administrator to each Option Holder.

3.7 No Obligation to Exercise

Option Holders shall be under no obligation to exercise Options granted under this Plan.

3.8 Agreement

The Company and every Option Holder granted an Option hereunder shall be bound by and subject to the terms and conditions of this Plan. By accepting an Option granted hereunder, the Option Holder has expressly agreed with the Company to be bound by the terms and conditions of this Plan. In the event that the Option Holder receives his, her or its Options pursuant to an oral or written agreement with the Company or a Subsidiary, whether such agreement is an employment agreement, consulting agreement or any other kind of agreement of any kind whatsoever, the Option Holder acknowledges that in the event of any inconsistency between the terms relating to the grant of such Options in that agreement and the terms attaching to the Options as provided for in this Plan, the terms provided for in this Plan shall prevail and the other agreement shall be deemed to have been amended accordingly.

3.9 Notice

Any notice, delivery or other correspondence of any kind whatsoever to be provided by the Company to an Option Holder will be deemed to have been provided if provided to the last home address, fax number or email address of the Option Holder in the records of the Company and the Company shall be under no obligation to confirm receipt or delivery.

**SECTION 4
NUMBER OF SHARES UNDER PLAN**

4.1 Number of Shares

Subject to adjustment as provided for herein, the aggregate number of Shares which will be available for purchase pursuant to Options granted pursuant to this Plan will not exceed 10% of the number of Shares which are issued and outstanding on the particular Grant Date. If any Option expires or otherwise terminates for any reason without having been exercised in full, the number of Shares in respect of such expired or terminated Option shall again be available for the purposes of granting Options pursuant to this Plan.

4.2 Fractional Shares

No fractional shares shall be issued upon the exercise of any Option and, if as a result of any adjustment, an Option Holder would become entitled to a fractional share, such Option Holder shall have the right to purchase only the next lowest whole number of Shares and no payment or other adjustment will be made for the fractional interest.

SECTION 5 TERMS AND CONDITIONS OF OPTIONS

5.1 Exercise Period of Option

Subject to sections 5.4, 6.2, 6.3, 6.4 and 11.4, the Grant Date and the Expiry Date of an Option shall be the dates fixed by the Committee at the time the Option is granted and shall be set out in the Option Certificate issued in respect of such Option.

The Exercise Price shall not be less than the price determined in accordance with CSE policies while the Company's Shares are listed on the CSE.

5.4 Termination of Option

Subject to such other terms or conditions that may be attached to Options granted hereunder, an Option Holder may exercise an Option in whole or in part at any time and from time to time during the Exercise Period. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of the Expiry Time. The Expiry Date of an Option shall be the date so fixed by the Committee at the time the Option is granted as set out in the Option Certificate or, if no such date is set out in for the Option Certificate the applicable circumstances, the date established, if applicable, in paragraphs (a) or (b) below or sections 6.2, 6.3, 6.4, or 11.4 of this Plan:

- (i) termination for cause;
- (ii) resigning or terminating his or her position; or
- (iii) an order made by any Regulatory Authority having jurisdiction to so order;

in which case the Expiry Date shall be the date the Option Holder ceases to hold such position.

In the event that the Option Holder ceases to hold the position of Executive, Employee or Consultant for which the Option was originally granted, but comes to hold a different position as an Executive, Employee or Consultant prior to the expiry of the Option, the Committee may, in its sole discretion, choose to permit the Option to stay in place for that Option Holder with such Option then to be treated as being held by that Option Holder in his or her new position and such will not be considered to be an amendment to the Option in question requiring the consent of the Option Holder under section 9.2 of this Plan. Notwithstanding anything else contained herein, in no case will an Option be exercisable later than the Expiry Date of the Option.

5.5 Vesting of Option and Acceleration

The vesting schedule for an Option, if any, shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option. The Committee may elect, at any time, to accelerate the vesting schedule of one or more Options including, without limitation, on a Triggering Event, and such acceleration will not be considered an amendment to the Option in question requiring the consent of the Option Holder under section 9.2 of this Plan, subject to the limitation under subsection 3.3.

5.6 Additional Terms

Subject to all applicable Regulatory Rules and all necessary Regulatory Approvals, the Committee may attach additional terms and conditions to the grant of a particular Option, such terms and conditions to be set out in a schedule attached to the Option Certificate. The Option Certificates will be issued for convenience only, and in the case of a dispute with regard to any matter in respect thereof, the provisions of this Plan and the records of the Company shall prevail over the terms and conditions in the Option Certificate, save and except as noted below. Each Option will also be subject to, in addition to the provisions of the Plan, the terms and conditions contained in the schedules, if any, attached to the Option Certificate for such Option. Should the terms and conditions contained in such schedules be inconsistent with the provisions of the Plan, such terms and conditions will supersede the provisions of the Plan.

SECTION 6 TRANSFERABILITY OF OPTIONS

6.1 Non-transferable

Except as provided otherwise in this Section 6 or expressly set out in an Option Certificate, Options are non-assignable and non-transferable.

6.2 Death of Option Holder

In the event of the Option Holder's death, any Options held by such Option Holder shall pass to the Personal Representative of the Option Holder and shall be exercisable by the Personal Representative on or before the date which is the earlier of six months following the date of death and the applicable Expiry Date.

6.3 Disability of Option Holder

If the employment or engagement of an Option Holder as an Employee or Consultant or the position of an Option Holder as a director or officer of the Company or a Subsidiary is terminated by the Company by reason of such Option Holder's Disability, any Options held by such Option Holder shall be exercisable by such Option Holder or by the Personal Representative on or before the date which is the earlier of six months following the termination of employment, engagement or appointment as a director or officer and the applicable Expiry Date.

6.4 Disability and Death of Option Holder

If an Option Holder has ceased to be employed, engaged or appointed as a director or officer of the Company or a Subsidiary by reason of such Option Holder's Disability and such Option Holder dies within six months after the termination of such engagement, any vested Options at the time an Option Holder ceased to be employed, engaged or appointed as a director or officer of the Company or a Subsidiary which remains exercisable may be exercised in accordance with its terms by the Personal Representative of such Option Holder and shall be exercisable by the Personal Representative on or before the date which is the earlier of six months following the death of such Option Holder and the applicable Expiry Date.

6.5 Vesting

Unless the Committee determines otherwise, Options held by or exercisable by a Personal Representative shall, during the period prior to their termination, continue to vest in accordance with any vesting schedule to which such Options are subject.

6.6 Deemed Non-Interruption of Engagement

Employment or engagement by the Company shall be deemed to continue intact during any military or sick leave or other *bona fide* leave of absence if the period of such leave does not exceed 90 days or, if longer, for so long as the Option Holder's right to re-employment or re-engagement by the Company is guaranteed either by statute or by contract. If the period of such leave exceeds 90 days and the Option Holder's re-employment or re-engagement is not so guaranteed, then his or her employment or engagement shall be deemed to have terminated on the ninety-first day of such leave.

**SECTION 7
EXERCISE OF OPTION**

7.1 Exercise of Option

An Option may be exercised only by the Option Holder or the Personal Representative of any Option Holder. An Option Holder or the Personal Representative of any Option Holder may exercise an Option in whole or in part at any time and from time to time during the Exercise Period up to the Expiry Time by delivering to the Administrator the required Exercise Notice, the applicable Option Certificate and a certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Shares then being purchased pursuant to the exercise of the Option. Notwithstanding anything else contained herein, Options may not be exercised during Black-Out unless the Committee determines

otherwise. Notwithstanding any other provision of this Plan, the Exercise Period of Options that would expire during a Black-Out shall be extended to the date that is 10 business days following the expiry of the applicable Black-Out.

7.2 Issue of Share Certificates

As soon as reasonably practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate (or DRS) for the Shares so purchased. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall also provide a new Option Certificate for the balance of Shares available under the Option to the Option Holder concurrent with delivery of the Share certificate (or DRS).

7.3 No Rights as Shareholder

Until the date of the issuance of the certificate (or DRS) for the Shares purchased pursuant to the exercise of an Option, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to such Shares, notwithstanding the exercise of the Option, unless the Committee determines otherwise. In the event of any dispute over the date of the issuance of the certificate (or DRS), the decision of the Committee shall be final, conclusive and binding.

7.4 Tax Withholding and Procedures

Notwithstanding anything else contained in this Plan, the Company may, from time to time, implement such procedures and conditions as it determines appropriate with respect to the withholding and remittance of taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law. Without limiting the generality of the foregoing, an Option Holder who wishes to exercise an Option must, in addition to following the procedures set out in section 7.1 and elsewhere in this Plan, and as a condition of exercise:

- (a) deliver a certified cheque, wire transfer or bank draft payable to the Company for the amount determined by the Company to be the appropriate amount on account of such taxes or related amounts; or
- (b) otherwise ensure, in a manner acceptable to the Company (if at all) in its sole and unfettered discretion, that the amount will be securely funded;

and must in all other respects follow any related procedures and conditions imposed by the Company.

The Plan shall be administered by the Board, by a Committee of the Board appointed in accordance with section 8.2 below, or by an Administrator appointed in accordance with subsection 8.4(b).

8.2 Appointment of Committee

The Board may at any time appoint a Committee, consisting of not less than two of its members, to administer the Plan on behalf of the Board in accordance with such terms and conditions as the Board may prescribe, consistent with this Plan. Once appointed, the Committee shall continue to serve until otherwise

directed by the Board. From time to time, the Board may increase the size of the Committee and appoint additional members, remove members (with or without cause) and appoint new members in their place, fill vacancies however caused, or remove all members of the Committee and thereafter directly administer the Plan.

8.3 Quorum and Voting

A majority of the members of the Committee shall constitute a quorum and, subject to the limitations in this Section 8, all actions of the Committee shall require the affirmative vote of members who constitute a majority of such quorum. Members of the Committee may vote on any matters affecting the administration of the Plan or the grant of Options pursuant to the Plan, except that no such member shall act upon the granting of an Option to himself or herself (but any such member may be counted in determining the existence of a quorum at any meeting of the Committee during which action is taken with respect to the granting of Options to that member). The Committee may approve matters by written resolution signed by a majority of the quorum.

8.4 Powers of Committee

The Committee (or the Board if no Committee is in place) shall have the authority to do the following:

- (a) administer the Plan in accordance with its terms;
- (b) appoint or replace the Administrator from time to time;
- (c) determine all questions arising in connection with the administration, interpretation and application of the Plan;
- (d) correct any defect, supply any information or reconcile any inconsistency in the Plan in such manner and to such extent as shall be deemed necessary or advisable to carry out the purposes of the Plan;
- (e) prescribe, amend, and rescind rules and regulations relating to the administration of the Plan;
- (f) determine the duration and purposes of leaves of absence from employment or engagement by the Company which may be granted to Option Holders without constituting a termination of employment or engagement for purposes of the Plan;
- (g) do the following with respect to the granting of Options:
 - (i) determine the Executives, Employees or Consultants to whom Options shall be granted, based on the eligibility criteria set out in this Plan;
 - (ii) determine the terms of the Option to be granted to an Option Holder including, without limitation, the Grant Date, Expiry Dates, Exercise Price and vesting schedule (which need not be identical with the terms of any other Option);

- (i) make all other determinations necessary or advisable, in its sole discretion, for the administration of the Plan.

8.5 Administration by Committee

All determinations made by the Committee in good faith shall be final, conclusive and binding upon all persons. The Committee shall have all powers necessary or appropriate to accomplish its duties under this Plan.

8.6 Interpretation

The interpretation by the Committee of any of the provisions of the Plan and any determination by it pursuant thereto shall be final, conclusive and binding and shall not be subject to dispute by any Option Holder. No member of the Committee or any person acting pursuant to authority delegated by it hereunder shall be personally liable for any action or determination in connection with the Plan made or taken in good faith and each member of the Committee and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

SECTION 9 APPROVALS AND AMENDMENT

9.1 Shareholder Approval of Plan

If required by a Regulatory Authority or by the Committee, this Plan may be made subject to the approval of a majority of the votes cast at a meeting of the shareholders of the Company or by a majority of votes cast by disinterested shareholders at a meeting of shareholders of the Company. Any Options granted under this Plan will not be exercisable or binding on the Company unless and until such shareholder approval is obtained.

9.2 Amendment of Option or Plan

Subject to any required Regulatory Approvals, the Committee may from time to time amend any existing Option or the Plan or the terms and conditions of any Option thereafter to be granted provided that where such amendment relates to an existing Option and it would:

- (a) materially decrease the rights or benefits accruing to an Option Holder; or
- (b) materially increase the obligations of an Option Holder;

then, unless otherwise excepted out by a provision of this Plan, the Committee must also obtain the written consent of the Option Holder in question to such amendment. If at the time the Exercise Price of an Option is reduced the Option Holder is an Insider of the Company, the Insider must not exercise the option at the reduced Exercise Price until the reduction in Exercise Price has been approved by the disinterested shareholders of the Company.

SECTION 10
CONDITIONS PRECEDENT TO ISSUANCE OF OPTIONS AND SHARES

10.1 **Compliance with Laws**

An Option shall not be granted or exercised, and Shares shall not be issued pursuant to the exercise of any Option, unless the grant and exercise of such Option and the issuance and delivery of such Shares comply with all applicable Regulatory Rules, and such Options and Shares will be subject to all applicable trading restrictions in effect pursuant to such Regulatory Rules and the Company shall be entitled to legend the Option Certificates and the certificate (or DRS) representing such Shares accordingly.

10.2 **Obligation to Obtain Regulatory Approvals**

In administering this Plan, the Committee will seek any Regulatory Approvals which may be required. The Committee will not permit any Options to be granted without first obtaining the necessary Regulatory Approvals unless such Options are granted conditional upon such Regulatory Approvals being obtained. The Committee will make all filings required with the Regulatory Authorities in respect of the Plan and each grant of Options hereunder. No Option granted will be exercisable or binding on the Company unless and until all necessary Regulatory Approvals have been obtained. The Committee shall be entitled to amend this Plan and the Options granted hereunder in order to secure any necessary Regulatory Approvals and such amendments will not require the consent of the Option Holders under section 9.2 of this Plan.

10.3 **Inability to Obtain Regulatory Approvals**

The Company's inability to obtain Regulatory Approval from any applicable Regulatory Authority, which Regulatory Approval is deemed by the Committee to be necessary to complete the grant of Options hereunder, the exercise of those Options or the lawful issuance and sale of any Shares pursuant to such Options, shall relieve the Company of any liability with respect to the failure to complete such transaction.

SECTION 11
ADJUSTMENTS AND TERMINATION

11.1 **Termination of Plan**

Subject to any necessary Regulatory Approvals, the Committee may terminate or suspend the Plan.

11.2 **No Grant During Suspension of Plan**

No Option may be granted during any suspension, or after termination, of the Plan. Suspension or termination of the Plan shall not, without the consent of the Option Holder, alter or impair any rights or obligations under any Option previously granted.

11.3 **Alteration in Capital Structure**

If there is a material alteration in the capital structure of the Company and the Shares are consolidated, subdivided, converted, exchanged, reclassified or in any way substituted for, the Committee shall make such adjustments to this Plan and to the Options then outstanding under this Plan as the Committee determines to be appropriate and equitable under the circumstances, so that the proportionate interest of each Option Holder shall, to the extent practicable, be maintained as before the occurrence of such event. Such adjustments may include, without limitation:

- (a) a change in the number or kind of shares of the Company covered by such Options; and
- (b) a change in the Exercise Price payable per Share provided, however, that the aggregate Exercise Price applicable to the unexercised portion of existing Options shall not be altered, it being intended that any adjustments made with respect to such Options shall apply only to the Exercise Price per Share and the number of Shares subject thereto.

For purposes of this section 11.3, and without limitation, neither:

- (c) the issuance of additional securities of the Company in exchange for adequate consideration (including services); nor
- (d) the conversion of outstanding securities of the Company into Shares shall be deemed to be material alterations of the capital structure of the Company.

Any adjustment made to any Options pursuant to this section 11.3 shall not be considered an amendment requiring the Option Holder's consent for the purposes of Section 9.2 of this Plan.

11.4 Triggering Events

Subject to the Company complying with section 11.5 and any necessary Regulatory Approvals and notwithstanding any other provisions of this Plan or any Option Certificate, the Committee may, without the consent of the Option Holder or Holders in question:

- (a) cause all or a portion of any of the Options granted under the Plan to terminate upon the occurrence of a Triggering Event; or
- (b) cause all or a portion of any of the Options granted under the Plan to be exchanged for incentive stock options of another corporation upon the occurrence of a Triggering Event in such ratio and at such exercise price as the Committee deems appropriate, acting reasonably.

Such termination or exchange shall not be considered an amendment requiring the Option Holder's consent for the purpose of section 9.2 of the Plan.

11.5 Notice of Termination by Triggering Event

In the event that the Committee wishes to cause all or a portion of any of the Options granted under this Plan to terminate on the occurrence of a Triggering Event, it must give written notice to the Option Holders in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Option Holder the opportunity to exercise the vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Company proposes to terminate shall become immediately exercisable notwithstanding any contingent vesting provision to which such Options may have otherwise been subject.

11.6 Determinations to be Made By Committee

Adjustments and determinations under this Section 11 shall be made by the Committee, whose decisions as to what adjustments or determination shall be made, and the extent thereof, shall be final, binding, and conclusive.

ARTICLE 3 ADMINISTRATION

(1) This Plan shall be administered by the Board. Notwithstanding the foregoing or any other provision contained herein, the Board shall have the right to delegate the administration and operation of this Plan, in whole or in part, to a committee of the Board and/or to any member of the Board. Any delegation pursuant to this Section 3.1 shall be documented in a resolution of the Board.

(2) Subject to the terms and conditions set forth herein, the Board is authorized to provide for the awarding, granting, vesting, settlement and method of settlement of RSUs, all on such terms (which may vary between RSUs granted from time to time) as it shall determine. In addition, the Board shall have the authority to:

Section 3.2 Compliance with Legislation

(1) The Plan, the terms of the issue or grant and the settlement of RSUs hereunder and the Company's obligation to sell and deliver Common Shares upon settlement of RSUs shall be subject to all applicable federal, provincial and foreign laws, rules and regulations, the rules and regulations of the Stock Exchange and to such approvals by any regulatory or governmental agency as may, in the opinion of counsel to the Company, be required. The Company shall not be obliged by any provision of the Plan or the grant of any RSU hereunder to issue or sell Common Shares in violation of such laws, rules and regulations or any condition of such approvals.

(2) No RSU shall be granted and no Common Shares issued or sold thereunder where such grant, issue or sale would require registration of the Plan or of Common Shares under the securities laws of any foreign jurisdiction and any purported grant of any RSU or issue or sale of Common Shares hereunder in violation of this provision shall be void.

(3) The Company shall have no obligation to issue any Common Shares pursuant to the Plan unless such Common Shares shall have been duly listed, upon official notice of issuance, with the Stock Exchange. Common Shares issued and sold to Participants pursuant to the settlement of RSUs may be subject to restrictions or limitations on sale or resale under applicable securities laws.

(4) If Common Shares cannot be issued to a Participant upon the settlement of an RSU due to legal or regulatory restrictions, the obligation of the Company to issue such Common Shares under the Plan shall terminate, at no cost to the Company nor obligation to otherwise compensate a Participant in any way.

Section 3.3 Miscellaneous

- (1) Nothing contained herein shall prevent the Board from adopting other or additional compensation arrangements, subject to any required approval.
- (2) Nothing contained in the Plan nor in any RSU granted hereunder shall be deemed to give any Participant any interest or title in or to any Common Shares of the Company or any rights as a Shareholder or any other legal or equitable right against the Company whatsoever other than as set forth in the Plan and pursuant to the settlement of any RSU.
- (3) The Plan does not give any Participant or any employee of the Company or any of its Affiliated Companies, Subsidiary Companies or Controlled Companies the right or obligation to continue to serve as a Consultant, director, officer or employee, as the case may be, of the Company or any of its Affiliated Companies, Subsidiary Companies or Controlled Companies. The awarding of RSUs to any Eligible Person is a matter to be determined solely in the discretion of the Board. The Plan shall not in any way fetter, limit, obligate, restrict or constrain the Board with regard to the allotment or issue of any Common Shares or any other securities in the capital of the Company or any of its Subsidiary Companies other than as specifically provided for in the Plan.
- (4) The existence of any RSUs shall not affect in any way the right or power of the Company or its Shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.
- (5) No fractional Common Shares shall be issued upon the settlement of RSUs granted under the Plan and, accordingly, if a Participant would become entitled to a fractional Common Share upon the settlement of an RSU, or from an adjustment pursuant to Section 5.3(1) such Participant shall only have the right to receive the next lowest whole number of Common Shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded.

ARTICLE 4 RESTRICTED SHARE UNITS

Section 4.1 Granting of RSUs

- (1) Where the Board determines to grant an RSU Award to an Eligible Person and sets the terms and conditions applicable to such RSU Award, the Company shall deliver to the Eligible Person a RSU Grant Letter, containing the terms and conditions applicable to such RSU Award.
- (2) On the grant of an RSU Award, the Company will credit the Participant's Account with the number of RSUs granted to such Participant under the terms of the RSU Award.

(3) The grant of an RSU Award shall entitle the Participant to the conditional right to receive for each RSU credited to the Participant's Account, at the election of the Company, either one Common Share or an amount in cash, net of applicable taxes and contributions to government sponsored plans, as determined by the Board, equal to the Market Price of one Common Share for each RSU credited to the Participant's Account on the Settlement Date, subject to the conditions set out in the RSU Grant Letter and in the Plan, and subject to all other terms of this Plan.

(4) An Eligible Person may receive an RSU Award on more than one occasion under the Plan and may receive separate RSU Awards on any one occasion.

(5) RSUs granted under this Plan to an Eligible Person in a calendar year will (subject to any applicable terms and conditions) represent a right to a bonus or similar award to be received for services rendered by such Eligible Person to the Company or an Affiliate, as the case may be, in the fiscal year ending in, coincident with or before such calendar year, subject to any other determination by the Company.

Section 4.2 Dividends

(1) Unless the Board determines otherwise, additional RSUs ("Dividend RSUs") will be credited to a Participant's Account where the Company declares and pays a dividend on Common Shares. The number of Dividend RSUs credited to a Participant's Account in connection with the payment of dividends on Common Shares will be based on the actual amount of cash dividends that would have been paid to such Participant had he been holding such number of Shares equal to the number of RSUs credited to the Participant's Account on the date on which cash dividends are paid on the Shares and the Market Price of the Common Shares on the payment date.

(2) Dividend RSUs credited to a Participant's Account shall vest and be settled in the same manner and on the same date as the RSUs to which they relate.

Section 4.3 Settlement of Restricted Share Units

(1) Subject to the provisions of the Plan and in particular Section 4.4 and Section 5.2 and any vesting limitations imposed by the Board in its sole unfettered discretion at the time of grant, RSUs subject to an RSU Award may be settled by a Participant during the Settlement Period applicable to the RSU by delivery to the Company of a notice (the "Settlement Notice") in a form attached to the RSU Grant Letter. As soon as practicable following the receipt of the Settlement Notice, RSUs will be settled by the Company through the delivery by the Company of such number of Common Shares equal to the number of RSUs then being settled or, at a Company's election, an amount in cash, net of applicable taxes and contributions to government sponsored plans, equal to the Market Price at the Settlement Date of one Common Share for each RSU then being settled. Where, prior to the Expiry Date, a Participant fails to elect to settle an RSU, the Participant shall be deemed to have elected to settle such RSUs on the day immediately preceding the Expiry Date.

(2) Notwithstanding the foregoing, if the Company elects to issue Common Shares in settlement of RSUs:

- (a) the Company may arrange for such number of the Common Shares to be sold as it deems necessary or advisable to raise an amount at least equal to its determination of such applicable taxes, with such amount being withheld by the Company; or
- (b) the Company may elect to settle for cash such number of RSUs as it deems necessary or advisable to raise funds sufficient to cover such withholding taxes with such amount being withheld by the Company; or
- (c) the Company may, as a condition of settlement in the form of Common Shares, require the Participant to pay the applicable taxes as determined by the Company or make such other arrangement acceptable to the Company in its discretion (if at all) as it deems necessary or advisable.

(3) Subject to the terms of the Plan, as soon as practicable after receipt of any of the amount, undertaking or election listed in Section 4.3(2), the Company will forthwith cause the transfer agent and registrar of the Common Shares to deliver to the Participant a certificate or certificates in the name of the Participant or a statement of account, at the discretion of the Company, representing in the aggregate Common Shares issued to the Participant.

(4) Notwithstanding any other provision of the Plan:

- (a) no RSU shall be capable of settlement after the Expiry Date; provided, however, that if the Expiry Date in respect of an RSU falls on, or within nine (9) Business Days immediately following, a date upon which such Participant is prohibited from exercising such RSU due to a Black-Out Period or other trading restriction imposed by the Company, then the Expiry Date of such RSU shall be automatically extended to the tenth (10th) Business Day following the date the relevant Black-Out Period or other trading restriction imposed by the Company is lifted, terminated or removed. The foregoing extension applies to all RSUs

regardless of the date of grant and shall not be considered an extension of the term thereof as otherwise referred to in the Plan;

- (b) the Settlement Period shall be automatically reduced in accordance with Section 4.4 upon the occurrence of any of the events referred to therein; and
- (c) no RSU in respect of which Shareholder approval is required under the rules of the Stock Exchange shall be settled until such time as such RSU has been so approved.

Section 4.4 Termination of Service

(1) Except as otherwise determined by the Board:

- (a) all RSUs held by the Participant (whether vested or unvested) shall terminate automatically upon the termination of the Participant's service with the Company or any Subsidiary Companies for any reason other than as set forth in paragraph (b) and (c) below;
- (b) in the case of a termination of the Participant's service by reason of (A) termination by the Company or any Subsidiary Companies other than for Cause, or (B) the Participant's death, the Participant's unvested RSUs shall vest automatically as of such date, and on the earlier of the original Expiry Date and any time during the ninety (90) day period commencing on the date of such termination of service (or, if earlier, the Termination Date), the Participant (or his or her executor or administrator, or the person or persons to whom the Participant's RSUs are transferred by will or the applicable laws of descent and distribution) will be eligible to request that the Company settle his vested RSUs. Where, prior to the 90th day following such termination of service (or, if earlier, the Termination Date) the Participant fails to elect to settle a vested RSU, the Participant shall be deemed to have elected to settle such RSU on such 90th day (or, if earlier, the Termination Date) and to receive Common Shares in respect thereof;
- (c) in the case of a termination of the Participant's services by reason of voluntary resignation, only the Participant's unvested RSUs shall terminate automatically as of such date, and any time during the ninety (90) day period commencing on the date of such termination of service (or, if earlier, the Termination Date), the Participant will be eligible to request that the Company settle his vested RSUs. Where, prior to the 90th day following such termination of service (or, if earlier, the Termination Date) the Participant fails to elect to settle a vested RSU, the Participant shall be deemed to have elected to settle such RSU on such 90th day (or, if earlier, the Termination Date) and to receive Common Shares in respect thereof;
- (d) for greater certainty, where a Participant's employment or term of office terminates by reason of termination by the Company or any Subsidiary

Companies for Cause then any RSUs held by the Participant, whether or not vested at the Termination Date, immediately terminate and are cancelled on the Termination Date or at a time as may be determined by the Board, in its sole discretion;

- (e) a Participant's eligibility to receive further grants of RSUs under this Plan ceases as of the earliest of the date the Participant resigns from the Company or any Subsidiary Company and the date that the Company or any Subsidiary Company provides the Participant with written notification that the Participant's employment or term of office, as the case may be, is terminated, notwithstanding that such date may be prior to the Termination Date; and
- (f) for the purposes of the Plan, a Participant shall not be deemed to have terminated service where: (i) the Participant remains in employment or office within or among the Company or any Subsidiary Company or (ii) the Participant is on a leave of absence approved by the Board.

Section 4.5 Non-transferability of RSUs

RSUs shall not be transferable or assignable by the Participant otherwise than by will or the laws of descent and distribution, and shall be exercisable during the lifetime of a Participant only by the Participant and after death only by the Participant's legal representative.

Section 4.6 Hold Period

Pursuant to Stock Exchange Policies, where a hold period is applicable, the RSU Grant Letter will include a legend stipulating that the RSU Award is subject to a four-month hold period commencing from the date of grant of the RSU Award.

ARTICLE 5 TERMINATION, AMENDMENTS AND ADJUSTMENTS

Section 5.1 Amendment and Termination

- (1) The Board may amend, suspend or terminate the Plan or any portion thereof at any time in accordance with applicable law, and subject to any required regulatory approval.
- (2) No such amendment, suspension or termination shall alter or impair any RSUs or any rights pursuant thereto granted previously to any Participant without the consent of such Participant.
- (3) If the Plan is terminated, the provisions of the Plan and any administrative guidelines, and other rules and regulations adopted by the Board and in force at the time of the Plan termination shall continue in effect during such time as an RSU or any rights pursuant thereto remain outstanding.
- (4) With the consent of the affected Participant, the Board may amend or modify any outstanding RSU in any manner to the extent that the Board would have had the authority to

initially grant such award as so modified or amended, including without limitation, to change the date or dates as of which the RSU becomes exercisable, subject to the prior approval of the Stock Exchange where necessary.

Section 5.2 Change of Control

(1) Notwithstanding any other provision of this Plan, in the event of an actual or potential Change of Control Event, the Board may, in its discretion, without the necessity or requirement for the agreement or consent of any Participant: (i) accelerate, conditionally or otherwise, on such terms as it sees fit, the vesting date of any RSU; (ii) permit the conditional settlement of any RSU, on such terms as it sees fit; (iii) otherwise amend or modify the terms of the RSU, including for greater certainty permitting Participants to settle any RSU, to assist the Participants to tender the underlying Common Shares to, or participate in, the actual or potential Change of Control Event or to obtain the advantage of holding the underlying Common Shares during such Change of Control Event; and (iv) terminate, following the successful completion of such Change of Control Event, on such terms as it sees fit, the RSUs not settled prior to the successful completion of such Change of Control Event, including, without limitation, for no payment or other compensation.

The determination of the Board in respect of any such Change of Control Event shall for the purposes of this Plan be final, conclusive and binding.

Section 5.3 Adjustments

(1) If there is a change in the outstanding Common Shares by reason of any stock dividend or split, recapitalization, amalgamation, consolidation, combination or exchange of shares, or other corporate change, the Board shall make, subject to the prior approval of the Stock Exchange where necessary, appropriate substitution or adjustment in

- (a) the number or kind of Common Shares or other securities reserved for issuance pursuant to the Plan, and
- (b) the number and kind of Common Shares or other securities subject to unsettled and outstanding RSUs granted pursuant to the Plan;

provided, however, that no substitution or adjustment shall obligate the Company to issue fractional RSUs or Common Shares.

(2) If the Company is reorganized, amalgamated with another Company or consolidated, the Board shall make such provisions for the protection of the rights of Participants as the Board in its discretion deems appropriate.
