CERTIFICATE OF QUALIFIED PERSON

I, Greg Bronson, P.Geo., as author of this report titled “NI 43-101 Technical Report on the Pass Property, Castlegar Area, B.C. prepared for Sentinel Resources and dated April 30, 2019, do hereby certify that:

1. I am a consulting Professional Geologist employed by Rae-co Consulting Ltd with a business address of 3022 Royal Avenue, North Vancouver, BC, V7K 1Y5, Canada.
2. I graduated with the degree of Bachelor of Science (Specialization in Geology) from the University of Alberta, 1984 and am a Licenced Professional Geoscientist registered by the Engineers and Geoscientists of British Columbia.
3. This certificate applies to the report titled "Technical Report on the Pass Property, Nelson Mining District, British Columbia" dated April 30, 2019, and as sole author, am responsible for all sections of the report.
4. I have practiced my profession for more than 30 years. I have worked on exploration and mining projects across Canada and Central America for a variety of base and precious metals. My work experience includes grassroots and reconnaissance exploration, project evaluation, geological mapping, planning and execution of drill programs, planning and supervision of geophysical surveys, project management and project reporting.
5. I have read the definition of “qualified person” set out in National Instrument 43101 (“NI 43-101”) and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfill the requirements as a Qualified Person for the purposes of NI 43-101.
6. I visited the Pass Property on June 22, 2017, August 20 – 26, 2017 and October 04 – 07, 2017.
7. I am responsible for all items of the Technical Report. All figures and tables were either completed or directed to be completed by myself. This report is based upon knowledge of the Property gained from the study of available documentation, the results of the 2017 exploration

program and three personal visits to the property in 2017 as noted above. I have no other involvement with the property that is the subject of this report.

8. I am independent of the party or parties (the "issuer") involved in the transaction for which the Technical Report is required, other than providing consulting services, and in the application of all the tests in section 1.5 of NI 43-101.
9. I have had no prior involvement with the mineral Property that forms the subject of this Technical Report.
10. I have read NI-43-101 and Form 43-101F1, and the Technical Report has been prepared in compliance with that Instrument and Form.
11. As of the date of this certificate, and to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.
12. I consent to the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their website accessible to the public, of the Technical Report.

Dated this 30th day of April 2019.

Original Signed and Sealed

G.R.Bronson, P.Geol.
