If the Agent's expenses and the fees, charges and expenses of the Agent's counsel are less than the Deposit, any amount of the Deposit remaining shall be returned forthwith to the Corporation by the Agent or the Agent's counsel, without interest or further deduction. 11. Waiver

The Agent may waive in whole or in part any breach of, default under or non-compliance with any representation, warranty, covenant, term or condition hereof, or extend the time for compliance therewith, without prejudice to any of their rights in respect of any other representation, warranty, covenant, term or condition hereof or any other breach of, default under or non-compliance with any other representation, warranty, covenant, term or condition hereof, provided that any such waiver or extension shall be binding on the Agent only if the same is in writing and signed by the Agent.

12. Termination Events

The Agent may, without liability, terminate its obligations hereunder, by written notice to the Corporation, in the event that after the date hereof and at or prior to the Closing Time:

- (a) any order to cease or suspend trading in any securities of the Corporation, or prohibiting or restricting the distribution of the Securities is made, or proceedings are announced or commenced for the making of any such order, by the Securities Commissions, any other securities commissions or similar regulatory authority, or the Exchange, and has not been rescinded, revoked or withdrawn;
- (b) any inquiry, investigation (whether formal or informal) or other proceeding in relation to the Corporation, or any of its directors or senior officers is announced or commenced by the Securities Commissions, any other securities commission or similar regulatory authority, or the Exchange, if, in the opinion of the Agent acting reasonably, the announcement or commencement materially adversely affects the trading or distribution of the Units;
- (c) there should develop, occur, come into effect or existence or be announced any event, action, state, condition or major financial occurrence of national or international consequence or any law or regulation which in the opinion of the Agent, acting reasonably, materially adversely affects, or involves, or will materially adversely affect or involve, the financial markets, the commodity markets or the business or affairs of the Corporation, or the state of the financial markets is such that in the reasonable opinion of the Agent the Units cannot be profitably marketed;
- (d) there should occur or be discovered any material change, change of a material fact, occurrence or event of the nature referred to in subparagraph 4(a) which, in the opinion of the Agent, acting reasonably, would reasonably be expected to have a material adverse effect on the market price or value of the Units;
- (e) the Corporation shall be in breach of, default under or non-compliance with any material representation, warranty, term or condition of this Agreement or the other Material Agreements; or
- (f) as a result of investigations after the effective date hereof, the Agent determines that there exists any fact, information or circumstances not generally disclosed to the public by the Corporation, at the date hereof, which would have, in the opinion of the Agent acting reasonably, a material adverse effect on the market price or value of the Units.

13. Continuation of Termination Right

The Agent may exercise any or all of the rights provided for in paragraphs 7, 11 or 12 up to the Closing Time notwithstanding any material change, change, event or state of facts and notwithstanding any act or thing taken or done by the Agent or any inaction by the Agent, whether before or after the occurrence of any material change, change, event or state of facts including, without limitation, any act of the Agent related to the Offering or continued Offering of the Units for sale and the Agent shall only be considered to have waived or be estopped from exercising or relying upon any of its rights under or pursuant to paragraphs 7, 11 or 12 if such waiver or estoppel is in writing and specifically waives or estops such exercise or reliance.

14. Exercise of Termination Right

Any termination pursuant to the terms of this Agreement shall be effected by notice in writing delivered to the Corporation, provided that no termination shall discharge or otherwise affect any obligations of the Corporation under paragraphs 9, 10, 14, 15, 16, 17 or 18. The rights of the Agent to terminate its obligation hereunder are in addition to, and without prejudice to, any other remedies they may have.

15. Survival

All representations, warranties, terms and conditions herein or contained in certificates or documents submitted pursuant to or in connection with the transactions contemplated herein shall survive the payment by the Agent for the Units, the termination of this Agreement and the distribution of the Units and shall continue in full force and effect for the benefit of the Agent regardless of any investigation by or on behalf of the Agent with respect thereto.

16. Indemnity

The Corporation shall indemnify and save each of the Indemnified Persons harmless against and from all liabilities, claims, demands, losses (other than losses of profit in connection with the distribution of the Units), costs, damages and expenses to which any of the Indemnified Persons may be subject or which any of the Indemnified Persons may suffer or incur, whether under the provisions of any statute or otherwise, in any way caused by, or arising directly or indirectly from or in consequence of:

- (a) any information or statement contained in the Public Record (other than any information or statement relating solely to the Agent and furnished to the Corporation by the Agent in writing expressly for inclusion in the Public Record), which is or is alleged to be untrue or any omission or alleged omission to provide any information or state any fact the omission of which makes or is alleged to make any such information or statement untrue or misleading in light of the circumstances in which it was made;
- (b) any misrepresentation or alleged misrepresentation (except a misrepresentation which is based upon information relating solely to the Agent and furnished to the Corporation by the Agent in writing expressly for inclusion in the Public Record);
- (c) any prohibition or restriction on trading in the securities of the Corporation or any prohibition or restriction affecting the distribution of the Units imposed by any competent authority if such prohibition or restriction is based on any misrepresentation or alleged misrepresentation of a kind referred to in subparagraph 16(b);
- (d) any order made or any inquiry, investigation (whether formal or informal) or other proceeding commenced or threatened by any one or more competent authorities (not based upon the activities or the alleged activities of the Agent or sub-agent, if any) relating to or materially affecting the trading or distribution of the Units;
- (e) any breach of, default under or non-compliance by the Corporation with any representation, warranty, term or condition of this Agreement or the Material Agreements, any requirement of Applicable Securities Laws; or
- (f) the exercise by any subscriber or permitted assignee of a subscriber, of any contractual, statutory or common law right of rescission or damages in connection with the purchase of the Units, including without limitation any right of rescission or damages granted pursuant to the Prospectuses, provided that this indemnity shall not apply if the rescission or damage arises out of, or is based upon a misrepresentation made by the Agent or the failure of the Agent to deliver the Prospectuses or Supplementary Material within the time required under Applicable Securities Laws.

Provided that in the event and to the extent that a court of competent jurisdiction in a final judgment from which no appeal can be made or a regulatory authority in a final ruling from which no appeal can be made shall determine that such claims, demands, actions, suits, investigations and proceedings and all losses (other than loss of profits), costs, expenses, fees, damages, obligations, payments and liabilities resulted solely from the fraud or willful misconduct of any Indemnified Person (or any such Indemnified Person's affiliates, shareholders, directors, officers, partners, employees or Agent), claiming indemnity, this indemnity shall cease to apply.

The Corporation hereby waives its right to recover contribution from the Agent and any Indemnified Persons with respect to any liability of the Corporation by reason of or arising out of any misrepresentation in the Public Record, including without limitation the Prospectuses or the Supplementary Material provided, however, that such waiver shall not apply in respect of liability caused or incurred by reason of or arising out of: (i) any misrepresentation which is based upon information relating solely to the Agent contained in such document and furnished to the Corporation by the Agent expressly for inclusion in such document; (ii) any failure by the Agent to provide to prospective purchasers of Units any document which the Corporation is required to provide to such prospective purchasers and which the Corporation has provided to the Agent; or (iii) any fraud or willful misconduct of the Agent or Indemnified Persons.

The Corporation agrees that in case any legal proceedings or investigation shall be brought against or initiated against the Corporation by any governmental commission, regulatory authority, exchange, court or other authority with respect to the offering of Units hereunder and an Indemnified Person or other representative of the Agent shall be required to testify or respond to procedures designed to discover information regarding, in connection with or relating to the performance of professional services rendered to the Corporation by the Agent, the Corporation shall pay the Agent the reasonable costs (including an amount to reimburse the Indemnified Person for the time spent by its personnel in connection therewith on a per diem basis and out of pocket expenses) in connection therewith, other than any legal proceeding or investigations relating to information or statements relating solely to the Agent, and furnished to the Corporation by the Agent in writing expressly for inclusion in the Public Record.

17. Notice of Indemnity Claim

If any claim contemplated by paragraph 16 shall be asserted against any of the Indemnified Persons in respect of which indemnification is or might reasonably be considered to be provided for in such paragraph, such Indemnified Person shall notify the Corporation as soon as reasonably practical of the nature of such claim and the Corporation shall be entitled (but not required) to assume the defence of any suit brought to enforce such claim, provided however, that the defence shall be through legal counsel selected by the Corporation and acceptable to the Indemnified Person acting reasonably and that no admission of liability or settlement may be made by the Corporation or the Indemnified Person without the prior written consent of the other, such consent not to be unreasonably withheld. The Indemnified Person shall have the right to retain its own counsel in any proceeding relating to a claim contemplated by paragraph 16 if:

- (a) the Indemnified Person has been advised by counsel that there may be a material legal defence available to the Indemnified Person which is different from or additional to a defence available to the Corporation (in which case the Corporation shall not have the right to assume the defence of such proceedings on the Indemnified Person's behalf);
- (b) the Corporation shall not have taken the defence of such proceedings and employed counsel within ten days after notice of commencement of such proceedings; or
- (c) the employment of such counsel has been authorized by the Corporation in connection with the defence of such proceeding;

and, in any such event, the reasonable fees and expenses of such Indemnified Person's counsel shall be paid by the Corporation; provided that the Corporation shall not be obligated to pay fees and expenses of more than one separate legal firm for all Indemnified Persons, as a group.

It is the intention of the Corporation to constitute the Agent as trustee for the Indemnified Persons for the purposes of paragraphs 16 and 17 and the Agent agrees to accept such trust and to hold and enforce such covenants on behalf of such persons.

18. Right of Contribution

In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in this Agreement is due in accordance with its terms but is (in whole or in part), for any reason, held by a court to be unavailable from the Corporation, on grounds of policy or otherwise, each of the Corporation and the party or parties seeking indemnification shall contribute to the aggregate liabilities, claims, demands, losses (other than losses of profit in connection with the distribution of the Units), costs, damages and expenses (or claims, actions, suits or proceedings in respect thereof) to which they may be subject or which they may suffer or incur:

- (a) in such proportion as is appropriate to reflect the relative benefit received by the Corporation on the one hand and by the Agent on the other hand from the offering of the Units or any part thereof; or
- (b) if the allocation provided by subparagraph (a) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in subparagraph (a) above but also to reflect the relative fault of the party or parties seeking indemnity, on the one hand, and the parties from whom indemnity is sought, on the other hand, in connection with the statement, omission, misrepresentation or alleged misrepresentation, order, inquiry, investigation or other matter or thing which resulted in such liabilities, claims, demands, losses, costs, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Corporation, on the one hand, and the Agent, on the other hand, shall be deemed to be in the same proportion that the total proceeds of the Offering received by the Corporation (net of fees but before deducting expenses) bear to the commission and fees received by the Agent.

The amount paid or payable by an Indemnified Person as a result of liabilities, claims, demands, losses (other than losses of profit in connection with the distribution of the Units), costs, damages and expenses (or claims, actions, suits or proceedings in respect thereof) referred to above shall, without limitation, include any legal or other expenses reasonably incurred by the Indemnified Person in connection with investigating or defending such liabilities, claims, demands, losses, costs, damages and expenses (or claims, actions, suits or proceedings in respect thereof), whether or not resulting in any action, suit, proceeding or claim.

The Corporation agrees that it would not be just and equitable if contributions pursuant to this Agreement were determined by pro rata allocation or by any other method of allocation which does not take into account the equitable considerations referred to in the immediately preceding paragraphs. The rights to contribution provided in this paragraph 18 shall be in addition to, and without prejudice to, any other right to contribution which the Agent may have.

Any liability of the Agent or Indemnified Party under this paragraph 18 shall be limited to the amount actually received by the Agent pursuant to paragraph 9 of this Agreement.

The division of these Terms and Conditions into Articles, Sections and subsections, and the insertion of headings, are for convenience of reference only and shall not affect the construction or interpretation hereof.

1.3 Applicable Law

These Terms and Conditions shall be construed in accordance with and the rights and obligations of the Warrantholder and the Corporation hereunder shall be governed by, the laws of the Province of Alberta and the federal laws of Canada applicable therein, without regard to principles of conflicts of law. The Corporation and the Warrantholder attorn to the exclusive jurisdiction of the courts of the Province of Alberta in respect of all matters and disputes arising hereunder.

ARTICLE 2 EXERCISE OF AGENT'S WARRANTS

2.1 Method of Exercise

The right to subscribe for and purchase Common Shares hereunder may be exercised, prior to the Expiry Time, by the Warrantholder delivering to the Corporation at its principal office: (i) the Agent's Warrant Certificate with the subscription form printed on the reverse side thereof (or a separate notice in substantially the same form) duly completed and executed; and (ii) cash or a certified cheque or bank draft payable to or to the order of the Corporation, at par in Calgary, Alberta in immediately available funds, for the full amount of the Purchase Price, in lawful money of Canada. The Agent's Warrant Certificate and payment shall be deemed to be delivered only upon actual receipt of same by the Corporation.

2.2 Effect of Exercise

Upon delivery and payment as set forth in Section 2.1 above, the Common Shares so subscribed for shall be issued as fully paid and non-assessable shares in the capital of the Corporation and the Warrantholder will become the holder of record of the Common Shares, effective as of the date of such delivery and payment, and within three (3) Business Days thereafter the Corporation will cause certificate(s) for the Common Shares purchased to be mailed to

the Warrantholder, at the address set forth in the delivery instructions provided by the Warrantholder in the subscription form printed on the reverse side of the Agent's Warrant Certificate (or a separate notice in substantially the same form), or otherwise delivered to or to the order of the Warrantholder.

2.3 Partial Exercise

The Warrantholder may subscribe for and purchase a number of Common Shares that is less than the total number of Common Shares that the Warrantholder is entitled to subscribe for and purchase hereunder, in which event the Corporation shall cause a certificate representing the balance of the Agent's Warrants not exercised by the Warrantholder to be mailed to the Warrantholder at the address set forth in the delivery instructions provided by the Warrantholder in the subscription form printed on the reverse side of the Agent's Warrant Certificate (or a separate notice in substantially the same form), or otherwise delivered to or to the order of the Warrantholder.

2.4 Expiration

At the Expiry Time, all rights hereunder shall wholly cease and terminate and the Agent's Warrants shall be void and of no effect whatsoever.

2.5 Fractional Interests

The Corporation shall not be required to issue fractional Common Shares on the exercise of any Agent's Warrants. If more than one Agent's Warrant shall be presented by the Warrantholder for exercise at the same time, the number of full Common Shares issuable upon the exercise thereof will be computed on the basis of the aggregate number of Common Shares purchasable on exercise of the Agent's Warrants so presented. If any fraction of a Common Share would, except for the provisions of this Section 2.5, be issuable on the exercise of any Agent's Warrants, such fraction shall be deemed to be surrendered to the Corporation and cancelled without any payment therefor to the Warrantholder.

ARTICLE 3 GENERAL

3.1 Reservation of Sufficient Common Shares

For so long as the Agent's Warrants remain outstanding, the Corporation shall reserve and keep available for issue upon the exercise of the Agent's Warrants such number of authorized but unissued Common Shares in the capital of the Corporation as will be required to satisfy in full the rights of the Warrantholder pursuant to the Agent's Warrants to subscribe for and purchase Units from the Corporation.

3.2 Additional Securities

Nothing contained herein shall be construed as preventing the Corporation from making any distribution of or otherwise issuing to any person, at any time and from time to time, additional Common Shares or securities convertible into Common Shares for such consideration and on such terms as may be approved by the board of directors of the Corporation in its sole discretion.

3.3 Lost, Stolen, Destroyed or Mutilated Agent's Warrant Certificates

Upon receipt of evidence satisfactory to the Corporation of the loss, theft, destruction or mutilation of any Agent's Warrant Certificate and, in the case of loss, theft or destruction, upon receipt of indemnity or security in an amount and form satisfactory to the Corporation, or, in the case of mutilation, upon surrender and cancellation of such Agent's Warrant Certificate, the Corporation will make and deliver, in lieu of such lost, stolen, destroyed or mutilated Agent's Warrant Certificate, a new Agent's Warrant Certificate of like tenor and representing the same number of Agent's Warrants. The Warrantholder shall pay the reasonable charges of the Corporation in connection with any such replacement.

3.4 Warrantholder Not a Shareholder

The Agent's Warrants represented hereby shall not constitute the Warrantholder a shareholder of the Corporation, nor entitle the Warrantholder to any right or interest (including, without limitation, any voting rights or rights to receive dividends or other distributions) as a shareholder of the Corporation. For greater certainty, the Agent's Warrants represented hereby shall not entitle the Warrantholder to any voting rights whatsoever in the affairs of the Corporation.

3.5 Notice to Regulatory Authorities

The Corporation may give notice of the issuance of any Common Shares pursuant to the exercise of Agent's Warrants, in such detail as may be required, to any stock exchange, securities commission or similar regulatory authority in Canada having jurisdiction in respect of such issuance.

3.6 Legends

If, at the time of the exercise of the Agent's Warrants, the Common Shares acquired thereby are subject to trading restrictions under applicable securities legislation, the Corporation may, on the advice of counsel, endorse the certificates representing such Common Shares to such effect.

3.7 Transfer Taxes

The Corporation shall pay any and all transfer taxes (if any) that may be payable in respect of the issuance or delivery of Common Shares upon the exercise of the Agent's Warrants; *provided, however*, that the Corporation shall not be required to pay any such tax or taxes that may be payable in respect of the issuance or delivery of any certificates for Common Shares issued upon the exercise of the Agent's Warrants in the name of a person or persons other than the Warrantholder.

ARTICLE 4 ADJUSTMENTS

4.1 Adjustment of Subscription Rights

- (a) The Exercise Price and the number of Common Shares purchasable upon the exercise of an Agent's Warrant shall be subject to adjustment from time to time as set forth in this Article 4 with respect to any fact or event described herein occurring after the Listing Date but prior to the Expiry Time. The adjustments provided for in this Article 4 are cumulative. Notwithstanding anything contained in this Article 4, any adjustment made pursuant to any provision of this Article 4 shall be made without duplication of an adjustment otherwise required by and made pursuant to another provision of this Article 4 on account of the same facts or events.
- (b) After any adjustment pursuant to this Article 4, the term "Common Shares" where used in this Agent's Warrant Certificate shall, unless the context requires otherwise, be interpreted to mean securities or other property that, as a result of all prior adjustments pursuant to this Article 4, the Warrantholder is entitled to receive upon the exercise of an Agent's Warrant, and the number of Common Share indicated in any subscription made pursuant to the exercise of Agent's Warrants shall be interpreted to mean the number of such securities or other property which, as a result of all prior adjustments pursuant to this Section, the Warrantholder is entitled to receive upon the exercise of Agent's Warrants entitling the holder thereof to subscribe for and purchase the number of Common Shares so indicated.

4.2 Stock Dividends, Subdivisions or Consolidations

- (a) If and whenever at any time after the Listing Date but prior to the Expiry Time, the Corporation shall: (i) subdivide, redivide or change its outstanding Common Shares into a greater number of shares; (ii) reduce, combine or consolidate its outstanding Common Shares into a smaller number of shares; or (iii) issue Common Shares or securities convertible into or exchangeable for Common Shares to the holders of all or substantially all of the outstanding Common Shares by way of a stock dividend other than a dividend paid in

the ordinary course, then the Exercise Price in effect on the effective date of such subdivision, redivision, change, reduction, combination or consolidation or on the record date for such issue of Common Shares or securities convertible or exchangeable into Common Shares by way of a stock dividend, as the case may be, shall be adjusted immediately after such effective date or record date, as the case may be, so that it shall equal the price determined by multiplying the Exercise Price in effect on such date by a fraction of which the numerator shall be the total number of Common Shares outstanding immediately prior to such date and the denominator shall be the total number of Common Shares outstanding immediately after such date (including, in the case where securities convertible into or exchangeable for Common Shares are issued, the number of Common Shares that would have been outstanding had such securities been converted into or exchanged for Common Shares on such record date).

- (b) Any issue of Common Shares by way of a stock dividend as contemplated in this Section 4.2 shall be deemed to have been made on the record date for the stock dividend for the purpose of calculating the number of outstanding Common Shares, or securities convertible into Common Shares, under Sections 4.2, 4.3 and 4.4. To the extent that any securities convertible into or exchangeable for Common Shares are not converted into or exchanged for Common Shares prior to the expiration of the conversion or exchange right, the Exercise Price shall be readjusted effective as at the date of such expiration to the Exercise Price that would then be in effect based upon the number of Common Shares actually issued on the exercise of such conversion or exchange right.
- (c) Upon any adjustment of the Exercise Price pursuant to Section 4.2, the number of Common Shares purchasable under each Agent's Warrant shall contemporaneously be adjusted by multiplying the number of Common Shares theretofore purchasable on the exercise thereof by a fraction of which the numerator shall be the Exercise Price in effect immediately prior to such adjustment and the denominator shall be the Exercise Price resulting from such adjustment.

4.3 Rights Offerings

If and whenever at any time after the Listing Date but prior to the Expiry Time, the Corporation shall fix a record date for the issuance of rights, options or warrants to all or substantially all the holders of its outstanding Common Shares entitling them, for a period expiring not more than forty-five (45) days after such record date, to subscribe for or purchase Common Shares (or securities convertible into or exchangeable for Common Shares) at a price per Common Share (or having a conversion or exchange price per Common Share) less than 95% of the Fair Value per Share on such record date, the Exercise Price in effect on such record date shall be adjusted immediately after such record date so that it shall equal the price determined by multiplying the Exercise Price in effect on such record date by a fraction, of which the numerator shall be the total number of Common Shares outstanding on such record date plus a number arrived at by dividing the aggregate price of the total number of additional Common Shares offered for subscription or purchase (or the aggregate conversion or exchange price of the convertible securities so offered) by such Fair Value per Share, and of which the denominator shall be the total number of Common Shares outstanding on such record date plus the total number of additional Common Shares offered for subscription or purchase (or into which the convertible securities so offered are convertible or exchangeable). Common Shares owned by or held for the account of the Corporation shall be deemed not to be outstanding for the purpose of any such computation. To the extent that any such rights, options or warrants are not so issued or any such rights, options or warrants are not exercised prior to the expiration thereof, the Exercise Price shall be readjusted to the Exercise Price that would then be in effect if such record date had not been fixed or to the Exercise Price that would then be in effect based upon the number and aggregate price of Common Shares (or securities convertible into or exchangeable for Common Shares) actually issued upon the exercise of such rights, options or warrants, as the case may be.

4.4 Other Distributions

If and whenever at any time after the Listing Date but prior to the Expiry Time, the Corporation shall fix a record date for the making of a distribution to all or substantially all the holders of its outstanding Common Shares of: (i) shares of any class other than Common Shares (or other securities convertible into or exchangeable for Common Shares); (ii) rights, options or warrants (excluding rights, options or warrants referred to in Section 4.3, or rights, options or warrants referred to in Section 4.3 but exercisable at a price per Common Share (or having a conversion or exchange price per Common Share) that is at least 95% of the Fair Value per Share); (iii) evidences of its

indebtedness; or (iv) assets (excluding assets distributed as dividends paid in the ordinary course or in the event of the liquidation, dissolution or winding-up of the Corporation); then, in each such case, the Exercise Price in effect on such record date shall be adjusted immediately after such record date so that it shall equal the price determined by multiplying the Exercise Price in effect on such record date by a fraction, of which the numerator shall be the total number of Common Shares outstanding on such record date multiplied by the Fair Value per Share on such record date, less the aggregate fair market value (as determined by the directors of the Corporation acting reasonably and in good faith, which determination shall be conclusive) of such shares or rights, options or warrants or evidences of indebtedness or assets so distributed, and of which the denominator shall be the total number of Common Shares outstanding on such record date multiplied by the Fair Value per Share. Common Shares owned by or held for the account of the Corporation shall be deemed not to be outstanding for the purpose of any such computation. To the extent that such distribution is not so made, the Exercise Price shall be readjusted to the Exercise Price that would then be in effect based upon such shares or rights, options or warrants or evidences of indebtedness or assets actually distributed, as the case may be.

4.5 Reorganizations

If and whenever at any time after the Listing Date but prior to the Expiry Time, there is a reclassification of the Common Shares or a capital reorganization of the Corporation other than as described in Section 4.2 or a consolidation, amalgamation, arrangement, merger or other reorganization of the Corporation with or into any other body corporate, trust, partnership or other entity, or a sale or conveyance of the property and assets of the Corporation as an entirety or substantially as an entirety to any other body corporate, trust, partnership or other entity (any such event being hereinafter referred to as a "Reorganization"), the Warrantholder shall be entitled, for each Agent's Warrant still held at the effective date of the Reorganization, upon the exercise of such Agent's Warrant after the effective time, to receive, and shall thereupon be obligated to accept in lieu of the number of Common Shares then subscribed for by him but for the same aggregate consideration payable therefor, the number of shares or other securities of property of the Corporation or of the body corporate, trust, partnership or other entity resulting from such merger, amalgamation or consolidation, or to which such sale or conveyance may be made, as the case may be, that such Warrantholder would have been entitled to receive on the Reorganization if, on the record date or the effective date thereof, as the case may be, the Warrantholder had been the registered holder of the number of Common Shares so subscribed for. To give effect to or to evidence the provisions of this Section 4.5, the Corporation shall or shall impose upon its successor or such purchasing body corporate, partnership, trust or other entity, as the case may be, prior to or contemporaneously with any such Reorganization, an agreement or undertaking that provides, to the extent possible, for the application of the provisions of this Section 4.5 with respect to the rights and interests thereafter of the Warrantholder to the end that the provisions set forth in this Agent's Warrant shall thereafter correspondingly be made applicable, as nearly as may reasonably be, with respect to any shares, other securities or property to which the Warrantholder is entitled on the exercise of his purchase rights thereafter. Any agreement or undertaking entered into between the Corporation, any successor to the Corporation or such purchasing body corporate, partnership, trust or other entity shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided in this Article 4 and which shall apply to successive Reorganizations.

4.6 Exception

Notwithstanding anything contained herein, no adjustment in the number of Common Shares purchasable upon the exercise of an Agent's Warrant, or the Exercise Price thereof, shall be made in respect of any event or circumstance described in this Article 4 if the Warrantholder is entitled to participate in such event on the same terms, *mutatis mutandis*, as if the Warrantholder had exercised his Agent's Warrants on or before the effective date or record date of such event or circumstance.

4.7 Abandonment or Deferral

- (a) If the Corporation sets a record date as at which the holders of Common Shares are to be determined for the purposes of an event in respect of which an adjustment in the number of Common Shares purchasable upon the exercise of an Agent's Warrant, or the Exercise Price thereof, is required to be made under Article 4 but legally abandons the event prior to completion thereof, then no adjustment in such number of Common Shares or the Exercise Price thereof shall be required by reason of the setting of such record date.

- (b) In any case where this Article 4 requires that an adjustment in the number of Common Shares purchasable upon the exercise of an Agent's Warrant, or the Exercise Price thereof, be made effective immediately after a record date for a specified event, the Corporation may elect to defer, until after the occurrence of the event, the issuance to the holder of any Agent's Warrants exercised after the record date, of the Common Shares issuable upon the exercise of the Agent's Warrants that are in excess of the Common Shares that the Warrantholder would thereupon be entitled to receive in the absence of the specified event; *provided, however,* that the Corporation shall deliver to the holder an appropriate instrument evidencing the holder's right to receive such additional Common Shares if and when the event requiring such adjustment in fact occurs.

4.8 Minimum Adjustment

No adjustment in the number of Common Shares purchasable upon the exercise of an Agent's Warrant shall be required under this Article 4 unless the adjustment would require an increase or decrease of at least one percent (1%) in such number of Common Shares; *provided, however,* that any adjustments which by reason of this Section 4.8 are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations made in this regard shall be made to the nearest one-tenth of a Common Share.

4.9 No Adjustments for Other Transactions or Events

For greater certainty, and notwithstanding anything contained herein, no adjustment to the terms of the Agent's Warrants shall be required under this Article 4 in the event of any one or more of the following:

- (a) the granting by the Corporation of options or other rights under any stock option plan, stock purchase plan, phantom stock plan, stock appreciation rights plan, or other deferred, share or incentive compensation plan to officers, directors, employees or consultants of the Corporation or its affiliates;
- (b) the issuance by the Corporation of any Common Shares or other securities of the Corporation for valuable consideration to any persons other than as specifically provided for in this Article 4 (including without limitation the issuance of Common Shares upon the exercise or conversion of any securities of the Corporation outstanding as at the date hereof that are exercisable or convertible into Common Shares); or
- (c) the declaration or payment of any dividends on the Common Shares other than as specifically provided for in this Article 4.

4.10 Notice of Adjustment Events

- (a) For so long as any Agent's Warrants remain outstanding, the Corporation will give notice to the Warrantholder of its intention to fix a record date or closing date, as the case may be, for any event referred to in Sections 4.2, 4.3 or 4.4 (other than a subdivision, redivision, change in number, reduction, combination or consolidation of its Common Shares) that gives rise or is reasonably expected to give rise to an adjustment pursuant to this Article 4, or its intention to take any action described in Section 4.5. The notice shall specify the particulars of such event and the record date and/or the effective date therefor; *provided, however,* that the Corporation shall only be required to specify in such notice the particulars that have been fixed and determined on the date on which the notice is given. The notice shall be given in each case not less than fourteen (14) days prior to the applicable record date, closing date or effective date.
- (b) The Corporation will, within a reasonable time after the occurrence of any event that requires an adjustment pursuant to this Article 4, give notice to the Warrantholder specifying the nature of the event and the required adjustment; *provided, however,* that if the Corporation has given notice under paragraph (a) above and that notice discloses the relevant facts in respect of such event, no notice is required to be given under this paragraph (b).
- (c) Notwithstanding paragraphs (a) and (b) above, any failure or delay by the Corporation in giving the notice contemplated thereunder shall in no way impair, compromise or invalidate the effectiveness of the event or adjustment.

4.11 Determination of Adjustments

Any determinations shall be made by the Corporation's auditors or, if the Corporation's auditors are unable or unwilling to make the determination, by any other firm of Chartered Accountants in Calgary, Alberta that the Corporation may select and is qualified under applicable laws to audit the financial records of public companies in Canada. Adjustments required under this Article 4 shall be conclusive, and such firm shall have access to all appropriate records. Any such determination made by the Corporation's auditors or, if applicable, the other firm of Chartered Accountants shall be binding on the Corporation and the Warrantholder.

ARTICLE 5 AMENDMENTS

5.1 Amendments Generally

Subject to Section 5.2, the terms of the Agent's Warrants represented by the Agent's Warrant Certificate may be amended, and the observance of any term thereof may be waived, only by a written instrument signed by the Corporation and the Warrantholder. Any such amendment shall be subject to receipt by the Corporation of all required approvals (if any) from any stock exchange on which the Common Shares are listed, and all applicable securities regulatory authorities.

5.2 Reduction in Exercise Price; Extension of Expiry Time

Subject to applicable securities legislation and receipt by the Corporation of all required approvals (if any) from any stock exchange on which the Common Shares are listed, and all applicable securities regulatory authorities, the Corporation may, at its option, at any time during the term of the Agent's Warrants, reduce the then current Exercise Price to any amount or extend the Expiry Time to such time as the board of the directors of the Corporation may consider appropriate.
