

## ApartmentLove Provides Bi-Weekly MCTO Status Update

FOR IMMEDIATE RELEASE

TORONTO, ON (June 28, 2024) (GLOBE NEWSWIRE) -- ApartmentLove Inc. (CSE: APLV) ("ApartmentLove" or the "Company") is providing this bi-weekly update on the status of the management cease trade order issued on May 9, 2024 (the "MCTO"), by its principal regulator, the Alberta Securities Commission, under National Policy 12-203 - *Management Cease Trade Orders* ("NP 12-203"), after the Company's previous announcement on May 1, 2024 (the "Default Announcement"), that it expected to be unable to file its audited annual financial statements for the year ended December 31, 2023 and associated management's discussion and analysis and certifications, along with its annual information financial form for the year ended December 31, 2023 (collectively, the "Annual Filings").

The MCTO restricts the Company's Chief Executive Officer and Chief Financial Officer from trading in the Company's securities but does not affect the ability of other shareholders, including the public, to trade in securities of the Company.

As a result of the delay in filing the Annual Filings, the Company was unable to file its interim financial statements for the three months ended March 31, 2024, and associated management's discussion and analysis and certifications (collectively, the "Interim Filings") by the filing deadline of May 30, 2024.

The Company continues to work diligently with its auditor and newly engaged third party subject matter experts to complete the Annual Filings as soon as possible, however, due to the ongoing discussions between the Company's auditor and the third party subject matter experts, the Company now anticipates filing the Annual Filings on or before July 15, 2024 and filing the Interim Filings on or before July 17, 2024.

Except as herein disclosed, there are no material changes to the information contained in the Default Announcement or the Company's subsequent press releases on May 17, 2024, May 31, 2024 and June 18, 2024 with respect to the issuance of the MCTO. In addition: (i) the Company is satisfying and confirms that it intends to continue to satisfy the provisions of the alternative information guidelines under NP 12-203 and issue bi-weekly default status reports for so long as the delay in filing the Annual Filings is continuing, each of which will be issued in the form of a press release; (ii) the Company does not have any information at this time regarding any anticipated specified default subsequent to the default in filing the Annual Filings; (iii) the Company is not subject to any insolvency proceedings; and (iv) there is no material information concerning the affairs of the Company that has not been generally disclosed.
