## MANAGEMENT INFORMATION CIRCULAR FOR ANNUAL GENERAL MEETING OF SHAREHOLDERS

(Containing Information as at March 6, 2023, unless otherwise stated)

### SOLICITATION OF PROXIES

This management information circular (the “Circular”) is furnished in connection with the solicitation of proxies by the management of Arctic Fox Lithium Corp. (the “Corporation”), for use at the annual general meeting (the “Meeting”), of the holders (“Shareholders”) of Class A voting common shares without par value in the capital of the Corporation (the “Shares”), to be held on Tuesday, the 4<sup>th</sup> day of April, 2023, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof. It is expected that the solicitation of proxies on behalf of management will be primarily by mail; however, proxies may be solicited personally or by telephone by the regular officers, employees or agents of the Corporation. The cost of soliciting proxies on behalf of management will be borne by the Corporation. The Corporation may also reimburse brokers and other persons holding Shares in their names or in the name of nominees, for their costs incurred in sending proxy materials to beneficial owners and obtaining their proxies or voting instructions.

### APPOINTMENT OF PROXIES

The persons named in the accompanying form of proxy (the “Proxy”) are representatives of management of the Corporation and are directors and/or officers of the Corporation. **A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM/HER ON HIS/HER BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED PROXY. TO EXERCISE THIS RIGHT, A SHAREHOLDER MAY STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE PROXY AND INSERT THE NAME OF HIS/HER NOMINEE IN THE BLANK SPACE PROVIDED, OR COMPLETE ANOTHER PROXY. A PROXY WILL NOT BE VALID UNLESS IT IS VOTED IN ONE OF THE FOLLOWING WAYS: (1) DELIVERED BY MAIL OR PERSONAL DELIVERY TO THE CORPORATION’S REGISTRAR AND TRANSFER AGENT, ODYSSEY TRUST COMPANY (“ODYSSEY”), AT UNITED KINGDOM BUILDING 350 – 409 GRANVILLE STREET, VANCOUVER, BC V6C 1T2, NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ANY ADJOURNMENT THEREOF; (2) FAXED TO THE ATTENTION OF THE ODYSSEY PROXY DEPARTMENT AT + 1 (800) 517-4553 (TOLL FREE WITHIN CANADA AND THE U.S.) OR 416-263-9524 (INTERNATIONAL); (3) SUBMITTED BY EMAIL TO [PROXY@ODYSSEYTRUST.COM](mailto:PROXY@ODYSSEYTRUST.COM); OR (4) SUBMITTED ONLINE BY FOLLOWING THE INSTRUCTIONS CONTAINED IN THE PROXY BY SUCH TIME, IN WHICH EVENT ALL PAGES OF A PROXY SHOULD BE RETURNED.**

**REGISTERED SHAREHOLDERS ELECTING TO SUBMIT A PROXY MAY LOG ONTO ODYSSEY'S WEBSITE AT [HTTPS://LOGIN.ODYSSEYTRUST.COM/PXLOGIN](https://login.odysseytrust.com/pxlogin). REGISTERED SHAREHOLDERS MUST FOLLOW THE INSTRUCTIONS PROVIDED ON THE WEBSITE AND REFER TO THE REVERSE OF THEIR PROXY FOR THE HOLDER'S CONTROL NUMBER.**

The Proxy must be signed by the Shareholder or by his/her attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

**NON-REGISTERED HOLDERS**

Only those Shareholders whose names appear on the central security register of the Corporation (“**Registered Shareholders**”), or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Corporation has distributed copies of the Meeting materials to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward Meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries will often use service companies to forward the Meeting materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting materials will either:

- A. be given a voting instruction form which must be completed and signed by the Non-Registered Holder in accordance with the directions on the voting instruction form (which may in some cases permit the completion of the voting instruction form by telephone); or
- B. be given a Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Shares beneficially owned by the Non-Registered Holder, but which is otherwise uncompleted. This Proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a Proxy should otherwise properly complete the form of Proxy and deposit it with Odyssey, as described above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Shares they beneficially own. Should a Non-Registered Holder who receives either a Proxy or a voting instruction form wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the Proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. ***In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies.***

## REVOCATION

A Registered Shareholder who has given a Proxy may revoke the Proxy by:

- (a) completing and signing a Proxy bearing a later date and depositing it with Odyssey as described above;
- (b) depositing an instrument in writing executed by the Shareholder or by the Shareholder's attorney authorized in writing: (i) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of the Meeting, at which the Proxy is to be used, or (ii) with the chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment of the Meeting; or
- (c) in any other manner permitted by law.

A Non-Registered Holder may revoke a voting instruction form or a waiver of the right to receive meeting materials and to vote given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary may not be required to act on a revocation of a voting instruction form or of a waiver of the right to receive meeting materials and to vote that is not received by the Intermediary at least seven days prior to the Meeting.

## VOTING OF PROXIES

The management representatives designated in the enclosed Proxy will vote or withhold from voting the Shares in respect of which they are appointed by Proxy on any ballot that may be called for in accordance with the instructions of the Shareholder as indicated on the Proxy and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly. **Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the shares represented by such form of proxy, properly executed FOR the matters identified in the notice of meeting and any other matters which may properly come before the Meeting.**

The enclosed Proxy confers discretionary authority upon the management representatives designated in the Proxy with respect to amendments to or variations of matters identified in the notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Corporation know of no such amendments, variations or other matters.

The Corporation created a stock option plan that was approved by the Board on July 3, 2019 (the “**Stock Option Plan**”). The Stock Option Plan is the Corporation’s only equity compensation plan. As of the date of this Circular, the Corporation does not have any options outstanding to purchase Shares.

The Stock Option Plan provides for the acquisition of Shares by directors, officers, employees or consultants of the Corporation, or any affiliated entity of the Corporation, for the purpose of advancing the interests of the Corporation through the motivation, attraction and retention of key employees and directors and to secure for the Corporation and the Shareholders the benefits inherent in the ownership of Shares by key employees and directors, it being generally recognized that stock option plans can aid in attracting, retaining and encouraging employees and directors due to the opportunity offered to them to acquire a proprietary interest in such company.

The Stock Option Plan provides that, subject to the requirements of the Canadian Securities Exchange (the “CSE”), the aggregate number of Shares reserved for issuance pursuant to options granted under the Stock Option Plan will not exceed 10% of the number of Shares of the Corporation issued and outstanding from time to time.

The Stock Option Plan will be administered by the Board, which will have full and final authority with respect to the granting of all options thereunder subject to express provisions of the Stock Option Plan.

Options may be granted under the Stock Option Plan to such directors, employees, consultants or management company employees of the Corporation and its subsidiaries, if any, as the Board may from time to time designate. The exercise prices shall be determined by the Board, but shall, in no event, be less than the closing market price of the listed security on the CSE on the trading day prior to the earlier of dissemination of a news release disclosing the issuance of the convertible security or the posting of notice of the proposed issuance of the convertible security with the CSE. The Stock Option Plan provides that the number of Shares which may be reserved for issuance on a yearly basis to any one related person upon exercise of all stock options held by such individual may not exceed 5% of the issued Shares calculated at the time of grant. Moreover, the Corporation cannot issue grants to related persons if in the aggregate their grants would, on a fully diluted basis, exceed 10% of the issued and outstanding Shares of the Corporation.

**SCHEDULE “A”  
CORPORATE GOVERNANCE**

**Arctic Fox Lithium Corp.  
(the “Corporation”)**

---

**STATEMENT OF CORPORATE GOVERNANCE PRACTICES**

**General**

Corporate governance refers to the policies and structure of the Board of a company whose members are elected by and are accountable to the shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the Board from executive management and the adoption of policies to ensure the Board recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Effective June 30, 2005, National Instrument 58-101 Disclosure of Corporate Governance Practices (“**NI 58-101**”) and National Policy 58-201 Corporate Governance Guidelines (“**NP 58-201**”) were adopted in each of the provinces and territories of Canada. NI 58-101 requires issuers to disclose the corporate governance practices that they have adopted. NP 58-201 provides guidance on corporate governance practices. This section sets out the Corporation’s approach to corporate governance and describes the measures taken by the Corporation to comply with NI 58-101.

**Board of Directors**

Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A “material relationship” is a relationship which could, in the view of the Corporation’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Corporation’s Board facilitates its exercise of independent judgement in carrying out its responsibilities by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Corporation’s Board requires management to provide complete and accurate information with respect to the Corporation’s activities and to provide relevant information concerning the industry in which the Corporation operates in order to identify and manage risks. The Corporation’s Board is responsible for monitoring the Corporation’s officers, who in turn are responsible for the maintenance of internal controls and management information systems.

The following members of the Board are non-independent: Harry Chew and Sonny Chew.

The following members of the Board are independent: Eddy Siu, Terrance G. Owen and Gerald Carlson.

### **Other Reporting Issuer Experience**

The following directors of the Corporation are directors of other reporting issuers:

<b>Director</b>	<b>Reporting Issuer:</b>	<b>Exchange Listed On &amp; Symbol:</b>

### **Orientation and Continuing Education**

When new directors are appointed, they receive an orientation, commensurate with their previous experience, on the Corporation's properties, business, technology and industry and on the responsibilities of directors. They also receive copies of the Corporation's internal policies and procedures.

Board meetings may also include presentations by the Corporation's management and employees to give the directors additional insight into the Corporation's business.

### **Ethical Business Conduct**

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of

management and in the best interests of the Corporation. Further, the Corporation's auditor has full and unrestricted access to the Audit Committee at all times to discuss the audit of the Corporation's financial statements and any related findings as to the integrity of the financial reporting process.

### **Nomination of Directors**

The Corporation's management is continually in contact with individuals involved in the mineral exploration industry and public-sector resource issuers. From these sources, the Corporation has made numerous contacts and continues to consider nominees for future board positions. The Corporation conducts the due diligence and reference checks with respect to any suitable candidate. New nominees must have a track record in general business management, special expertise in the area of strategic interest to the Corporation, the ability to devote the time required and willingness to serve. The Board does not have a nominating committee, and the functions that would typically be carried out by a nominating committee are currently performed by the Board as a whole.

### **Compensation**

The Board as a whole determines salary and benefits of the executive officers and directors of the Corporation, and determines the Corporation's general compensation structure, policies and programs.

### **Other Board Committees**
