

## **Nashville Superspeedway Selects Draganfly Drone Services for June 18-20 NASCAR Weekend**

Los Angeles, CA. June 17, 2021 -- Draganfly Inc. (CSE: DFLY) (OTCQB: DFLYF) (FSE: 3U8) ("Draganfly" or the "Company"), an award-winning, industry-leading drone manufacturer and systems developer, is pleased to announce today that Dover Motorsports, Inc. has signed an agreement with Draganfly to implement Draganfly's health security and public safety services for its June 18-20 NASCAR tripleheader weekend at Nashville Superspeedway.

Nashville Superspeedway's June 18-20 weekend includes the inaugural, sold-out "Ally 400" NASCAR Cup Series race on Sunday, June 20 (2:30 p.m. CT, NBCSN), the first Cup Series race in Middle Tennessee in 37 years.

NASCAR comes to the venue over three days from June 18-20, 2021, over which Draganfly will be providing health security and public safety drone services using patented drone technology.

"Providing as safe a venue and environment as possible for our fans is obviously one of our top priorities," said Erik Moses, Nashville Superspeedway's president. "Draganfly's unique and innovative sanitation drone is an immense help to our cleaning efforts around the track. We appreciate Draganfly's support as we prepare to host America's best drivers on June 18-20."

Draganfly successfully deployed these services and technologies to help ensure health security and public safety for the 2021 College Basketball season, and the world-famous Barrett-Jackson auto auctions in Scottsdale, Arizona.

Cameron Chell, CEO of Draganfly, commented on the announcement: "To be involved in helping NASCAR return to Nashville Superspeedway is another major endorsement for Draganfly and the technology it has developed. I know how important NASCAR is to fans, and so we are delighted to be supporting them, and Dover Motorsports, in enjoying what will be an incredible three days of racing."

Nashville Superspeedway, at 1.33 miles, is the largest concrete-only track in NASCAR and located approximately 30 miles southeast of Nashville. Also on track during the upcoming weekend is the "Tennessee Lottery 250" NASCAR Xfinity Series race on Saturday, June 19 (2:30 p.m. CT, NBCSN) and the "Rackley Roofing 200" NASCAR Camping World Truck Series race on Friday, June 18 (7 p.m. CT, FS1).

### **Forward-Looking Statements**

This release contains certain “forward looking statements” and certain “forward-looking information” as defined under applicable Canadian securities laws. Forward-looking statements and information can generally be identified by the use of forward-looking terminology such as “may”, “will”, “expect”, “intend”, “estimate”, “anticipate”, “believe”, “continue”, “plans” or similar terminology. Forward-looking statements and information are based on forecasts of future results, estimates of amounts not yet determinable and assumptions that, while believed by management to be reasonable, are inherently subject to significant business, economic and competitive uncertainties and contingencies. Forward-looking statements include, but are not limited to, statements with respect to Draganfly’s health security and public safety services being implemented at the NASCAR tripleheader weekend at Nashville Superspeedway. Forward-looking statements and information are subject to various known and unknown risks and uncertainties, many of which are beyond the ability of the Company to control or predict, that may cause the Company’s actual results, performance or achievements to be materially different from those expressed or implied thereby, and are developed based on assumptions about such risks, uncertainties and other factors set out here in, including but not limited to: the potential impact of epidemics, pandemics or other public health crises, including the current outbreak of the novel coronavirus known as COVID-19 on the Company’s business, operations and financial condition, the successful integration of technology, the inherent risks involved in the general securities markets; uncertainties relating to the availability and costs of financing needed in the future; the inherent uncertainty of cost estimates and the potential for unexpected costs and expenses, currency fluctuations; regulatory restrictions, liability, competition, loss of key employees and other related risks and uncertainties disclosed under the heading “Risk Factors” in the Company’s most recent filings filed with securities regulators in Canada on the SEDAR website at [www.sedar.com](http://www.sedar.com). The Company undertakes no obligation to update forward-looking information except as required by applicable law. Such forward-looking information represents managements’ best judgment based on information currently available. No forward-looking statement can be guaranteed and actual future results may vary materially. Accordingly, readers are advised not to place undue reliance on forward-looking statements or information.
