

## Draganfly's Paul Mullen to Discuss Drone Technology Solutions for Rural and Remote Communities at the SEDA Conference

**Los Angeles, CA. September 20, 2022** – Draganfly Inc. (NASDAQ: DPRO) (CSE: DPRO) (FSE: 3U8) ("Draganfly" or the "Company"), an award-winning, industry-leading drone solutions, and systems developer, is pleased to announce Paul Mullen, Draganfly's Chief Operating Officer, will speak at [The Saskatchewan Economic Development Alliance \(SEDA\) 2022 PROVINCIAL SUMMIT: Growing Communities One Idea at a Time](#), on September 28, 2022.

The summit will focus on three themes: Inclusive Economic Development; Community and Entrepreneurial Ecosystems; and Game-Changer Strategies.

Paul Mullen will discuss how Draganfly's UAV technology can contribute to Saskatchewan's economic development and provide solutions to current and future problems in rural and remote communities.

Draganfly has more than 20 years of experience designing and manufacturing professional drone hardware and software for agriculture, public safety, and energy industries. Draganfly's technology continues to evolve, bringing new and innovative solutions that are helping these industries excel and improve overall efficiency.

"Draganfly has a legacy as a global leader in designing commercial drones for agriculture," said Paul Mullen, Chief Operating Officer of Draganfly. "Draganfly was born in Saskatchewan over 20 years ago, and I look forward to sharing how our technology provides solutions to rural and remote communities in the province and beyond."

More details on the PROVINCIAL SUMMIT can be found [here](#).

### **Forward-Looking Statements**

This release contains certain “forward looking statements” and certain “forward-looking information” as defined under applicable securities laws. Forward-looking statements and information can generally be identified by the use of forward-looking terminology such as “may”, “will”, “expect”, “intend”, “estimate”, “anticipate”, “believe”, “continue”, “plans” or similar terminology. Forward-looking statements and information are based on forecasts of future results, estimates of amounts not yet determinable and assumptions that, while believed by management to be reasonable, are inherently subject to significant business, economic and competitive uncertainties and contingencies. Forward-looking statements include, but are not limited to, statements with respect to Draganfly’s participation in [the](#) SEDA 2022 provincial summit. Forward-looking statements and information are subject to various known and unknown risks and uncertainties, many of which are beyond the ability of the Company to control or predict, that may cause the Company’s actual results, performance or achievements to be materially different from those expressed or implied thereby, and are developed based on assumptions about such risks, uncertainties and other factors set out here in, including but not limited to: the potential impact of epidemics, pandemics or other public health crises, including the COVID-19 pandemic, on the Company’s business, operations and financial condition; the successful integration of technology; the inherent risks involved in the general securities markets; uncertainties relating to the availability and costs of financing needed in the future; the inherent uncertainty of cost estimates; the potential for unexpected costs and expenses, currency fluctuations; regulatory restrictions; and liability, competition, loss of key employees and other related risks and uncertainties disclosed under the heading “Risk Factors” in the Company’s most recent filings filed with securities regulators in Canada on the SEDAR website at [www.sedar.com](http://www.sedar.com) and with the United States Securities and Exchange Commission (the “SEC”) on EDGAR through the SEC’s website at [www.sec.gov](http://www.sec.gov). The Company undertakes no obligation to update forward-looking information except as required by applicable law. Such forward-looking information represents managements’ best judgment based on information currently available. No forward-looking statement can be guaranteed and actual future results may vary materially. Accordingly, readers are advised not to place undue reliance on forward-looking statements or information.
