Attention: Oliver Friesen, Chief Executive Officer

Dear Sirs/Mesdames:

Gold Lion Resources Inc. (the "**Corporation**") proposes to issue and sell no less than 6,666,667 units of the Corporation (the "**Units**") and up to 11,111,111 Units, at a price of \$0.45 per Unit (the "**Offer Price**"), for aggregate gross proceeds of no less than \$3,000,000 and up to \$5,000,000, subject to the terms and conditions set out below. The Units are referred to herein as the "**Units**", and each, individually, a "**Unit**". The Corporation hereby appoints Eight Capital (the "**Agent**"), as lead agent and bookrunner in connection with the Offering (as defined below).

Each Unit shall be comprised of one Common Share (as defined herein) of the Corporation (each, a "**Unit Share**") and one Common Share purchase warrant (a "**Warrant**"). Each Warrant shall entitle the holder thereof to purchase one additional Common Share (a "**Warrant Share**") at a price of \$0.60 per Warrant at any time before 5:00 p.m. (Vancouver time) on the date that is 24 months following the Closing Date. The Warrants shall be duly and validly created and issued pursuant to, and governed by, a warrant indenture (the "**Warrant Indenture**") to be entered into between Endeavor Trust Corporation (the "**Warrant Agent**"), in its capacity as warrant agent thereunder, and the Corporation. The description of the Warrants herein is a summary only and is subject to the specific attributes and detailed provisions of the Warrants to be set forth in the Warrant Indenture. In case of any inconsistency between the description of the Warrants in this Agency Agreement (as defined herein) and the terms of the Warrants as set forth in the Warrant Indenture, the provisions of the Warrant Indenture shall govern.

The Corporation also hereby agrees to grant to the Agent an Over-Allotment Option (as defined herein) to purchase up to an additional number of Over-Allotment Securities (as defined herein) as more particularly described in Section 12 for additional net proceeds of up to \$750,000, upon the terms and conditions set forth herein for the purpose of covering over-allotments made in connection with the Offering (as defined below) and for market stabilization purposes. The Agent may elect to exercise the Over-Allotment Option for Over-Allotment Securities, as more particularly described in Section 12.

The Units (and as the context requires, the Unit Shares and Warrants comprising or underlying the Units) and the Over-Allotment Securities (and as the context requires, the securities comprising or underlying the Over-Allotment Securities) are collectively referred to herein as the "**Offered Securities**" and the offering of the Offered Securities by the Corporation is hereinafter referred to as the "**Offering**".

Based upon and subject to the terms and conditions set out below, the Corporation hereby appoints the Agent and the Agent hereby agrees to act, as agent to the Corporation to effect the Offering on a "best efforts" private placement basis to Purchasers (as defined herein) in the Canadian Offering Jurisdictions and in those jurisdictions outside of Canada (including the United States) consented to by the Corporation where the Offered Securities may be lawfully sold pursuant to the terms and conditions hereof. It is understood that no offering memorandum (as defined under Applicable Securities Laws) shall be delivered to prospective investors, except as provided herein with respect to the U.S. Placement Memorandum, and that the Corporation shall take all steps necessary to comply with the applicable provisions of NI 45-106. Nothing herein shall obligate the Agent or any of its affiliates to purchase securities under the Offering.

The Agent shall be entitled to appoint a soliciting dealer group consisting of other registered dealers subject to acceptance by the Corporation (each, a "**Selling Firm**") as its agents to assist in the Offering. Any fee payable to such dealer(s) shall be for the account of the Agent and shall be negotiated between the Agent and the Selling Firm(s).

The parties acknowledge that the Offered Securities have not been and will not be registered under the U.S. Securities Act (as defined herein) or any U.S. state securities laws and may not be offered or sold to, or for the account or benefit of, Persons in the United States (as defined herein) or U.S. Persons (as defined herein), nor may the Warrants be exercised in the United States or by or on behalf of a Person in the United States or a U.S. Person, except pursuant to exemptions from the registration requirements of the U.S. Securities Act and the applicable laws of any state of the United States, in the manner specified in this Agency Agreement.

The Agent understands that: (i) on September 25, 2020, the Corporation has filed a preliminary short form prospectus (the "**Preliminary Prospectus**"), and obtained a decision document issued by the British Columbia Securities Commission, as principal regulator ("**BCSC**"), evidencing that a receipt (or deemed receipt) has been issued for the Preliminary Prospectus, in each of the Qualifying Jurisdictions (as defined below). The Agent also understands that the Corporation shall prepare and will file within the time limits and on the terms set out below a (final) short form prospectus (the "**Final Prospectus**"), and all other necessary documents in order to qualify the Offered Securities for distribution to the public in each of the Qualifying Jurisdictions.

The Agent proposes to offer the Offered Securities at the Offer Price specified above. After a reasonable effort has been made to solicit Purchasers of the Offered Securities at the Offer Price, the Agent may subsequently reduce the selling prices to investors from time to time in order to solicit Purchasers for any of the Offered Securities remaining unsold; provided that any such reduction in the selling price to investors shall not affect the aggregate Offer Price less the Agency Fee (as defined below) payable to the Corporation.

The Offered Securities may also be offered and sold to, or for the account or benefit of, Persons in the United States (as defined below) and U.S. Persons (as defined below) on a private placement basis in accordance with Schedule "A" attached hereto, which Schedule forms a part of this agreement (the "Agency Agreement"), and in compliance with U.S. Securities Laws (as defined below) to Persons who the Agent reasonably believe to be Accredited Investors (as defined below).

Subject to applicable law, including Applicable Securities Laws (as defined herein) and the terms of this Agency Agreement, the Offered Securities may also be distributed outside of Canada and the United States, in each jurisdiction where they may be lawfully sold by the Agent without: (a) giving rise to any requirement under the laws of such jurisdiction to prepare and/or file a prospectus, registration statement, offering memorandum or document having similar effect; or (b) creating any ongoing compliance or continuous disclosure obligations for the Corporation pursuant to the laws of such jurisdiction.

In consideration of the Agent's services to be rendered in connection with the Offering, including assisting in preparing documentation relating to the sale of the Offered Securities including the Preliminary Prospectus, the Final Prospectus (and any Supplementary Material (as defined below)) and distributing the Offered Securities, directly and through other investment dealers and brokers, the Corporation agrees to pay the Agency Fee to the Agent at the Time of Closing (as defined below).

The Corporation shall be entitled to designate to the Agent certain Purchasers to be included in the Offering for up to a maximum of 1,111,111 Offered Securities for aggregate gross proceeds of up to approximately \$500,000 (the "**President's List**"). The Corporation hereby agrees that the Agent shall not

be required to (and shall not) conduct a suitability review under Applicable Securities Laws in respect of sales to Purchasers on the President's List, and the Corporation shall indemnify and save harmless the Agent against any and all losses or expenses relating to sales to Purchasers on the President's List. No Agency Fee shall be paid and no Agent Warrants will be issued in connection with Purchasers on the President's List.

- (3) The Indemnifier agrees that in case any legal proceeding shall be brought against, or an investigation is commenced in respect of, the Indemnifier and/or an Indemnified Party and an Indemnified Party or its personnel are required to testify in connection therewith or shall be required to respond to procedures designed to discover information regarding, in connection with or by reason of the Agency Agreement, the Indemnified Party shall have the right to employ its own counsel in connection therewith, and the reasonable fees and expenses of such counsel as well as the reasonable costs (including an amount to reimburse the Indemnified Party for time spent by its personnel in connection therewith at their normal per diem rates together with such disbursements and out-of-pocket expenses incurred by the personnel of the Indemnified Party in connection therewith) shall be paid by the Indemnifier as they occur.
- (4) In any such claim, such Indemnified Party shall have the right to retain other legal counsel to act in defence of such suit on behalf of the Indemnified Party within 10 days of receiving notice of such suit or having assumed such defense, (a) fails to pursue it or has failed to engage counsel promptly

or who is reasonably acceptable to the Indemnified Party; (b) the employment of such counsel has been authorized by the Indemnifier; or (c) the named parties to any such suit (including any added or third parties) include both the Indemnified Party and the Indemnifier, and the Indemnified Party shall have been advised in writing by counsel that there may be one or more legal defences available to the Indemnified Party which are different from or in addition to those available to the Indemnifier or the Indemnified Party is advised by counsel that there is an actual or potential conflict between the interests of the Indemnified Party and the Indemnifier (in each of which cases the Indemnifier shall not have the right to assume the defence of such suit on behalf of the Indemnified Party), in any of which circumstances the Indemnified Party shall be required to keep the Indemnifier apprised of the developments of the claim, including providing copies of any material documents related thereto to the Indemnifier, and the Indemnifier shall be liable to pay the reasonable fees and expenses of the counsel for the Indemnified Party and, in addition, of local counsel in each applicable jurisdiction.

- (5) The Agent will notify the Indemnifier promptly in writing after receiving notice of any claim against the Agent or any other Indemnified Party or receipt of notice of the commencement of any investigation which is based, directly or indirectly, upon any matter in respect of which indemnification may be sought from the Indemnifier, stating the particulars thereof, will provide copies of all relevant documentation to the Indemnifier and, unless the Indemnifier assumes the defence thereof, will keep the Indemnifier advised of the progress thereof and will discuss all significant actions proposed. The omission to so notify the Indemnifier shall not relieve the Indemnifier of any liability which the Indemnifier may have to an Indemnified Party except only to the extent that any such delay in giving or failure to give notice as herein required materially prejudices the defence of such claim or results in any material increase in the liability under this indemnity which the Indemnifier would otherwise have incurred had the Agent not so delayed in giving, or failed to give, the notice required hereunder.
- (6) To the extent that any Indemnified Party is not a party to this Agency Agreement, the Agent shall obtain and hold the right and benefit of this section in trust for and on behalf of such Indemnified Party.
- (7) The Indemnifier hereby consents to personal jurisdiction in any court in which any claim that is subject to indemnification hereunder is brought against the Agent or any Indemnified Party and to the assignment of the benefit of this section to any Indemnified Party for the purpose of enforcement provided that nothing herein shall limit the Indemnifier's right or ability to contest the appropriate jurisdiction or forum for the determination of any such claims.
- (8) Except as contemplated in this section, no Indemnifier shall be liable under this section for any settlement of any claim or action effected without its prior written consent, which shall not be unreasonably withheld.
- (9) The Indemnifier agrees to waive any right it may have of first requiring an Indemnified Party to proceed against or enforce any other right, power, remedy or security or claim payment from any other person before claiming under this indemnity.
- (10) Notwithstanding anything to the contrary contained herein, the foregoing indemnity shall cease to apply to the extent that a court of competent jurisdiction in a final judgment that has become non-appealable shall determine that any losses, claims, suits, liabilities, costs, damages, or expenses to which the Indemnified Party may be subject were directly caused by the fraud, gross negligence, wilful misconduct, illegality or fraudulent misrepresentation of the Indemnified Party.

Section 16 Contribution

In the event that the indemnity provided for in Section 15 is declared by a court of competent jurisdiction to be illegal or unenforceable as being contrary to public policy or for any other reason, the Agent and the Indemnifier shall contribute to the aggregate of all losses, claims, costs, damages, expenses or liabilities of the nature provided for above in such proportions as is appropriate to reflect the relative benefits received by the Corporation on the one hand and the Agent on the other hand from the distribution of the Offered Securities as well as the relative fault of the Corporation on the one hand and the Agent on the other hand in connection with the claim or claims which resulted in such claims, expenses, costs, damages, liabilities or losses, as well as any other equitable considerations determined by a court of competent jurisdiction, provided that, in no event, shall the Agent be responsible for any amount in excess of the portion of the Agency Fee actually received by the Agent. In the event that the Indemnifier may be held to be entitled to contribution from the Agent under the provisions of any statute or law, the Indemnifier shall be limited to contribution in an amount not exceeding the lesser of : (a) the portion of the full amount of losses, claims, costs, damages, expenses and liabilities giving rise to such contribution for which the Agent is responsible; and (b) the amount of the Agency Fee actually received by the Agent. Notwithstanding the foregoing, a Person guilty of fraud, gross negligence, wilful misconduct, illegality or fraudulent misrepresentation shall not be entitled to contribution from any other party. Any party entitled to contribution will, promptly after receiving notice of commencement of any claim, action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties under this section, notify such party or parties from whom contribution may be sought, but the omission to so notify such party shall not relieve the party from whom contribution may be sought from any obligation it may have otherwise under this section, except to the extent that the party from whom contribution may be sought is materially prejudiced by such omission. The right to contribution provided herein shall be in addition and not in derogation of any other right to contribution which the Agent may have by statute or otherwise by law.

Section 17 Expenses

Whether or not the purchase and sale of the Offered Securities shall be completed, all costs and expenses of or incidental to the sale and delivery of the Offered Securities and of or incidental to all matters in connection with the transactions herein shall be borne by the Corporation and payable by the Corporation, including, without limitation, all expenses of or incidental to the creation, issue, sale or distribution of the Offered Securities and the filing of the Preliminary Prospectus, and Final Prospectus, the fees and expenses of the Corporation's legal counsel, Auditor and independent experts, all costs incurred in connection with the preparation of documents relating to the Offering, and the reasonable and documented out-of-pocket expenses and fees incurred by the Agent and applicable taxes thereon (the aggregate of all such costs, fees and expenses not to exceed \$10,000 without the prior approval of the Corporation, such consent not to be reasonably withheld), and the reasonable and documented fees, expenses and disbursements of the Agent's legal counsel (to a maximum of \$90,000 exclusive of disbursements and applicable taxes). All fees and expenses incurred by the Agent on their behalf shall be payable by the Corporation immediately upon receiving an invoice therefor from the Agent and shall be payable whether or not the Offering is completed. At the option of the Agent, such fees and expenses may be deducted from the gross proceeds of the Offering immediately prior to those proceeds being distributed to the Corporation.

Section 18 Governing Law and Venue

This Agency Agreement shall be governed by and construed in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein. The parties hereto irrevocably attorn and submit to the exclusive jurisdiction of the courts of the Province of British Columbia, sitting in the City of Vancouver, with respect to any dispute related to this Agency Agreement.

Section 19 Survival of Warranties, Representations, Covenants and Agreements

Except as expressly provided for in this Agency Agreement, all warranties, representations, covenants and agreements of the Corporation herein contained, or contained in documents submitted or required to be submitted pursuant to this Agency Agreement, shall survive the solicitation of Purchasers of the Offered Securities by the Agent and shall continue in full force and effect regardless of the closing of the sale of the Offered Securities, for a period of two years following the Closing Date. Without limitation of the foregoing, the provisions contained in this Agency Agreement in any way related to the indemnification or the contribution obligations shall survive and continue in full force and effect, indefinitely, subject only to the limitation requirements of applicable law.

Section 20 Right of Participation

During the term of this Agency Agreement and for a period of 12 months subsequent to the closing of the Offering, the Corporation hereby agrees to offer to the Agent the opportunity to act as its sole lead manager, underwriter and/or agent and sole bookrunner for any follow-on offerings of Common Shares of the Corporation, securities exchangeable or convertible into Common Shares of the Corporation, or debt instruments of the Corporation, with a minimum syndicate position of 60%. It is understood that the terms and conditions and related fees payable in connection with those services will be negotiated in good faith and be consistent with then prevailing market practice. If the Agent does not accept the terms and conditions contained in the Corporation's offer, the Corporation may engage any other financial institution or agent as manager, underwriter, agent and/or financial advisor (as the case may be, depending on the nature of the transaction) in connection with such transaction, provided that the terms and conditions of any such engagement shall be no more favourable to such other financial institutions or agents than the terms and conditions offered by the Corporation to the Agent.

Section 21 Alternative Transaction

In the event that the Corporation withdraws from the Offering after the date of this Agency Agreement (unrelated to the Agent's inability to complete the Offering) in order to complete an Alternative Transaction (as defined below) (which transaction is completed within six months of the withdrawal from the Offering), the Corporation shall pay the Agent promptly upon closing the Alternative Transaction a fee equal to the maximum amount of fees otherwise payable under this Agency Agreement calculated on the basis of an Offering size of \$3,000,000.

Any amounts payable to the Agent in connection with an Alternative Transaction will constitute liquidated damages of the Agent resulting from the failure to complete the Offering and will not constitute a penalty.

An "**Alternative Transaction**" means the issuance of securities of the Corporation in excess of 10% (on an as-converted basis, if applicable) of the total number of Common Shares currently issued and outstanding, or the completion of a business transaction involving a change in control of the Corporation or any Material Subsidiary thereof, including a merger, amalgamation, arrangement, take-over bid, insider bid, reorganization, joint venture, sale of all or substantially all assets, exchange of assets or any similar transaction, excluding the issuance of securities pursuant to the exercise of convertible securities of the Corporation outstanding on the date hereof and excluding any transaction in which the Agent is retained as agent or advisor.

Section 22 No Fiduciary Relationship

The Corporation hereby acknowledges that the Agent is acting solely as Agent in connection with the solicitation of Purchasers for the Offered Securities. The Corporation further acknowledges that the

Agent is acting pursuant to a contractual relationship created solely by this Agency Agreement entered into on an arm's length basis, and in no event do the parties intend that the Agent act or be responsible as a fiduciary to the Corporation, its management, shareholders or creditors or any other Person in connection with any activity that the Agent may undertake or have undertaken in furtherance of the purchase and sale of the Offered Securities, either before or after the date hereof. The Agent hereby expressly disclaims any fiduciary or similar obligations to the Corporation, either in connection with the transactions contemplated by this Agency Agreement or any matters leading up to such transactions, and the Corporation hereby confirms its understanding and agreement to that effect. The Corporation and the Agent agree that they are each responsible for making their own independent judgments with respect to any such transactions and that any opinions or views expressed by the Agent to the Corporation regarding such transactions, including, but not limited to, any opinions or views with respect to the price or market for the Offered Securities, do not constitute advice or recommendations to the Corporation. The Corporation hereby waives and releases, to the fullest extent permitted by law, any claims that the Corporation may have against the Agent with respect to any breach or alleged breach of any fiduciary or similar duty to the Corporation in connection with the transactions contemplated by this Agency Agreement or any matters leading up to such transactions.

Without limiting the foregoing, but for greater clarity in this Schedule, it means, subject to the exclusions from the definition of directed selling efforts contained in Regulation S, any activity undertaken for the purpose of, or that could reasonably be expected to have the effect of, conditioning the market in the United States for any of the Securities and includes the placement of any advertisement in a publication with a general circulation in the United States that refers to the offering of the Securities;

Representations, Warranties and Covenants of the Agent

The Agent, on behalf of itself and its U.S. Affiliate, if any, represents, warrants and covenants to the Corporation that:

- (1) It acknowledges that the Securities have not been and will not be registered under the U.S. Securities Act or any state securities laws, and that the Offered Securities may not be offered or sold except in Offshore Transactions in accordance with Rule 903 of Regulation S or to, or for the account or benefit of, Persons in the United States or U.S. Persons pursuant to an exemption from the registration requirements of the U.S. Securities Act available under Section 4(a)(2) thereof and Rule 506(b) of Regulation D and in reliance upon exemptions under applicable state securities laws.

In accordance with this Schedule "A", it has only offered and will only offer the Offered Securities to, or for the account or benefit of, Persons in the United States or U.S. Persons with whom it has a pre-existing substantive or business relationship and whom it reasonably believes is an Accredited Investor, and in compliance with applicable state securities law. Except as set forth in the preceding sentence, the Agent has not made and will not make any offer to sell, solicitation of an offer to buy or sale of any of the Offered Securities unless such offer, solicitation of an offer or sale of the

Offered Securities was made in an Offshore Transaction in compliance with Rule 903 of Regulation S.

- (2) It has not entered and will not enter into any contractual arrangement with respect to the distribution of the Offered Securities to, or for the account or benefit of, Persons in the United States or U.S. Persons, except with its U.S. Affiliate, or with the prior written consent of the Corporation. It shall require its U.S. Affiliate to agree, for the benefit of the Corporation, to comply with the same provisions of this Schedule as apply to the Agent as if such U.S. Affiliate was a party to this Agency Agreement.
- (3) Neither the Agent nor its U.S. Affiliate, nor any persons acting on its or their behalf, has engaged or will engage in any Directed Selling Efforts.
- (4) All offers and sales of Offered Securities to, or for the account or benefit of, Persons in the United States or U.S. Persons have been and shall be made directly by the Corporation or through the Agent's U.S. Affiliate in compliance in all material respects with all applicable U.S. federal and state broker-dealer requirements. Such U.S. Affiliate is and will be, on the date of each offer or sale of Offered Securities in the United States, duly registered as a broker-dealer pursuant to Section 15(b) of the U.S. Exchange Act and under the laws of each state where such offers and sales are made (unless exempted from such state's registration requirements) and a member in good standing with the Financial Industry Regulatory Authority, Inc.
- (5) Offers and sales of Offered Securities to, or for the account or benefit of, Persons in the United States or U.S. Persons by the Agent or its U.S. Affiliate have not been and shall not be made by any form of General Solicitation or General Advertising or in any manner involving a public offering within the meaning of Section 4(a)(2) of the U.S. Securities Act.
- (6) All Purchasers of the Offered Securities who are, or are acting for the account or benefit of, Persons in the United States or U.S. Persons or who were Offered Securities in the United States ("**U.S. Purchasers**") shall be informed that the Offered Securities have not been and will not be registered under the U.S. Securities Act and are being sold to them in reliance on Section 4(a)(2) of the U.S. Securities Act and Rule 506(b) of Regulation D and in reliance upon similar exemptions from registration under applicable state securities laws.

It will ensure that each Person that is, or is acting for the account or benefit of, a Person in the United States or a U.S. Person that was Offered Securities by it or its U.S. Affiliate has been or shall be provided with the U.S. Placement Memorandum including the Preliminary Prospectus and/or the Final Prospectus, as applicable. It will ensure that each U.S. Purchaser purchasing Offered Securities from the Corporation, through or arranged by its U.S. Affiliate, shall (i) be provided, prior to the Time of Closing, with the U.S. Placement Memorandum including the Final Prospectus; and (ii) execute and deliver to the Agent, the U.S. Affiliates and the Corporation a U.S. Subscription Agreement substantially in the form attached as Exhibit A to the U.S. Placement Memorandum.

- (7) The Agent, its affiliates or any person acting on any of its or their behalf has not taken or will not take, directly or indirectly, any action in violation of Regulation M under the U.S. Exchange Act with respect to the offer and sale of the Offered Securities.
- (8) Prior to the Time of Closing, it will provide the Corporation and its Transfer Agent with a list of all U.S. Purchasers purchasing the Offered Securities from the Corporation as arranged by its U.S. Affiliate.

- (9) At the Time of Closing, the Agent, together with its U.S. Affiliate arranging for the Corporation to sell Offered Securities to, or for the account or benefit of, Persons in the United States or U.S. Persons, will provide a certificate, substantially in the form of Exhibit A to this Schedule relating to the manner of the offer and sale of the Offered Securities in the United States or will be deemed to have represented and warranted that none of it, its affiliates or any person acting on its or their behalf has offered or sold Offered Securities to, or for the account or benefit of, Persons in the United States or U.S. Persons.
- (10) As of the Closing Date or Over-Allotment Closing Date, as applicable, the Agent represents that it is not aware of any person (other than any Agent Covered Person, as defined below) that has been or will be paid (directly or indirectly) remuneration for solicitation of U.S. Purchasers.
- (11) The Agent will notify the Corporation in writing, prior to any Closing Date or Over-Allotment Closing Date, as applicable of (i) any Disqualification Event (as defined in Exhibit A to this Schedule) relating to any Agent Covered Person not previously disclosed to the Corporation and (ii) any event that would, with the passage of time, become a Disqualification Event relating to any Agent Covered Person.
- (12) The Agent acknowledges that, until 40 days after the commencement of the Offering, an offer or sale of the Offered Securities within the United States by any dealer (whether or not participating in the Offering) may violate the registration requirement of the U.S. Securities Act if such offer or sale is made otherwise than in accordance with an exemption from the registration requirements of the U.S. Securities Act.
- (13) The Agent has not entered and will not enter into any contractual arrangement with respect to the distribution of the Offered Securities in the United States or to U.S. Persons, except with the U.S. Affiliate. The Agent shall cause the U.S. Affiliate to comply with the same provisions as are contained in the foregoing paragraphs (1) through (12), as applicable thereto.

Representations, Warranties and Covenants of the Corporation

The Corporation represents, warrants, covenants and agrees to and with the Agent that:

- (1) (a) The Corporation is, and at the Time of Closing will be, a Foreign Issuer; (b) the Corporation is not now, and as a result of the offer and sale of Offered Securities contemplated hereby will not be, registered or required to be registered as an "investment company" under the United States Investment Company Act of 1940, as amended; (c) none of the Corporation, any of its affiliates, or any person acting on its or their behalf (other than the Agent, their affiliates and any person acting on any of their behalf, as to which no representation, warranty, covenant or agreement is made), has engaged or will engage in any Directed Selling Efforts or has taken or will take any action (including the sale of securities to, or for the account or benefit of, Persons in the United States or U.S. Persons) that would cause the exemptions afforded by Section 4(a)(2) of the U.S. Securities Act, Rule 506(b) of Regulation D or Rule 903 of Regulation S to be unavailable for offers and sales of the Offered Securities pursuant to this Agency Agreement and (d) none of the Corporation, any of its affiliates, or any person acting on its or their behalf (other than the Agent, their affiliates or any person acting on any of their behalf, as to which no representation, warranty, covenant or agreement is made) has engaged or will engage in any form of General Solicitation or General Advertising in connection with the offer or sale of the Offered Securities to, or for the account or benefit of, Persons in the United States or U.S. Persons or has otherwise acted in a manner involving a public offering within the meaning of Section 4(a)(2) of the U.S. Securities Act in connection

with the offer or sale of the Offered Securities to, or for the account or benefit of, Persons in the United States or U.S. Persons.

- (2) The Corporation reasonably believes now that there is, and at the Time of Closing there will be, no "substantial U.S. market interest" with respect to its Common Shares or any other class of its equity securities, as such term is defined in Regulation S.
- (3) Except with respect to offers and sales in accordance with this Agency Agreement (including this Schedule "A") to, or for the account or benefit of, Persons in the United States or U.S. Persons who are Accredited Investors in reliance upon the exemption from registration available under Section 4(a)(2) of the U.S. Securities Act and Rule 506(b) of Regulation D, none of the Corporation, its affiliates or any persons acting on its or their behalf (other than the Agent, their affiliates and any person acting on any of their behalf, as to which no representation, warranty, covenant or agreement is made) has offered, or will offer, any of the Offered Securities to, or for the account or benefit of, Persons in the United States or U.S. Persons.
- (4) The Corporation has not, for a period of six months prior to the date hereof, sold, offered for sale or solicited any offer to buy, and will not, for a period of six months after the date hereof, sell, offer for sale or solicit any offer to buy, any of its securities in the United States in a manner that would be integrated with, and would cause the exemption provided by Rule 506(b) of Regulation D to become unavailable with respect to, the offer and sale of the Offered Securities to, or for the account or benefit of, Persons in the United States or U.S. Persons as contemplated by this Agency Agreement.
- (5) For each taxable year in which the Corporation is a "passive foreign investment company" (a "PFIC") as defined in Section 1297 of the United States Internal Revenue Code of 1986, as amended (the "**Internal Revenue Code**"), if requested in writing by a U.S. Purchaser, advise such U.S. Purchaser that it is a PFIC, and if requested by such U.S. Purchaser, the Corporation will use commercially reasonable efforts to provide such U.S. Purchaser, as soon as practicable after each applicable year-end of the Corporation, with all information that would be required by a United States shareholder making an election to treat the Corporation as a qualified electing fund for the purposes of the Internal Revenue Code and a "PFIC Annual Information Statement" as described in U.S. Treasury Regulation section 1.1295-1(g)(1) (or any successor U.S. Treasury Regulation), including all representations and statements required by such Statement.
- (6) Neither the Corporation nor any of its predecessors or affiliates has been subject to any order, judgment or decree of any court of competent jurisdiction temporarily, preliminary or permanently enjoining such Person for failure to comply with Rule 503 of Regulation D.
- (7) Neither the Corporation nor any of its affiliates has taken or will take, directly or indirectly, any action in violation of Regulation M under the U.S. Exchange Act with respect to the offer or sale of the Offered Securities.
- (8) As of any Closing Date or Over-Allotment Closing Date, as applicable, with respect to offers and sales of Regulation D Securities, none of the Corporation, any of its predecessors, any affiliated issuer, any director, executive officer, other officer of the Corporation participating in the offering, any beneficial owner of 20% or more of the Corporation's outstanding voting equity securities, calculated on the basis of voting power, nor any promoter (as that term is defined in Rule 405 under the U.S. Securities Act) connected with the Corporation in any capacity at the time of sale (other than any Agent Covered Person, as to whom no representation or warranty is made) (each, an "**Issuer Covered Person**" and, together, "**Issuer Covered Persons**") is subject to a

Disqualification Event, except for a Disqualification Event covered by Rule 506(d)(2) or (d)(3) of Regulation D. The Corporation has exercised reasonable care to determine whether any Issuer Covered Person is subject to a Disqualification Event. The Corporation has complied, to the extent applicable, with its disclosure obligations under Rule 506(e), and has furnished to the Agent a copy of any disclosures provided thereunder.

- (9) As of the Closing Date or Over-Allotment Closing Date, as applicable, the Corporation is not aware of any person (other than any Agent Covered Person) that has been or will be paid (directly or indirectly) remuneration for solicitation of U.S. Purchasers.
- (10) The Corporation will notify the Agent in writing, prior to the Closing Date or Over-Allotment Closing Date, as applicable, of (i) any Disqualification Event relating to any Issuer Covered Person and (ii) any event that would, with the passage of time, become a Disqualification Event relating to any Issuer Covered Person.
- (11) The Corporation will, so long as any of the Offered Securities are "restricted securities" within the meaning of Rule 144 under the U.S. Securities Act, at any time when the Corporation is neither (a) subject to, and in compliance with, Section 13 or 15(d) of the U.S. Exchange Act, nor (b) exempt from the filing requirements of the U.S. Exchange Act pursuant to and in compliance with Rule 12g3-2(b) thereunder, furnish holders and prospective purchasers of Offered Securities with the information required by Rule 144A(d)(4) under the U.S. Securities Act upon the written request to the Corporation by such holders or prospective purchasers.
