### **NEWS RELEASE**

## **GOLD LION HIGHLIGHTS NORTH AMERICAN LITHIUM EXPLORATION UPSHOT IN LIGHT OF RECENT CHILEAN LITHIUM POLICY**

**Vancouver, British Columbia / May 1, 2023 – Gold Lion Resources Inc. (“Gold Lion” or the “Company”)** (CSE: GL) (OTC: GLIOF) (FWB: 2BC) is pleased to provide comments on the recent announcement of the new National Lithium Policy (“NLP”) in Chile.

Chilean President Gabriel Boric announced a highly anticipated National Lithium Policy (“NLP”) on April 20, 2023. The NLP is expected to function as a roadmap for future exploration and exploitation of lithium resources in Chile with future lithium contracts granted only as public-private partnerships with state control. The decision to nationalize Chilean lithium and potentially remove it as a supplier further underscores the necessity to develop sustainable domestic lithium production within North America.

The Chilean NLP further underpins the plight of Electric vehicle (EV) manufacturers, which now are faced with a net new obstacle in their quest to secure battery materials. Mexico nationalized its lithium deposits in 2022, while Indonesia prohibited exports of nickel ore, an essential component of batteries, in 2020.

Gold Lion’s 2,950 hectares Mia Li-3 Lithium Project is located approximately 15 km northwest of Q2 Metals Corp.’s (“Q2”) Mia Li-1 and Mia Li-2 projects (the “**Mia Li-1 & 2 Projects**”) in the James Bay region of Quebec. Quebec has long been regarded as a world-class mining jurisdiction with advanced infrastructure, favourable policy and government incentives, as well as access to skilled human capital. The Company anticipates commencing fully-funded fieldwork on its Mia Li-3 Lithium Project in June of 2023.

## Forward-Looking Statements

This news release contains “forward-looking information” within the meaning of applicable Canadian securities legislation. Often, but not always, forward-looking information and information can be identified by the use of words such as “plans”, “expects” or “does not expect”, “is expected”, “estimates”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or state that certain actions, events or results “may”, “could”, “would”, “might” or “will” be taken, occur or be achieved. Actual future results may differ materially. In particular, this release contains forward-looking information relating to the Company's expected benefits of the Transaction and opportunities which will arise from the acquisition of the Property. The forward-looking information reflects management's current expectations based on information currently available and are subject to a number of risks and uncertainties that may cause outcomes to differ materially from those discussed in the forward-looking information. Such risk factors may include, among others, but are not limited to: general economic conditions in Canada and globally; industry conditions, including governmental regulation and environmental regulation; the availability of capital on acceptable terms; the need to obtain required approvals from regulatory authorities; stock market volatility; competition for, among other things, skilled personnel and supplies; incorrect assessments of the value of acquisitions; geological, technical, processing and transportation problems; changes in tax laws and incentive programs; failure to realize the anticipated benefits of acquisitions and dispositions; and the other factors. Although the Company believes that the assumptions and factors used in preparing the forward-looking information are reasonable, undue reliance should not be placed on such information and no assurance can be given that such events will occur in the disclosed time frames or at all. Factors that could cause actual results or events to differ materially from current expectations include: (i) adverse market conditions; and (ii) other factors beyond the control of the Company. New risk factors emerge from time to time, and it is impossible for the Company's management to predict all risk factors, nor can the Company assess the impact of all factors on Company's business or the extent to which any factor, or combination of factors, may cause actual results to differ from those contained in any forward-looking information. The forward-looking information included in this news release are made as of the date of this news release and the Company expressly disclaims any intention or obligation to update or revise any forward-looking information whether as a result of new information, future events or otherwise, except as required by applicable law.
