

# PNG Copper Inc. Announces Filing of the Financial Statements and Related Documents for the Third Quarter of 2022, Completion of First Tranche of New Private Placement

Toronto, Ontario--(Newsfile Corp. - January 27, 2023) - PNG Copper Inc. (CSE: PNGC) ("**PNG Copper**" or the "**Company**") is pleased to announce that it has now filed its financial statements and related management discussion and analysis for the period ending September 30, 2022 ("**Required Filings**").

On November 15, 2022, the Company announced that it would not be able to file the Required Filings by the filing deadline, November 29, 2022. In connection with the delay, the Company applied to the Ontario Securities Commission requesting a management cease trade order ("**MCTO**") be imposed to restrict trading in the Company's securities by the CEO, CFO and directors of the Company, which was granted. Now that it has made the Required Filings, the Company will work towards the lifting of the MCTO.

In addition, the Company announces a private placement financing ("**Financing**") of up to \$500,000 in units (each, a "**Unit**") at a price 1 cent per Unit. Each Unit is comprised of one common share in the capital of the Company and one warrant entitling the holder to purchase one common share at an exercise price of 5 cents for a period of five years from the date of issuance. The Company closed a first tranche of the Financing today, issuing 18,300,000 Units to raise gross proceeds of \$183,000. The Company expects to close additional tranches of the Financing over the next few weeks.

## **About PNG Copper Inc.**

PNG Copper Inc. is a mineral exploration company focused on acquiring, exploring, and developing quality mineral properties in Papua New Guinea. The Company's core values are respect for the Community, the Landowners, the environment and operating a safe workplace for its employees. ## **Forward-Looking Statements**

*This Press Release contains forward-looking information within the meaning of applicable securities*

*laws. When used in this document, the words "may", "would", "could", "will", "intend", "plan", "anticipate", "believe", "estimate", "expect" and similar expressions are intended to identify forward-looking statements. Forward-looking information in this news release includes, but is not limited to, information concerning the lifting of the MCTO and the Financing, the Company's objectives, goals or future plans, statements. Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties which may cause actual results to differ materially from the statements made.*

*These assumptions include that the Ontario Securities Commission will lift the MCTO following completion of the Required Filings, that the Financing will be completed in its entirety, industry assumptions relating to, the price of copper, gold and other metals, currency and interest rate fluctuations, and assumptions concerning mineralization, mineral recoveries, the ability to conduct exploration activities in Papua New Guinea, and assumptions concerning COVID-19. Factors that could cause actual results to vary from the Company's stated expectations include, but are not limited to, mineral price and exchange rate fluctuations, increased competition and general economic and market factors, potential mineralization not being as anticipated, uncertainties inherent in the estimation of mineral resources, exploration and mine development plans, timing of the commencement of operations and estimates of market conditions, failure to identify mineral resources, failure to convert estimated mineral resources to reserves, the inability to complete a feasibility study which recommends a production decision, the preliminary nature of metallurgical test results, delays in obtaining or failures to obtain required governmental, environmental or other project approvals, political risks, uncertainties relating to the availability and costs of financing needed in the future, changes in equity markets, inflation, changes in exchange rates, fluctuations in commodity prices, delays in the development of projects, capital and operating costs varying significantly from estimates.*

*Although the Company believes that the assumptions and factors used in preparing the forward-looking information in this news release are reasonable, undue reliance should not be placed on such information, which only applies as of the date of this news release, and no assurance can be given that such events will occur in the disclosed time frames or at all. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law.*
