CERTIFICATE OF AUTHOR - SEAN BUTLER

I Sean P. Butler, P.Geo., do hereby certify that:

- I. I am an Independent Geological Consultant with a residence at 3252 Ganymede Dr, Burnaby, BC, Canada, V3J IA4;
- 2. I am a graduate with a Bachelor of Science degree in Geology from the University of British Columbia in 1982;
- 3. My professional affiliation is member of the Association of Professional Engineers and Geoscientists of British Columbia, Canada, Member # 19,233, Professional Geoscientist;
- 4. I visited the Mantle property on October 3, 2018;
- 5. I have no interest in High Point Exploration Inc., Zenith Exploration Inc. or the Mantle property;
- 6. I have been active in the exploration and mining industry for approximately 35 years since graduation from university. I have worked extensively exploring for both base and precious metals from early stage programs up to advanced underground exploration and mining;
- 7. I have read the definition of "Qualified Person" as set out in National Instrument 43-101 and certify that by reason of my education, affiliation with a professional association and past relevant work experience, I fulfil the requirements to be a "Qualified Person" with regard to the Mantle property;
- 8. I am responsible for all sections in the report titled "Technical Report on the Mantle Property" with effective date of September 17, 2019 (the "Technical Report");
- 9. As of the effective date of the Technical Report, to the best of my knowledge, information and belief, this Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading;
- 10. I am independent of High Point Exploration Inc. applying all of the tests in Section 1.5 of NI 43-101;
- II. I have read NI 43-101 and Form NI 43-101F1, and the Technical Report has been prepared in compliance with that instrument and form;
- 12. I consent to the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, of the Technical Report.

Dated this 24th day of September, 2019.

"Signed and Sealed"

Signature of Qualified Person Sean P. Butler, P.Geo.
