8. NSR Royalty

8.1 Upon the Commencement of Commercial Production, the Purchaser shall pay to the Vendor the NSR Royalty, being equal to 2.0% of the Net Smelter Returns, on the terms and conditions as set out in this section and Schedule "B" hereto, such terms and conditions to be finalized in a formal agreement upon commercial production.

9.1 At any time after the Purchaser has acquired the Property, the Purchaser may grant mortgages, charges or liens (each of which is herein called a "mortgage") of and upon the Property or any portion thereof, on any mill or other fixed assets located thereon, and on any or all of the tangible personal property located on or used in connection with the Property, to secure financing of development of the Property, provided that, unless otherwise agreed to by the Vendor, it shall be a term of each mortgage that the mortgagee or any person acquiring title to the Property upon enforcement of the mortgage shall hold the same subject to the rights of the Vendor hereunder as if the mortgagee or any such person had executed this Agreement as the Purchaser.

10. Transfers

10.1 The Purchaser may at any time either during the Acquisition Period or thereafter, sell, transfer or otherwise dispose of all or any portion of its interest in and to the Property and this Agreement provided that any purchaser, grantee or transferee of any such interest shall have first delivered to the Vendor its agreement related to this Agreement and to the Property, containing:

- (a) a covenant by such transferee to perform all the obligations of the Purchaser to be performed under this Agreement in respect of the interest to be acquired by it from the Purchaser to the same extent as if this Agreement had been originally executed by the transferee as obligor in respect of such obligations; and
- (b) a provision subjecting any further sale, transfer or other disposition of such interest in the Property and this Agreement or any portion thereof to the restrictions contained in this subsection.

11. Surrender and Acquisition of Property Interests Prior to Termination of Agreement

11.1 The Purchaser may at any time, either before or after the Acquisition Period, elect to abandon any one or more of the mineral claims comprised in the Property by giving notice to the Vendor of such intention. For a period of 30 days after the date of delivery of such notice the Vendor may elect to have any or all of the mineral claims in respect of which such notice has been given transferred, at the Purchaser's expense, to them by delivery of a request therefore to the Purchaser, whereupon the Purchaser shall deliver to the Vendor a bill of sale or other appropriate deed or assurance in registrable form transferring its entire interest in such mineral claims to the Vendor. Any claims so transferred, if in good standing at the date hereof or if the Purchaser causes the same to be placed in good standing after the date hereof, shall be in good standing under the laws of the Province of British Columbia for at least 250 days from the date of transfer. If the Vendor fails to make a request for the transfer of any mineral claims as aforesaid within such 30-day period, the Purchaser may then abandon such mineral claims without further notice to the Vendor. Upon any such transfer or abandonment, the mineral claims so transferred or abandoned shall for all purposes of this Agreement cease to form part of the Property.

12. Force Majeure

12.1 If the Purchaser is at any time either during the Acquisition Period or thereafter prevented or delayed in complying with any provisions of this Agreement by reason of strikes, walk-outs, labour shortages, power shortages, fires, wars, acts of God, governmental regulations restricting normal operations, shipping delays or any other reason or reasons beyond the control of the Purchaser, then the time limited for the performance by the Purchaser of its obligations hereunder shall be extended by a period of time equal in length to the period of each such prevention or delay, provided, however, that nothing herein shall discharge the Purchaser from its obligations under subsection 7.1.

12.2 The Purchaser shall within seven days give notice to the Vendor of each event of force majeure under subsection 13.1, and upon cessation of such event shall furnish the Vendor with notice of that event together with particulars of the number of days by which the obligations of the Purchaser hereunder have been extended by virtue of such event of force majeure and all preceding events of force majeure.

13. Confidential Information

13.1 No information furnished by the Purchaser to the Vendor hereunder in respect of the activities carried out on the Property by the Purchaser, or related to the sale of substances derived

from the Property, shall be published or otherwise disclosed or disseminated by the Vendor without the prior written consent of the Purchaser, but such consent in respect of the reporting of factual data shall not be unreasonably withheld, and shall not be withheld in respect of information required to be publicly disclosed pursuant to applicable securities or corporate laws. Further, the Vendor is permitted to disclose the amounts received from the Purchaser as the Purchase Price and the amount of royalties received hereunder.

14. Arbitration

After hearing any evidence and representations that the parties may submit, the single arbitrator, or the arbitrators, as the case may be, shall make an award and reduce the same to writing, and deliver one copy thereof to each of the parties. The expense of the arbitration shall be paid as specified in the award.

14.3 The parties agree that the award of a majority of the arbitrators, or in the case of a single arbitrator, of such arbitrator, shall be final and binding upon each of them.

15. Default and Termination

15.1 The parties hereto agree that if the Purchaser is in default with respect to any of the provisions of this Agreement, the Vendor shall give written notice to the Purchaser, designating such default, and within 30 days after its receipt of such notice, the Purchaser shall either:

- (a) cure such default, or commence proceedings to cure such default and prosecute the same to completion without undue delay; or
- (b) give the Vendor notice that it denies that such default has occurred and that it is submitting the question to arbitration as herein provided.

16.1 Each notice, demand or other communication required or permitted to be given under this Agreement shall be in writing and shall be sent by prepaid registered mail deposited in a post office in Canada addressed to the party entitled to receive the same, or delivered to such party, at the address for such party specified above or given by facsimile (with electronic confirmed

receipt). The date of receipt of such notice, demand or other communication shall be the date of delivery thereof if delivered, the first business day after the date of transmission if given by facsimile (with electronic confirmed receipt) or, if given by registered mail as aforesaid, shall be deemed conclusively to be the fifth day after the same shall have been so mailed, except in the case of interruption of postal services for any reason whatsoever, in which case the date of receipt shall be the date on which the notice, demand or other communication is actually received by the addressee.

16.2 Either party may at any time and from time to time notify the other party in writing of a change of address and the new address to which notice shall be given to it thereafter until further change.

17. General

17.1 This Agreement shall supersede and replace any other agreement or arrangement, whether oral or written, heretofore existing between the parties in respect of the subject matter of this Agreement.

17.2 The parties have not created a partnership and nothing contained in this Agreement shall in any manner whatsoever constitute any party the partner, agent or legal representative of any other party, nor create any fiduciary relationship between them for any purpose whatsoever. No party shall have any authority to act for, or to assume any obligations or responsibility on behalf of, any other party except as may be, from time to time, agreed upon in writing between the parties or as otherwise expressly provided.

17.3 No consent or waiver expressed or implied by either party in respect of any breach or default by the other in the performance by such other of its obligations hereunder shall be deemed or construed to be a consent to or a waiver of any other breach or default.

NET SMELTER RETURNS

1. For the purposes of this Agreement the following words and phrases shall have the following meanings, namely:

- (a) "Net Smelter Returns" shall mean the gross proceeds received by the Purchaser in any year from the sale of Product from the mining operation on the Property, less successively:
 - (i) the cost of transportation of such Product to a smelter or other place of treatment, and
 - (ii) smelter and treatment charges; and
 - (iii) Product sales taxes.
- (b) "Ore" shall mean any material containing a mineral or minerals of commercial economic value mined from the Property; and
- (c) "Product" shall mean Ore mined from the Property and any concentrates or other materials or products derived therefrom, but if any such Ore, concentrates or other materials or products are further treated as part of the mining operation in respect of the Property, such Ore, concentrates or other materials or products shall not be considered to be "Product" until after they have been so treated.

2. For the purposes of calculating the amount of NSR Royalty payable to the Vendor hereunder, if, after the Commencement of Commercial Production, the Purchaser sells any Product to one of its subsidiaries or affiliates, and if the sale price of such Product is not negotiated on an arm's-length basis, the Purchaser shall for the purposes of calculating Net Smelter Returns only and notwithstanding the actual amount of such sale price, add to the proceeds from the sale of such Product an amount which would be sufficient to make such sale price represent a reasonable net sale price for such Product as if negotiated at arm's length and after taking into account all pertinent circumstances including, without limitation, then current market conditions relating to Ore, concentrates or products similar to such Product.

3. The Purchaser shall by notice inform the Vendor of the quantum of such reasonable net sale price and, if the Vendor does not object thereto, within 60 days after receipt of such notice, said quantum shall be final and binding for the purposes of this Agreement.

5. The Purchaser shall have the right to commingle Ore with ore produced from other properties, provided that prior to such commingling, the Purchaser shall adopt and employ reasonable practices and procedures for weighing, determination of moisture content, sampling and assaying, as well as utilize reasonable accurate recovery factors in order to determine the amounts of Products derived from, or attributable to, Ore mined and produced from the Property. The Purchaser shall maintain accurate records of the results of such sampling, weighing and analysis as pertaining to Ore mined
