This formula was developed to provide the market with a daily female specific multivitamin offering in 100% compostable packaging. The multivitamin will work synergistically with Empathy Plant Co's. Green Energy and Complete Plant Protein products and will be sold as a plant-based health system. It will be available in vegetable capsules and will provide the following benefits:

1. Promotes overall health
2. Supports hormone balance
3. Supports hair, skin, and nail health
4. Supports metabolism
5. Increased energy
6. Immune function
7. Bone health
8. Eye health
9. Muscle function

10. Source of antioxidants

Canbud's CEO, Steve Singh, comments: "We continue to add products that support our health and wellness theme. As we near commercialization I'm very excited to see our innovation pipeline strengthen and believe it will give us a great competitive advantage in a highly coveted consumer demographic."

The time of market release will be announced at a further date once production timelines are finalized.

Notice Regarding Forward Looking Information

This news release is not an offer to sell, or a solicitation of an offer to buy or sell, any securities of the Corporation and may not be relied upon in connection with the purchase or sale of any such security.

This news release contains "forward-looking information" within the meaning of Canadian securities legislation. The forward-looking information contained in this news release represents the expectations of the Corporation as of the date of this news release and, accordingly, is subject to change after such date. Forward-looking information includes information including statements with respect to the future exploration performance of the Corporation. Forward-looking information is based on, among other things, opinions, assumptions, estimates and analyses that, while considered reasonable by the Corporation at the date the forward-looking information is provided, are inherently subject to significant risks, uncertainties, contingencies, and other factors that may cause actual results and events to be materially different from those expressed or implied by the forward-looking information. The risks, uncertainties, contingencies and other factors that may cause actual results to differ materially from those expressed or implied by the forward-looking information may include, but are not limited to (i) adverse market conditions; (ii) risks inherent in the CBD, psychedelics and vegan protein industries in general or (iii) risks generally associated with the Corporation's business, as described in the Corporation's public filings on SEDAR, which readers are encouraged to review in detail prior to any transaction involving the securities of the Corporation. Actual results and future events could differ materially from those anticipated in such information. These and all subsequent written and oral forward-looking information are based on estimates and opinions of management on the dates they are made and are expressly qualified in their entirety by this notice. Except as required by law, the Corporation does not intend to update these forward-looking statements. Readers should not place undue importance on forward-looking information and should not rely upon this information as of any other date.

NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE

UNITED STATES.
