INFORMATION CIRCULAR

as of January 18, 2021 (unless otherwise noted)

MANAGEMENT SOLICITATION OF PROXIES

This Information Circular is furnished to you in connection with the solicitation of proxies by management of Goldseek Resources Inc. (“we”, “us”, the “Company” or “Goldseek”) for use at the Annual General Meeting (the “Meeting”) of shareholders of the Company to be held on Friday, February 19, 2021 at 11:00AM EST (Toronto time) at The Canadian Venture Building, 82 Richmond Street East, Toronto, ON, M5C 1P1 and at any adjournment of the Meeting. The Company will conduct its solicitation by mail and our officers, directors and employees may, without receiving special compensation, contact shareholders by telephone, electronic means or other personal contact. We will not specifically engage employees or soliciting agents to solicit proxies. We do not reimburse shareholders, nominees or agents (including brokers holding shares on behalf of clients) for their costs of obtaining authorization from their principals to sign forms of proxy. We will pay the expenses of this solicitation.

Due to the COVID19 Pandemic and given the restrictions on public gatherings and in the best interest of the health of all participants in the Company’s Meeting, the Company respectfully asks that all shareholders do not attend the Meeting in person. The Company requests that shareholders who wish to participate by listening to the Meeting, contact the Company by February 17, 2021 at goldseekresources@gmail.com to be included in the telephone conference for the Meeting. The Company will arrange for telephone participation for all shareholders who have requested it by February 17, 2021. However, the Company strongly recommends that shareholders vote by Proxy or VIF in advance to ease the voting tabulation at the Meeting by Odyssey Trust Company. If public health guidelines regarding physical distancing in Ontario have changed by the meeting date of February 19, 2021, the Company will issue a news release advising of permitted Meeting attendance in accordance with such updated guidelines.

APPOINTMENT OF PROXY HOLDER

The persons named as **proxy holders** in the enclosed form of proxy are the Company’s directors or officers. **As a shareholder, you have the right to appoint a person (who need not be a shareholder) in place of the persons named in the form of proxy to attend and act on your behalf at the Meeting. To exercise this right, you must either insert the name of your representative in the blank space provided in the form of proxy and strike out the other names or complete and deliver another appropriate form of proxy.**

A proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

VOTING BY PROXY

The persons named in the accompanying form of proxy will vote or withhold from voting the shares represented by the proxy in accordance with your instructions, provided your instructions are clear. If you have specified a choice on any matter to be acted on at the Meeting, your shares will be voted or withheld from voting accordingly. If you do not specify a choice or where you specify both choices for any matter to be acted on, your shares will be voted in favour of all matters.

The enclosed form of proxy gives the persons named as proxy holders discretionary authority regarding amendments or variations to matters identified in the Notice of Meeting and any other matter that may properly come before the Meeting. As of the date of this Information Circular, our management is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. However, if any amendment, variation or other matter properly comes before the Meeting, the persons named in the form of proxy intend to vote on such other business in accordance with their judgement.

You may indicate the manner in which the persons named in the enclosed proxy are to vote on any matter by marking an "X" in the appropriate space. If you wish to give the persons named in the proxy a discretionary authority on any matter described in the proxy, then you should leave the space blank. **In that case, the proxy holders nominated by management will vote the shares represented by your proxy in accordance with their judgment.**

RETURN OF PROXY

You must deliver the completed form of proxy to the office of the Company's registrar and transfer agent, Odyssey Trust Company, Proxy Dept, 702-67 Yonge Street, Toronto, ON, M5E 1J8, by hand or by mail or by online voting in accordance with the instructions set out in the form of Proxy, not less than 48 hours (excluding Saturdays, Sundays, and holidays) before the scheduled time of the Meeting or any adjournment.

ADVICE TO NON-REGISTERED SHAREHOLDERS

Only shareholders whose names appear on our records or validly appointed proxy holders are permitted to vote at the Meeting. Most of our shareholders are "non-registered" shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a "Nominee"). If you purchased your shares through a broker, you are likely a non-registered shareholder.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as "NOBOs". Those non-registered Holders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as "OBOs".

In accordance with the securities regulatory policy, we will have distributed copies of the Meeting Materials, being the Notice of Meeting, this Information Circular, and the form of proxy directly to NOBOs and to the Nominees for onward distribution to OBOs. **The Company does not intend to pay for a Nominee to deliver to OBOs, therefore an OBO will not receive the materials unless the OBO's Nominee assumes the costs of delivery.**

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered shareholder. Meeting Materials sent to non-registered holders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a “VIF”). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered holder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIF’s, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the Shares which they beneficially own. **Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request (in writing) to the Company or its Nominee, as applicable, without expense to the non-registered holder, that the non-registered holder or his/her nominee be appointed as proxyholder and have the right to attend and vote at the Meeting.** Non-registered holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

REVOCAION OF PROXY

If you are a registered shareholder who has returned a proxy, you may revoke your proxy at any time before it is exercised. In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- (a) signing a proxy bearing a later date; or
- (b) signing a written notice of revocation in the same manner as the form of proxy is required to be signed as set out in the notes to the proxy.

The later proxy or the notice of revocation must be delivered to the office of the Company’s registrar and transfer agent or to the Company’s head office at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment, or to the Chairman of the Meeting on the day of the Meeting or any adjournment.

If you are a non-registered shareholder who wishes to revoke a VIF or to revoke a waiver of your right to receive Meeting materials and to give voting instructions, you must give written instructions to your Nominee at least seven days before the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the adoption of the Company’s stock option plan, approval of which will be sought at the Meeting. Directors and executive officers of the Company may participate in the Company’s stock option plan, and accordingly have an interest in its approval. See “Particulars of Matters to be Acted Upon”.

Unless you provide other instructions, the enclosed proxy will be voted for the nominees listed below. Management does not expect that any of the nominees will be unable to serve as a director. Oversight and Description of Director and Named Executive Officer Compensation

Director compensation

The Company may, from time to time, grant to its directors incentive stock options to purchase common shares in the capital of the Company pursuant to the terms of the Stock Option Plan and in accordance with the policies of the Canadian Securities Exchange (the “**Exchange**”).

Named Executive Officer Compensation

The Board is responsible for ensuring that the Company’s compensation strategy is aligned with performance and shareholder interests. The main objectives the Company hopes to achieve through its compensation policies are to attract and retain executives critical to the Company’s success, who will be key in helping the Company achieve its corporate objectives and increase shareholder value.

Due to the small size of the Company and the current level of the Company’s activity, the Board of Directors is able to closely monitor and consider any risks which may be associated with the Company’s compensation policies and practices. Risks, if any, may be identified and mitigated through regular Board meetings during which financial and other information of the Company are reviewed. No risks have been identified arising from the Company’s compensation policies and practices that are reasonably likely to have a material adverse effect on the Company

Executive compensation is comprised of short-term fee compensation and long-term ownership through the Company’s Stock Option Plan. This structure ensures that a significant portion of executive compensation (stock options) is both long-term and “at risk” and, accordingly, is directly linked to the achievement of business results and the creation of long term shareholder value.

During the financial year ended June 30, 2020, Mr. Jon Deluce’s compensation as CEO consisted of \$37,000 and Mr. Field-Dyde’s compensation as CFO consisted of \$44,875.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Company has an incentive stock option plan under which stock options are granted. Stock options have been determined by the Company’s directors and are only granted in compliance with applicable laws and regulatory policy. The policies of the Exchange limit the granting of stock options to employees, officers, directors and consultants of the Company and provide limits on the length of term, number and exercise price of such options.

The following table sets out equity compensation plan information as at the end of the financial year ended June 30, 2020.

Plan Category	Number of securities to be issued upon exercise of outstanding options⁽¹⁾	Weighted-average exercise price of outstanding options	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))⁽²⁾

Reliance on Exemptions in NI 52-110 regarding Audit Committee Composition & Reporting Obligations

Since the Company is a venture issuer, it relies on the exemption contained in section 6.1 of NI 52-110 from the requirements of Part 3 Composition of the Audit Committee (as described in 'Composition of the Audit Committee' above) and Part 5 Reporting Obligations of NI 52-110 (which requires certain prescribed disclosure about the Audit Committee in this Information Circular).

CORPORATE GOVERNANCE

National Instrument 58-101 *Disclosure of Corporate Governance Practices* of the Canadian securities administrators requires the Company to annually disclose certain information regarding its corporate governance practices. Under this heading, the Company is providing the disclosure required by Form 58-101F2.

Board of Directors

The Board has responsibility for the stewardship of the Company including responsibility for strategic planning, identification of the principal risks of the Company's business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Company's internal control and management information systems.

The Board sets long term goals and objectives for the Company and formulates the plans and strategies necessary to achieve those objectives and to supervise senior management in their implementation. The Board delegates the responsibility for managing the day-to-day affairs of the Company to senior management but retains a supervisory role in respect of, and ultimate responsibility for, all matters relating to the Company and its business. The Board is responsible for protecting shareholders' interests and ensuring that the incentives of the shareholders and of management are aligned.

As part of its ongoing review of business operations, the Board reviews, as frequently as required, the principal risks inherent in the Company's business including financial risks, through periodic reports from management of such risks, and assesses the systems established to manage those risks. Directly and through the Audit Committee, the Board also assesses the integrity of internal control over financial reporting and management information systems.

In addition to those matters that must, by law, be approved by the Board, the Board is required to approve any material dispositions, acquisitions and investments outside the ordinary course of business, long-term strategy, and organizational development plans. Management of the

Company is authorized to act without board approval, on all ordinary course matters relating to the Company's business.

The Board also monitors the Company's compliance with timely disclosure obligations and reviews material disclosure documents prior to distribution. The Board is responsible for selecting the President and appointing senior management and for monitoring their performance.

The Board considers that the following directors are "independent" in that they are independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director's ability to act with the best interests of the Company, other than interests and relationships arising from shareholding: Keith James Deluce, Joseph Luongo, Charles Joseph Deluce, and Wesley Hanson. The Board considers that Jonathan Deluce, the President and CEO of the Company, is not independent because he is a member of management. Quinn Field-Dyte is also considered to not be independent because he was the CFO of the Company until November 2020.

Directorships

Certain of the directors are presently a director of one or more other reporting issuers (or equivalent) in a Canadian or foreign jurisdiction, as follows:

Name of Director	Other reporting issuer (or equivalent in a foreign jurisdiction)
Jonathon Deluce	Melkior Resources Inc.
Quinn Field-Dyte	Quantum Cobalt Corp.
	Fire River Gold Corp.
	Fort St James Nickel Corp
	GGX Gold Corp.
	Intact Gold Corp.
	Plantx Life Inc.
	Vantex Resources Ltd.
Keith James Deluce	Melkior Resources Inc.
Wesley Hanson	Xplore Resources Corp.
	Universal Copper Ltd.
	Satori Resources Inc.

Orientation and Continuing Education

The Board is responsible for providing orientation for all new recruits to the Board. Each new director brings a different skill set and professional background, and with this information, the Board is able to determine what orientation to the nature and operations of Goldseek's business will be necessary and relevant to each new director. Goldseek provides continuing education for its directors as the need arises and encourages open discussion at all meetings, which format encourages learning by the directors.

Ethical Business Conduct

The Board relies on the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law to ensure the Board operates independently of management and in the best interests of the Company. The Board has found that these, combined with the conflict of interest provisions of the *Business Corporations Act* (BC), as well as the relevant securities regulatory instruments, to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders. The Board takes into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

Compensation

The Board is responsible for determining all forms of compensation, including long-term incentive in the form of stock options, to be granted to the CEO and the directors, and for reviewing the CEO's recommendations respecting compensation of the other officers of the Company, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of its officers, the Board considers: (i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the shareholders; (iv) rewarding performance, both on an individual basis and with respect to operations in general; and (v) permitted compensation under Exchange rules

Other Board Committees

The Board has no other committees other than the Audit Committee.

Assessments

The Board annually reviews its own performance and effectiveness as well as reviews the Audit Committee Charter and recommends revisions as necessary. Neither Goldseek nor the Board has adopted formal procedures to regularly assess the Board, the committees or the individual directors as to their effectiveness and contribution. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by the other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for Goldseek, given its size and operations. Goldseek's corporate governance practice allows the Company to operate efficiently, with checks and balances that control and monitor management and corporate functions without excessive administrative burden.

PARTICULARS OF MATTERS TO BE ACTED ON

Approval of Rolling 10% Stock Option Plan

Background Information

Effective July 30, 2019, the Board adopted the Stock Option Plan (the "**Stock Option Plan**"). As at the date of this Circular, 400,000 stock options have been granted under the Stock Option Plan.

The purpose of the Stock Option Plan is to allow the Company to grant options to directors, officers, employees and consultants, as additional compensation, and as an opportunity to participate in the success of the Company. The granting of such options is intended to align the interests of such persons with that of the shareholders. The Stock Option Plan reserves for issuance a maximum of 10% of the Common Shares at the time of a grant of options under the Stock Option Plan. The Stock Option Plan will be administered by the Board and provide for grants of non-transferable options under the Stock Option Plan at the discretion of the management company employees of, or consultants to, the Company and its subsidiaries, or their permitted assigns (each an "**Eligible Person**").

The exercise price of Stock Options granted under the Stock Option Plan will be determined by the Board. The Exercise Price of an Option granted under this Plan shall not be less than the greater of the closing market price of the Shares on (a) the trading day prior to the date of grant of the Options; and (b) the date of grant of the Options. In any event, no Options shall be granted which are exercisable at an Exercise Price of less than permitted by Exchange Policy. An Exercise Price cannot be established unless the Options are allocated to a particular Option Holder.

Stock Options to acquire more than 5% of the issued and outstanding Common Shares may not be granted to any one person in any 12-month period.

The term of any Stock Options granted under the Stock Option Plan will be fixed by the Board and may not exceed ten years. Should an Eligible Person cease to qualify as an Eligible Person under the Stock Option Plan prior to expiry of the term of their respective Stock Options, those Stock Options will terminate at the earlier of (i) the end of the period of time permitted for exercise of the Stock Option or, (ii) one year after the option holder ceases to be an Eligible Person for any reason other than death, disability or just cause. If such cessation as an Eligible Person is on account of disability or death, the Stock Options terminate on the first anniversary of such cessation, and if it is on account of termination of employment for just cause, the Stock Options terminate immediately.

The Stock Option Plan also provides for adjustments to outstanding options in the event of alteration in the capital structure of the Company, merger or amalgamation involving the Company or the Company's entering into a plan of arrangement. Moreover, upon a change of control, all Stock Options outstanding under the Stock Option Plan shall become immediately exercisable.

The directors of the Company may, at their discretion at the time of any grant, impose a schedule over which period of time Stock Options will vest and become exercisable by the optionee. If a Stock Option is cancelled before its expiry date, the Company may not grant new Stock Options to the same holder until 30 days have elapsed from the date of cancellation.

Subject to any required approval of the Exchange, the Board may terminate, suspend or amend the terms of the Stock Option Plan, provided that for certain amendments, the Board must obtain shareholder approval.

Shareholder Approval Being Sought

A copy of the Stock Option Plan is available, upon request, to any shareholder of the Company at no charge, or may be inspected at the registered office of the Company during normal business hours until the date of the Meeting.

The Board and management consider the approval of the Stock Option Plan to be appropriate and in the best interests of the Company. Accordingly, unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Shares represented by such form of proxy, properly executed, for the approval of the Stock Option Plan.

Shareholders will be asked to pass the following, ordinary resolution, approving the Company's Stock Option Plan: The text of the ordinary resolution is set forth below, subject to such amendments, variations or additions as may be approved at the Meeting:

"IT IS RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

2. The Board of Directors be authorized on behalf of the Company to make any further amendments to the Plan as may be required by regulatory authorities, without further approval of the shareholders of the Company, in order to ensure adoption of the Plan; and
3. Any one director or officer of the Company is authorized and directed to do all such acts and things and to execute and deliver all such deeds, documents, instruments and

assurances as in his opinion may be necessary or desirable to give effect to this resolution.”

Recommendation of the Company's Directors

The directors have reviewed and considered all facts respecting the approval of the Stock Option Plan. The Company's directors unanimously recommend that the shareholders vote in favour of ratifying and approving the Stock Option Plan.

An ordinary resolution requires the approval of a simple majority (50% + one vote) of the votes cast at the Meeting, in person or by proxy. **It is the intention of the persons named in the accompanying Proxy, if not expressly directed to the contrary in such Proxy, to vote such proxies FOR the ordinary resolution authorizing the approval of the Stock Option Plan.**

GOLDSEEK RESOURCES INC. (the “Corporation”)

AUDIT COMMITTEE CHARTER

(Adopted by the Board of Directors on July 30, 2019)

Mandate

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Corporation to regulatory authorities and shareholders, the Corporation’s systems of internal controls regarding finance and accounting, and the Corporation’s auditing, accounting and financial reporting processes. Consistent with this function, the Audit Committee will encourage continuous improvement of, and should foster adherence to, the Corporation’s policies, procedures and practices at all levels. The Audit Committee’s primary duties and responsibilities are to:

- serve as an independent and objective party to monitor the Corporation’s financial reporting and internal control systems and review the Corporation’s financial statements;
- review and appraise the performance of the Corporation’s external auditors; and
- provide an open avenue of communication among the Corporation’s auditors, financial and senior management and the Board of Directors.

Composition

The Audit Committee shall be comprised of three directors as determined by the Board of Directors, the majority of whom shall be free from any relationship that, in the opinion of the Board of Directors, would reasonably interfere with the exercise of his or her independent judgment as a member of the Audit Committee. At least one member of the Audit Committee shall have accounting or related financial management expertise. All members of the Audit Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Audit Committee’s Charter, the definition of “financially literate” is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Corporation’s financial statements. The members of the Audit Committee shall be elected by the Board of Directors at its first meeting following the annual shareholders’ meeting.

Meetings

The Audit Committee shall meet frequently as circumstances dictate. As part of its job to foster open communication, the Audit Committee will meet at least annually with the external auditors.

Responsibilities and Duties

To fulfill its responsibilities and duties, the Audit Committee shall:

Documents/Reports Review

1. Review and update this Charter annually.
2. Review the Corporation's financial statements, MD&A and any annual and interim earnings, press releases before the Corporation publicly discloses this information and any reports or other financial information (including quarterly financial statements), which are submitted to any governmental body, or to the public, including any certification, report, opinion, or review rendered by the external auditors.
3. Confirm that adequate procedures are in place for the review of the Corporation's public disclosure of financial information extracted or derived from the Corporation's financial statements.

9. Review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Corporation's external auditors. The pre-approval requirement is waived with respect to the provision of non-audit services if:
 - (a) the aggregate amount of all such non-audit services provided to the Corporation constitutes not more than five percent of the total amount of fees paid by the Corporation to its external auditors during the fiscal year in which the non-audit services are provided;

- (b) such services were not recognized by the Corporation at the time of the engagement to be non-audit services; and
- (c) such services are promptly brought to the attention of the Audit Committee by the Corporation and approved prior to the completion of the audit by the Audit Committee or by one or more members of the Audit Committee who are members of the Board of Directors to whom authority to grant such approvals has been delegated by the Audit Committee. Provided the pre-approval of the non-audit services is presented to the Audit Committee's first scheduled meeting following such approval, such authority may be delegated by the Audit Committee to one or more independent members of the Audit Committee.
