## **MANAGEMENT INFORMATION CIRCULAR**

### **GENERAL PROXY INFORMATION AND CIRCULAR DISCLOSURE**

#### **Persons Making the Solicitation**

**This Information Circular is being furnished in connection with the solicitation of proxies by the management of GoldHaven Resources Corp. (the "Company") for use at the annual general meeting (the "Meeting") of the holders of common shares in the capital of the Company (the "Shareholders") to be held at the offices of the Company at Suite 2300 – 1177 West Hastings Street, Vancouver, British Columbia, Canada on Wednesday, August 19, 2020 at 9:00 a.m. (Pacific Time) for the purposes set forth in the accompanying Notice of Meeting.** While it is expected that the solicitation of proxies will be primarily by mail, proxies may be solicited personally or by telephone by the regular employees of the Company at nominal cost. The Company may reimburse Shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute proxies. All costs of solicitation will be borne by the Company. None of the directors of the Company have advised that they intend to oppose any action intended to be taken by management as set forth in this Information Circular.

#### **Appointment and Revocation of Proxies**

The persons named in the accompanying form of proxy are directors or officers of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT THE SHAREHOLDER AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKING OUT THE TWO PRINTED NAMES, OR BY COMPLETING ANOTHER FORM OF PROXY.** The proxy will not be valid unless the completed, dated and signed proxy is received by National Securities Administrators Ltd., at 702 - 777 Hornby Street, Vancouver, British Columbia, Canada, V6Z 1S2 by 9:00 a.m. (Pacific Time) on August 17, 2020, or if the Meeting is adjourned or postponed, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the date to which the Meeting is adjourned or postponed. Fax votes can be sent to 604-559-8908 and email votes can be sent to proxy@transferagent.ca. Internet voting is also available at [www.eproxy.ca](http://www.eproxy.ca).

Late proxies may be accepted or rejected by the Chairman of the Meeting at his discretion and the Chairman of the Meeting is under no obligation to accept or reject any particular late proxy. The Chairman of the Meeting may waive or extend the proxy cut-off without notice.

A Shareholder who has given a proxy may revoke it by an instrument in writing executed by the Shareholder or by the Shareholder's attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, at Suite 1170 - 1040 West Georgia Street, Vancouver, British Columbia, Canada, V6E 4H1, at any time up to and including the last business day preceding the day of the Meeting or any adjournment of it or to the Chairman of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

If you are a non-registered Shareholder, please follow the instructions from your bank, broker or other financial intermediary for instructions on how to revoke your voting instructions.

### **Exercise of Discretion**

If the instructions in a proxy are certain, the shares represented thereby will be voted on any poll by the persons named in the proxy and, where a choice with respect to any matter to be acted upon has been specified in the proxy, the shares represented thereby will, on a poll, be voted or withheld from voting in accordance with the specifications so made. **If you do not provide instructions in your proxy, the persons named in the enclosed proxy will vote your shares FOR the matters to be acted on at the Meeting.**

The persons named in the enclosed proxy will have discretionary authority with respect to any amendments or variations of these matters or any other matters properly brought before the Meeting or any adjournment or postponement thereof, in each instance, to the extent permitted by law, whether or not the amendment or other item of business that comes before the Meeting is routine or contested. The persons named in the enclosed proxy will vote on such matters in accordance with their best judgment. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

### **Advice to Non-Registered (Beneficial) Shareholders**

The information set out in this section is important to many Shareholders as a substantial number of Shareholders do not hold their shares in their own name.

**Only registered Shareholders or duly appointed proxyholders for registered Shareholders are permitted to vote at the Meeting. Many of the Shareholders of the Company are "non-registered" Shareholders because the shares they own are not registered in their names, but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares.**

More particularly, a person is not a registered Shareholder in respect of shares of the Company which are held on behalf of that person (the "Non-Registered Holder") but which are registered either (a) in the name of an intermediary (each, an "Intermediary") that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans), or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101") of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the form of proxy (collectively referred to as the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies (such as Broadridge Investor Communication Solutions) to forward the Meeting Materials to Non-Registered Holders. Generally, if you are a Non-Registered Holder and you have not waived the right to receive the Meeting Materials you will either:

- (a) be given a form of **proxy which has already been signed by the Intermediary** (typically by a facsimile stamped signature) which is restricted to the number of shares beneficially owned by you, but which is otherwise not complete. Because the Intermediary has already signed the proxy, this proxy is not required to be signed by you when submitting it. In this case, if you wish to submit a proxy you should otherwise properly complete the executed proxy provided and deposit it with **National Securities Administrators Ltd.**, as provided above; or
- (b) more typically, a Non-Registered Holder will be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "proxy", "proxy authorization form" or "voting instruction form") which

the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. Sometimes, instead of the one page printed form, the voting instruction form will consist of a regular printed proxy accompanied by a page of instructions that contains a removable label containing a bar-code and other information. In order for the proxy to validly constitute a voting instruction form, the Non-Registered Holder must remove the label from the instructions and affix it to the proxy, properly complete and sign the proxy **and return it to the Intermediary or its service company (not the Company or National Securities Administrators Ltd.)** in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of these procedures is to permit Non-Registered Holders to direct the voting of the shares that they beneficially own. If you are a Non-Registered Holder and you wish to vote at the Meeting in person as proxyholder for the shares owned by you, you should strike out the names of the management designated proxyholders named in the proxy authorization form or voting instruction form and insert your name in the blank space provided. **In either case, you should carefully follow the instructions of your Intermediary, including when and where the proxy, proxy authorization or voting instruction form is to be delivered.**

The Meeting Materials are being sent to both registered Shareholders and Non-Registered Holders who have not objected to the Intermediary through which their shares are held disclosing ownership information about themselves to the Company ("NOBOs"). If you are a NOBO, and the Company or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary on your behalf.

If you are a Non-Registered Holder who has objected to the Intermediary through which your shares are held disclosing ownership information about you to the Company (an "OBO"), you should be aware that the Company does not intend to pay for Intermediaries to forward the Meeting Materials, including proxies or voting information forms, to OBOs and therefore an OBO will not receive the Meeting Materials unless that OBO's Intermediary assumes the cost of delivery.

#### **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

Other than as disclosed elsewhere in this Information Circular, none of the current directors or executive officers, no proposed nominee for election as a director, none of the persons who have been directors or executive officers since the commencement of the last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, with the exception of the ratification and approval of the Company's stock option plan.

#### **VOTING SHARES AND PRINCIPAL HOLDERS OF VOTING SECURITIES**

The authorized capital of the Company consists of an unlimited number of common shares, each share carrying the right to one vote. As at July 17, 2020, 24,359,245 common shares were issued and outstanding.

Only holders of common shares of record at the close of business on July 17, 2020 (the "Record Date"), who either personally attend the Meeting or who have completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have their common shares voted at the Meeting.

On a show of hands, every individual who is present as a registered Shareholder or as a duly appointed representative of one or more registered corporate Shareholders will have one vote, and on a poll every registered Shareholder present in person or represented by a validly appointed proxyholder, and every person who is a duly appointed representative of one or more corporate registered Shareholders, will have one vote for each common share registered in the name of the Shareholder on the list of Shareholders, which is available for inspection during normal business hours at National Securities Administrators Ltd. and will be available at the Meeting. Shareholders represented by proxyholders are not entitled to vote on a show of hands.

To the knowledge of the directors and executive officers of the Company, based on public information, there are no persons or companies who beneficially own, directly or indirectly, or exercise control or direction over, common shares carrying 10% or more of the voting rights attached to all of the issued and outstanding common shares as at the Record Date.

#### **INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS**

None of the current or former directors, executive officers, employees of the Company, the proposed nominees for election to the board of directors of the Company (the "Board of Directors" or the "Board"), or their respective associates or affiliates, are or have been indebted to the Company or its subsidiaries as at the date of this Information Circular or since the beginning of the last completed financial year of the Company.

See "Interest of Certain Persons or Companies in the Matters to be Acted Upon".

The underlying purpose of the Stock Option Plan is to attract and motivate the directors, officers, employees and consultants of the Company and its subsidiaries to advance the interests of the Company by affording such persons with the opportunity to acquire an equity interest in the Company through rights granted under the Stock Option Plan. The Stock Option Plan was approved by the Company's directors on November 16, 2019 and has not yet been approved by the shareholders of the Company (see "Particulars of Matters to be Acted Upon" below).

A summary of the material terms of the Stock Option Plan are set out below, which summary is intended as a brief description of the Stock Option Plan and is qualified in its entirety by the full text of the Stock Option Plan, which will be available for review at the Meeting and at the Company's head office located at Suite 2300 – 1177 West Hastings Street, Vancouver, British Columbia, Canada, V6E 2K3 for 10 business days prior to the Meeting, during business hours.

In addition, the number of common shares in the capital of the Company which may be issued pursuant to options granted under the Stock Option Plan to any one optionee shall not exceed 5% of the total number of issued and outstanding common shares, on a non-diluted basis, at the date the options are granted (unless otherwise approved by disinterested Shareholders).

5. Vesting. All options granted pursuant to the Stock Option Plan will be subject to such vesting requirements as may be prescribed by the CSE, if applicable, and will be granted as fully vested, unless a vesting schedule is imposed by the Board of Directors as a condition of the grant on the grant date.

The Company has a management services agreement with European Business Center – North America, a division of Dynamis Capital Corp., a private company.

### **Compensation Discussion and Analysis**

Compensation payable to directors, officers and employees of the Company is currently determined by the Board of Directors. The Board of Directors relies on the experience of its members to ensure that total compensation paid to the Company's management is fair and reasonable and is both in-line with the Company's financial resources and competitive with companies at a similar stage of development.

The Company does not have in place a compensation committee. All tasks related to developing and monitoring the Company's approach to the compensation of directors, officers and employees of the Company are performed by the members of the Board of Directors. The Board meets to discuss and determine compensation, without reference to formal objectives, criteria or analysis.

#### Compensation Philosophy

The Company has taken a forward-looking approach for the compensation for its directors, officers, employees and consultants to ensure that the Company can continue to build and retain a successful and motivated team and, importantly, align the Company's future success with that of Shareholders.

The Company's compensation strategy is to attract and retain talent and experience with focused leadership in the operations, financing and asset management of the Company with the objective of maximizing the value of the Company. The Company compensates its Named Executive Officers based on their skill and experience levels and the existing stage of development of the Company. NEOs are rewarded on the basis of the skill and level of responsibility involved in their position, the individual's experience and qualifications, the Company's resources, industry practice, and regulatory guidelines regarding executive compensation levels.

Under the Company's compensation policies and practices, NEOs and directors are not prevented from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

The Company has not currently identified specific performance goals or benchmarks as such relate to executive compensation. The stage of the Company's development and the size of its specialized management team allow frequent communication and constant management decisions, with the interest of developing Shareholder value as a primary goal.

The Board of Directors believes that the compensation policies and practices of the Company do not encourage executive officers to take unnecessary or excessive risk; however, the Board intends to review from time to time and at least once annually, the risks, if any, associated with the Company's compensation policies and practices at such time. Implicit in the Board of Directors' mandate is that the Company's policies and practices respecting compensation, including those applicable to the Company's executives, be designed in a manner which is in the best interests of the Company and Shareholders, and risk implications is one of many considerations which are taken into account in such design.

### Compensation Components

The Board of Directors has implemented three levels of compensation to align the interests of the Named Executive Officers with those of the Shareholders. First, NEOs may be paid a monthly salary or consulting fee. Second, the Board of Directors may award NEOs long-term incentives in the form of stock options. Finally, and only in special circumstances, the Board of Directors may award cash or share bonuses for exceptional performance that results in a significant increase in Shareholder value. The Company does not provide medical, dental, pension or other benefits to NEOs. To date, no specific formulas have been developed to assign a specific weighting to each of these components.

#### *Base Salary*

The base compensation, if any, of the Named Executive Officers is reviewed and set annually by the Board of Directors. The salary review for each NEO is based on an assessment of factors such as:

- current competitive market conditions;
- compensation levels within its peer group of junior mining issuers at a similar stage of development;
- level of responsibility and importance of the position within the Company; and
- particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual.

Using this information, together with budgetary guidelines and other internally generated planning and forecasting tools, the Board intends to perform an annual assessment of all executive officer compensation levels and then set base salaries or consulting fees of the NEOs in accordance with such assessment.

The base compensation, if any, of the directors of the Company is also reviewed and set annually by the Board of Directors.

#### *Long-Term Compensation – Stock Options*

Long-term compensation is paid to NEOs in the form of grants of stock options.

The Company has established a stock option plan (the "Stock Option Plan") to encourage share ownership and entrepreneurship on the part of the directors, senior management, employees and consultants. The Board believes that the Stock Option Plan aligns the interests of Named Executive Officers with the interests of Shareholders by linking a component of executive compensation to the longer-term performance of the Company's common shares.

The Stock Option Plan is administered by the Board, who have full and final authority with respect to the granting of all options thereunder. Accordingly, all options granted to NEOs are approved by the Board. Options may be granted under the Stock Option Plan to such service providers of the Company and its affiliates, if any, as the Board may from time to time designate. The Company has not set specific target levels for options to NEOs but seeks to be competitive with similar companies.

The Stock Option Plan provides that, subject to the requirements of the Canadian Securities Exchange (the "CSE"), the aggregate number of securities reserved for issuance will be 10% of the number of common shares of the Company issued and outstanding from time to time.

In monitoring stock option grants, the Board generally takes into account the following factors: the level of options granted by comparable companies for similar levels of responsibility, prior grants to a proposed optionee, the executive's past performance, anticipated future contribution, the percentage of outstanding equity owned by the executive, the level of vested and unvested options, and on reports received from management, its own observations on individual performance (where possible) and its assessment of individual contribution to Shareholder value.

In addition to determining the number of options to be granted pursuant to the methodology outlined above, and subject to earlier termination in the event of dismissal for cause, early retirement, voluntary resignation or termination other than for cause, or in the event of death or disability, the Board also makes the following determinations:

- the exercise price for each option granted;
- the date on which each option is granted;
- the vesting terms for each stock option; and
- the other material terms and conditions of each stock option grant.

The Board makes these determinations subject to and in accordance with the provisions of the Stock Option Plan. Options granted under the Stock Option Plan are not transferable or assignable other than by testamentary instrument or pursuant to the laws of succession.

As of the date of this Information Circular, a total of 1,020,000 stock options have been granted to the Company's directors and Named Executive Officers pursuant to the Stock Option Plan.

### **Pension Plan Benefits**

The Company does not have a pension plan that provides for payments or benefits to the Named Executive Officers at, following, or in connection with retirement.

## **CORPORATE GOVERNANCE DISCLOSURE**

National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101") of the Canadian Securities Administrators requires the Company to annually disclose certain information regarding its corporate governance practices. That information is disclosed below.

### **Board of Directors**

The Board of Directors has responsibility for the stewardship of the Company including responsibility for strategic planning, identification of the principal risks of the Company's business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Company's internal control and management information systems.

The Board of Directors sets long-term goals and objectives for the Company and formulates the plans and strategies necessary to achieve those objectives and to supervise senior management in their implementation. The Board delegates the responsibility for managing the day-to-day affairs of the Company to senior management but retains a supervisory role in respect of, and ultimate responsibility for, all matters relating to the Company and its business. The Board is responsible for protecting Shareholders' interests and ensuring that the incentives of the Shareholders and of management are aligned.

As part of its ongoing review of business operations, the Board of Directors reviews, as frequently as required, the principal risks inherent in the Company's business including financial risks, through periodic reports from management of such risks, and assesses the systems established to manage those risks. Directly and through the audit committee of the Board, the Board also assesses the integrity of internal control over financial reporting and management information systems.

In addition to those matters that must, by law, be approved by the Board of Directors, the Board is required to approve any material dispositions, acquisitions and investments outside the ordinary course of business,

long-term strategy, and organizational development plans. Management of the Company is authorized to act without Board approval, on all ordinary course matters relating to the Company's business.

The Board of Directors also monitors the Company's compliance with timely disclosure obligations and reviews material disclosure documents prior to distribution.

The Board of Directors is responsible for the appointment of senior management and monitoring of their performance.

The Board of Directors has not adopted a written mandate or code setting out the foregoing obligations, since it believes it is adequately governed by the requirements of applicable corporate and securities common and statute law which provide that the Board has responsibility for the stewardship of the Company. That stewardship includes responsibility for strategic planning, identification of the principal risks of the Company's business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Company's internal control and management information systems.

The Board of Directors is currently comprised of four (4) directors, of which two are considered "independent" within the meaning of National Instrument 52-110 *Audit Committees* ("NI 52-110") of the Canadian Securities Administrators. A director is "independent" if the director has no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgement. The current independent members of the Board are Stuart Ross and Patrick Burns. James Walchuck and David Smith are not considered to be independent as they are executive officers of the Company.

The Board facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board.

The Board does not hold regularly scheduled meetings without the non-independent directors and members of management. Since the beginning of the Company's last financial year, the independent directors did not hold any ad hoc meetings without the non-independent directors and management.

When a matter being considered involves a director, that director does not vote on the matter. As well, the directors regularly and independently confer amongst themselves and thereby keep apprised of all operational and strategic aspects of the Company's business.

### **Descriptions of Roles**

The Board of Directors has not established written descriptions of the positions of the Chief Executive Officer, Chief Financial Officer or Chairman of any of the committees of the Board (except as may be set out in a charter applicable to a committee) as it feels they are unnecessary and would not improve the function and performance of the Board, Chief Executive Officer, Chief Financial Officer or any committee.

### **Other Directorships**

The following table sets out the directors of the Company who are currently directors of other reporting issuers:

<b>Name of Director</b>	<b>Name of Other Reporting Issuers</b>
James Walchuck	American Helium Inc. (TSX.V NEX: AHE) Jushi Holdings Inc. (CSE: JUSH)
David Smith	N/A
Stuart Ross	Cobra Venture Corporation (TSX.V: CBV) Gitennes Exploration Inc. (TSX.V: GIT)

Name of Director	Name of Other Reporting Issuers
Patrick Burns	N/A

### **Orientation and Continuing Education**

While the Company does not have formal orientation and training programs, new Board members are provided with:

- (a) information respecting the functioning of the Board of Directors, committees and copies of the Company's corporate governance policies;
- (b) access to recent and historical, publicly filed documents of the Company, management reports and the Company's internal financial information; and
- (c) access to management, technical experts and consultants.

Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current with industry trends and developments and changes in legislation with management's assistance and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

### **Ethical Business Conduct**

The Board of Directors has not adopted a formal code of business conduct and ethics. The Board is of the view that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

### **Nomination of Directors**

The Board of Directors considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual general meeting. The Board takes into account the number of directors required to carry out the Board's duties effectively and to provide the required skills, independence and experience.

The Board has not established a nominating committee and this function is currently performed by the Board as a whole.

### **Assessments**

The Board of Directors has not established a formal process to regularly assess the Board and the audit committee of the Board (the "Audit Committee") with respect to their effectiveness and contributions. Nevertheless, their effectiveness is subjectively measured on an ongoing basis by each director based on their assessment of the performance of the Board, the Audit Committee or the individual directors compared to their expectation of performance. In doing so, the contributions of an individual director are informally monitored by the other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

### **Compensation**

The Board of Directors, as a whole, acts as the Company's compensation committee. The performance of the President and Chief Executive Officer, Chief Financial Officer and other senior management of the Company is evaluated by the independent Board members and measured against the Company's business goals and industry compensation levels. During the financial year ended July 31, 2019, the Board did not retain any such outside consultants or advisors to assist in the determination of compensation for any of the Company's directors or executive officers.

## **Other Board Committees**

The Board has no other committees other than the Audit Committee.

### **AUDIT COMMITTEE**

NI 52-110 requires the Company's Audit Committee to meet certain requirements. It also requires the Company to disclose in this Information Circular certain information regarding the Audit Committee. That information is disclosed below.

#### **Overview**

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its financial oversight responsibilities by (i) reviewing the financial reports and other financial information provided by the Company to regulatory authorities and Shareholders; (ii) reviewing the systems for internal corporate controls which have been established by the Board and management; and (iii) overseeing the Company's financial reporting processes generally. In meeting these responsibilities, the Audit Committee monitors the financial reporting process and internal control system; reviews and appraises the work of external auditors and provides an avenue of communication between the external auditors, senior management and the Board of Directors. The Audit Committee is also mandated to review and approve all material related party transactions.

#### **Composition of the Audit Committee**

Unless an issuer is a "venture issuer" (an issuer, the securities of which are not listed or quoted on any of the Toronto Stock Exchange, a market in the USA other than the over-the-counter market, or a market outside of Canada and the USA) as of the end of its last financial year, NI 52-110 requires each of the members of the audit committee to be independent and financially literate. Since the Company is a "venture issuer" (its securities are listed on the CSE, but are not listed or quoted on any other exchange or market) it is exempt from this requirement.

The Audit Committee is currently comprised of the following members: Stuart Ross (Chairman), Patrick Burns and James Walchuck. Each member of the Audit Committee is considered to be "financially literate" as defined by NI 52-110 in that they have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements. Two of the three current members of the Audit Committee, Stuart Ross and Patrick Burns, are independent, while the third member, James Walchuck, is not considered independent as he is an executive officer of the Company. To be considered to be independent, a member of the Audit Committee must not have any direct or indirect "material relationship" with the Company. A material relationship is a relationship which could, in the view of the Board reasonably interfere with the exercise of a member's independent judgment.

The members of the Audit Committee are elected by the Board of Directors at its first meeting following the annual Shareholders' meeting. Unless a Chairman is elected by the full Board, the members of the Committee designate a Chairman by a majority vote of the full Committee membership.

#### **Relevant Education and Experience**

In addition to each member's general business experience, each of the Audit Committee members has the ability to read and understand financial statements and held positions with other corporations or reporting issuers where they have been actively involved in financing and fundraising activities.

#### **Audit Committee Charter**

The Company has adopted a Charter for the Audit Committee which sets out the committee's mandate, organization, powers and responsibilities, a copy of which is attached hereto as Appendix "A".

### **Audit Committee Oversight**

Since the commencement of the Company's most recently completed financial year, the Company's Board of Directors has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

### **Reliance on Certain Exemptions**

Since the commencement of the Company's most recently completed financial year, the Company has not relied on an exemption in Section 2.4 of NI 52-110 (*De Minimis Non-audit Services*), Section 3.2 of NI 52-110 (*Initial Public Offerings*), Section 3.3(2) of NI 52-110 (*Controlled Companies*), Section 3.4 of NI 52-110 (*Events Outside Control of Member*), Section 3.5 of NI 52-110 (*Death, Disability or Resignation of Audit Committee Member*) or Section 3.6 of NI 52-110 (*Temporary Exemption for Limited and Exceptional Circumstances*), on an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110 (*Exemptions*) or on Section 3.8 of NI 52-110 (*Acquisition of Financial Literacy*).

### **Pre-Approval Policies and Procedures**

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Company's Board of Directors, and where applicable the Audit Committee, on a case-by-case basis.

### **External Auditor Service Fees**

The following table sets out the fees paid by the Company to its auditor in the last financial year.

<b>Financial Year Ended</b>	<b>Audit Fees (\$) <sup>(1)</sup></b>	<b>Audit Related Fees (\$) <sup>(2)</sup></b>	<b>Tax Fees (\$) <sup>(3)</sup></b>	<b>All Other Fees (\$) <sup>(4)</sup></b>
July 31, 2019	\$10,000	Nil	Nil	Nil

**Notes:**

- (1) The aggregate fees billed by the Company's independent auditors for audit fees.
- (2) The aggregate fees billed for assurance and related services by the Company's auditor that are reasonably related to the performance of the audit or review of the Company's financial statements and are not disclosed in the "Audit Fees" column.
- (3) The aggregate fees billed for professional services rendered by the Company's auditor for tax compliance, tax advice, and tax planning.
- (4) The aggregate fees billed for professional services other than those listed in the other three columns.

### **Venture Issuer Exemption**

Since the Company is a "venture issuer" it relies on the exemption contained in Section 6.1 of NI 52-110 from the requirements of Part 3 Composition of the Audit Committee (as described in "Composition of the Audit Committee" above) and Part 5 Reporting Obligations of NI 52-110 (which requires certain prescribed disclosure about the Audit Committee in the Company's Annual Information Form, if any, and this Information Circular).

## **PARTICULARS OF MATTERS TO BE ACTED UPON**
