

ZeU Received Green Light to Process Casino & Gaming Credit Card Payments

-FOR IMMEDIATE RELEASE-

Montréal, May 10, 2021 – ZeU Technologies Inc. (CSE: ZEU) (OTC: ZEUCF) is pleased to announce that it has received today the green light to process credit card payments for Gambling, Sports & eSports betting.

The issuing banks working with ZeUPay, ZeU's wholly-owned subsidiary, have confirmed clearance for processing credit card payments in all scenarios proposed on the Mula platform with a specific confirmation related to Gambling with only a very narrow geographical restriction limited to four Middle-Eastern countries.

ZeUPay also expects to receive comments and clearance from major credit card companies in relation to its own card program in or around the end of the upcoming month of June.

Further disclosure will be provided over the month of May regarding the Mula platform development, additional patents, and the commercial launch of some of the products and partnerships, which include the Kamari Lottery following Kamari's upcoming listing on the Binance digital exchange.

ZeUPay should also provide further disclosure shortly regarding its mobile-based digital bank, which will include international payment debit cards, accessible to use in over 30 million locations worldwide.
