

## DOMINION WATER RESERVES ACQUISITION

### NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES.

**Montreal, Quebec (August 19, 2021)** – Dominion Water Reserves Corp. (“DWR” or the “Company”) (CSE: DWR). At the request of the Investment Industry Regulatory Organization of Canada (“IIROC”), the Company wishes to clarify certain statements contained in the Company’s press release dated August 17, 2021, informing of the planned acquisition of a 100% interest in Source Véo Inc (“Véo”) located in the Province of Quebec (the “Acquisition”) in consideration of a cash payment of \$3,300,000. The Letter of Intent to acquire Véo entered into yesterday by the Company is a non-binding letter of intent subject to a 45-day due diligence process. The Company is currently evaluating how to finance the Acquisition and possible options may involve the use of its internal cash flow, the issuance of debt or other securities by way of a private placement, bank financing and/or income from the sale of certain Company’s non-strategic assets consisting of lands and buildings. As part of the proposed Acquisition, the Company will not assume any of Véo’s debt.

Véo is strategically located between Ottawa and Montreal at proximity of Highway A50 on a 400-acre land and operates a 35,000 sq plant drawn from its own source, filtered and bottled in a single operation. Véo currently employs 33 employees and based on unaudited financial statements revenues of \$2,800,100 in 2020 (including 9 months of operations under the Covid-19 pandemic) and \$3,670,400 in 2019. For the 2020 and 2019 financial years, Véo had net let of \$309,717 and \$5,300 respectively, and gross margins of 0% and 11%, respectively.

#### **About Dominion Water Reserves Corp.**

DWR’s operations are based in Quebec, with its primary business being a consolidator of the water industry by acquiring fresh spring water permits and developing operations across Quebec with plans to expand across North America. DWR currently controls more than 30% of Quebec’s volume of fresh groundwater reserves currently under permit and is strategically positioned to increase its holding. DWR’s mission is to acquire, manage and develop spring water assets, building a critical mass in terms of capacity and strategically securing a leadership role in North America’s fresh spring water. The Company prioritizes sustainability and environmental consciousness.
