

Makara Announces C\$1.6 Million Private Placement

NOT FOR DISTRIBUTION TO U.S. NEWSWIRES OR DISSEMINATION IN THE UNITED STATES

Vancouver, BC – March 14, 2022 – Makara Mining Corp. (CSE: MAKA) (the “**Company**”) that it will proceed with a private placement of up to 21,333,333 units of the Company (collectively, the “**Units**”) at a price of C\$0.075 per Unit for aggregate gross proceeds of up to C\$1,600,000 (the “**Offering**”). There is no minimum number of Units or minimum aggregate proceeds required to close the Offering and the Company may, at its discretion, elect to close the Offering in one or more tranches.

Each Unit will consist of one common share of the Company (each, a “**Common Share**”) and one common share purchase warrant (each whole warrant, a “**Warrant**”). Each Warrant will entitle the holder thereof to acquire, on payment of C\$0.09 to the Company, one common share of the Company (each, a “**Warrant Share**”), subject to adjustment in certain circumstances, for a period of 24 months from the closing date (the “**Closing Date**”). Up to one quarter of the Units may be sold as flow through shares within the meaning of subsection 66(15) of the Income Tax Act (Canada).

The Offering will be conducted pursuant to exemptions from the requirement to deliver a prospectus pursuant to applicable securities laws. The Company has determined that it will make a portion of the Offering available to existing shareholders. Accordingly, the Company may rely on BC Instrument 45-534 – Prospectus Exemption for Distributions to Existing Security Holders and the corresponding blanket orders and rules implementing CSA 45-313 in the participating jurisdictions in respect thereof (collectively, the “**Existing Security Holder Exemption**”). As at the date hereof, the Existing Security Holder Exemption is available in each of the provinces and territories of Canada, with the exception of Newfoundland and Labrador. Subject to applicable securities laws, the Company will permit each person or company who, as of March 11, 2022 (being the record date set by the Company pursuant), holds common shares as of that date to subscribe for the Units that will be distributed pursuant to the Offering, provided that the Existing Security Holder Exemption is available to such person or company. Subscriptions will first be allocated to subscribers who are not relying on the Existing Security Holder Exemption. In the event that aggregate subscriptions for Units under the Offering exceed the maximum number of securities to be distributed, then Units sold pursuant to the Existing Security Holder Exemption will be allocated to qualifying existing shareholders on a pro rata basis based on the number of Units subscribed for. Insiders may participate in the Offering. Qualifying shareholders who wish to participate in the Offering should contact Cole Lesueur or Grant Hendrickson at the numbers below:

All of the proceeds of the sale of the Units sold on a flow through basis used to incur expenditures that qualify as Canadian exploration expenses.

In addition to the Existing Security Holder Exemption, will also be conducted pursuant to other available prospectus exemptions.
