Caution Regarding Forward Looking Statements

This news release contains “forward-looking statements” and “forward-looking information” (collectively referred to herein as “forward-looking statements”) within the meaning of applicable securities legislation. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects”, “plans”, “anticipates”, “believes”, “intends”, “estimates”, “continues”, “projects”, “potential”, “budget” and similar expressions, or are events or conditions that “will”, “would”, “may”, “could” or “should” occur or be achieved.

Although the Company believes that the material factors, expectations and assumptions expressed in such forward-looking statements are reasonable based on information available to it on the date such statements are made, undue reliance should not be placed on the forward-looking statements because the Company can give no assurances that such statements and information will prove to be correct and such statements do not guarantee future performance. Since forward-looking statements address future events and conditions, by their very nature they involve inherent risks and uncertainties.

Actual performance and results could differ materially from those currently anticipated due to a number of factors and risks. These include, but are not limited to known and unknown risks, including those set forth in the Company’s Management Discussion and Analysis (a copy of which can be found under Sassy’s profile on SEDAR at www.sedarplus.ca). Accordingly, readers should not place undue importance or reliance on the forward-looking statements. Readers are cautioned that the list of factors is not exhaustive. Statements, including forward-looking statements, contained in this news release are made as of the date they are given and the Company disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws. The forward-looking statements contained in this news release are expressly qualified by this cautionary statement. Additional information on these and other factors that could affect the Company’s operations and financial results are included in reports on file with applicable securities regulatory authorities and may be accessed under the Company’s profile on SEDAR+ at www.sedarplus.ca.

The CSE has neither approved nor disapproved the contents of this news release. Neither the CSE nor its Regulation Services Provider (as that term is defined in the policies of the CSE) accepts responsibility for the adequacy or accuracy of this release.
