

## Madison Metals Insider Buying Reflects Strong Confidence

TORONTO, Oct. 07, 2024 -- [Madison Metals Inc.](#) (“**Madison**” or the “**Company**”) (CSE: GREN) (OTCQB: MMTLF) (FSE: 4EF0) announces that Executive Chairman and CEO Duane Parnham has increased his position in the Company by 35% year to date, through open market purchases and private placements, at an average cost of CDN\$0.33 per share. For more details, please refer to Madison's SEDAR+ profile at [www.sedarplus.ca](http://www.sedarplus.ca).

“Madison's management continues delivering on its business strategy of delivering technical excellence from our new high-grade discovery and goal to fast-track production. With the recent granting of a [mining licence](#), we are accelerating our path to cash flow while managing dilution directly benefiting shareholder value,” said Mr. Parnham.

Madison Metals is one of the few companies with a mining licence to extract nuclear fuels in a world-class jurisdiction, benefiting its enterprise value from low estimated capital and operating expenses, simplified operations, and a quick path to free cash flow. Mr. Parnham's stock purchases are for investment purposes only, and he may increase or decrease his position as market conditions dictate.

### About Madison Metals Inc.

Madison Metals Inc. (CSE: GREN) (OTCQB: MMTLF) (FSE: 4EF0) is an upstream mining and exploration company focused on critical metals, led by sustainable uranium production in Namibia and Canada. With over 50 years of mining experience, including 22 years in Namibia, its management team has geological and financial expertise and a track record of creating shareholder value.

### Forward-looking Statements

*This release contains “forward-looking statements” within the meaning of applicable Canadian securities legislation. Forward-looking statements include, but are not limited to statements regarding the proposed future exploration and drilling by Madison.*

*Generally, forward-looking statements can be identified by the use of forward-looking terminology such as “plans”, “expects” or “does not expect”, “is expected”, “budget”, “schedule”, “estimates”, “forecasts”, “intends”, “continue”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “would”, “will”, “might” or “will be taken”, “occur” or “be achieved”. Forward-looking statements are made based upon certain assumptions and other important facts that, if untrue, could cause the actual results, performance or achievements of the Company to be materially different from future results, performances or achievements expressed or implied by such statements. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future.*

*Certain important factors that could cause actual results, performances or achievements to differ materially from those in the forward-looking statements include, amongst others: the global economic climate; competition; labour shortages, and unanticipated expenses of the Company. Forward-looking statements are subject to known and unknown risks, uncertainties and other important factors that may cause the actual results, level of activity, performance or achievements of the Company*

*to be materially different from those expressed or implied by such forward-looking statements, including but not limited to: failure of the Company or its contractual partners to fulfil their respective obligations under agreements; unanticipated delays in drilling as described in this press release; the impact the COVID 19 pandemic may have on the Company's activities and the economy in general; the impact of the recovery post COVID 19 pandemic and its impact on precious metals; receipt of necessary approvals; general business, economic, competitive, political and social uncertainties; accidents, labour disputes and shortages; environmental risks; and other risks of the mining industry.*

*Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements.*

*You can find further information with respect to these and other risks in filings made with the Canadian securities regulatory authorities that are available on the Company's SEDAR+ profile page at [www.sedarplus.ca](http://www.sedarplus.ca). The Company disclaims any obligation to update or revise these forward-looking statements, except as required by applicable law.*
