

# Prismo Metals Appoints Carmelo Marelli as CFO and Corporate Secretary

Vancouver, British Columbia--(Newsfile Corp. - January 17, 2022) - Prismo Metals Inc. (CSE: PRIZ) ("**Prismo**" or the "**Company**") is pleased to announce that, effective January 31, 2022, Carmelo Marelli will be appointed as Chief Financial Officer and Corporate Secretary of the Company.

"On behalf of the Board I wish to welcome Carmelo to the Prismo Metals' team," said Craig Gibson, President and CEO of the Company. "I also want to recognize the work from our current Chief Financial Officer and Corporate Secretary Salvador Miranda. Salvador has been with us since the founding of the Company, and he played a key role in completing our 2020 going public transaction. Salvador had been wanting to dedicate more time to personal endeavours at some point and we understand his decision."

Mr. Marrelli is the principal of the Marrelli Group, comprising of Marrelli Support Services Inc., DSA Corporate Services Inc., DSA Filing Services Limited, Marrelli Press Release Services Limited, Marrelli Escrow Services Inc. and Marrelli Trust Company Limited. The Marrelli Group has delivered accounting, corporate secretarial and regulatory compliance services to listed companies on various exchanges for over twenty years. Mr. Marrelli is a Chartered Professional Accountant (CPA, CA, CGA), and a member of the Institute of Chartered Secretaries and Administrators, a professional body that certifies corporate secretaries. He received a Bachelor of Commerce degree from the University of Toronto. Mr. Marrelli acts as the chief financial officer to several issuers on the TSX, TSX Venture Exchange and CSE, as well as non-listed companies, and as a director of select issuers.

## ***Cautionary Note Regarding Forward-Looking Statements***

This press release contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian securities legislation. All statements other than statements of historical fact, including without limitation, statements regarding the anticipated content, commencement and exploration program results, the ability to complete future financings, required permitting, exploration programs and drilling, and the anticipated business plans and timing of future activities of the Company, are forward-looking statements. Forward-looking statements are typically identified by words such as: believe, expect, anticipate, intend, estimate, postulate and similar expressions, or are those, which, by their nature, refer to future events. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct.

The Company cautions investors that any forward-looking statements by the Company are not guarantees of future results or performance, and that actual results may differ materially from those in forward looking statements as a result of various factors, including, but not limited to, the state of the financial markets for the Company's equity securities, the state of the commodity markets generally, variations in the nature, the analytical results from surface trenching and sampling program, including diamond drilling programs, the results of IP surveying, the results of soil and till sampling program. the quality and quantity of any mineral deposits that may be located, variations in the market price of any mineral products the Company may produce or plan to produce, the inability of the Company to obtain any necessary permits, consents or authorizations required, including CSE acceptance, for its planned activities, the inability of the Company to produce minerals from its properties successfully or profitably, to continue its projected growth, to raise the necessary capital or to be fully able to implement its business strategies, the potential impact of COVID-19 (coronavirus) on the Company's exploration program and on the Company's general business, operations and financial condition, and other risks and uncertainties. All of the Company's Canadian public disclosure filings may be accessed via [www.sedar.com](http://www.sedar.com) and readers are urged to review these materials, including the technical reports filed with respect to the Company's mineral properties.
