In March 2020, the World Health Organization declared the coronavirus COVID-19 a global pandemic. This contagious disease outbreak, which has continued to spread, has adversely affected workforces, economies, as well as financial markets globally, potentially leading to an economic downturn. Efforts to contain the virus has severely limited the mobility of people and businesses, which in turn impacted the Company's abilities to continue with any exploration program or raise the necessary funds. However, it is not possible for the Company at this time to predict the duration or magnitude of the impact towards the Company's business or results from its operations.

The Company has incurred losses since inception, and had a working capital of \$308,900 as at September 30, 2022 (December 31, 2021 - \$699,597). Continued operations of the Company are dependent on the Company's ability to obtain private and/or public equity financing or to receive continued financial support from its controlling shareholders and other investors. There can be no assurance the Company will be successful in achieving these goals and, accordingly, there is a material uncertainty casting significant doubt about the Company's ability to continue as a going concern.

These unaudited condensed interim financial statements do not include any adjustments to the amounts and classification of assets and liabilities that might be necessary should the Company be unable to continue as a going concern, and these adjustments could be material.

#### 12. Subsequent events

- (i) Subsequent to September 30, 2022, 125,000 options were exercised for gross proceeds of \$15,625.
- (ii) On November 24, 2022, the Company announced that it has signed a non-binding letter of intent (the "LOI") with Vizsla Silver Corp. ("Vizsla"). Pursuant to the LOI, Vizsla intends to make a strategic investment for 4,000,000 units of Prismo for aggregate consideration of \$2,000,000 with Vizsla acquiring a right of first refusal (the "ROFR") to purchase the Palos Verdes project from Prismo.

Each unit will consist of one common share of Prismo and one-half of one common share purchase warrant. Each warrant will entitle the holder to acquire one common share of the Company at a price of \$0.75 for a period of two years. The consideration for the strategic investment will consist of a cash payment of \$500,000 at closing and 1,000,000 common shares of Vizsla (the "Consideration Shares"). Following completion of the strategic investment, Vizsla will own approximately 12.04% of Prismo on a basic basis and 17.03% on a partially diluted basis.

The common shares to be received by Vizsla, and the Consideration Shares to be received by Prismo will be subject to (i) a regulatory four-month hold period and (ii) a voluntary hold period of up to twenty-four months with 25% of the shares being released every six months.

The LOI contemplates that Prismo and Vizsla will enter into definitive agreements, which will include, subject to certain conditions, the following rights:

- Prismo and Vizsla will form a technical committee, funded by Vizsla, to focus on a district scale understanding of the combined land package without regard to ownership.
- Technical committee to be comprised of one nominee from Prismo, one nominee from Vizsla and one nominee mutually acceptable by both parties.
- Vizsla will have the right to nominate one director to Prismo's board of directors.
- Vizsla will be granted the ROFR on the Palos Verdes project for a duration of four years, subject to an acceleration clause if Vizsla's ownership in Prismo drops below 10% for a period of more than 60 days.
- Vizsla will be granted the right to maintain its pro-rata ownership in Prismo in future financings and standard top-up rights (subject to Vizsla maintaining a minimum 10% equity ownership position in Prismo).
- Vizsla, and/or affiliates of Vizsla, will have the right to designate a purchaser in respect of any proposed sale of Consideration Shares by Prismo.
- Prismo will have the right to designate a purchaser in respect of any proposed sale of Prismo shares by Vizsla.

The definitive agreements are expected to be signed on or around December 16, 2022 and closing of the Strategic Investment is expected to occur shortly thereafter. Closing is conditional upon the parties entering into definitive agreements and obtaining all regulatory and third party approvals and consents which may be necessary in order to allow the parties to complete the Strategic Investment.
