

# Prismo Metals Announces 2023 AGM and Board Nominees

Vancouver, British Columbia--(Newsfile Corp. - May 23, 2023) - Prismo Metals Inc. (CSE: PRIZ) (OTCQB: PMOMF) (the "**Company**" or "**Prismo Metals**") announces that its annual general meeting of the Company's shareholders will be held in virtual format on Tuesday, June 20, 2023 at 9:00 a.m. (Pacific Time) (the "**Meeting**").

Prismo Metals is pleased to announce that Messrs. Alain Lambert and Martin Dupuis have been nominated by the Company to stand for election as new directors of the Company, in addition to current directors Craig Gibson, Jorge Rafael Gallardo Romero, and María Guadalupe Yeomans Otero, who will be standing for re-election. It is anticipated that Mr. Lambert will be appointed as Executive Chairman of Prismo Metals following his election as a director at the Meeting.

Alain Lambert, who co-founded Prismo in 2018, is a lawyer by training and has over 35 years of experience in financing and advising small and medium sized companies operating in various industries including technology, manufacturing and the natural resources sector. Mr. Lambert has been involved in private and public financings totaling more than \$1 billion. He has an extensive network of investors, investment bankers, analysts and investor relations professionals. Mr. Lambert acts as an advisor to public and private companies regarding financings, mergers and acquisitions plans, debt structuring as well as going-public transactions. Throughout his career, Mr. Lambert has served as a director and member of the audit committee and governance committee of small and medium sized private and public companies. He holds a Bachelor of Laws degree (LL.B.) from the University of Montréal and a diploma of collegial studies, specializing in administration from the College Jean-de-Brébeuf, Montréal, Québec. Mr. Lambert was a member of the Québec Bar Association until 2008, when he retired from the Quebec Bar. Between 2009 and 2012, Mr. Lambert served as the Chairman of the Québec Advisory Committee to the TSX Venture Exchange and sat on the Exchange's National Advisory Committee, a committee of experts which advises the Canadian small cap exchange on policy matters, proposed regulatory changes and business strategy.

Mr. Martin Dupuis has been nominated for election as a director of the Company as the designee of Vizsla Silver Corp. (TSXV: VZLA) pursuant to the terms and conditions of the Strategic Investment Agreement dated December 16, 2022 between Prismo Metals and Vizsla Silver, as further detailed in the Company's news release dated January 9, 2023.

Mr. Martin Dupuis has over 25 years of experience covering all stages of a project's life, from exploration through feasibility and engineering studies, construction, mine expansion and operations. Mr. Dupuis serves as Vizsla Silver's Chief Operating Officer. He was instrumental in the oversight and delivery of the Company's maiden resource estimate. Prior to joining Vizsla Silver, Mr. Dupuis was Director of Geology for Pan American Silver, Technical Services Manager for Aurico Gold, and Chief Geologist at several other operations.

Jean-François Meilleur, a director of the Company since its incorporation on October 17, 2018, has advised the Company that he will not be standing for re-election at the Meeting, in order to focus on his role and responsibilities with another public company. Management and the board of directors of the Company would like to thank Mr. Meilleur for his valuable contributions to the Company and wish him success with his other endeavors.

Registered shareholders of the Company as of the record date of May 16, 2023 (the "**Record Date**") will be eligible to vote at the Meeting. Meeting materials, including the Company's notice of meeting and management information circular, will be available via the Company's profile on SEDAR at [www.sedar.com](http://www.sedar.com) and will be mailed to all registered shareholders as of the Record Date on or about May 24, 2023.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION: This news release includes certain "forward-looking information" within the meaning of applicable Canadian securities legislation. All statements, other than statements of historical fact, included herein including, without limitation, statements regarding future capital expenditures, anticipated content, commencement, and cost of exploration programs in respect of the Company's projects and mineral properties, anticipated exploration program results from exploration activities, resources and/or reserves on the Company's projects and mineral properties, and the anticipated business plans and timing of future activities of the Company, are forward-looking information. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Often, but not always, forward-looking information can be identified by words such as "pro forma", "plans", "expects", "will", "may", "should", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", "believes", "potential" or variations of such words including negative variations thereof, and phrases that refer to certain actions, events or results that may, could, would, might or will occur or be taken or achieved. In stating the forward-looking information in this news release, the Company has applied several material assumptions, including without limitation, that market fundamentals will result in sustained precious and base metals demand and prices, the receipt of any necessary permits, licenses and regulatory approvals in connection with the future exploration of the Company's properties, the availability of financing on suitable terms, and the Company's ability to comply with environmental, health and safety laws.

Forward-looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements expressed or implied by the statements of forward-looking information. Such risks and other factors include, among others, statements as to the anticipated business plans and timing of future activities of the Company, the proposed expenditures for exploration work on its properties, the ability of the Company to obtain sufficient financing to fund its business activities and plans, delays in obtaining governmental and regulatory approvals (including of the Canadian Securities Exchange), permits or financing, changes in laws, regulations and policies affecting mining operations, risks relating to epidemics or pandemics such as COVID-19, the Company's limited operating history, currency fluctuations, title disputes or claims, environmental issues and liabilities, as well as those factors discussed under the heading "Risk Factors" in the Company's management's discussion and analysis for the financial year ended December 31, 2022 and other filings of the Company with the Canadian securities regulatory authorities, copies of which can be found under the Company's profile on the SEDAR website at [www.sedar.com](http://www.sedar.com).

Readers are cautioned not to place undue reliance on forward-looking information. The Company undertakes no obligation to update any of the forward-looking information in this news release except as otherwise required by law.
