

Headwater Gold Completes Non-Brokered Private Placement of Common Shares to Newcrest

Vancouver, British Columbia, August 31, 2022: Headwater Gold Inc. (CSE: HWG) (OTCQB: HWAUF) (the "Company" or "Headwater") is pleased to announce that further to its news release of August 16, 2022, the Company has completed the non-brokered private placement to raise gross proceeds of \$871,424 through the sale of 5,446,397 common shares priced at \$0.16 per share to a wholly owned subsidiary of Newcrest Mining Limited ("Newcrest") (ASX, TSX, PNGX: NCM) (the "Equity Transaction").

The Equity Transaction has resulted in Newcrest, through its subsidiary, owning approximately 9.9% of the total issued and outstanding common shares of Headwater on a non-diluted basis immediately following the Equity Transaction.

The proceeds from the Equity Transaction will be used for potential project acquisitions, ongoing exploration activities on the Company's 100% owned mineral projects in Idaho, Nevada and Oregon, and for general working capital.

All securities issued in connection with the Equity Transaction will be subject to a statutory hold period expiring December 31, 2022.

Forward-Looking Statements:

This news release includes certain forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian securities legislation. All statements, other than statements of historical fact, included herein including, without limitation, statements regarding future capital expenditures, anticipated content, commencement, and cost of exploration programs in respect of the Company's projects and mineral properties, the intended use of proceeds of the Equity Transaction, and the anticipated business plans and timing of future activities of the Company, are forward-looking statements. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Often, but not always, forward looking information can be identified by words such as "pro forma", "plans", "expects", "may", "should", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", "believes", "potential" or variations of such words including negative variations thereof, and phrases that refer to certain actions, events or results that may, could, would, might or will occur or be taken or achieved. Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements expressed or implied by the forward-looking statements. Such risks and other factors include, among others, risks related to the anticipated business plans and timing of future activities of the Company, including the Company's exploration plans and the proposed expenditures for exploration work thereon, the ability of the Company to obtain sufficient financing to fund its business activities and plans, delays in obtaining governmental and regulatory approvals (including of the Canadian Securities Exchange) for the Equity Transaction, the ability of the Company to obtain the required permits, changes in laws, regulations and policies affecting mining operations, the Company's limited operating history, currency fluctuations, title disputes or claims, environmental issues and liabilities, as well as those factors discussed under the heading "Risk Factors" in the Company's prospectus dated May 26, 2021 and other filings of the Company with the Canadian Securities Authorities, copies of which can be found under the Company's profile on the SEDAR website at www.sedar.com.

Readers are cautioned not to place undue reliance on forward-looking statements. The Company undertakes no obligation to update any of the forward-looking statements, except as otherwise required by law.
