MANAGEMENT INFORMATION CIRCULAR

(at at July 20, 2021, except as otherwise noted)

This Management Information Circular (“Circular”) is furnished in connection with the solicitation of proxies by the management of Eat Beyond Global Holdings Inc. for use at the annual general meeting (the “Meeting”) of the Company’s shareholders (the “Shareholders”) to be held on August 27, 2021 at the time and place and for the purposes set forth in the accompanying notice of Meeting.

In this Circular, references to “the **Company**”, “we” and “our” refer to **Eat Beyond Global Holdings Inc.** “**Common Shares**” means common shares in the capital of the Company. “**Beneficial Shareholders**” means Shareholders who do not hold Common Shares in their own name and “**intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders. “**Registered Shareholder**” means the person whose name appears on the central securities register maintained by or on behalf of the Company and who holds Common Shares in his or her own name.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **If you are a Shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by choosing one of the following methods:

- (a) complete, date and sign the Proxy and return it to the Company's transfer agent, Olympia Trust Company ("**Olympia**"), by fax at 403-668-8307, or by mail or hand delivery to Suite 1900, 925 West Georgia Street, Vancouver, British Columbia Canada V6C 1T2;
- (b) use a touch-tone phone to transmit voting choices to a toll-free number. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed Proxy form for the toll-free number, the holder's account number and the control number; or
- (c) use the internet through the website of the Company's transfer agent at <https://css.olympiustrust.com>. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy form for the holder's account number and the control number.

In either case you must ensure the Proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof. Failure to complete or deposit the Proxy properly may result in its invalidation. The time limit for the deposit of proxies may be waived by the Company's board of directors (the "**Board**") at its discretion without notice. **Please note that in order to vote your Common Shares in person at the Meeting, you must attend the Meeting and register with the scrutineer before the Meeting. If you have already submitted a Proxy, but choose to change your method of voting and attend the Meeting to vote, then you should register with the scrutineer before the Meeting and inform them that your previously submitted Proxy is revoked and that you personally will vote your Common Shares at the Meeting.**

Beneficial Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). In the United States of America (the "**U.S.**" or the "**United States**") the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for "*Objecting Beneficial Owners*") and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for "*Non-Objecting Beneficial Owners*").

These securityholder materials are sent to both registered and non-registered (beneficial) owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in Canada and in the United States. Broadridge mails a Voting Instruction Form (“**VIF**”) in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), different from the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right insert the name of your desired representative (which may be you) in the blank space provided in the VIF. Once you have completed and signed your VIF return it to Broadridge by mail or facsimile, or deliver your voting instructions to Broadridge by phone or via the internet, in accordance with Broadridge’s instructions. Broadridge tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, it must be completed and returned to Broadridge, in accordance with Broadridge’s instructions, well in advance of the Meeting in order to: (a) have your Common Shares voted at the Meeting as per your instructions; or (b) have an alternate representative chosen by you duly appointed to attend and vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) (the “**BCBCA**”), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a Proxy may revoke it by:

1. executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder’s authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to Olympia or to the Company at Suite 1570, 505 Burrard Street, Vancouver, B.C. V7X 1M5, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
2. personally attending the Meeting and voting the Registered Shareholder’s Common Shares.

A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any

associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, adoption of the Stock Option Plan, adoption of the Restricted Share Unit Plan and as otherwise described below.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Board of the Company has fixed July 20, 2021 as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver the Proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Company is authorized to issue an unlimited number of Common Shares without par value, which Common Shares are listed for trading on the Canadian Securities Exchange (the “**CSE**”) under stock symbol “EATS”. As of July 20, 2021, there were 33,944,806 Common Shares issued and outstanding, each carrying the right to one vote. No group of Shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast in person or by proxy at the Meeting is required to pass the resolutions described herein as ordinary resolutions.

If there are more nominees for election as directors or appointment of the Company’s auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

FINANCIAL STATEMENTS

The audited financial statements of the Company’s financial year ended December 31, 2020 and the report of the auditor thereon, will be placed before Shareholders at the Meeting for their consideration. No formal action will be taken at the Meeting to approve the financial statements. If any Shareholder has questions regarding such financial statements, such questions may be brought forward at the Meeting. Copies of the audited financial statements are available through the internet on SEDAR, which can be accessed at www.sedar.com.

NUMBER OF DIRECTORS

The size of the Company’s Board is currently set at three (3). The Board proposes that the number of directors remain at three (3). At the Meeting, Shareholders will be asked to approve an ordinary resolution to set the number of directors at three (3). An ordinary resolution needs to be passed by a simple majority of votes cast by the Shareholders present in person or represented by proxy and entitled to vote at the Meeting.

Management recommends the Shareholders approve the resolution to set the number of directors of the Company at three (3). Unless otherwise indicated on the form of Proxy received by the Company, the persons designated as proxyholders in the accompanying form of proxy will vote the Common Shares represented by such form of proxy, properly executed, in favour of the resolution to set the number of directors of the Company at three (3).

Exemption

The Company is a "venture issuer" as defined in NI 52-110 and relies on the exemption in section 6.1 of NI 52-110 relating to Parts 3 (Composition of Audit Committee) and 5 (Reporting Obligations).

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making. The Board is of the view that the Company's general approach to corporate governance, summarized below, is appropriate and substantially consistent with objectives reflected in the guidelines for improved corporate governance in Canada adopted by the Canadian Securities Administrators (the "Governance Policy").

Board of Directors

The Board is composed of three directors.

The Governance Policy suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as "unrelated", or "independent", directors. An "unrelated" director is a director who is independent of management and is free from any interest and any business or other relationship which could or could reasonably be perceived to materially interfere with the director's ability to act with a view to the best interests of the Company, other than interests and relationships arising from shareholding. In addition, where a company has

a significant shareholder, the Governance Policy suggests that the Board should include a number of directors who do not have interests in either the company or the significant shareholder.

The Company will have three “unrelated” directors within the meaning of the Governance Policy: Ravinder Kang, Alexander Somjen, and Don Robinson. In assessing the Governance Policy and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors.

Directors are expected to attend Board meetings and meetings of committees on which they serve and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities.

Board Mandate

The Board will facilitate independent supervision of management through meetings of the Board and through frequent informal discussions among independent members of the Board and management. In addition, the Board will have access to the Company’s external auditors, legal counsel and to any of the Company’s officers.

The Board will have a stewardship responsibility to supervise the management of and oversee the conduct of the business of the Company, provide leadership and direction to management, evaluate management, set policies appropriate for the business of the Company and approve corporate strategies and goals.

The day-to-day management of the business and affairs of the Company will be delegated by the Board to the senior officers of the Company. The Board will give direction and guidance through the CEO to management and will keep management informed of its evaluation of the senior officers in achieving and complying with goals and policies established by the Board.

The Board will recommend nominees to the shareholders for election as directors, and immediately following each annual general meeting will appoint an Audit Committee.

The Board will exercise its independent supervision over management by: (a) holding periodic meetings of the Board to obtain an update on significant corporate activities and plans; and (b) ensuring all material transactions of the Company are subject to prior approval of the Board. To facilitate open and candid discussion among its independent directors, such directors will be encouraged to communicate with each other directly to discuss ongoing issues pertaining to the Company.

Position Descriptions

Because the Board is a small, working board, it has not developed written position descriptions and does not have a process for assessing the performance of the directors or the chair of the Board committees. It is not anticipated that the Board will perform formal assessments of its members by the end of 2021.

Orientation and Continuing Education

The Board has not adopted formal policies respecting continuing education for Board members. Board members are encouraged to communicate with management, legal counsel, auditors and consultants of the Company, to keep themselves current with industry trends and developments and changes in legislation with management’s assistance, and to attend related industry seminars and visit the Company’s operations. Board members will have full access to the Company’s records. It is not anticipated that the board of the Company intends to adopt formal guidelines by the end of 2021.

Ethical Business Conduct

The Board has not adopted formal guidelines to encourage and promote a culture of ethical business conduct but does promote ethical business conduct by nominating board members it considers ethical, by avoiding or minimizing conflicts of interest and by having a sufficient number of its board members independent of corporate matters. It is not anticipated that the Board intends to adopt formal guidelines by the end of 2021.

The Board has found that the fiduciary duties placed on individual directors by governing corporate legislation and the common law, and the restrictions placed by the BCBCA on an individual director's participation in decisions of the Board in which the director has an interest, have helped to ensure that the Board operates independently of management and in the best interests of the Company.

Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of a company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In addition, if a director of a company also serves as a director or officer of another company engaged in similar business activities to the first company, that director must comply with the conflict of interest provisions of the BCBCA, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors that evoke such a conflict.

Nomination of Directors

The Company will not have a stand-alone nomination committee. The full Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the industry are consulted for possible candidates. It is not anticipated that the nomination committee of the Company intends to adopt a formal process to determine new nominees by the end of 2021.

Compensation

The Board will conduct reviews with regard to directors' and officers' compensation at least once a year.

Other Board Committees

The Board has no other committees other than the Audit Committee.

Assessments

The Board will monitor the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees. On an ongoing annual basis, the Board will assess the performance of the Board as a whole, each of the individual directors and each committee of the Board in order to satisfy itself that each is functioning effectively.

Where, prior to the expiry date, an RSU holder fails to elect to settle an RSU, the holder shall be deemed to have elected to settle such RSUs on the day immediately preceding the expiry date. An RSU holder shall be entitled to receive one Common Share for each vested RSU or, at the sole option of the Company, a cash payment equal to the number of RSUs vested, multiplied by the market price of Common Shares on the redemption date.

- (d) for greater certainty, where a RSU holder’s employment, term of office or other engagement with the Company terminates by reason of termination by the Company or any subsidiary of the Company for cause then any RSUs held by the RSU holder (whether unvested or vested) at the RSU Holder Termination Date, immediately terminate and are cancelled on the RSU Holder Termination Date or at a time as may be determined by the Board, in its discretion;
- (e) a RSU holder’s eligibility to receive further grants of RSUs under the RSU Plan ceases as of the earliest of the date the RSU holder resigns from or terminates its engagement with the Company or any subsidiary of the Company and the date that the Company or any subsidiary of the Company provides the RSU holder with written notification that the RSU holder’s employment, term of office or engagement, as the case may be, is terminated, notwithstanding that such date may be prior to the RSU Holder Termination Date; and

In determining compensation, the directors consider industry standards and the Company's financial situation, but the Company does not have any formal objectives or criteria. The performance of each executive officer is informally monitored by the directors, having in mind the business strengths of the individual and the purpose of originally appointing the individual as an officer.

In establishing compensation for executive officers, the Board as a whole seeks to accomplish the following goals:

- To recruit and subsequently retain highly qualified executive officers by competitive offering overall
- Compensation;
- To motivate executives to achieve important corporate and personal performance objectives and reward them
- When such objectives are met; and
- To align the interests of executive officers with the long-term interests of shareholders through participation in the Option Plan.

When considering the appropriate executive compensation to be paid to our officers, the Board have regard to a number of factors including: (i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Company's shareholders; (iv) rewarding performance, both on an individual basis and with respect to operations generally; and (v) available financial resources.

The Board did not use any formal peer group evaluation to determine executive compensation.

Any notice, delivery or other correspondence of any kind whatsoever to be provided by the Company to an Option Holder will be deemed to have been provided if provided to the last home address, fax number or email address of the Option Holder in the records of the Company and the Company shall be under no obligation to confirm receipt or delivery.

3.11. Representation

As a condition precedent to the issuance of an Option, the Company must be able to represent to the Exchange as of the Grant Date that the Option Holder is a *bona fide* Executive, Employee or Consultant of the Company or any Subsidiary.

**SECTION 4.
NUMBER OF SHARES UNDER PLAN**

4.1. Committee to Approve Issuance of Shares

The Committee shall approve by resolution the issuance of all Shares to be issued to Option Holders upon the exercise of Options, such authorization to be deemed effective as of the Grant Date of such Options regardless of when it is actually done. The Committee shall be entitled to approve the issuance of Shares in advance of the Grant Date, retroactively after the Grant Date, or by a general approval of this Plan.

4.2. Number of Shares

Subject to adjustment as provided for herein, the number of Shares which will be available for purchase pursuant to Options granted pursuant to this Plan, plus any other outstanding incentive stock options of the Company granted pursuant to a previous stock option plan or agreement, will not exceed 15% of the Outstanding Issue. If any Option expires or otherwise terminates for any reason without having been exercised in full, the number of Shares in respect

of such expired or terminated Option shall again be available for the purposes of granting Options pursuant to this Plan.

4.3. **Fractional Shares**

No fractional shares shall be issued upon the exercise of any Option and, if as a result of any adjustment, an Option Holder would become entitled to a fractional share, such Option Holder shall have the right to purchase only the next lowest whole number of Shares and no payment or other adjustment will be made for the fractional interest.

SECTION 5. TERMS AND CONDITIONS OF OPTIONS

5.1. **Exercise Period of Option**

Subject to sections 5.4, 6.2, 6.3, 6.4 and 11.4, the Grant Date and the Expiry Date of an Option shall be the dates fixed by the Committee at the time the Option is granted and shall be set out in the Option Certificate issued in respect of such Option.

5.2. **Number of Shares Under Option**

The number of Shares which may be purchased pursuant to an Option shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option.

5.3. **Exercise Price of Option**

The Exercise Price at which an Option Holder may purchase a Share upon the exercise of an Option shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option. Notwithstanding the foregoing, the Exercise Price shall not be less than the Market Value of the Shares as of the Grant Date. The Market Value of the Shares for a particular Grant Date shall be determined as follows:

- (a) if the Company's Shares are listed on the CSE, and the Committee determines the CSE to be the Company's primary Exchange, Market Value will be the greater of the closing trading price of the Shares on (i) the trading day prior to the Grant Date and (ii) the Grant Date;
- (b) subject to subparagraph (a) above, for each organized trading facility on which the Shares are listed, Market Value will be the closing trading price of the Shares on the day immediately preceding the Grant Date, and may be less than this price if it is within the discounts permitted by the applicable Regulatory Authorities;
- (c) if the Company's Shares are listed on more than one organized trading facility, the Market Value shall be the Market Value as determined in accordance with subparagraphs (a) or (b) above for the primary organized trading facility on which the Shares are listed, as determined by the Committee, subject to any adjustments as may be required to secure all necessary Regulatory Approvals;
- (d) subject to subparagraph (a), if the Company's Shares are listed on one or more organized trading facilities but have not traded during the ten trading days immediately preceding the Grant Date, then the Market Value will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Committee; and
- (e) if the Company's Shares are not listed on any organized trading facility, then the Market Value will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Committee to be the fair value of the Shares, taking into consideration all factors that the Committee deems appropriate, including, without limitation, recent sale and offer prices of the Shares in private transactions negotiated at arms' length. Notwithstanding

anything else contained herein, in no case will the Market Value be less than the minimum prescribed by each of the organized trading facilities that would apply to the Company on the Grant Date in question.

5.4. **Termination of Option**

Subject to such other terms or conditions that may be attached to Options granted hereunder, an Option Holder may exercise an Option in whole or in part at any time and from time to time during the Exercise Period. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of the Expiry Time on the Expiry Date. The Expiry Date of an Option shall be the earlier of the date so fixed by the Committee at the time the Option is granted as set out in the Option Certificate and the date established, if applicable, in paragraphs (a) or (b) below or sections 6.2, 6.3, 6.4, or 11.4 of this Plan:

- (a) *Ceasing to Hold Office* - In the event that the Option Holder holds his or her Option as an Executive and such Option Holder ceases to hold such position other than by reason of death or Disability, the Expiry Date of the Option shall be, unless otherwise determined by the Committee and expressly provided for in the Option Certificate, the 30th day following the date the Option Holder ceases to hold such position unless the Option Holder ceases to hold such position as a result of:
 - (i) ceasing to meet the qualifications set forth in the corporate legislation applicable to the Company;
 - (ii) a special resolution having been passed by the shareholders of the Company removing the Option Holder as a director of the Company or any Subsidiary; or
 - (iii) an order made by any Regulatory Authority having jurisdiction to so order, in which case the Expiry Date shall be the date the Option Holder ceases to hold such position; OR
- (b) *Ceasing to be Employed or Engaged* - In the event that the Option Holder holds his or her Option as an Employee or Consultant and such Option Holder ceases to hold such position other than by reason of death or Disability, the Expiry Date of the Option shall be, unless otherwise determined by the Committee and expressly provided for in the Option Certificate, the 30th day following the date the Option Holder ceases to hold such position, unless the Option Holder ceases to hold such position as a result of:
 - (i) termination for cause;
 - (ii) resigning his or her position; or
 - (iii) an order made by any Regulatory Authority having jurisdiction to so order, in which case the Expiry Date shall be the date the Option Holder ceases to hold such position.

In the event that the Option Holder ceases to hold the position of Executive, Employee or Consultant for which the Option was originally granted, but comes to hold a different position as an Executive, Employee or Consultant prior to the expiry of the Option, the Committee may, in its sole discretion, choose to permit the Option to stay in place for that Option Holder with such Option then to be treated as being held by that Option Holder in his or her new position and such will not be considered to be an amendment to the Option in question requiring the consent of the Option Holder under section 9.2 of this Plan. Notwithstanding anything else contained herein, in no case will an Option be exercisable later than the Expiry Date of the Option.

5.5. **Vesting of Option and Acceleration**

The vesting schedule for an Option, if any, shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option. The Committee may elect, at any time, to accelerate the vesting schedule of one or more Options including, without limitation, on a Triggering Event, and such acceleration will not be

considered an amendment to the Option in question requiring the consent of the Option Holder under section 9.2 of this Plan.

5.6. **Additional Terms**

Subject to all applicable Regulatory Rules and all necessary Regulatory Approvals, the Committee may attach additional terms and conditions to the grant of a particular Option, such terms and conditions to be set out in a schedule attached to the Option Certificate. The Option Certificates will be issued for convenience only, and in the case of a dispute with regard to any matter in respect thereof, the provisions of this Plan and the records of the Company shall prevail over the terms and conditions in the Option Certificate, save and except as noted below. Each Option will also be subject to, in addition to the provisions of the Plan, the terms and conditions contained in the schedules, if any, attached to the Option Certificate for such Option. Should the terms and conditions contained in such schedules be inconsistent with the provisions of the Plan, such terms and conditions will supersede the provisions of the Plan.

SECTION 6. TRANSFERABILITY OF OPTIONS

6.1. **Non-transferable**

Except as provided otherwise in this section 6, Options are non-assignable and non-transferable.

6.2. **Death of Option Holder**

In the event of the Option Holder's death, any Options held by such Option Holder shall pass to the Personal Representative of the Option Holder and shall be exercisable by the Personal Representative on or before the date which is the earlier of one year following the date of death and the applicable Expiry Date.

6.3. **Disability of Option Holder**

If the employment or engagement of an Option Holder as an Employee or Consultant or the position of an Option Holder as a director or officer of the Company or a Subsidiary is terminated by the Company by reason of such Option Holder's Disability, any Options held by such Option Holder shall be exercisable by such Option Holder or by the Personal Representative on or before the date which is the earlier of one year following the termination of employment, engagement or appointment as a director or officer and the applicable Expiry Date.

6.4. **Disability and Death of Option Holder**

If an Option Holder has ceased to be employed, engaged or appointed as a director or officer of the Company or a Subsidiary by reason of such Option Holder's Disability and such Option Holder dies within one year after the termination of such engagement, any Options held by such Option Holder that could have been exercised immediately prior to his or her death shall pass to the Personal Representative of such Option Holder and shall be exercisable by the Personal Representative on or before the date which is the earlier of one year following the death of such Option Holder and the applicable Expiry Date.

6.5. **Vesting**

Unless the Committee determines otherwise, Options held by or exercisable by a Personal Representative shall, during the period prior to their termination, continue to vest in accordance with any vesting schedule to which such Options are subject.

6.6. **Deemed Non-Interruption of Engagement**

Employment or engagement by the Company shall be deemed to continue intact during any military or sick leave or other *bona fide* leave of absence if the period of such leave does not exceed 90 days or, if longer, for so long as the Option Holder's right to re-employment or re-engagement by the Company is guaranteed either by statute or by contract. If the period of such leave exceeds 90 days and the Option Holder's re-employment or re-engagement is not so guaranteed, then his or her employment or engagement shall be deemed to have terminated on the ninety-first day of such leave.

SECTION 7. EXERCISE OF OPTION

7.1. Exercise of Option

An Option may be exercised only by the Option Holder or the Personal Representative of any Option Holder. An Option Holder or the Personal Representative of any Option Holder may exercise an Option in whole or in part at any time and from time to time during the Exercise Period up to the Expiry Time on the Expiry Date by delivering to the Administrator the required Exercise Notice, or by written notice in the case of uncertificated Shares, the applicable Option Certificate and a certified cheque or bank draft or wire transfer payable to the Company or its legal counsel in an amount equal to the aggregate Exercise Price of the Shares then being purchased pursuant to the exercise of the Option. Notwithstanding anything else contained herein, Options may not be exercised during a Black-Out unless the Committee determines otherwise.

7.2. Black Out Period

If an Option expires, terminates or is cancelled (other than an expiry, termination or cancellation pursuant to section 5.4(a)(i)(ii) or (iii) or section 5.4(b)(i)(ii) or (iii) above) within or immediately after a Black-Out, the Holder may elect for the term of such Option to be extended to the date which is ten (10) business days after the last day of the Black-Out; provided, that, the expiration date as extended by this section 7.2 will not in any event be beyond the later of: (i) December 31 of the calendar year in which the Option was otherwise due to expire; and (ii) the 15th day of the third month following the month in which the Option was otherwise due to expire.

7.3. Issue of Share Certificates

As soon as reasonably practicable following the receipt of the notice of exercise as described in section 7.1 and payment in full for the Optioned Shares being acquired, the Administrator will direct its transfer agent to issue to the Option Holder the appropriate number of Shares in either certificate form or at the election of the Option Holder, on an uncertificated basis pursuant to the instructions given by the Option Holder to the Administrator. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall also provide a new Option Certificate for the balance of Shares available under the Option to the Option Holder concurrent with delivery of the Shares.

7.4. No Rights as Shareholder

Until the date of the issuance of the certificate for the Shares purchased pursuant to the exercise of an Option, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to such Shares, notwithstanding the exercise of the Option, unless the Committee determines otherwise. In the event of any dispute over the date of the issuance of the Shares, the decision of the Committee shall be final, conclusive and binding.

7.5. Tax Withholding and Procedures

Notwithstanding anything else contained in this Plan, the Company may, from time to time, implement such procedures and conditions as it determines appropriate with respect to the withholding and remittance of taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law. Without limiting the generality of the foregoing, an Option Holder who wishes to exercise an Option must, in addition to following the procedures set out in section 7.1 and elsewhere in this Plan, and as a condition of exercise:

- (a) deliver a certified cheque, wire transfer or bank draft payable to the Company for the amount determined by the Company to be the appropriate amount on account of such taxes or related amounts; or
- (b) otherwise ensure, in a manner acceptable to the Company (if at all) in its sole and unfettered discretion, that the amount will be securely funded;
- (c) and must in all other respects follow any related procedures and conditions imposed by the Company.

SECTION 8. ADMINISTRATION

8.1. Board or Committee

The Plan shall be administered by the Administrator with oversight by the Committee.

8.2. Powers of Committee

The Committee shall have the authority to do the following:

- (a) oversee the administration of the Plan in accordance with its terms;
- (b) appoint or replace the Administrator from time to time;
- (c) determine all questions arising in connection with the administration, interpretation and application of the Plan, including all questions relating to the Market Value;
- (d) correct any defect, supply any information or reconcile any inconsistency in the Plan in such manner and to such extent as shall be deemed necessary or advisable to carry out the purposes of the Plan;
- (e) prescribe, amend, and rescind rules and regulations relating to the administration of the Plan;
- (f) determine the duration and purposes of leaves of absence from employment or engagement by the Company which may be granted to Option Holders without constituting a termination of employment or engagement for purposes of the Plan;
- (g) do the following with respect to the granting of Options:
 - (i) determine the Executives, Employees or Consultants to whom Options shall be granted, based on the eligibility criteria set out in this Plan;
 - (ii) determine the terms of the Option to be granted to an Option Holder including, without limitation, the Grant Date, Expiry Date, Exercise Price and vesting schedule (which need not be identical with the terms of any other Option);
 - (iii) subject to any necessary Regulatory Approvals and section 9.2, amend the terms of any Options;
 - (iv) determine when Options shall be granted; and
 - (v) determine the number of Shares subject to each Option;
- (h) accelerate the vesting schedule of any Option previously granted; and

- (i) make all other determinations necessary or advisable, in its sole discretion, for the administration of the Plan.

8.3. **Administration by Committee**

All determinations made by the Committee in good faith shall be final, conclusive and binding upon all persons. The Committee shall have all powers necessary or appropriate to accomplish its duties under this Plan.

8.4. **Interpretation**

The interpretation by the Committee of any of the provisions of the Plan and any determination by it pursuant thereto shall be final, conclusive and binding and shall not be subject to dispute by any Option Holder. No member of the Committee or any person acting pursuant to authority delegated by it hereunder shall be personally liable for any action or determination in connection with the Plan made or taken in good faith and each member of the Committee and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

SECTION 9. APPROVALS AND AMENDMENT

9.1. **Shareholder Approval of Plan**

If required by a Regulatory Authority or by the Committee, this Plan may be made subject to the approval of the shareholders of the Company as prescribed by the Regulatory Authority. If shareholder approval is required, any Options granted under this Plan prior to such time will not be exercisable or binding on the Company unless and until such shareholder approval is obtained.

9.2. **Amendment of Option or Plan**

Subject to any required Regulatory Approvals, the Committee may from time to time amend any existing Option or the Plan or the terms and conditions of any Option thereafter to be granted provided that where such amendment relates to an existing Option and it would:

- (a) materially decrease the rights or benefits accruing to an Option Holder; or
- (b) materially increase the obligations of an Option Holder; then, unless otherwise excepted out by a provision of this Plan, the Committee must also obtain the written consent of the Option Holder in question to such amendment. If at the time the Exercise Price of an Option is reduced the Option Holder is an Insider of the Company, the Insider must not exercise the option at the reduced Exercise Price until the reduction in Exercise Price has been approved by the disinterested shareholders of the Company, if required by the Exchange.

SECTION 10. CONDITIONS PRECEDENT TO ISSUANCE OF OPTIONS AND SHARES

10.1. **Compliance with Laws**

An Option shall not be granted or exercised, and Shares shall not be issued pursuant to the exercise of any Option, unless the grant and exercise of such Option and the issuance and delivery of such Shares comply with all applicable Regulatory Rules, and such Options and Shares will be subject to all applicable trading restrictions in effect pursuant to such Regulatory Rules and the Company shall be entitled to legend the Option Certificates and the certificates for the Shares or the written notice in the case of uncertificated Shares representing such Shares accordingly.

10.2. **Regulatory Approvals**

In administering this Plan, the Committee will seek any Regulatory Approvals which may be required. The Committee will not permit any Options to be granted without first obtaining the necessary Regulatory Approvals unless such Options are granted conditional upon such Regulatory Approvals being obtained. The Committee will make all filings required with the Regulatory Authorities in respect of the Plan and each grant of Options hereunder. No Option granted will be exercisable or binding on the Company unless and until all necessary Regulatory Approvals have been obtained. The Committee shall be entitled to amend this Plan and the Options granted hereunder in order to secure any necessary Regulatory Approvals and such amendments will not require the consent of the Option Holders under section 9.2 of this Plan.

10.3. Inability to Obtain Regulatory Approvals

The Company's inability to obtain Regulatory Approval from any applicable Regulatory Authority, which Regulatory Approval is deemed by the Committee to be necessary to complete the grant of Options hereunder, the exercise of those Options or the lawful issuance and sale of any Shares pursuant to such Options, shall relieve the Company of any liability with respect to the failure to complete such transaction.

SECTION 11. ADJUSTMENTS AND TERMINATION

11.1. Termination of Plan

Subject to any necessary Regulatory Approvals, the Committee may terminate or suspend the Plan. Unless earlier terminated as provided in this section 11, the Plan shall terminate on, and no more Options shall be granted under the Plan after, the tenth anniversary of the date of the Exchange's acceptance of the Plan.

11.2. No Grant During Suspension of Plan

No Option may be granted during any suspension, or after termination, of the Plan. Suspension or termination of the Plan shall not, without the consent of the Option Holder, alter or impair any rights or obligations under any Option previously granted.

11.3. Alteration in Capital Structure

If there is a material alteration in the capital structure of the Company and the Shares are consolidated, subdivided, converted, exchanged, reclassified or in any way substituted for, the Committee shall make such adjustments to this Plan and to the Options then outstanding under this Plan as the Committee determines to be appropriate and equitable under the circumstances, so that the proportionate interest of each Option Holder shall, to the extent practicable, be maintained as before the occurrence of such event. Such adjustments may include, without limitation:

- (a) a change in the number or kind of shares of the Company covered by such Options; and
- (b) a change in the Exercise Price payable per Share provided, however, that the aggregate Exercise Price applicable to the unexercised portion of existing Options shall not be altered, it being intended that any adjustments made with respect to such Options shall apply only to the Exercise Price per Share and the number of Shares subject thereto.

For purposes of this section 11.3, and without limitation, neither:

- (c) the issuance of additional securities of the Company in exchange for adequate consideration (including services); nor
- (d) the conversion of outstanding securities of the Company into Shares shall be deemed to be material alterations of the capital structure of the Company. Any adjustment made to any Options pursuant to this section 11.3 shall not be considered an amendment requiring the Option Holder's consent for the purposes of section 9.2 of this Plan.

11.4. **Triggering Events**

Subject to the Company complying with section 11.5 and any necessary Regulatory Approvals and notwithstanding any other provisions of this Plan or any Option Certificate, the Committee may, without the consent of the Option Holder or Holders in question:

- (a) cause all or a portion of any of the Options granted under the Plan to terminate upon the occurrence of a Triggering Event; or
- (b) cause all or a portion of any of the Options granted under the Plan to be exchanged for incentive stock options of another corporation upon the occurrence of a Triggering Event in such ratio and at such exercise price as the Committee deems appropriate, acting reasonably.

Such termination or exchange shall not be considered an amendment requiring the Option Holder's consent for the purpose of section 9.2 of the Plan.

11.5. **Notice of Termination by Triggering Event**

In the event that the Committee wishes to cause all or a portion of any of the Options granted under this Plan to terminate on the occurrence of a Triggering Event, it must give written notice to the Option Holders in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Option Holder the opportunity to exercise the vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Company proposes to terminate shall become immediately exercisable notwithstanding any contingent vesting provision to which such Options may have otherwise been subject. Furthermore, if any of the Options granted under this Plan are cancelled prior to their Expiry Date, the Company shall not grant new Options to the same Persons or Entities until thirty (30) days have lapsed from the date of cancellation.

11.6. **Determinations to be Made By Committee**

Adjustments and determinations under this section 11 shall be made by the Committee, whose decisions as to what adjustments or determination shall be made, and the extent thereof, shall be final, binding, and conclusive.

(3) The Company shall have no obligation to issue any Common Shares pursuant to the Plan unless such Common Shares shall have been duly listed, upon official notice of issuance, with the Stock Exchange. Common Shares issued and sold to Participants pursuant to the settlement of RSUs may be subject to restrictions or limitations on sale or resale under Applicable Securities Laws.

(4) If Common Shares cannot be issued to a Participant upon the settlement of an RSU due to legal or regulatory restrictions, the obligation of the Company to issue such Common Shares under the Plan shall terminate, at no cost to the Company nor obligation to otherwise compensate a Participant in any way.

Section 3.3 Miscellaneous

(1) Nothing contained herein shall prevent the Board from adopting other or additional compensation arrangements, subject to any required Shareholder or Stock Exchange approval.

(2) Nothing contained in the Plan nor in any RSU granted hereunder shall be deemed to give any Participant any interest or title in or to any Common Shares of the Company or any rights as a Shareholder or any other legal or equitable right against the Company whatsoever other than as set forth in the Plan and pursuant to the settlement of any RSU.

(3) The Plan does not give any Participant or any employee of the Company or any of its Affiliated Companies or Controlled Companies or subsidiaries the right or obligation to continue to serve as a Consultant, director, officer or employee of, or be engaged by, as the case may be, the Company or any of its Affiliated Companies or Controlled

Companies or subsidiaries. The awarding of RSUs to any Eligible Person is a matter to be determined solely in the discretion of the Board. The Plan shall not in any way fetter, limit, obligate, restrict or constrain the Board with regard to the allotment or issue of any Common Shares or any other securities in the capital of the Company or any of its subsidiaries other than as specifically provided for in the Plan.

(4) The existence of any RSUs shall not affect in any way the right or power of the Company or its Shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

Article 4 **RESTRICTED SHARE UNITS**

(1) Where the Board determines to grant an RSU Award to an Eligible Person under the terms and conditions applicable to such RSU Award, the Company shall deliver to the Eligible Person a Certificate, containing the terms and condition applicable to such RSU Award.

(2) On the grant of an RSU Award, the Company will credit the Participant's Account with the number of RSUs granted to such Participant under the terms of the RSU Award.

(3) The grant of an RSU Award shall entitle the Participant to the conditional right to receive for each RSU credited to the Participant's Account, at the election of the Company, either one Common Share or an amount in cash, net of applicable taxes and contributions to government sponsored plans, as determined by the Board, equal to the Market Price of one Common Share for each RSU credited to the Participant's Account on the Settlement Date, subject to the conditions set out in the Certificate and in the Plan, and subject to all other terms of this Plan.

(4) An Eligible Person may receive an RSU Award on more than one occasion under the Plan and may receive separate RSU Awards on any one occasion.

(5) RSUs granted under this Plan to an Eligible Person in a calendar year will (subject to any applicable terms and conditions) represent a right to a bonus or similar award to be received for services rendered by such Eligible Person to the Company or an Affiliate, as the case may be, in the fiscal year ending in, coincident with or before such calendar year, subject to any other determination by the Company.

Section 4.2 Dividends

(1) Unless the Board determines otherwise, additional RSUs ("**Dividend RSUs**") will be credited to a Participant's Account where the Company declares and pays a dividend on Common Shares. The number of Dividend RSUs credited to a Participant's Account in connection with the payment of dividends on Common Shares will be based on the actual amount of cash dividends that would have been paid to such Participant had they been holding such number of Shares equal to the number of RSUs credited to the Participant's Account on the date on which cash dividends are paid on the Common Shares and the Market Price of the Common Shares on the payment date.

(2) Dividend RSUs credited to a Participant's Account shall vest and be settled in the same manner and on the same date as the RSUs to which they relate.

Section 4.3 Settlement of Restricted Share Units

- (1) Subject to the provisions of the Plan and in particular Section 4.4 and Section 5.2 and any vesting limitations imposed by the Board in its sole unfettered discretion at the time of grant, RSUs subject to an RSU Award may be settled by a Participant during the Settlement Period applicable to the RSU by delivery to the Company of a notice (the “**Settlement Notice**”) in a form attached to the Certificate. As soon as practicable following the receipt of the Settlement Notice, RSUs will be settled by the Company through the delivery by the Company of such number of Common Shares equal to the number of RSUs then being settled or, at the Company’s election, an amount in cash, net of applicable taxes and contributions to government sponsored plans, equal to the Market Price at the Settlement Date of one Common Share for each RSU then being settled. Where, prior to the Expiry Date, a Participant fails to elect to settle an RSU, the Participant shall be deemed to have elected to settle such RSUs on the day immediately preceding the Expiry Date.
- (2) Notwithstanding the foregoing, if the Company elects to issue Common Shares in settlement of RSUs:
 - (a) the Company may arrange for such number of the Common Shares to be sold as it deems necessary or advisable to raise an amount at least equal to its determination of such applicable taxes, with such amount being withheld by the Company; or
 - (b) the Company may elect to settle for cash such number of RSUs as it deems necessary or advisable to raise funds sufficient to cover such withholding taxes with such amount being withheld by the Company; or
 - (c) the Company may, as a condition of settlement in the form of Common Shares, require the Participant to pay the applicable taxes as determined by the Company or make such other arrangement acceptable to the Company in its discretion (if at all) as it deems necessary or advisable.
- (3) Subject to the terms of the Plan, as soon as practicable after receipt of any of the amount, undertaking or election listed in Section 4.3(2), the Company will forthwith cause the transfer agent and registrar of the Common Shares to deliver to the Participant a certificate or certificates in the name of the Participant or a statement of account, at the discretion of the Company, representing in the aggregate Common Shares issued to the Participant.
- (4) Notwithstanding any other provision of the Plan:
 - (a) no RSU shall be capable of settlement after the Expiry Date, provided, however, that if the Expiry Date in respect of an RSU falls on a date upon which such Participant is prohibited from exercising such RSU due to a Black-Out Period or other trading restriction imposed by the Company, then the Expiry Date of such RSU shall be automatically extended to the tenth (10th) Business Day following the date the relevant Black-Out Period or other trading restriction imposed by the Company is lifted, terminated or removed. The foregoing extension applies to all RSUs regardless of the Grant Date and shall not be considered an extension of the term thereof as otherwise referred to in the Plan. In addition, the Participant acknowledges that such as extension may result in less favourable tax consequences to the Participant than if the RSUs had been settled on the original Expiry Date;
 - (b) the Settlement Period shall be automatically reduced in accordance with Section 4.4 upon the occurrence of any of the events referred to therein; and
 - (c) no RSU in respect of which Shareholder approval is required under the rules of the Stock Exchange shall be settled until such time as such RSU has been so approved.

Section 4.4 Termination of Service

- (1) Except as otherwise determined by the Board:

Where, prior to the 90th day following such termination of service (or, if earlier, the Termination Date) the Participant fails to elect to settle a vested RSU, the Participant shall be deemed to have elected to settle such RSU on such 90th day (or, if earlier, the Termination Date) and to receive Common Shares in respect thereof;
- (c) in the case of a termination of the Participant's services by reason of (A) voluntary resignation, or (B) death or Disability, only the Participant's unvested RSUs shall terminate automatically as of such date, and any time during the ninety (90) day period commencing on the date of such termination of service (or, if earlier, the Termination Date), the Participant will be eligible to request that the Company settle their vested RSUs. Where, prior to the 90th day following such termination of service (or, if earlier, the Termination Date) the Participant fails to elect to settle a vested RSU, the Participant shall be deemed to have elected to settle such RSU on such 90th day (or, if earlier, the Termination Date) and to receive Common Shares in respect thereof;
- (d) for greater certainty, where a Participant's employment, term of office or other engagement with the Company terminates by reason of termination by the Company or any subsidiary of the Company for Cause then any RSUs held by the Participant (whether unvested or vested) at the Termination Date, immediately terminate and are cancelled on the Termination Date or at a time as may be determined by the Board, in its discretion;
- (e) a Participant's eligibility to receive further grants of RSUs under this Plan ceases as of the earliest of the date the Participant resigns from or terminates its engagement with the Company or any subsidiary of the Company and the date that the Company or any subsidiary of the Company provides the Participant with written notification that the Participant's employment, term of office or engagement, as the case may be, is terminated, notwithstanding that such date may be prior to the Termination Date; and
- (f) for the purposes of the Plan, a Participant shall not be deemed to have terminated service or engagement where: (i) the Participant remains in employment or office within or among the Company or any subsidiary of the Company or (ii) the Participant is on a leave of absence approved by the Board.

Section 4.5 Non-transferability of RSUs

- (1) RSUs shall not be transferable or assignable by the Participant otherwise than by will or the laws of descent and distribution, and shall be exercisable during the lifetime of a Participant only by the Participant and after death only by the Participant's legal representative.

(1) Notwithstanding any other provision of this Plan, in the event of an actual or potential Change of Control Event, the Board may, in its discretion, without the necessity or requirement for the agreement or consent of any Participant: (i) accelerate, conditionally or otherwise, on such terms as it sees fit, the vesting date of any RSU; (ii) permit the conditional settlement of any RSU, on such terms as it sees fit; (iii) otherwise amend or modify the terms of the RSU, including for greater certainty permitting Participants to settle any RSU, to assist the Participants to tender the underlying Common Shares to, or participate in, the actual or potential Change of Control Event or to obtain the advantage of holding the underlying Common Shares during such Change of Control Event; and (iv) terminate, following the successful completion of such Change of Control Event, on such terms as it sees fit, the RSUs not settled prior to the successful completion of such Change of Control Event, including, without limitation, for no payment or other compensation.

(2) The determination of the Board in respect of any such Change of Control Event shall for the purposes of this Plan be final, conclusive and binding.

Section 5.3 Adjustments

(1) If there is a change in the outstanding Common Shares by reason of any stock dividend or split, recapitalization, amalgamation, consolidation, combination or exchange of shares, or other corporate change, the Board shall make, subject to the prior approval of the Stock Exchange where necessary, appropriate substitution or adjustment in
