(the "Company") should be read in conjunction with the Company's condensed interim financial statements for the nine months ended September 30, 2021 and related notes and the audited financial statements for the year ended December 31, 2020, and the accompanying notes therein. This MD&A is dated February 2, 2022, which is the date that the Board of Directors of the Company (the "Board") approved the disclosure contained in this MD&A.

The results for the periods presented are not necessarily indicative of the results that may be expected for any future period. Except as otherwise indicated, all financial data in this MD&A have been prepared in accordance with International Financial Reporting Standards ("IFRS") issued by the International Accounting Standards Board ("IASB") and interpretations of the International Financial Reporting Interpretations Committee ("IFRIC").

This MD&A contains forward-looking information which reflects management's expectations regarding the Company's growth, results of operation, performance and business prospects and opportunities. The use of words such as "anticipate", "continue", "estimate", "expect", "may", "will", "project", "should", "believe", "outlook", "forecast" and similar expressions are intended to identify forward-looking statements.

Forward-looking statements in this MD&A include, but not limited to, the Company's expectation of future activities and results, of its working capital needs and its ability to identify, evaluate and pursue suitable business opportunity. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results of events to differ materially from those anticipated in these forward-looking statements. Readers should not put undue reliance on forward-looking information. The Company has no policy for updating forward-looking information beyond the procedures required under applicable securities laws.

All amounts in this MD&A are presented in Canadian dollars ("CAD").

Historical results of operations and trends that may be inferred from the following discussion and analysis may not necessarily indicate future results from operations.

1.2 Overall Performance

The Company was incorporated on September 9, 2019 under the laws of the Province of British Columbia, Canada by a Certificate of Incorporation issued pursuant to the provisions of the Business Corporations Act (British Columbia) and changed its name from 1222554 B.C. Ltd. to Eat Beyond Global Holdings Inc. on September 17, 2019. The Company's head office and principal address is Suite 1570 – 505 Burrard Street, Vancouver BC, V6E 3P3. The registered and records office is 1500-1055 West Georgia Street, Vancouver, BC, V6E 4N7. The Company's common shares commenced trading on the Canadian Securities Exchange ("CSE") on November 17, 2020 under the symbol "EATS".

The Company is an investment company primarily focusing on investments in the plant-based protein and meat alternative food industry. The Company's investments may include the acquisition of equity, debt or other securities of publicly traded or private companies or other entities, financing in exchange for pre-determined royalties or distributions and the acquisition of all or part of one or more businesses, portfolios or other assets, in each case that the Company believes will enhance value for the shareholders of the Company in the long term.

In March 2020, the World Health Organization declared coronavirus COVID-19 a global pandemic. This contagious disease outbreak, which has continued to spread, and any related adverse public health developments, has adversely affected workforces, economies, and financial markets globally, potentially leading to an economic downturn. It is not possible for the Company to predict the duration or magnitude of the adverse results of the outbreak and its effects on the Company's business or results of operations at this time. This indicates the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. Management intends to

1.7 Off-Balance Sheet Arrangements

The Company does not utilize off-balance sheet arrangements.

1.8 Risk and Uncertainties

The Company's financial performance is likely to be subject to the following risks:

- The Company has not generated any significant revenue and has incurred significant losses since inception.

The Company's risk exposures and the impact on the Company's financial instruments are summarized below:

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market interest rates.

Credit risk

Credit risk is the risk of potential loss to the Company if the counterparty to a financial instrument fails to meet its contractual obligations. The Company's credit risk is primarily attributable to its liquid financial assets including cash, which is held with a high-credit financial institution. As such, the Company's credit exposure is minimal.

Liquidity risk

Liquidity risk arises from the excess of financial obligations over available financial assets due at any point in time. The Company's objective in managing liquidity risk is to maintain sufficient readily available reserves in order to meet its liquidity requirements. The Company addresses its liquidity through equity financing obtained through the sale of common shares. While the Company has been successful in securing financings in the past, there is no assurance that it will be able to do so in the future.

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange. The Company has minimal exposure to foreign currency transactions during the period ended September 30, 2021 and accordingly the risk is considered low.

Price risk

Equity price risk is the risk of potential loss to the Company's earnings due to movements in individual equity prices or general movements in the level of the stock market. As at September 30, 2021, the Company's marketable securities of \$2,426,746 are subject to fair value fluctuations. If the fair value of the Company's marketable securities had decreased/increased by 10% with all other variables held constant, loss and comprehensive loss for the period ending September 30, 2021 would have been approximately \$243,000 higher/lower.

1.9 Transactions with Related Parties

Key management personnel include those persons having authority and responsibility for planning, directing and controlling the activities of the Company as a whole. The Company has determined that key management personnel consist of members of the Company's Board of Directors and corporate officers. The Company entered into the following transactions with related parties during the nine months ended September 30, 2021 and 2020.

1.11 Proposed Transaction

Eat Beyond Global Holdings Inc. has entered into a Letter of Intent (the LOI), dated effective October 18, 2021, to acquire all of the outstanding share capital of Mylk Brands Inc., a British Columbia corporation, (“Mylk”) and indirectly acquire Mylk’s wholly-owned subsidiary Fresh Start Beverage Company d/b/a Banana Wave, a Florida corporation.

Under the terms of the LOI, in consideration for all outstanding share capital of Mylk, the company is expected to issue 14,470,588 common shares to the existing security holders of Mylk at a deemed price of 80 cents per consideration share. In addition, it is currently expected that approximately 420,000 additional consideration shares will be issued upon the automatic conversion of currently outstanding convertible notes of Mylk in the principal amount of \$225,000.

Completion of the proposed transaction remains subject to a number of conditions, including: the satisfactory completion of due diligence; the receipt of any required regulatory approvals; the negotiation of definitive documentation; and the receipt of a third party valuation of Mylk. The proposed transaction cannot be completed until these conditions have been satisfied. There can be no guarantees that the proposed transaction will be completed as contemplated or at all.

The Company is at arm’s length from Mylk and each of its shareholders. The proposed transaction is not expected to constitute a fundamental change for the company (as defined in the policies of the Canadian Securities Exchange), nor is it expected to result in a change of control of the company, within the meaning of applicable securities laws and the policies of the Canadian Securities Exchange. The company may pay finders’ fees or commissions to eligible arm’s-length third-parties in connection with the proposed transaction.

The Company is an investment issuer that makes it easy to invest in the future of food. The Company identifies and makes equity investments in global companies that are developing and commercializing innovative food tech as well as plant-based and alternative food products.
