Management Discussion & Analysis

For the six months ended January 31, 2024

1.1 Date

This Management's Discussion & Analysis ("MD&A") of the financial condition and results of operations of Eat & Beyond Global Holdings Inc. (formerly Eat Beyond Global Holdings Inc.) (the "Company") should be read in conjunction with the Company's condensed interim financial statements for the six months ended January 31, 2024 and the audited financial statements for the year ended July 31, 2023 and the accompanying notes therein. This MD&A is dated April 3, 2024, which is the date that the Board of Directors of the Company (the "Board") approved the disclosure contained in this MD&A. On March 29, 2022, the Company changed the name to 'Eat & Beyond Global Holdings Inc.' and changed its year end from December 31 to July 31.

The results for the periods presented are not necessarily indicative of the results that may be expected for any future period. Except as otherwise indicated, all financial data in this MD&A have been prepared in accordance with International Financial Reporting Standards ("IFRS") issued by the International Accounting Standards Board ("IASB") and interpretations of the International Financial Reporting Interpretations Committee ("IFRIC").

This MD&A contains forward-looking information which reflects management's expectations regarding the Company's growth, results of operation, performance and business prospects and opportunities. The use of words such as "anticipate", "continue", "estimate", "expect", "may", "will", "project", "should", "believe", "outlook", "forecast" and similar expressions are intended to identify forward-looking statements.

Forward-looking statements in this MD&A include, but not limited to, the Company's expectation of future activities and results, of its working capital needs and its ability to identify, evaluate and pursue suitable business opportunity. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results of events to differ materially from those anticipated in these forward-looking statements. Readers should not put undue reliance on forward-looking information. The Company has no policy for updating forward-looking information beyond the procedures required under applicable securities laws.

All amounts in this MD&A are presented in Canadian dollars ("CAD").

Historical results of operations and trends that may be inferred from the following discussion and analysis may not necessarily indicate future results from operations.

1.2 Overall Performance

The Company was incorporated on September 9, 2019 under the laws of the Province of British Columbia, Canada by a Certificate of Incorporation issued pursuant to the provisions of the Business Corporations Act (British Columbia) and changed its name from 1222554 B.C. Ltd. to Eat Beyond Global Holdings Inc. on September 17, 2019. On March 29, 2022, the Company changed its name to Eat & Beyond Global Holdings Inc. The Company's head office and principal address is Suite 1570 – 505 Burrard Street, Vancouver BC, V7X 1M5. The registered and records office is 1500-1055 West Georgia Street, Vancouver, BC, V6E 4N7. The Company's common shares commenced trading on the Canadian Securities Exchange ("CSE") on November 17, 2020 under the symbol "EATS".

The Company focused on investments in the plant-based protein and meat alternative food industry. The Company also expanded into the clean tech companies and has subsequently invested in Purpose ESG and Goldbloom as part of its portfolio strategy. The Company's investments may include the acquisition of equity, debt or other securities of publicly traded or private companies or other entities, or financing in exchange for pre-determined royalties or distributions and the acquisition of all or part of one or more businesses, portfolios or other assets, in each case that the Company believes will enhance value for the shareholders of the Company in the long term.

The Company's business may be affected by changes in political and market conditions, such as interest rates, availability of credit, inflation rates, changes in laws, and national and international circumstances. Recent geopolitical events, including, relations between NATO and Russian Federation regarding the situation in Ukraine, the escalation of war between Israel and Hamas in Gaza and potential economic global challenges such as the risk of the higher

inflation and energy crises, may create further uncertainty and risk with respect to the prospects of the Company's business.

The above material uncertainties cast significant doubt about the Company's ability to continue as a going concern. The Company's continuation as a going concern is dependent upon successful results from its investments, its ability to attain profitable operations to generate funds and/or its ability to raise equity capital or borrowings sufficient to meet its current and future obligations. Although the Company has been successful in the past in raising funds to continue operations, there is no assurance it will be able to do so in the future.

Pursuant to the directors resolution dated February 21, 2023, the Company consolidated its common shares on a seven old shares for one new share basis effective on March 9, 2023; accordingly, the financial statements have been retroactively restated.

Above Foods

Vertically integrated from seed to fork, Above Food is a first of its kind, plant-based food company bringing an innovative supply chain, differentiated ingredients, and consumer products to market. It develops and distributes premium, whole plant alternatives to meat and dairy by creating delicious, nutrient-dense consumer products and branded ingredients. It uses a proprietary blend of plant proteins created from heirloom pulses and gluten free grains. Above Food brings its products to market by leveraging strategic relationships with leading co-packers, distributors, and direct-to-consumer e-commerce platforms.

It has achieved vertical integration through acquisition and investment in assets in disruptive agriculture, specialty ingredients and its portfolio of consumer brands. Their portfolio of consumer brands includes Culcherd, Eat Up!, Farmer Direct Organic, Loma Linda, Modern Menu, Neat, New Ocean, NorQuin and TUNO.

In February 2022, Above Food acquired Sonic Milling, which develops disruptive processing techniques to make plant-based ingredients and products more cost-effective while using fewer resources. This was followed with the May 2022 announcement of the acquisition of the Northern Quinoa Production Corp. (NorQuin). NorQuin is the leading quinoa producer in the world, with a state-of-the-art production facility, supplying specialty ingredients and finished products to the world's largest food companies.

In May 2023, Above Food and Bite Acquisition Corp. (NYSE AMERICAN : BYTE) ("Bite"), a special purpose acquisition company, announced that they have entered into a definitive business combination agreement. Upon closing of the

proposed transaction, Above Food is expected to become a public company, to be listed under the ticker symbol "ABVE".

In February 2024, NYSE American LLC ("NYSE American or the "Exchange") announced that the staff of NYSE Regulation has determined to commence proceedings to delist the three securities enumerated below ("Securities") of Bite Acquisition Corp. from NYSE American.

Symbol	Description
BITE	Common stock, par value \$0.0001 per share
BITE.U	Units, each consisting of one share of common stock, par value \$0.0001 per share and one-half of one warrant
BITE WS	Warrants, each whole warrant exercisable for one share of common stock at an exercise price of \$11.50

NYSE Regulation reached its decision to delist the Company's Securities pursuant to Section 119(b) and 119(f) of the NYSE American Company Guide because the Company failed to consummate a business combination (i) within 36 months of the effectiveness of its initial public offering registration statement, or (ii) such shorter period that the Company specified in its registration statement.

The company has a right to a review of NYSE Regulation staff's determination to delist the Securities by the Listings Qualifications Panel of the Committee for Review of the Board of Directors of the Exchange (the "Panel"). Following such appeal and a decision by the Panel, NYSE American or the Company will make an announcement regarding either proceeding with suspension and delisting or continued trading in the Company's securities.

During the six months ended January 31, 2024, the Company recognized a \$50,000 write down of its investment representing the excess of carrying value over fair value, which was derived using a discounted cash flow model using assumptions based on management's judgments and assumptions available at the time of performing the impairment test.

Beyond Moo

Launched in 2021, Beyond Moo is a branded oat-based yogurt, kefir, and butter manufacturer headquartered in Mississauga, Ontario. The Company completed two transactions investing in alternative oat-based dairy alternative start-up, Beyond Moo Ltd. For an aggregate cost of \$768,446.50, the Company acquired a 32.1% share of the outstanding common shares of Beyond Moo. The proceeds of the investment will be used to expand distribution on the brand's current line-up of products as well as launch a single-serve drinkable kids oat-based yogurt.

In the first half of calendar 2022, the company launched 2 varieties of drinkable kids plant-based yogurt. September YTD 2022 revenues grew +193% vs. YTD 2021 and retail distribution was expanded by 40%.

In Q1 2023, the company received confirmation that Whole Foods Canada will add Beyond Moo Drinkables to their assortment in Q3 2023, making the full assortment of Beyond Moo products available to Whole Foods consumer.

Eat & Beyond was represented at Beyond Moo by Michael Aucoin, Michael Owen and Diane Jang.

As at July 31, 2023, the Company determined its recoverable amount to \$nil based on the market's conditions, Beyond Moo was unable to raise the necessary funding to launch its new products and expansion to other markets and is currently in a working capital deficiency and therefore, Beyond Moo's ability to continue as a going concern is in doubt.

In December 2023, CEO of Beyond Moo informed to the Company that Beyond Moo will file a bankruptcy commencing from December 2023.

Circular Solutions Inc.

Circular Solutions Inc. (“Reusables”) was started in 2020, at the height of the COVID pandemic. Reusables was founded to help eliminate single-use plastics from our daily routines. Despite the convenience of single-used plastics, they present a threat to our planet.

In the first half of calendar 2022, Reusables closed the pre-seed round of investment and expanded its business development and partnerships on numerous fronts, most notably:

- Launched with IGA grocery chain in B.C. (starting at Yaletown location)
- Launched with Earls Restaurant Group, starting with Vancouver Test Kitchen
- Launched with 5 new JJ Bean locations
- Completed successful pilot of software at SFU Campus
- Partnering with Bunzl Canada for logistics & distribution
- Partnering with Metro Vancouver & Ocean Ambassadors Canada for roll-out in additional municipalities
- Joined PAC Global and National Zero Waste Council
- Partnering with DoorDash to increase adoption of reusables (starting with Vancouver) and pilot new features (e.g. at-home pickup)

In the second half of calendar 2022, the company continued to expand its business with a number of business development and partnership successes, most notably:

- Disney - 6 month contract to provide on-set zero waste packaging for catering, craft and coffee
- Secured \$990,000 in non-dilutive grant funding from Clean BC’s Plastic Action Fund Phase 2
- Secured \$100,000 in non-dilutive grant funding from Sustainable Development Technology Canada
- Secured letters of intent from Walmart Canada and Bunzl Canada for \$2M project in Ontario in partnership with Circular Innovation Council and Canadian Food Innovation Network
- Signed a partnership agreement with Surfrider Canada

The Company is represented by Alan Linder who sits on Reusables Advisory Board. Mr. Linder has been in the Natural/Organic business for over 30 years. This includes a 25-year career in Senior Management with United Natural Foods Inc. an international food distribution company. His responsibility was to work closely with both the Conventional Supermarkets and the Natural Retail Group in selecting products that worked best with their different classes of trade.

During the year ended July 31, 2023, the Company recognized a \$30,000 write down of its investment representing the excess of carrying value over fair value, which was derived using a discounted cash flow model using assumptions based on management's judgments and assumptions available at the time of performing the impairment test.

During the year ended December 31, 2023, Reusables made following business progresses.

- Received over \$900,000 in non-dilutive funding
- Jason Hawkins (CEO), and Anastasia Kiku (COO) selected for Forbes 30 under 30 in Social Impact category
- Signed Master Service Agreement with Compass Group Canada to onboard more enterprise clients
- Partnered with Uber Eats to make reusing more seamless through process integration
- Added team members in sales, marketing, and product, bringing the total headcount to 10 people

In February 2024, the company signed with Walmart Canada, Metro, and Sobeys as a part of the National Reuse Consortium in partnership with Circular Innovation Council.

As at January 31, 2024 the Company fair valued the investment in Daydream Drinks based on the most recent private placement of \$1.99 per share.

Eat Just Inc.

Eat Just, Inc. is a private company headquartered in San Francisco, California. It develops and markets plant-based alternatives to conventionally produced egg products as well as cultivated meat products.

It raised about \$120 million in early venture capital and became a unicorn in 2016 by surpassing a \$1 billion valuation. In December 2020, its lab-grown chicken became the first lab-grown meat to receive regulatory approval in Singapore. Shortly thereafter, Eat Just's cultured meat was sold to diners at the Singapore restaurant 1880, making it the "world's first commercial sale of cell-cultured meat".

In Q3 2021, the company announced plans to build a cultivated meat facility in Qatar, the first such facility in the Middle East North Africa region.

In Q3 2022, the company launched four plant-based breakfast pockets in conjunction with MingsBings. In Q1 2023, Eat Just announced a partnership with 7-Eleven Canada on the launch of a plant-based breakfast sandwich made with Eat Just plant-based egg, Impossible Foods plant-based sausage and Violife plant-based cheese.

During the year ended July 31, 2023, the Company recognized a \$110,066 write down of its investment representing the excess of carrying value over fair value, which was derived using a discounted cash flow model using assumptions based on management's judgments and assumptions available at the time of performing the impairment test.

Plant Power Restaurant Group LLC

California-based Plant Power Restaurant Group LLC ("Plant Power") is known as an innovator in the quick service restaurant (QSR) field with its 100- per-cent-plant-based offerings and biodegradable packaging. Plant Power features a menu that ranges from burgers, fries, shakes and "chicken" tenders to wraps, salads, juices, raw items and a kids menu. Plant Power has often been referred to as a vegan version of McDonalds and other similar fast-food concepts.

The Company's investment was a portion of a \$7.5 million Series "A" capital round to fund increased store location expansion. In 2021, Plant Power expanded from 7 to 10 outlets, including new locations in Las Vegas, Sacramento, and the University of California, San Diego as well as announcing the upcoming opening of an 11th outlet, located in Hollywood district of Los Angeles, California (the Hollywood location officially opened in Q1 2022). Plant Power has announced its intention to continue its expansion with possible upcoming locations in the Pacific Northwest, Arizona, Texas, Utah, Colorado and New Mexico with the ultimate goal to be a national chain with locations coast to coast.

In early Q3 of calendar 2022, Plant Power completed a convertible debenture financing with an original principal amount of \$500,000 and an aggregate principal amount of up to \$2.5M. The company has indicated new location development will be delayed pending additional funding and a rework of their business plan.

The company reported Q4 2022 revenue down -21% from Q4 2021 although unit level profitability saw an EBITDA improvement to 10.87%. Of particular note were promising December results which delivered 14% EBITDA in the corporate locations which seems sustainable.

During the year ended July 31, 2023, there was adjustment to fair value of \$42,899 based on the decline in the market prices of comparable public companies.

During the six months ended January 31, 2024, the Company recognized a \$26,368 write-down of its investment in Plant Power based on the analysis of the decline in the market prices of comparable public companies.

TurtleTree Labs Pte. Ltd.

TurtleTree is a leader in the development of cell-based dairy and expects to soon launch its first products in the U.S. using its cell-based dairy ingredients through multiple B2B partnerships and fully commercialize its cultured milk within the next four to five years.

TurtleTree recently completed a \$30 million series “A” financing and are using the proceeds to build a R&D and large-scale manufacturing facility in West Sacramento, California as well as fuel its continued development of IP technologies, research on new applications, and team expansion to include world-class scientists, product management and business development associates.

Through the first half of 2022, TurtleTree remained pre-revenue and continued with its development plan with significant investments in R&D (focussed on lactoferrin, human milk oligosaccharides (HMO’s) and cultivated milk), advancing its development of a manufacturing facility and launching the Gut Logic™ brand for its products.

In the second half of 2022, the company continued to progress on its business plan with key achievement with lactoferrin production on track, progress with FDA regulatory filings, continued progress on HMO development and progress on cultivated milk. The company reported \$17.8M cash on hand and a quarterly burn rate of \$3.2M.

In November 2023, the company announced that it has attained the first-ever self-affirmed generally recognized as safe (GRAS) status for its complex functional protein-precision fermentation-derived lactoferrin.

As at January 31, 2024 its cost continues to represent its fair value.

using the Black-Scholes option valuation model with the following assumptions: volatility of 256%, interest rate of 4.65%, share price at the date of issuance of \$0.07, expected life of 1.31 years and dividend yield of 0.00%.

On January 3, 2024, the Company issued 2,275,000 common shares to debt settle \$136,500 in debts with a consultant of the Company, resulting in a loss on debt settlement of \$91,000.

The Company may continue to have capital requirements in excess of its currently available resources. In the event the Company's plans change, its assumptions change or prove inaccurate, or its capital resources in addition to projected cash flow, if any, prove to be insufficient to fund operations, the Company may be required to seek additional financing. There can be no assurance that the Company will have sufficient financing to meet its future capital requirements or that additional financing will be available on terms acceptable to the Company in the future.

1.7 Off-Balance Sheet Arrangements

The Company does not utilize off-balance sheet arrangements.

1.8 Risk and Uncertainties

The Company's financial performance is likely to be subject to the following risks:

- The Company has not generated any significant revenue and has incurred significant losses since inception.

The Company's risk exposures and the impact on the Company's financial instruments are summarized below:

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market interest rates. The Company considers its exposure to interest rate risk to be not significant.

Credit risk

Credit risk is the risk of potential loss to the Company if the counterparty to a financial instrument fails to meet its contractual obligations. The Company's credit risk is primarily attributable to its liquid financial assets including cash, which is held with a high-credit financial institution. As such, the Company's credit exposure is minimal. The Company is exposed to credit risk with has been written off to \$Nil at the end of the period.

Liquidity risk

Liquidity risk arises from the excess of financial obligations over available financial assets due at any point in time. The Company's objective in managing liquidity risk is to maintain sufficient readily available reserves in order to meet its liquidity requirements. The Company addresses its liquidity through equity financing obtained through the sale of common shares. While the Company has been successful in securing financings in the past, there is no assurance that it will be able to do so in the future.

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange. As at January 31, 2024, the Company's had equity investments denominated in US dollars of US\$605,725 translated at period-end rate of \$1.34. These factors expose the company to foreign currency exchange rate risk, which could have a materially adverse effect on the profitability of the Company. A 10% change in the exchange rate would change the statement of loss and comprehensive loss by approximately \$81,000.

Price risk

on the statement of financial position cannot be derived from active markets, they are determined using a variety of valuation techniques. The inputs to these models are derived from observable market data where possible, but where observable market data is not available, judgement is required to establish fair value and this value may not be indicative of recoverable value.

- Determination of investment entity - The preparation of the financial statements requires management to make significant judgments and assumptions in determining how the Company meets the definition of an investment entity as of the audited financial statements of the Company, and for the financial statements for period then ended. Entities that meet the definition of an investment entity within IFRS 10 are required to measure their subsidiaries at FVTPL in accordance with IFRS 9 rather than to consolidate them. An investment entity is an entity that meets all of the following criteria:
 - a) An entity that obtains funds from one or more investors for the purpose of providing those investor(s) with investment management services;
 - The Company's main source of financing since inception had been via funds received from investors.
 - Through ownership of the Company's shares, these investors are provided with investment management services through their right to investment returns via the performance of the Company's investments.
 - b) An entity that commits to its investor(s) that its business purpose is to invest funds solely for returns from capital appreciation, investment income, or both; and
 - The Company has communicated to investors via corporate documents that its business purpose is to invest funds solely for returns from capital appreciation, investment income, or both.
 - c) An entity that measures and evaluates the performance of substantially all of its investments on a fair value basis.
 - Substantially all of the Company's investment portfolio has been carried at fair value since inception.

Based on the analysis above, management has concluded that the Company meets the definition of an investment entity as all of the criteria are met. This will be reassessed on a continuous basis, in case any of the criteria or characteristics change.
