

Voltage Metals Corp Receives Approval to Trade on U.S. OTCQB Venture Market

TORONTO, May 19, 2022 /CNW/ - Voltage Metals Corp. (CSE: VOLT) is pleased to announce that it has been approved to commence trading of its common shares on the OTCQB® Venture Market ("OTCQB"), beginning today under the ticker symbol VLTMF.

"We are pleased to offer investors yet another avenue for trading our shares, and look forward to increasing the awareness around our company for U.S. investors," said CEO, Bob Bresee. "We believe that trading on the OTCQB® can lead to overall enhanced liquidity and visibility in global capital markets."

The OTCQB® is a leading market for early-stage and developing U.S. and international companies. Recognized as an established public market by the U.S. Securities and Exchange Commission, the OTCQB® has helped companies build considerable shareholder value including enhanced liquidity and valuation. Investors may benefit from efficient trading through their preferred broker or financial advisor, transparent pricing with real-time quotes, and trusted disclosure that is made broadly available to broker-dealers and market data providers.

The Company's common shares will continue to trade on the Canadian Securities Exchange, under the symbol VOLT.

An application with the Depository Trust & Clearing Corporation (DTCC) is currently pending to further enable the easier electronic clearing and settlement of the Company's common shares in the United States.
