**APPOINTMENTN OF PROXYHOLDERS**

The individuals named in the accompanying form of proxy (the “Proxy”) are officers and/or directors of the Company.

**A shareholder of the Company has the right to appoint a person, other than the person designated in the accompanying form of proxy (who need not be a shareholder of the Company, or otherwise entitled to attend and vote at the Meeting) to attend and act for the shareholder and on the shareholder’s behalf at the meeting.**

A shareholder desiring to appoint some other person may do so either by inserting the desired person’s name in the blank space provided for that purpose in the accompanying form of proxy or by completing another proper form of proxy.

To be used at the Meeting, proxies must be received by Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 by 5:00 p.m. on November 28, 2023, EST, or, if the Meeting is adjourned, not later than 48 hours preceding the time on which the Meeting is reconvened, or may be accepted by the chair of the Meeting prior to the commencement of the Meeting.

**REVOCAION OF PROXIES**

A shareholder giving a proxy has the power to revoke it at any time to the extent that it has not been exercised. In addition to revocation in any other manner permitted by law, a shareholder giving a proxy has the power to revoke it by depositing an instrument in writing executed by the shareholder or by the shareholder’s attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation and delivered to the Company at any time up to and including the last business day preceding the day of the Meeting, or any adjournment(s) thereof, at which the proxy is to be used, or to the Chair of the Meeting on the day of the Meeting or any adjournment(s) thereof at which the proxy is to be used.

## VALIDITY OF INSTRUMENT OF PROXY

A proxy or an instrument appointing a duly authorized representative of a Company shall be in writing, under the hand of the appointor or his or her attorney duly authorized in writing, or, if such appointor is a Company, either under its seal or under the hand of an officer or attorney duly authorized for that purpose.

### Voting by Proxyholder

At the time of printing this Information Circular, Management knows of no amendments, variations or other matters which may be presented for action at the Meeting other than the matters referred to in the accompanying Notice of Meeting.

The persons named in the Proxy will vote or withhold from voting the Shares represented thereby in accordance with your instructions on any ballot that may be called for. The Shares represented by the accompanying form of proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and, if the shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly on such ballot. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

**The accompanying form of proxy when duly completed and delivered and not revoked confers discretionary authority upon the persons named therein with respect to matters where no choice is specified. In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified on the Proxy and, if applicable, for the nominees of management for directors and auditors as identified in the Proxy.**

## NON-REGISTERED HOLDERS

Non-Registered Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Company are referred to as "**NOBOs**". Non-Registered Shareholders who have objected to their intermediary disclosing the ownership information about themselves to the Company are referred to as "**OBOs**".

In accordance with the requirements of NI 54-101, the Company is sending the Notice of Meeting, this Circular and either the voting instruction form ("**VIF**") or the form of proxy, as applicable, (collectively, the "**Meeting Materials**") indirectly, through intermediaries to the NOBOs and OBOs. The Company does not intend to pay for intermediaries to deliver to OBOs the meeting materials and Form 54-101F7 Request for Voting Instructions Made by Intermediary. An OBO will not receive the materials unless the OBO's intermediary assumes the cost of delivery.

### *Meeting Materials Received by OBOs from Intermediaries*

OBOs who receive Meeting Materials will typically be given the ability to provide voting instructions in one of two ways:

- (a) Usually, an OBO will be given a VIF which must be completed and signed by the OBO in accordance with the instructions provided by the intermediary. In this case, the mechanisms described above for Registered Shareholders cannot be used and the instructions provided by the intermediary must be followed;

- (b) Occasionally, however, an OBO may be given a proxy that has already been signed by the intermediary. This form of proxy is restricted to the number of Shares owned by the OBO but is otherwise not completed. This form of proxy does not need to be signed by the OBO but must be completed by the OBO and returned to Computershare in the manner described above for Registered Shareholders.

The purpose of these procedures is to allow OBOs to direct the proxy voting of the Shares that they own but that are not registered in their name. If an OBO who receives either a form of proxy or a VIF wishes to attend and vote at the Meeting in person (or have another person attend and vote on his or her behalf), the OBO should strike out the persons named in the form of proxy as the proxy holder and insert the OBO's (or such other person's) name in the blank space provided or, in the case of a VIF, follow the corresponding instructions provided by the intermediary. **In either case, OBOs who receive Meeting Materials from their intermediary should carefully follow the instructions provided by the intermediary.**

To exercise the right to revoke a proxy, an OBO who has completed a proxy (or a VIF, as applicable) should carefully follow the instructions provided by the intermediary.

Proxies returned by intermediaries as "non-votes" either because the intermediary has not received instructions from the OBO with respect to the voting of certain shares or because, under applicable stock exchange or other rules, the intermediary does not have the discretion to vote those shares on one or more of the matters that come before the Meeting, will be treated as not entitled to vote on any such matter and will not be counted as having been voted in respect of any such matter. Shares represented by such "non-votes" will, however, be counted in determining whether there is a quorum.

#### *Meeting Materials Received by NOBOs from Intermediaries*

As permitted under NI 54-101, the Company has used a NOBO list to send the Meeting Materials indirectly to the NOBOs whose names appear on that list.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from beneficial Shareholders in advance of shareholders' meetings unless the beneficial shareholders have waived the right to receive meeting materials. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by beneficial shareholders in order to ensure that their Shares are voted at the Meeting. The Form of Proxy supplied to a beneficial shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the beneficial shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically applies a special sticker to proxy forms, mails those forms to the beneficial shareholders and the beneficial shareholders return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A beneficial shareholder receiving a Broadridge proxy cannot use that proxy to vote Shares directly at the Meeting - the proxy must be returned to Broadridge well in advance of the Meeting in order to have the Shares voted.**

Although a Non-Registered Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his or her broker, a Non-Registered Shareholder may attend the Meeting as proxy holder for the Registered Shareholder and vote the Shares in that capacity. A Non-Registered Shareholder who wishes to attend the Meeting and indirectly vote his or her Shares as proxy holder for the Registered Shareholder should enter his or her own name in the blank space on the form of proxy provided to him or her and

return the same to his or her broker (or the broker's agent) in accordance with the instructions provided by such broker.

**Non-Registered Holders should return their voting instructions as specified in the VIF sent to them and carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.**

**Registered Shareholders**

Registered shareholders (a shareholder whose name appears on the records of the Company as the registered holder of Shares) may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders who choose to submit a proxy may do so by:

(a) completing, dating and signing the Proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc. ("Computershare"), by fax within North America at (866) 249-7775 and outside North America at (416) 263-9524, by mail to 8th Floor, 100 University Avenue Toronto, Ontario, M5J 2Y1, or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9; or

(b) use a touch-tone phone to transmit voting choices to the toll-free number given in the Proxy. Registered shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed Proxy for the toll-free number and the Proxy access number; or

(c) via the internet at Computershare's website, [www.investorvote.com](http://www.investorvote.com). Registered shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy for the Proxy access number, in all cases ensuring that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or any adjournment or postponement thereof at which the Proxy is to be used.

**Notice to Shareholders in the United States**

This solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the province of British Columbia, Canada and the securities laws of applicable provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of applicable provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of applicable provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the Business Corporations Act of British Columbia and a majority of its directors and all of its executive officers are resident of Australia and a substantial portion of its assets and the assets of such persons, are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

The Company's Audit Committee Charter is attached as Schedule B" to this Information Circular.

The primary purpose of the Audit Committee is to assist the Board of Directors in discharging its oversight and evaluation responsibilities. In particular, the Audit Committee oversees the financial reporting process to ensure the balance, transparency and integrity of our published financial information. The Audit Committee also reviews and reports to the Board of Directors on the quality and integrity of the Financial Statements and other financial information; compliance with legal and regulatory requirements related to financial reporting; the effectiveness of the systems of control (including risk management) established by management to safeguard the assets (real and intangible) of the Company and its subsidiaries; the proper maintenance of accounting and other records; annual and quarterly interim financial information; the independent audit process, including recommending the appointment and compensation of the external auditor, and assessing the qualifications, performance and independence of the external

#### **Composition of Audit Committee and Independence**

NI 52-110 provides that a member of an audit committee is “independent” if the member has no direct or indirect material relationship with a company, which could, in the view of that company’s board of directors, reasonably interfere with the exercise of the member’s independent judgment. Two of the members of the Audit Committee, Justin Hanka and Anthony Haberfield meet the definition of “independence” provided in NI 52- 110. Anoosh Manzoori is not considered independent, as he is the CEO of the Company.

#### **Relevant Education and Experience**

NI 52-110 provides that an individual is “financially literate” if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Financial Statements. All of the members of the Audit Committee are financially literate. For details regarding the education, experience and financial literacy of the members of the Audit Committee.

It is intended that the Audit Committee will establish a practice of approving audit and non-audit services provided by the external auditor.

## **STATEMENT OF CORPORATE GOVERNANCE**

Corporate governance relates to the activities of the Board of Directors, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board of Directors and who are charged with day- to-day management of the Company.

The Company has adopted a Corporate Governance Policy to ensure that effective corporate governance practices are followed and to ensure that the Board of Directors functions independently of management. The Corporate Governance Policy is attached hereto as Schedule “C” to this Prospectus.

The following sets forth the Company’s disclosure of its corporate governance practices as they relate to the corporate governance guidelines set forth in National Policy 58-201. The Board of Directors is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making. The Board of Directors will monitor such practices on an ongoing basis and when necessary implement such additional practices as it deems appropriate.

NI 58-101 suggests that the board of directors of a public company should be constituted with a majority of individuals who qualify as “independent” directors. An “independent” director is a director who is independent of management and is free from any interest and any business or other relationship which could, or could reasonably be perceived to materially interfere with the director’s ability to act with a view to the best interests of the company, other than interests and relationships arising from holding Shares or securities in the company. In addition, where a company has a significant shareholder, NI 58 101 suggests that the board of directors should include a number of directors who do not have interests in either the company or the significant shareholder. The independent directors would exercise their responsibilities for independent oversight of management and meet independently of management whenever deemed necessary.

Currently, the Board of Directors is comprised of three directors, namely Anoosh Manzoori, Justin Hanka and Anthony Haberfield. Mr. Manzoori is not considered independent, as he is the CEO of the Company. Justin Hanka

and Anthony Haberfield are considered independent for the purposes of NP 58-201. The Board of Directors may meet independently of management as needed. The independent directors would exercise their responsibilities for independent oversight of management and meet independently of management whenever deemed necessary.

The directors have served as a director of other reporting issuers all of which are listed in the table of the directors on page 9 of this information circular.

#### Position Descriptions

The Company does not currently have written position descriptions for the chairman of the Board of Directors, or for the chair of its committees.

New directors will be encouraged to review the Company's public disclosure records as filed on SEDAR at [www.sedar.com](http://www.sedar.com) after the Company becomes a reporting Company. Directors are also provided with access to management to better understand the operations of the Company, and to the Company's legal counsel to discuss their legal obligations as directors of the Company.

#### Ethical Business Conduct

The Board of Directors is considering implementing a written code of ethical conduct for its directors, officers and future employees. The Board of Directors is also required to comply with the conflict of interest provisions of the Act and relevant securities regulation in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director is required to declare the nature and extent of his interest and is not entitled to vote on any matter that is the subject of the conflict of interest. 0

#### Nomination of Directors

The Company's management is in contact with individuals involved in the technology sector. From these sources management has made a number of contacts and in the event that the Company requires any new directors, such individuals will be brought to the attention of the Board of Directors. The Company will conduct reference and background checks on suitable candidates. New nominees generally must have a track record in business management, areas of strategic interest to the Company, the ability to devote the time required to carry out the obligations and responsibilities of a director and a willingness to serve in that capacity.

#### Other Board Committees

Other than as disclosed herein, there are no other committees of the Board of Directors as of the date of this Prospectus.

#### Assessments

Neither the Company nor the Board of Directors has developed a formal review system to assess the performance of the directors or the Board of Directors as a whole.
