

MLK Gold Ltd. Announces Corporate Name Change to Triple One Metals

April 13, 2023, 59 Payzant Dr., P.O. Box 657, Windsor, Nova Scotia, CANADA, B0N 2T0; MLK Gold Ltd. (CSE:MLK) (“MLK Gold” or the “Company”) announces that it will change its corporate name to “Triple One Metals Inc.” and its ticker symbol will change to “TONE”. The new corporate website www.tripleonemetals.com will launch in the upcoming days.

The change in corporate name better reflects the Company’s diverse property portfolio.

The Company will issue a further press release soon providing the date on which the new name and ticker symbol will take effect. The name change will not affect the rights of the Company’s shareholders, and no further action is required by existing shareholders with respect to the name change.

The Company is pleased to announce an application is being made to quote the Company’s common shares on the Frankfurt Stock Exchange. The Frankfurt Stock Exchange is one of the world’s largest (behind only the Nasdaq and NYSE) organized exchange-trading markets based on trading volume.

The future quotation of the Company’s common shares on the Frankfurt Stock Exchange in addition to the CSE will heighten exposure of the Company in the European marketplace, which features an investor base traditionally active in the junior mining sector. The Company is confident that trading on the Frankfurt Stock Exchange will increase its liquidity and support the development of a stronger European investor base.
