- (c) by the Vendors if any of the conditions in Section 8.2 have not been satisfied at or prior to Closing and the Vendors have not waived such condition at or prior to Closing;
- (d) by the Purchaser if it is not satisfied with the results of its due diligence investigations of the Corporation and the Vendors, in its sole and unfettered discretion;

9.2 Effect of Termination

- (a) Each Party's right of termination under this Article 9 is in addition to any other rights it may have under this Agreement or otherwise, and the exercise of a right of termination will not be an election of remedies. Nothing in this Article limits or affects any other rights or causes of action any Party may have with respect to the representations, warranties, covenants and indemnities in its favour contained in this Agreement. If a Party waives compliance with any of the conditions, obligations or covenants contained in this Agreement, the waiver will be without prejudice to any of its rights of termination in the event of non-fulfilment, non-observance or non-performance of any other condition, obligation or covenant in whole or in part.

 - (ii) if this Agreement is terminated by a Party because of a breach of this Agreement by the other Party or because a condition for the benefit of the terminating Party has not been satisfied because the other Party has failed to perform any of its obligations or covenants under this Agreement, the terminating Party's right to pursue all legal remedies will survive such termination unimpaired.

ARTICLE 10 NON-WAIVER; SURVIVAL

- (a) The Vendors shall not be required to indemnify the Purchaser Indemnified Parties pursuant to, and shall not have any liability under, Section 11.1(a)(iii) until the aggregate amount of all Claims for which the Vendors would, but for this Section 11.4, be liable under such Section 11.1(a)(iii) exceeds on a cumulative basis an amount equal to C\$50,000, in which case, the Vendors shall only be required to indemnify the Purchaser Indemnified Parties for all such Claims incurred in the aggregate by the Purchaser Indemnified Parties in excess of the such amount.

11.5 Indemnification Procedures for Third Party Claims

- (a) In the case of Claims made by a Person that is not a party to this Agreement (a "**Third Party**") with respect to which indemnification is sought, the party seeking indemnification (the "**Indemnified Party**") shall give prompt notice, and in any event within 30 Business Days, to the party against whom indemnification is asserted (the "**Indemnifying Parties**") of any such Claims made upon it. If the Indemnified Party fails to give such notice, such failure shall not preclude the Indemnified Party from obtaining such indemnification but its right to indemnification may be reduced to the extent that such delay prejudiced the defence of the Claim or increased the amount of Liability or cost of defense.
- (b) Subject to Section 11.5(c), the Indemnifying Parties shall have the right, by notice to the Indemnified Party given not later than 30 days after receipt of the notice described in Section 11.5(a), to assume the control of the defence, compromise or settlement of the Claim, provided that such assumption shall, by its terms, be without cost to the Indemnified Party and provided the Indemnifying Parties acknowledge in writing its obligation to indemnify the Indemnified Party in accordance with the terms contained in this Section in respect of that Claim.
- (c) The Indemnifying Parties may not assume the investigation and defence of a Third Party Claim if:
 - (i) Any of the Indemnifying Parties is also a party to the Third Party Claim and the Indemnified Party determines in good faith that joint representation would be inappropriate, or
 - (ii) the Third Party Claim seeks relief against the Indemnified Party other than monetary damages or the Indemnified Party determines in good faith that there is a reasonable probability that the Third Party Claim may adversely affect it or its Affiliates or the conduct of the Corporation Business, and the Indemnified Party has notified the Indemnifying Parties that it will exercise its exclusive right to defend, compromise or settle the Third Party Claim, or
 - (iii) the Indemnifying Parties fail to provide reasonable assurance to the Indemnified Party of its financial capacity to defend the Third Party Claim and provide indemnification with respect to the Third Party Claim.
- (d) If the Indemnifying Parties (i) are not entitled to assume the investigation and defence of a Third Party Claim under Section 11.5(c), or (ii) do not elect to assume the investigation and defence of a Third Party Claim, the Indemnified Party has the right (but not the obligation) to undertake the defence of the Third Party Claim.
- (e) If, under Section 11.5(d), the Indemnified Party undertakes the investigation and defence of a Third Party Claim:

- (i) subject to the other provisions of 11.4, all reasonable expenses relating to the defence of such Third Party Claim shall be borne and paid exclusively by the Indemnifying Parties;
 - (ii) the Indemnifying Parties shall make available to the Indemnified Party any documents and materials in his possession or control that may be necessary to the defence of such Third Party Claim; and
 - (iii) the Indemnified Party shall have the right to settle, adjust or compromise such Third Party Claim but the Indemnifying Parties shall not be bound by any compromise or settlement of the Third Party Claim effected without its written consent (which consent may not be unreasonably withheld or delayed).
- (f) Upon the assumption of control of any Claim by the Indemnifying Parties as set out in Section 11.5(b), the Indemnifying Parties shall diligently proceed with the defence, compromise or settlement of the Claim at its sole expense, including if necessary, employment of counsel and experts reasonably satisfactory to the Indemnified Party and, in connection therewith, the Indemnified Party shall cooperate fully, but at the expense of the Indemnifying Parties with respect to any out-of-pocket expenses incurred, to make available to the Indemnifying Parties all pertinent information and witnesses under the Indemnified Party's control, make such assignments and take such other steps as in the opinion of counsel for the Indemnifying Parties are reasonably necessary to enable the Indemnifying Parties to conduct such defence. The Indemnified Party shall also have the right to participate in the negotiation, settlement or defence of any Claim at its own expense. The Indemnifying Parties shall not settle any Claim without the prior written consent of the Indemnified Party, such consent not to be unreasonably withheld.
- (g) The final determination of any Claim pursuant to this Section, including all related costs and expenses, shall be binding and conclusive upon the Parties as to the validity or invalidity, as the case may be, of such Claim against the Indemnifying Parties.
- (h) If the Indemnifying Parties do not assume control of a Claim as permitted in Section 11.5(b), the Indemnified Party shall be entitled to make such settlement of the Claim as in its sole discretion may appear advisable, and such settlement or any other final determination of the Claim shall be binding upon the Indemnifying Parties.

11.6 Payment; Calculation of Loss

- (a) Once a Claim is agreed to by the Indemnifying Parties or finally adjudicated to be payable pursuant to this Article 11, the Indemnifying Parties shall satisfy the obligations within 15 Business Days of such final, non-appealable adjudication by wire transfer, bank draft or certified cheque of immediately available funds. The Parties agree that should the Indemnifying Parties not make full payment of any such obligations within such 15 Business Day period, any amount payable shall accrue interest from and including the date of agreement of the Indemnifying Parties or final, non-appealable adjudication with respect thereto, to but excluding the date such payment has been made at a rate per annum equal to 6%. Such interest shall be calculated daily on the basis of a 365-day year and the actual number of days elapsed.
- (b) Any Claims payable to a Purchaser Indemnified Party pursuant to Article 11 shall be satisfied from the Vendors on a joint and several basis.

- (c) In computing any loss payable under pursuant to any Claim, the amount of the loss shall be deemed to be an amount net of any insurance proceeds actually recovered in respect thereof by the Indemnified Party; provided, however, that nothing in this Agreement shall require the Indemnified Party to maintain any insurance policies or pursue recovery from any insurance policies.

11.7 No Contribution.

Each of the Vendors acknowledges and agrees that the Corporation shall not have any Liability or obligation to indemnify, save or hold harmless or otherwise pay, reimburse or make the Vendors whole for or on account of any indemnification or other claims made by any Purchaser Indemnified Party hereunder. None of the Vendors shall have any right of contribution against the Corporation with respect to any such indemnification or other claim.

11.8 Representations Not Limited.

The representations, warranties, covenants and obligations of the Parties, and the rights and remedies that may be exercised by Indemnified Parties, shall not be limited or otherwise affected by or as a result of any information furnished to, or any investigation made by or knowledge of, any of Indemnified Parties or any of their representatives. Without limiting the generality of the foregoing, the Indemnified Parties expressly reserve the right to seek indemnity or other remedy for any losses arising out of or relating to any breach of any representation, warranty or covenant contained herein, notwithstanding any investigation by, disclosure to, knowledge or imputed knowledge of the Indemnified Parties in respect of any fact or circumstance that reveals the occurrence of any such breach.

11.9 Trustee and Agent

Each Party acknowledges that the other Party is acting as trustee and agent for its other Indemnified Parties, on whose behalf and for whose benefit the indemnity in Section 11.1 is provided and that such remaining Indemnified Parties shall have the full right and entitlement to take the benefit of and enforce such indemnity notwithstanding that they may not individually be Parties to this Agreement. Each Party agrees that the other Party may enforce the indemnity for and on behalf of such other Indemnified Parties and, in such event, the Party from whom indemnification is sought will not in any proceeding to enforce the indemnity by or on behalf of such other Indemnified Parties assert any defence thereto based on the absence of authority or consideration or privity of contract and irrevocably waives the benefit of any such defence.

Any Party may, from time to time, change its address by giving Notice to the other Parties in accordance with the provisions of this Section.

12.4 Assignment

The Purchaser shall be entitled to assign all of their rights and obligations under this Agreement to any of its Affiliates. Except for such permitted assignment by the Purchaser to any of its Affiliates, no Party may assign this Agreement or any rights or obligations under this Agreement without the prior written consent of each of the other Parties.

12.5 Enurement

This Agreement enures to the benefit of and is binding upon the Parties and, as applicable, their respective heirs, attorneys, guardians, estate trustees and their respective successors (including any successor by reason of amalgamation of any Party) and permitted assigns.

12.6 Amendment

No amendment, supplement, modification or waiver or termination of this Agreement and, unless otherwise specified, no consent or approval by any Party, is binding unless executed in writing by the Party to be bound thereby.

12.7 Further Assurances

The Parties shall, with reasonable diligence, do all such things and provide all such reasonable assurances as may be required to consummate the transactions contemplated by this Agreement, and each Party shall provide such further documents or instruments required by any other Party as may be reasonably necessary or desirable to effect the purpose of this Agreement and carry out its provisions, whether before or after the Closing.

12.8 Execution and Delivery

This Agreement may be executed by the Parties in counterparts and may be executed and delivered by electronic means and all such counterparts and electronic deliveries together constitute one and the same agreement.

12.9 Governing Law

This Agreement is a contract made under and shall be governed by and construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable in the Province of British Columbia. Each Party irrevocably attorns and submits to the exclusive jurisdiction of the courts of the Province of British Columbia situated in the City of Vancouver and waives objection to the venue of any proceeding in such court or that such court provides an inconvenient forum.

12.10 Vendors' Representative

- (a) In order to administer efficiently the determination of certain matters under this Agreement, each of the Vendors hereby designate and appoint Kevin Huynh, the Vendors' Representative,

as its, his, or her, as the case may be, agent and attorney-in-fact, such designation and appointment being coupled with an interest, with full power of substitution for it, to: (i) give and receive all notices and communications on behalf of each of the Vendors hereunder; (ii) make all decisions and take all actions relating to the Vendors' respective rights, obligations, and remedies under this Agreement including to receive and send notices, to receive and deliver documents, to exercise, enforce, or waive rights or conditions, to give releases and discharges and to defend against indemnification claims of the Purchaser related to a breach of covenant by the Corporation; and (iii) take all actions as are necessary or appropriate in the judgement of the Vendors' Representative in connection with any of the foregoing, including retaining such counsel, accountants, and other professional advisors as the Vendors' Representative reasonably deems necessary to assist it in the performance of its duties hereunder.

- (b) The Vendors' Representative shall receive no compensation for services rendered other than reimbursement of out-of-pocket expenses incurred in connection with the performance of its duties, to be paid by the Vendors. Notices or communications to or from the Vendors' Representative shall constitute notice to or from any applicable Vendor.
- (c) The Purchaser may rely upon any decision, act, consent or instruction of the Vendors' Representative as being the decision, act, consent or instruction of each Vendor. The Purchaser is hereby relieved from any liability to any Vendor for any acts taken by it in accordance with such decision, act, consent, or instruction of the Vendors' Representative.
- (d) The Vendors' Representative, by signing this Agreement, accepts its responsibility as a Vendors' Representative and covenants and agrees to take all such actions as a required by the Vendors' Representative hereunder.

12.11 Independent Legal Advice

The Parties, including each Vendor, acknowledge that they have executed this Agreement without any undue stress, fear, duress, improper understanding, misrepresentation, coercion, undue influence or false inducement and each further acknowledge that they are entitled, and have been advised, to seek independent legal advice and confirm that by executing this Agreement, they have either sought such independent legal advice or have expressly waived their right to do so.

12.12 Severability

If, in any jurisdiction, any provision of this Agreement or its application to any Party or circumstance is restricted, prohibited or unenforceable, such provision shall, as to such jurisdiction, be ineffective only to the extent of such restriction, prohibition or unenforceability without invalidating the remaining provisions of this Agreement and without affecting the validity or enforceability of such provision in any other jurisdiction or without affecting its application to other Parties or circumstances.

12.13 Schedules

The Schedules shall be arranged in separate parts corresponding to the numbered and lettered sections contained herein permitting such disclosure, and the information disclosed in any numbered or lettered part shall be deemed to relate to and to qualify only the particular representation or warranty set forth in the corresponding numbered or lettered Section herein permitting such disclosure. Nothing in any Schedule attached hereto shall be adequate to modify, qualify, or disclose an exception to a representation or warranty made in this Agreement unless such Schedule identifies the modification, qualification, or exception with reasonable particularity. Without limiting the generality of the foregoing, the mere listing (or inclusion of

a copy) of a document or other item shall not be adequate to disclose an exception to a representation or warranty made in this Agreement, unless the representation or warranty has to do with the existence of the document or other item itself. No modifications, qualifications, or exceptions to any representations or warranties disclosed on one Schedule shall constitute a modification, qualification, or exception to any other representations or warranties made in this Agreement unless it is reasonably apparent on its face that the disclosures on such Schedule apply to such other representations and warranties.
