Blockchain Venture Capital Inc. Provides Corporate Update and Announces Non-Brokered Private Placement

Toronto, Ontario – (November 17, 2023) – Blockchain Venture Capital Inc. (the “**Company**” or “**BVCI**”) is pleased to announce that, through collaboration with its counsel and its principal regular, it plans to obtain appropriate approvals from its principal regulator that will allow BVCI to carry out its CADT related business. The application is expected to be made by Q1, 2024. Once the Company obtains appropriate approvals from the applicable securities regulators or the Company is otherwise satisfied that it can conduct such business in compliance with all applicable securities laws, it intends to have all its CADT trading occur through a crypto trading platform that is authorized under applicable securities laws to trade CADT.

The Company also announces that it intends to complete a non-brokered private placement of up to 1,422,000 units (the “**Units**”) at a price of \$0.50 per Unit for aggregate gross proceeds of up to \$711,000 (the “**Offering**”). Each Unit is comprised of one (1) Common Share (“**Share**”) and one half (1/2) non-transferable Share purchase warrant, with two half warrants entitling the holder to purchase one additional Share at a price of \$0.75 for a period of 24 months from the date of closing of the Offering.

The Company intends to use the proceeds from the Private Placement to fund corporate expenditures and general working capital purposes in respect of the development of the Company’s BvcPay platform and CADT, including expenditures related to applicable regulatory approvals to permit BVCI to carry out its CADT related business.

All securities issued under the Private Placement will be subject to a hold period expiring four months and one day from the date of issuance.

This news release does not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction. This news release does not constitute an offer of securities for sale in the United States. The securities being offered have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, and such securities may not be offered or sold within the United States absent registration under U.S. federal and state securities laws or an applicable exemption from such U.S. registration requirements.

About the Company

BVCI is an Ontario incorporated company and is registered as a money service business with the Financial Transaction and Reports Analysis Centre of Canada (FINTRAC). It is a provider of an innovative technology infrastructure to participants in the emerging blockchain and distributed ledger technology industry. Instrumental to BVCI’s business and growth strategy is BVC Chain, a proprietary blockchain platform and distributed ledger technology, which can operate as a centralized or decentralized ledger. BVC Chain was designed to be a turnkey solution, which can be customized and implemented by organizations wishing to deploy blockchain platform based solutions, products or services. BVC Chain will also serve as the platform and infrastructure for BvcPay and CADT. BvcPay is a cloud based mobile application that is intended to have

the capability to function as a Digital Currency wallet and which can facilitate point of sale and online transactions using Bitcoin, Ethereum and CADT. CADT is the native Digital Currency of the BVC Chain, and it is intended to be a stablecoin. BVCI's CADT business division is expected to issue CADT, a cryptographic stablecoin supported on a 1:1 basis with an equivalent amount of Canadian dollar held in a custodial account. CADT is expected to support real time pricing, payment, settlement, digital asset issuance and ledger capabilities.

Unless and until BVCI the necessary regulatory approvals or unless it can rely on an exemption from the prospectus and registration requirements in furtherance of the issuance and trading of CADT, there is no assurance BVCI will be able to pursue its proposed CADT business or any related BvcPay business that relies on CADT.
