Blockchain Venture Capital Inc. Announces Closing of Shares for Debt

Toronto, Ontario – (December 15, 2023) – Blockchain Venture Capital Inc. (the “**Company**” or “**BVCI**”) announces that it has issued to Hybrid Financial Ltd. (“**Hybrid**”) Common Shares (“**Shares**”) in connection with an agreement for the full and final satisfaction of a \$305,100 debt. The Company issued a total of 540,000 Shares at a price of \$0.50 per Share for gross aggregate value of \$270,000 (the “**Shares for Debt Transaction**”). The Company will close the Shares for Debt Transaction by making a cash payment to satisfy the remaining \$35,100 debt outstanding no later than December 30, 2023.

The Company completed the Shares for Debt Transaction to improve its financial position by reducing liabilities.

All securities issued under the Shares for Debt Transaction will be subject to a hold period expiring four months and one day from the date of issuance.

The Company retained Hybrid to provide marketing services for an initial period of twelve months commencing October 22, 2022, (the “**Initial Term**”) during which Hybrid was paid a monthly fee of \$15,000 and a one-time fee of \$90,000, plus applicable taxes. The Initial Term has been completed. Hybrid was engaged to heighten market and brand awareness for the Company and to broaden its reach within the investment community.

Hybrid agreed to comply with all applicable securities laws and the policies of the Canadian Securities Exchange in providing the services.

About the Company

BVCI is an Ontario incorporated company and is registered as a money service business with the Financial Transaction and Reports Analysis Centre of Canada (FINTRAC). It is a provider of an innovative technology infrastructure to participants in the emerging blockchain and distributed ledger technology industry. Instrumental to BVCI’s business and growth strategy is BVC Chain, a proprietary blockchain platform and distributed ledger technology, which can operate as a centralized or decentralized ledger. BVC Chain was designed to be a turnkey solution, which can be customized and implemented by organizations wishing to deploy blockchain platform based solutions, products or services. BVC Chain will also serve as the platform and infrastructure for BvcPay and CADT. BvcPay is a cloud based mobile application that is intended to have

the capability to function as a Digital Currency wallet and which can facilitate point of sale and online transactions using Bitcoin, Ethereum and CADT. CADT is the native Digital Currency of the BVC Chain, and it is intended to be a stablecoin. BVCI's CADT business division is expected to issue CADT, a cryptographic stablecoin supported on a 1:1 basis with an equivalent amount of Canadian dollar held in a custodial account. CADT is expected to support real time pricing, payment, settlement, digital asset issuance and ledger capabilities.

Unless and until BVCI the necessary regulatory approvals or unless it can rely on an exemption from the prospectus and registration requirements in furtherance of the issuance and trading of CADT, there is no assurance BVCI will be able to pursue its proposed CADT business or any related BvcPay business that relies on CADT.

Forward-Looking Information and Statements

Certain statements in this press release may constitute "forward-looking" statements which involve known and unknown risks, uncertainties and other factors which may cause actual results, performance or achievements of the Company or the industry in which it operates to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. When used in this press release, the words "estimate", "believe", "anticipate", "intend", "expect", "plan", "may", "should", "will", the negative thereof or other variations thereon or comparable terminology are intended to identify forward-looking statements. Forward-looking statements in this press release include, but are not limited to statements related to: the Company's business plans and strategies; and the Shares for Debt Transaction. Such statements reflect the current expectations of the management of the Company with respect to future events based on currently available information and are based on certain assumptions and are subject to risks and uncertainties that could cause actual results, performance or achievements to differ materially from those expressed or implied by those forward-looking statements. These risks and uncertainties are detailed from time to time, including, without limitation, under the heading "Risk Factors", in the Company's listing statement, which is available on www.sedar.com., and in other continuous disclosure documents that are filed by the Company from time to time with the Ontario, Alberta or British Columbia Securities Commissions which are available at www.sedar.com and to which readers of this press release are referred for additional information concerning the Company, its prospects and the risks and uncertainties relating to the Company and its prospects. New risk factors may arise from time to time and it is not possible for management to predict all of those risk factors or the extent to which any factor or combination of factors may cause actual results, performance and achievements of the Company to be materially different from those contained in forward-looking statements. Although the forward-looking statements contained in this press release are based upon what management believes to be reasonable assumptions, the Company cannot assure investors that actual results will be consistent and investors should not place undue reliance on forward-looking statements as a prediction of actual results.

The forward-looking information contained in this press release is current only as of the date hereof. The Company does not undertake or assume any obligation, except as required by law, to release publicly any revisions to these forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.
