

SOLDERA MINING ANNOUNCES COMMENCEMENT OF WORK PROGRAM ON TITAN PROPERTY

January 11, 2021 – Vancouver, B.C. – Soldera Mining Corp. (CSE:SOLD) (“Soldera” or the “Company”) is pleased to announce that it intends to commence Phase 1 work program at its Titan Property (the “Property”) next week.

The work will be done in furtherance of the recommended Phase 1 work program disclosed in the Company’s prospectus dated September 23, 2020, and will consist of prospecting, mapping, sampling, and ground geophysical surveying of the Property (the “**Work Program**”). The Work Program will be undertaken on behalf of the Company by Geomap Exploration Inc. (“**Geomap**”) of Vancouver, BC.

Pursuant to the Property Purchase Option Agreement (the “**Property Agreement**”) between the Company and Alex Pleson dated May 7, 2020, under which the Company holds an option to acquire a 100% interest in the Property, the Company is required, among other things, to incur a minimum of \$110,000 of exploration expenditures on the Property within one year of the date of the Property Agreement. In satisfaction of this obligation, the Company has pre-paid to Geomap \$110,000, to be applied towards the total cost of the Work Program.

“We are very excited to kick off the Phase 1 work program on the Titan Property” stated Robert Baxter, CEO of Soldera. *“We look forward to completing the program and developing our portfolio of properties in the coming year.”*

The goal of the Work Program is to, among other things, supplement the results of historical work on the Property through magnetic and VLF surveys, and to continue prospecting, trenching, and sampling work along the Morrow Lake Deformation Zone.
