

## **AmmPower Corp signs research agreement with Process Research Ortech Inc.**

*Process Research Ortech partner with AmmPower to develop innovative methods for the synthesis of high-grade Ammonia*

**April 28, 2021**

**Vancouver, BC - AmmPower Corp. (CSE: [AMMP](#)) (OTCQB: [SLDMF](#)) (FSE: [601](#))** (the “Company” or “AmmPower”), is pleased to announce it has signed a research and development agreement with [Process Research Ortech Inc.](#) (“Ortech”). Through this partnership, AmmPower aims to work with Ortech to explore and identify new Green Ammonia synthesis techniques to improve upon the efficiency of the current ammonia production process.

AmmPower’s primary focus is to work with Ortech to improve the efficiency of ammonia synthesis process by incorporating new additives and catalysts to the production process and testing different methodologies to improve ammonia formation conditions. In doing so the Company hopes to develop a more economical, high-grade form of Green Ammonia. This program is expected to take 19 weeks to complete.

“This partnership is a major milestone for AmmPower, allowing the team to move forward in the development of early-stage process and IP development around the production of ammonia,” said Chief Executive Officer of AmmPower, Gary Benninger. “We look forward to working with Ortech to develop a cleaner and more economically efficient ammonia production process. The Ortech team has an incredible track record and we believe their experience be very important through the program.”

Dr. Lakshmanan, Vice-Chairman and CEO of Ortech remarked, “The research agreement brings the potential of lowering the carbon footprint through the use of Green Ammonia, as well as potentially utilizing Green Ammonia as a hydrogen carrier. The team at Ortech is incredibly excited and looks forward to potentially developing intellectual property with the AmmPower team.”

In addition, the Company has entered into an agreement with Financial Star News Inc (FSN) pursuant to which FSN will provide the Company with marketing services for an aggregate of USD\$330,000. FSN will utilize its online programs to generate a greater following, increase investor awareness and attract new investors through various online platforms and methods of engagement.
