The Company is mailing this Information Circular in connection with the solicitation of proxies by and on behalf of the Company for use at its annual general meeting (the “Meeting”) of the shareholders that is to be held on **November 8, 2023 at 10:00 a.m. (Pacific Time) via video conference by Zoom (video conference link:**

QUORUM

Pursuant to the Articles of the Company, the quorum for the transaction of business at a Meeting of shareholder is one shareholder represented in person or by proxy.

SECTION 1 - VOTING

WHO CAN VOTE?

If you are a registered shareholder of the Company as at **October 4, 2023**, you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf, but documentation indicating such officer’s authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting in person via video conference you can appoint someone who will attend the Meeting and act as your proxyholder to vote in accordance with your instructions (see “**Voting By Proxy**” below). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer, financial institution or other intermediary) you should refer to the section entitled “**Non-Registered Shareholders**” set out below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person via video conference, we invite you to complete, date,

sign and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not attend the Meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

In order to be valid, you must return the completed form of proxy to the Company's transfer agent, Odyssey Trust Company no later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time fixed for the Meeting or any adjournments thereof.

You can vote by proxy using one of the following methods:

1. To Vote Your Proxy Online please visit: <https://vote.odysseytrust.com> and click on LOGIN. You will require the CONTROL NUMBER printed with your address to the right on your proxy form. If you vote by Internet, do not mail this proxy; or
2. By Email to proxy@odysseytrust.com; or
3. By mail or personal delivery to Odyssey Trust Company, Attn: Proxy Department, Suite 702, 67 Yonge St., Toronto, ON M5E 1J8; or
4. By mail or personal delivery to Odyssey Trust Company, Attn: Proxy Department, Suite 702, 67 Yonge St., Toronto, ON M5E 1J8; or
5. By fax to Odyssey Trust Company, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international).

What is a Proxy?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

Appointing a Proxyholder

You can choose any individual to be your proxyholder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxyholder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy are appointed to act as your proxyholder (the "**Management Proxyholders**"). Those persons are directors, officers or other authorized representatives of the Company.

Instructing Your Proxy

You may indicate on your form of proxy how you wish your proxyholder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your shares in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your shares IN FAVOUR of each of the items of business being considered at the Meeting.

For more information about these matters, see Section 3 - The Business of the Meeting. **The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting.** At the time of printing this Information

Circular, the management of the Company is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Changing Your Mind

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by (a) attending the Meeting and voting in person; (b) signing a proxy bearing a later date; (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to the Company at Suite 1150, 789 West Pender Street, Vancouver, British Columbia, V6C 1H2 or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 4:00 p.m. in the afternoon (Pacific Time) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person. **Only registered shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must arrange for your nominee to revoke your proxy on your behalf (see below under “Non-Registered Shareholders”).**

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person via video conference. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer agent, Odyssey Trust Company, 350-409 Granville Street, Vancouver, BC V6C 1T2, Attention: Proxy Department, or by fax at (800) 517-4553.

In all cases, the proxy must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

NON-REGISTERED SHAREHOLDERS

Only registered holders of common shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, common shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- a) in the name of an Intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; OR
- b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (CDS)) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “**NOBOs**”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “**OBOs**”.

Pursuant to NI 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Company has distributed copies of proxy-related materials in connection with this Meeting (including this Information Circular) indirectly or directly to the NOBOs and to the Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries that receive the proxy-related materials are required to forward the proxy-related materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries often use service companies to forward the proxy-related materials to Non-Registered Holders.

The Company will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents. Accordingly, an OBO will not receive copies of the proxy-related materials and related documents unless the OBO's Intermediary assumes the costs of delivery.

Generally, Non-Registered Holders who have not waived the right to receive proxy-related materials (including OBOs who have made the necessary arrangements with their Intermediary for the payment of delivery and receipt of such proxy-related materials) will be sent a voting instruction form which must be completed, signed and returned by the Non-Registered Holder in accordance with the Intermediary's directions on the voting instruction form. In some cases, such Non-Registered Holders will instead be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of common shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. This form of proxy does not need to be signed by the Non-Registered Holder, but, to be used at the Meeting, needs to be properly completed and deposited with Odyssey Trust Company as described under "**Voting By Proxy**" above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the common shares that they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person via video conference (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies, including instructions regarding when and where the voting instruction form or proxy form is to be delivered.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws. The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), as amended (the "**Act**"), certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

SECTION 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value. As at the close of business on the Record Date being **October 4, 2023, 30,309,167** common shares were issued and

outstanding. Each shareholder entitled to receive notice of and to vote at the Meeting is entitled to one vote for each common share registered in his or her name at the close of business on **October 4, 2023**.

Every individual who is present and is entitled to vote as a shareholder or as a representative of one or more corporate shareholders will have one vote, and every shareholder present in person at the Meeting via video conference or represented by a proxy and every person who is a representative of one or more corporate shareholders, will have one vote for each Common Share registered in that shareholder's name on the list of shareholders as at the Record Date, which is available for inspection during normal business hours at the Company's transfer agent and will be available at the Meeting.

To the knowledge of the directors and executive officers of the Company, there are no persons that beneficially owned, directly or indirectly, or exercised control or direction over, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Company as at October 4, 2023.

SECTION 3 - THE BUSINESS OF THE MEETING

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

FINANCIAL STATEMENTS

The audited financial statements of the Company for the financial years ended May 31, 2022 and May 31, 2023 will be placed before you at the Meeting. These audited financial statements have been previously mailed to the shareholders who had requested to receive a copy of same and are available under the Company's SEDAR profile at www.sedarplus.ca.

No approval or other action needs to be taken at the Meeting in respect of these documents.

Pursuant to National Instrument 51-102 *Continuous Disclosure Obligations* and National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, a person or corporation who in the future wishes to receive annual and interim financial statements from the Company must deliver a written request for such material to the Company. Shareholders who wish to receive annual and interim financial statements are encouraged to complete the appropriate section on the Financial Statement Request Form attached to this Information Circular and send it to the Company.

ELECTION OF DIRECTORS

Number of Directors

Under the Company's Articles and pursuant to the *Business Corporations Act* (British Columbia), the number of directors may be set by ordinary resolution but shall not be fewer than three. The Company currently has **four (4)** directors. All of the current directors are being put forward by management of the Company for election at the Meeting.

The Company's management recommends that the shareholders vote in favour of the resolution setting the number of directors at four (4). Unless you give other instructions, the Management Proxyholders intend to vote FOR the resolution setting the number of directors at four (4).

Nominees for Election

Directors of the Company are elected for a term of one year. The term of office of each of the nominees proposed for election as a director will expire at the Meeting, and each of them, if elected, will serve until the close of the next annual general meeting, unless he or she resigns or otherwise vacates office before that time.

All of the current directors of the Company will be standing for re-election. Each of the nominees has agreed to stand for election and management of the Company is not aware of any intention of any of them not to do so. Management does not contemplate that any of the nominees will be unable to serve as a director but, if that should occur for any reason prior to the Meeting, the persons designated in the enclosed form of proxy reserve the right to vote for other nominees in their discretion.

He was a director of Thermal Energy Corp., which was issued a cease trade order until Thermal Energy Corp. clarified certain corporate disclosure. All directors of Thermal Energy Corp., including Mr. Sharples, were required to complete various TSX Venture workshops as a result.

The Company's management recommends that the shareholders vote in favour of the election of the proposed nominees as directors of the Company for the ensuing year. Unless you give instructions otherwise, the Management Proxyholders intend to vote FOR the nominees named in this Information Circular.

APPROVAL OF THE STOCK OPTION PLAN

The Stock Option Plan of the Company was approved by the board of directors of the Company on January 15, 2021, and was approved by the shareholders of the Company at the previous annual general and special meeting on August 10, 2022.

The Stock Option Plan was filed on February 23, 2021 and is available on www.sedarplus.ca under the profile of the Company. The Stock Option plan is incorporated by reference into this Information Circular. A copy of the Stock Option Plan may also be obtained from the Company.

The Stock Option Plan reserves for issuance 10% of the issued and outstanding common shares of the Company and is known as an evergreen or rolling stock option plan. Pursuant to Policy 6 *Distributions & Corporate Finance* of the Canadian Securities Exchange, which became effective on April 3, 2023, within three years after institution and within every three years thereafter, the Company must obtain security holder approval for an evergreen plan (also known as a rolling plan) in order to continue to grant options. Therefore, the Company will be seeking shareholder re-approval of the Stock Option Plan.

The Stock Option Plan provides that the board of directors of the Company may from time to time, in its discretion, and in accordance with the requirements of the Canadian Securities Exchange, grant to directors, officers and consultants to the Company, non-transferable options to purchase Common Shares, provided that the number of Common Shares reserved for issuance will not exceed 10% of the Company’s issued and outstanding Common Shares, exercisable for a period of up to a maximum of ten years from the date of grant. The number of Common Shares reserved for issuance to any individual director or officer will not exceed 5% of the issued and outstanding Common Shares and the number of Common Shares reserved for issuance to consultants will not exceed 2% of the issued and outstanding Common Shares per one consultant. Options may be exercised within 90 days following cessation of the optionee’s position with the Company, provided that if the cessation of office, directorship or consulting arrangement was by reason of death, the option may be exercised within a maximum period of one year after such death, subject to the expiry date of such option. The Stock Option Plan incorporates the policies of the Canadian Securities Exchange by reference and all option grants must comply with these policies.

Shareholders will be asked to consider, and if thought fit, pass, an ordinary resolution approving the Stock Option Plan. The text of the proposed resolution is as follows:

"BE IT RESOLVED, AS AN ORDINARY RESOLUTION OF THE SHAREHOLDERS AND SUBJECT TO REGULATORY ACCEPTANCE, THAT:

- 1) the Company's stock option plan dated for reference January 15, 2021 (the “**Stock Option Plan**”), is hereby ratified, confirmed, and approved;*
- 2) the Company be authorized to grant stock options pursuant and subject to the terms and*

*conditions of the Stock Option Plan, entitling the option holders to purchase up to that number of common shares in the capital of the Company (the "**Common Shares**") that would equal 10% of the issued and outstanding Common Shares as at the time of the grant;*

3) the unallocated entitlements under the Stock Option Plan are approved and authorized;

4) the Stock Option Plan must be re-approved by the shareholders no later than three years from the date of this resolution;

5) the directors of the Company without a prior approval of the shareholders are authorized to amend and make changes to the Stock Option Plan, if such amendments or changes are required to meet the regulatory requirements including the requirements of the Canadian Securities Exchange; and

6) any one or more of the directors or senior officers of the Company be and is hereby authorized and directed, for and on behalf of the Company, to execute and deliver all such documents and other writings, including treasury orders, and to do all such other acts and things as such director or officer may determine to be necessary or advisable to give effect to this ordinary resolution, the execution and delivery of any such document or the doing of any such other act or thing being conclusive evidence of such determination."

The resolution may be passed by a simple majority of the shares voted by shareholders of the Company who vote on the matter in person via video conference or by proxy.

For more information about the Stock Option Plan and options issued under it, please see "Securities Authorized for Issuance Under Equity Compensation Plans".

The Board recommends that shareholders vote in favour of the resolution approving the Stock Option Plan.

Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the common shares represented by such form of proxy FOR the approval of the Stock Option Plan.

OTHER BUSINESS

The Company will consider and transact such other business as may properly come before the Meeting or any adjournment or adjournments thereof. Management of the Company knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

Compensation of directors is, determined by a recommendation of the Board of Directors. Non-executive directors do not currently receive fees. Long term incentives (stock options) are granted from time to time, based on an existing complement of long term incentives, corporate performance and to be competitive with other companies of similar size and scope.

Compensation of Named Executive Officers

The Company’s compensation philosophy for Named Executive Officers follows three underlying principles:

- (a) to provide compensation packages that encourage and motivate performance;
- (b) to be competitive with other companies of similar size and scope of operations so as to attract and retain talented executives; and
- (c) to align the interests of its executive officers with the long-term interests of the Company and its shareholders through stock related programs.

When determining compensation policies and individual compensation levels for the Company’s executive officers, the Company takes into consideration a variety of factors including management’s understanding of the amount of compensation generally paid by similarly situated companies to their executives with similar roles and responsibilities; each executive officer’s individual performance during the fiscal year; each executive officer’s experience, skills and level of responsibility; the executive’s historical compensation and performance within the Company; and existing market standards within the life science industry. Management presents its recommendations to the Board of Directors.

The Board of Directors approves compensation annually and on an as-needed basis, with input from management, on the specific work to be undertaken.

Elements of NEO Compensation

Compensation Mix

In keeping with the Company’s philosophy to link executive compensation to corporate performance and to motivate executives to achieve required levels of performance, the Company has adopted a model that

includes both base salary and “at-risk” compensation comprised of participation in the Company’s long-term incentive plan (stock options), as described below.

Base Salary

Directors may be eligible to receive a day rate for consulting services when requested by the Company to provide services not normally considered to be within the scope of directors’ duties. The Board considers that this is appropriate for the Company’s current stage of development. Base salaries are reviewed annually to ensure they reflect each respective executive’s performance and experience in fulfilling his or her role and to ensure executive retention.

Long Term Incentive Plan (Stock Options)

Long term incentives are performance-based grants of stock options. The awards are intended to align executive interests with those of shareholders by tying compensation to share performance and to assist in retention through vesting provisions. Grants of stock options are based on:

- (a) the executive’s performance;
- (b) the executive’s level of responsibility within the Company;
- (c) the number and exercise price of options previously issued to the executive; and
- (d) the overall aggregate total compensation package provided to the executive.

The value of any long-term options allocated is determined using the Black-Scholes model.

Management makes recommendations to the Board concerning the Company’s long-term incentive plan based on the above criteria. Options are typically granted upon the review of executives’ compensation packages. Options may also be granted to executives upon hire or promotion and as special recognition for extraordinary performance.

The Company’s Board of Directors considers previous grants of options and the overall number of options that are outstanding relative to the number of outstanding common shares in determining whether to make any new grants of options and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience, and level of commitment of the director, officer, employee, or consultant in determining the level of incentive stock option compensation.

Benefits and Perquisites

The Company’s NEOs do not receive any benefits or perquisites. For additional details, see “Description of the Long-Term Incentive Plan” below.

Pension Disclosure

The Company does not have a pension plan that provides for payments or benefits to the Named Executive Officers or directors at, following, or in connection with retirement.

Termination and Change of Control Benefits

There are no compensatory plans or arrangements with respect to any Named Executive Officer or director resulting from the resignation, retirement or any other termination of employment of the officer’s employment or from a changed of the Name Executive Officer’s or director’s responsibilities following a change in control.

SECTION 6 - CORPORATE GOVERNANCE

Pursuant to National Policy 58-101 *Disclosure of Corporate Governance Practices* and Form 58-101F2 *Corporate Governance Disclosure (Venture Issuers)*, the Company is required to and hereby discloses its corporate governance practices as follows:

Board of Directors

The Board of Directors of the Company facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board.

Clinton Sharples and Richard Walker are "independent" board members in that they are independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director's ability to act in the best interests of the Company, other than the interests and relationships arising from shareholders.

Jagdip Bal is not independent due to his position as the CEO of the Company. Jatinder Manhas is not independent due to his position as the CFO and Corporate Secretary of the Company.

Directorships in Other Reporting Issuers

Clinton Sharples is a director of Heritage Cannabis Holdings Corp., listed on the Canadian Securities Exchange.

None of the other current directors and officers of the Company are presently directors or officers of other reporting issuers.

Orientation and Continuing Education

The Company has not developed an official orientation or training program for new directors. As required, new directors will have the opportunity to become familiar with the Company by meeting with other directors and its officers and employees. Orientation activities will be tailored to the particular needs and expertise of each director and the overall needs of the Board.

Ethical Business Conduct

The Company does not currently have a formal code of business conduct or policy in place for its directors, officers, employees and consultants. The Board believes that the Company's size facilitates informal review of and discussions with employees and consultants. The Board monitors ethical conduct of the Company and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decision of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board has not appointed a nominating committee as the Board fulfills these functions. When the Board identifies the need to fill a position on the Board, the Board requests that current Directors forward potential candidates for consideration.

Compensation

The Board makes decisions regarding compensation.

Market comparisons as well as evaluation of similar positions in different industries in the same geography are the criteria used in determining compensation, the objective being to set compensation levels to attract and retain individuals of high caliber to serve as officers of the Company, to motivate their performance in order to achieve the Company's strategic objectives and to align the interests of executive officers with the long-term interests of the Shareholders, while at the same time preserving cash flows. The Board of Directors will set the compensation so as to be generally competitive with the compensation received by persons with similar qualifications and responsibilities who are engaged by other companies of corresponding size, stage of development, having similar assets, number of employees, market capitalization and profit margin. In setting such levels, the Board of Directors will rely primarily on their own experience and knowledge.

Other Board Committees

At present, the Board has no committees other than the Audit Committee.

Assessments

The Board takes responsibility for monitoring and assessing its effectiveness and the performance of individual directors, its committees, including reviewing the Board's decision-making processes and the quality of information provided by management.
