

Element Nutritional Sciences Live Interview With WallStreetBets

BURLINGTON, Ontario--(BUSINESS WIRE)--January 31, 2022--Element Nutritional Sciences Inc. (CSE:ELMT; OTC:ELNSF; FRANKFURT:93X) (the "Company" or "Element"), is pleased to announce that WallStreetBets founder Jaime Rogozinski will be interviewing Element's founder and CEO, Stuart Lowther, today at 10 am ET. The live streaming interview will be accessible through both Twitter and YouTube.

Founded by Jamie Rogozinski in 2012, WallStreetBets is an online investor community where participants discuss stock and option trading. The community has over 11.6 million members. The WallStreetBets subreddit can be accessed here: [/r/wallstreetbets](https://www.reddit.com/r/wallstreetbets).

The interview will focus on the growth of Element's flagship brand, Rejuvenate™, a patented and clinically proven plant based amino acid formulation that helps improve muscle health. Mr. Lowther will also be discussing Element's innovation pipeline, the Company's plan for the sports nutrition market, and an update on its distribution strategy, including developments with CVS, Walgreens and Sam's Club.

Stuart Lowther, Element's Chief Executive Officer, said, "The nutraceutical market is large and Element has a unique combination of proven intellectual property, a plant-based product and validation from large national retailers in the United States. The Company has a long runway for profitable growth and we are thrilled to share our story with Jaime and his followers."

About Element

Element is an innovative and research driven Canadian nutraceutical company specializing in the development of science-based products for the global consumer packaged goods market, with a portfolio focused specifically on men and women over the age of 50. Element's lead product, Rejuvenate™, is a proprietary formulation that is clinically proven to assist in the rebuilding, restoration and rejuvenation of natural loss of muscle mass due to aging or other medical conditions. Element also offers JAKTRX™, an elite brand of performance supplements. Element was founded in 2015 and is located in Burlington, Ontario.

Forward Looking Statements

This news release contains "forward-looking information" and "forward-looking statements" (collectively, "forward looking statements") within the meaning of the applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release. Any statement that involves discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as "expects", or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results

“may” or “could”, “would”, “might” or “will” be taken to occur or be achieved) are not statements of historical fact and may be forward-looking statements.

These forward-looking statements are based on reasonable assumptions and estimates of management of the Company at the time such statements were made. Actual future results may differ materially as forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to materially differ from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors, among other things, include: fluctuations in general macroeconomic conditions; expectations regarding the size of the United States and Canadian health, nutraceutical and wellness markets and changing consumer habits; the viability of the Company’s products; availability of distribution channels for the Company’s product offerings; the ability of the Company to successfully achieve its business objectives; plans for expansion; successful development of the Company’s proposed products; the presence of laws and regulations that may impose restrictions or recalls on the sale of the Company’s products in the United States and Canada; customer and distributor relations; fluctuations in securities markets; and the inability of the Company to obtain adequate insurance to cover risks and hazards. Although the forward-looking statements contained in this news release are based upon what management of the Company believes, or believed at the time, to be reasonable assumptions, the Company cannot assure shareholders that actual results will be consistent with such forward-looking statements, as there may be other factors that cause results not to be as anticipated, estimated or intended. Readers should not place undue reliance on the forward-looking statements and information contained in this news release. The Company assumes no obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by law.

No stock exchange, securities commission or other regulatory authority has approved or disapproved the information contained herein.
