

Element Announces Debt Settlement

BURLINGTON, Ontario – May 5, 2023 – Element Nutritional Sciences Inc. (CSE:ELMT; OTC:ELNSF; FRANKFURT:93X) (the “Company” or “Element”) announces it has entered into a debt settlement agreement with an arm’s length service provider, pursuant to which the Company has agreed to settle \$113,000 in outstanding debt in exchange for the issuance of 869,231 common shares of the Company (the “Debt Settlement”). Pursuant to the policies of the Canadian Securities Exchange, the Debt Settlement cannot close prior to five business days from the announcement of the Company’s intention to complete the Debt Settlement. Any securities issued in connection with the Debt Settlement will be subject to a hold period of four months and one day.

About Element

Element is an innovative and research driven Canadian nutraceutical company specializing in the development of patented and science-based products for the global consumer packaged goods market, with a portfolio focused specifically on men and women over the age of 50. Element’s lead product, Rejuvenate™, is a proprietary formulation that is clinically proven to assist in the rebuilding, restoration and rejuvenation of natural loss of muscle mass due to aging or other medical conditions. Element also offers JAKTRX™, an elite brand of performance supplements. Element was founded in 2015 and is located in Burlington, Ontario.

Forward-Looking Statements

This news release contains “forward-looking information” and “forward-looking statements” (collectively, “forward-looking statements”) within the meaning of applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release. All statements that address activities, events, or developments that the Company expects or anticipates will, or may, occur in the future, including statements about the Debt Settlement and the Company's business prospects, future trends, plans and strategies. In some cases, forward looking statements are preceded by, followed by, or include words such as “may”, “will”, “would”, “could”, “should”, “believes”, “estimates”, “projects”, “potential”, “expects”, “plans”, “anticipates”, “continues”, or the negative of those words or other similar or comparable words. In preparing the forward-looking statements in this news release, the Company has applied several material assumptions, including, but not limited to, timely receipt of all regulatory approvals required for the Debt Settlement, including CSE approval, if applicable, and that general business and economic conditions will not change in a materially adverse manner. These forward-looking statements are based on reasonable assumptions and estimates of management of the Company at the time such statements were made. Actual future results may differ materially as forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to materially differ from any future results, performance or achievements expressed or implied by such forward-looking statements. Although the forward-looking statements contained in this news release are based upon what management of the Company believes, or believed at the time, to be reasonable assumptions, the Company cannot assure shareholders that actual results will be consistent with such forward-looking statements, as there may be other factors that cause results not to be as anticipated, estimated or intended. Readers should not place undue reliance on the forward-looking statements and information contained in this news release. The Company assumes no obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors.

No stock exchange, securities commission or other regulatory authority has approved or disapproved the information contained herein.
