

HAWKMOON ANNOUNCES LEADERSHIP CHANGES

March 28, 2023 – VANCOUVER, BRITISH COLUMBIA – Hawkmoon Resources Corp. (CSE:HM;; FSE:966) (“**Hawkmoon**” or the “**Company**”) is pleased to announce that its board of directors has appointed Patrick Morris as a director and as Chief Executive Officer and Corporate Secretary and Jasmine Cherian as Chief Financial Officer.

Mr. Morris is a seasoned entrepreneur and capital markets expert with two decades of experience successfully raising funds for microcap companies across diverse industries. His expertise spans pharmaceutical cannabis, resource exploration, blockchain technologies, finance and innovative businesses dedicated to the future of food. As CEO and Director of Eat Beyond Global Holdings Inc., Canada’s pioneering publicly traded investment issuer focused exclusively on investing in the future of food, Mr. Morris demonstrated his exceptional leadership skills and market acumen. Additionally, Mr. Morris co-created and co-produced Canada’s first nationally syndicated radio show showcasing growth stock opportunities, which aired on fourteen of the top-rated news talk stations across the country, cementing his reputation as a trusted and knowledgeable authority in the investment world.

Ms. Cherian is an accounting and business administration professional who holds a bachelor’s degree in business administration from the University of Calicut and an advanced diploma in accounting from BCIT.

Hawkmoon also announces the resignations of Branden Haynes as Director, Chief Executive Officer and Chief Financial Officer of the Company, effective March 27, 2023, and Hugh Oswald as a director, effective March 22, 2023. Mr. Haynes had taken on the role of interim CFO on February 22, 2023, when he replaced Geoff Balderson in the role. The Company wishes to thank Messrs. Haynes and Oswald for their contributions to the Company.

About Hawkmoon Resources

Hawkmoon is focused on junior stage project acquisitions across Canada. One of these projects is located in one of the world’s largest gold endowed areas, the Abitibi Greenstone Belt. The Wilson Gold Project can be accessed by government-maintained roads located east of the town of Lebel-sur-Quévillon, Quebec. The Company has recently acquired the Barriere and Gilnockie projects in British Columbia, as well as the Bonanza lithium brines property located in Alberta. Forward Looking Statements

This news release includes statements that constitute “forward-looking information” as defined under Canadian securities laws (“forward looking statements”). Without limitation, statements regarding future plans and objectives of the Company are forward looking statements that involve various degrees of risk. Forward-looking statements reflect management's current views with respect to possible future events and conditions and, by their nature, are subject to known and unknown risks and uncertainties, both general and specific to the Company. Although the Company believes the expectations expressed in its forward-looking statements are reasonable, forward looking statements are not guarantees of future performance, and actual outcomes may differ materially from those in forward-looking statements. The following are important factors that could cause the Company’s actual results to differ materially from those expressed or implied by such forward looking statements: the current labour market, the availability of suitable candidates, and the broader market conditions related to the publicly traded securities of the Company. Additional information regarding the various risks and uncertainties facing the Company are described in greater detail in the "Risk Factors" section of the Company’s annual management's discussion and analysis and other continuous disclosure documents filed with the Canadian securities regulatory authorities which are available at www.sedar.com. The Company undertakes no obligation to update forward-looking information except as required by applicable law. The reader is cautioned not to place undue reliance on forward-looking statements.
