Forward Looking Statements

This news release includes statements that constitute “forward-looking information” as defined under Canadian securities laws (“forward looking statements”). Without limitation, statements regarding future plans and objectives of the Company are forward looking statements that involve various degrees of risk. Forward-looking statements reflect management's current views with respect to possible future events and conditions and, by their nature, are subject to known and unknown risks and uncertainties, both general and specific to the Company. Although the Company believes the expectations expressed in its forward-looking statements are reasonable, forward looking statements are not guarantees of future performance, and actual outcomes may differ materially from those in forward-looking statements. The following are important factors that could cause the Company’s actual results to differ materially from those expressed or implied by such forward looking statements: the current labour market, the availability of suitable candidates, and the broader market conditions related to the publicly traded securities of the

Company. Additional information regarding the various risks and uncertainties facing the Company are described in greater detail in the “Risk Factors” section of the Company’s annual management's discussion and analysis and other continuous disclosure documents filed with the Canadian securities regulatory authorities which are available at www.sedar.com. The Company undertakes no obligation to update forward-looking information except as required by applicable law. The reader is cautioned not to place undue reliance on forward-looking statements.
