

Québec Innovative Materials Corp Announces DTC Eligibility of Its Common Shares

Lachute, Québec--(Newsfile Corp. - November 26, 2024) - Québec Innovative Materials Corp. ("QIMC" or the "Company") is pleased to announce that its common shares are now eligible for electronic clearing and settlement through the Depository Trust Company (DTC), a key milestone in enhancing the Company's market presence in the United States.

DTC eligibility streamlines the trading process, enabling investors to buy, sell, and hold QIMC shares with greater ease and efficiency. This enhances the accessibility and liquidity of the Company's shares, demonstrating QIMC's ongoing commitment to creating value and expanding opportunities for all its shareholders.

John Karagiannidis, CEO of QIMC, commented: "DTC eligibility simplifies the process of trading and transferring QIMC's shares between brokerages in the United States and reduces the costs incurred. With our shares now DTC eligible, we expect this to lead to greater liquidity and execution speeds. We look forward to sharing our growth story with a broader investor group." We remain dedicated to advancing our natural renewable hydrogen growth strategy and delivering exceptional value to our shareholders."

About Québec Innovative Materials Corp.

Québec Innovative Materials Corp. is a mineral exploration, and development company dedicated to exploring and harnessing the potential of Canada's abundant resources. With properties in Ontario and Québec, QIMC is focused on specializing in the exploration of white (natural) hydrogen and high-grade silica deposits, QIMC is committed to sustainable practices and innovation. With a focus on environmental stewardship and cutting-edge extraction technology, we aim to unlock the full potential of these materials to drive forward clean energy solutions to power the AI and carbon-neutral economy and contribute to a more sustainable future.

Forward-Looking Statements

This news release contains statements that constitute "forward-looking statements". Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause Québec Innovative Materials' actual results, performance or achievements, or developments in the industry to differ materially from the anticipated results, performance or achievements expressed or implied by such forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects," "plans," "anticipates," "believes," "intends," "estimates," "projects," "potential" and similar expressions, or that events or conditions "will," "would," "may," "could" or "should" occur.

Although Québec Innovative Materials believes the forward-looking information contained in this news release is reasonable based on information available on the date hereof, by their nature, forward-looking statements involve assumptions, known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements.

Examples of such assumptions, risks and uncertainties include, without limitation, assumptions, risks and uncertainties associated with general economic conditions; adverse industry events; future legislative and regulatory developments in the mining sector; the Company's ability to access sufficient capital from internal and external sources, and/or inability to access sufficient capital on favorable terms; mining industry and markets in Canada and generally; the ability of Québec Innovative Materials Corp. to implement its business strategies; competition; and other assumptions, risks and uncertainties.

The forward-looking information contained in this news release represents the expectations of the Company as of the date of this news release and, accordingly, is subject to change after such date. Readers should not place undue importance on forward-looking information and should not rely upon this information as of any other date. While the Company may elect to, it does not undertake to update this information at any particular time except as required in accordance with applicable laws.
