

Rritual Superfoods Ready to Launch Amazon Store in USA

Amazon Store eCommerce Launch to Elevate the Rritual Brand and Expand Customer Reach Nationwide

VANCOUVER, BC, June 17, 2021 /CNW/ - **Rritual Superfoods Inc. ("Rritual" or the "Company")** (CSE: RSF) (FSE: 0RW) (OTC: RRSFF) is excited to announce the full line of Rritual products have passed the approval process for listing on the Company's Amazon Store in the USA, planned for the end of June.

The Company has partnered with Orca Pacific ("Orca"), a full-service Amazon agency, for the build and optimization of the Rritual Amazon store and to execute the Company's digital marketing strategy. Engaging with Orca and launching on Amazon will strongly support Rritual's corporate mission for products to be within an arm's length of consumer desire and be available for convenient purchase. In partnership with Orca the Company will work towards a listing on Amazon Prime.

"Rritual's Amazon launch represents a significant milestone for the Company," said Mr. David Kerbel, Rritual CEO. "Rritual's multi-stage targeted launch is focused primarily on 'being where the customers are,' and no storefront in our world can help us more than Amazon to achieve that objective."

'Based on a survey done by Feedvisor on 2000+ customers in the U.S., 89% of the buyers are more likely to purchase from Amazon than any other eCommerce website.'¹

Since winning the ECRM Buyers Choice Award in late 2020, Rritual and Amazon have been in discussions, and actively engaged in the effort to launch the Rritual Amazon store. Rritual is building a Superfood Platform focused on wide distribution and modern innovation. At the forefront of innovation in the space, Rritual is driven to be the premium brand in the emerging functional mushroom and adaptogenic superfood market. Providing consumers with access to Rritual's product line on Amazon is essential to the Company's ambition to help lead and define the superfoods category.

"Once Rritual goes live on Amazon, it instantly becomes the focal point for our digital strategy, introducing the brand to many more customers and providing us with data and insights that will inform our leadership team in the ways we can be even more effective in serving customers and maximizing our opportunities for growth in every facet of our marketing program," added Peter Palarchio, Director of Marketing for Rritual.

Rritual product offerings are all USDA-certified organic and are a caffeine-free option that can be mixed with other beverages or enjoyed by itself. Rritual's proprietary Immune-Synergy Six Mushroom Blend is the only functional health product on the market that contains a daily prebiotic blend which nourishes a healthy gut microbiome and facilitates balanced digestive function.
