

Rritual Superfoods Product Line Certified by 'Tested To Be Trusted'

Rritual Product Line Achieves 'Tested To Be Trusted' Industry Standard Through Industry Leading Independent Lab Testing Protocol

Vancouver, British Columbia--(Newsfile Corp. - June 24, 2021) - **Rritual Superfoods Inc. (CSE: RSF) (FSE: 0RW) (OTC Pink: RRSFF) ("Rritual" or the "Company")** is excited to announce the Company's superfoods product line has passed the industry leading *Tested to be Trusted* program.

Rritual products were independently tested by UL Laboratories, based on exacting criteria aimed at providing consumers and retailers with confidence in product ingredients and efficacy.

"Rritual Superfoods is driven to help lead and define the superfoods category," said Mr. David Kerbel, Rritual CEO. "In achieving that vision, we are committed to best practices, ensuring that consumers, and our retail partners have total confidence in the quality and effectiveness of our products, this certification is a major step in establishing the Rritual brand promise."

Ongoing independent lab testing is a key feature of Rritual's future product strategy, adhering to and establishing the highest possible standards to gain consumer and retail confidence in the Company's product integrity.

Rritual product offerings are all USDA-certified organic and are a caffeine-free option that can be mixed with other beverages or enjoyed by itself. Rritual's proprietary Immune-Synergy Six Mushroom Blend is the only functional health product on the market that contains a daily prebiotic blend which nourishes a healthy gut microbiome and facilitates balanced digestive function.

About UL

As the global safety science leader, UL helps companies to demonstrate safety, enhance sustainability, strengthen security, deliver quality, manage risk and achieve regulatory compliance.

About Rritual

Rritual is a fast-growing functional superfood company that creates natural wellness products which support a holistic approach to a healthy lifestyle. The company is poised to dominate a segment where demand and sales are growing exponentially. Under the executive leadership with over 100 years of CPG pedigree, Rritual has launched distribution to major retailers and is positioning itself to lead and define functional health and wellness industry as a superfood platform. Rritual markets organic wellness products in the United States through initial retail rollout which includes over 10,000 points of sale and through www.rritual.com.

Forward-Looking Information

This news release contains forward-looking statements and forward-looking information within the meaning of Canadian securities legislation (collectively, "forward-looking statements") that relate to Rritual's current expectations and views of future events. Any statements that express, or involve discussions as to, expectations, beliefs, plans, objectives, assumptions or future events or performance (often, but not always, through the use of words or phrases such as "will likely result", "are expected to", "expects", "will continue", "is anticipated", "anticipates", "believes", "estimated", "intends", "plans", "forecast", "projection", "strategy", "objective" and "outlook") are not historical facts and may be forward-looking statements and may involve estimates, assumptions and uncertainties which could cause actual results or outcomes to differ materially from those expressed in such forward-looking statements. No assurance can be given that these expectations will prove to be correct and such forward-looking statements included in this news release should not be unduly relied upon. These statements speak only as of the date of this news release. In particular and without limitation, this news release contains forward-looking statements relating to the Company's plans to leverage third party manufacturing and logistics, the Company's broader retail distribution plans and the Company's other plans, focus and objectives.

Forward-looking statements are based on a number of assumptions and are subject to a number of risks and uncertainties, many of which are beyond Rritual's control, which could cause actual results and events to differ materially from those that are disclosed in or implied by such forward-looking statements. Such risks and uncertainties include, but are not limited to, the impact and progression of the COVID-19 pandemic and other factors set forth under "Forward-Looking Statements" and "Risk Factors" in the final long form prospectus of the Company dated February 26, 2021 and available under the Company's profile on SEDAR at www.sedar.com. Rritual undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by law. New factors emerge from time to time, and it is not possible for Rritual to predict all of them or assess the impact of each such factor or the extent to which any factor, or combination of factors, may cause results to differ materially from those contained in any forward-looking statement. Any forward-looking statements contained in this news release are expressly qualified in their entirety by this cautionary statement.
