**CASCADA SILVER CORP.
INFORMATION CIRCULAR**

Solicitation of Proxies

This Information Circular is furnished in connection with the solicitation of proxies by the management of Cascada Silver Corp. (the "**Company**") for use at the 2022 Annual General Meeting (the "**Meeting**") of the Company shareholders to be held on January 3, 2023 and at any adjournments thereof. Unless the context otherwise requires, references to the Company in this Information Circular include its subsidiaries.

While it is expected that the solicitations will be primarily by mail, proxies may be solicited personally or by telephone, without special compensation, by directors, officers and regular employees of the Company or by agents retained for that purpose. The Company does not have any contract or arrangement for the solicitation with any specially engaged employees or soliciting agents. The Company may reimburse shareholders, nominees or agents for any costs incurred in obtaining from their principals proper authorization to execute proxies. The Company may also reimburse brokers and other persons holding shares in their own name or in the names of their nominees for expenses incurred in sending proxies and proxy materials to the beneficial owners thereof in obtaining their proxies. All costs of all solicitations on behalf of management will be borne by the Company.

For the purposes of Item 3 of Form 51-102F5 under National Instrument 51-102 - "Continuous Disclosure Obligations" ("**NI 51-102**") of the Canadian Securities Administrator (the "**CSA**"), the Company advises that no director of the Company has informed management in writing that such director intends to oppose any action intended to be taken by management at the Meeting.

Appointment of Proxy Holder

Shareholders of the Company who hold shares in their own names are described in this Information Circular as "**registered shareholders**". Only registered shareholders of the Company ("**Registered Shareholders**") or their duly appointed proxy holders are entitled to vote at the Meeting. Voting instructions for non-registered shareholders are set forth below under "*Advice to Beneficial Holders of Shares on Voting Shares*".

The purpose of a proxy is to permit a Registered Shareholder to designate one or more persons as proxy holder(s) to vote on that Registered Shareholder's behalf in accordance with the instructions given by the Registered Shareholder in the proxy. The persons designated as proxy holders in the form of proxy accompanying this Information Circular (the "**Proxy**"), each of whom is a director or officer of or legal counsel to the Company, have been selected by management.

Each Registered Shareholder has the right to appoint a person, who need not be a shareholder, to attend and act for and on behalf of such shareholder at the Meeting other than the person(s) designated by management in the Proxy accompanying this circular. A Registered Shareholder desiring to appoint some other person as proxy holder may do so by striking out the printed names and inserting the name of the desired person in the space provided in the Proxy, or by executing and delivering another acceptable form of proxy similar to the Proxy.

If no choice of proxy holder is made in such manner by the Registered Shareholder, then the person first named as proxy holder in the Proxy will exercise the Proxy with automatic substitution of the succeeding named proxy holder if such first named proxy holder does not attend the Meeting and automatic substitution of the third named proxy holder, if any, if such second named proxy holder does not attend the Meeting.

Deposit of Proxy

Registered Shareholders desiring to vote by Proxy may do so by:

1. depositing a signed and dated Proxy with Computershare Trust Company of Canada ("**Computershare**"), at 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or at Computershare's Vancouver office, 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9; or
2. faxing a signed and dated Proxy to Computershare from within North America to 1-866-249-7775 or from outside North America to 416-263-9524; or
3. using any other method described in the Proxy, such as internet voting, by following the instructions for such method set out in the Proxy, in which case the Registered Shareholder will need the control number set out in the Proxy.

In all cases, to be valid, a Proxy (or other acceptable form of Proxy vote) must be received not later than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time of the Meeting unless the Chairman of the Meeting exercises his discretion to accept proxies received after that time.

Revocation of Proxy

A Registered Shareholder which has submitted a Proxy may revoke it either by signing a Proxy bearing a later date and depositing it at the place and within the time aforesaid or by signing and dating a written notice of revocation (in the same manner as the Proxy is required to be executed as set out in the notes to the Proxy) and either depositing the same at the place and within the time aforesaid or with the Chairman of the Meeting on the day of the Meeting, or on the day of any adjournment thereof, or registering with the scrutineer at the Meeting as a Registered Shareholder present in person, or in any other manner provided by law, whereupon such proxy shall be deemed to have been revoked. Revocation of a Proxy will not affect any matter on which a vote has been taken before the revocation.

Voting by Proxy

If the instructions of a Registered Shareholder are certain, the shares represented by any Proxy given by that Registered Shareholder will be voted or withheld from voting on any ballot that may be called for, and where the Registered Shareholder specifies a choice with respect to any matter to be acted on, the shares will be voted or withheld from voting on any ballot that may be called for in accordance with the specified choice. **Where no choice is specified, the Proxy confers discretionary authority on the Registered Shareholder's appointed proxy holder. If a Registered Shareholder has not appointed his or her own proxy holder, such shares will be voted by management's designates in favour of the matters described in the Proxy and, if applicable, for the nominees of management and auditors as identified in the Proxy.**

Exercise of Discretion by Proxy Holder

The Proxy gives each Registered Shareholder the ability to confer discretionary authority upon the proxy holder with respect to amendments or variations to matters identified in the notice of Meeting and other matters which may properly come before the Meeting. At the time of printing this Information Circular, Management of the Company knows of no such amendments, variations or other matters which are anticipated to be presented for consideration or action at the Meeting.

Advice to Beneficial Holders of Shares on Voting Shares

The information set forth in this section is of significant importance to any beneficial owner of shares who does not hold title to such shares in his, her or its own name. Beneficial owners of shares who do not have such shares registered in their own name (referred to in this Information Circular as "**Non-**

Registered Owners") should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

Most beneficial owners of shares are Non-Registered Owners. If your shares are listed in an account statement provided to you by an "intermediary" (a term used to refer to, among others, brokerage firms, banks, trust companies and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans) (an "**Intermediary**"), then, in almost all cases, those shares will not be registered in your name on the records of the Company. Such shares will more likely be registered under the name of the Non-Registered Owner's Intermediary or an agent of that Intermediary. In Canada, the vast majority of such shares are registered under the name of CDS & Co., the nominee of The Canadian Depository for Securities, which acts as depository for many Canadian brokerage firms and other Intermediaries. In the United States, the vast majority of such shares are registered under the name of Cede & Co., the nominee of Depository Trust Company, which acts as depository for many United States brokers and other Intermediaries. Such Intermediaries and depositories are collectively referred to in this Information Circular as "**Intermediaries**". The Intermediary with which a Non-Registered Owner has a direct relationship, such as the brokerage firm with which the Non-Registered Owner has deposited his shares, is known as the "proximate Intermediary" of that Non-Registered Owner.

Pursuant to National Instrument 54-101 - "Communications with Beneficial Owners of Securities of a Reporting Issuer" ("**NI 54-101**") of the CSA, all Intermediaries are required to seek voting instructions from Non-Registered Owners in advance of each shareholder meeting. Shares held by an Intermediary can, by law, only be voted with instructions from the Non-Registered Owner of such shares. Without specific instructions, Intermediaries are prohibited from voting such shares. **Therefore, Non-Registered Owners should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.** That person is generally the proximate Intermediary of that Non-Registered Owner.

Pursuant to NI 54-101, the Company advises as follows:

These security-holder materials are being sent to both Registered and Non-Registered Owners of the securities. If you are a Non-Registered Owner and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

The notice of Meeting, this Information Circular and other security-holder materials respecting the Meeting, including a Proxy or Voting Instruction Form (a "**VIF**", and collectively, "**Meeting Materials**") are being sent directly to Registered Shareholders. As noted above under "*Appointment of Proxy Holder*", Meeting Materials sent to Registered Shareholders include a Proxy.

There are two kinds of Non-Registered Owners recognized by NI 54-101. Non-Registered Owners who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as non-objecting beneficial owners ("**NOBOs**"). Those Non-Registered Owners who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as objecting beneficial owners ("**OBOs**").

Voting Instruction Form

The purpose of the procedure established by NI 54-101 is to permit Non-Registered Owners to direct the voting of the shares which they beneficially own. Meeting Materials sent to Non-Registered Owners who have not waived the right to receive Meeting Materials, regardless of whether they are NOBOs or OBOs, do not include a Proxy. Instead, pursuant to NI 54-101, they include a VIF. The content of a VIF is almost identical to the content of a proxy. A VIF differs from the proxy insofar as its purpose is limited to instructing the Registered Shareholder (i.e., the Intermediary) or the Company how to vote on behalf of the Non-Registered Owner. By returning a VIF in accordance with the instructions noted on it, a NOBO is able to instruct the Company and an OBO is able to instruct its Intermediary how to vote on behalf of the Non-Registered Owner.

A Non-Registered Owner who wishes to attend the Meeting and vote in person may write their names in the place provided for that purpose on the VIF. A Non-Registered Owner can also write the name of someone else whom the Non-Registered Owner wishes to attend the Meeting and vote on behalf of the Non-Registered Owner. Unless prohibited by law, the person whose name is written in the space provided in the VIF will be appointed as proxy holder for the Non-Registered Owner pursuant to section 2.18 or section 4.5 of NI 54-101 and, as such, will have full authority to present matters to the Meeting and vote on all matters that are presented at the Meeting, even if those matters are not set out in the VIF or this Information Circular. A Non-Registered Owner should consult a legal advisor if the Non-Registered Owner wishes to modify the authority of the person to be appointed as proxy holder in any way.

VIFs contain specific instructions, all of which should be followed closely. VIFs, whether provided to the Non-Registered Owner by the Company or by an Intermediary, should be completed and returned in accordance with the specific voting instructions noted on the VIF.

Non-Registered Owners who are NOBOs

NI 54-101 permits the Company to obtain a list of its NOBOs from Intermediaries via its transfer agent, and to send Meeting Materials to NOBOs directly or indirectly. If an issuer elects to send Meeting Materials to NOBOs indirectly, such Meeting Materials are sent to NOBOs by the Intermediaries in the same manner as Meeting Materials are sent to OBOs by the Intermediaries, described under "*Non-Registered Owners who are OBOs*" below.

The Company has elected to send Meeting Materials, including a VIF, directly to NOBOs. It may retain the services of its transfer agent or another agent to handle the mailing of Meeting Materials to NOBOs and the tabulation of votes received from NOBOs. Pursuant to NI 54-101, the Company advises as follows:

By choosing to send these materials to you directly, the issuer (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Non-Registered Owners who are OBOs

Meeting Materials will not be sent to OBOs directly by the Company, and the Company does not intend to pay for any Intermediary to deliver Meeting Materials to OBOs. Accordingly, OBOs will not receive the Meeting Materials unless their Intermediary assumes the costs of delivery. The majority of Intermediaries now delegate responsibility for obtaining voting instructions from OBOs, and mailing Meeting Materials to OBOs, to Broadridge Financial Solutions, Inc. ("**Broadridge**"). In cases where an issuer does not elect to send Meeting Materials to NOBOs directly, the same delegation process typically applies. Broadridge prepares its own form of VIF based on the Proxy, mails that VIF and the other Meeting Materials to OBOs (and NOBOs, where applicable), and tabulates the results of all voting instructions received from the OBOs (and NOBOs, where applicable). Broadridge then delivers such voting results to the issuer or its transfer agent, where they are added to the votes of Registered Shareholders and any votes of NOBOs which have been submitted directly to the issuer or its transfer agent.

Notice and Access

NI 54-101 permits an issuer to send proxy-related materials to Registered Shareholders and Non-Registered Owners using a procedure referred to as "notice and access". The Company is not using the "notice-and-access" procedure for the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of common and preferred shares, of which 64,660,100 common shares were issued and outstanding on November 23, 2022, the record date (the "**Record Date**") for the Meeting. Each Share carries the right to one vote on any poll at meetings of shareholders of the Company. The Company has no other classes of voting securities.

In respect of currently issued and outstanding shares, those persons entitled to receive notice of and to attend and vote at the Meeting in person or by Proxy will be determined by the record of Registered Shareholders of the Company at 4:00 p.m. (local Vancouver time) on the Record Date. If the Company should issue additional shares from treasury after the Record Date, the person or persons to whom those shares are issued shall not be entitled to receive notice of the Meeting, but shall, if included on the record of Registered Shareholders of before the time for the meeting, be entitled to vote at the meeting in person or by Proxy, if they have deposited the Proxy not fewer than 48 hours (Saturdays, Sundays and statutory holidays excluded) before the time for the Meeting.

The quorum required for the transaction of business at the Meeting is one person who is, or who represents by proxy, a shareholder entitled to vote at such meeting.

To the best of the knowledge and belief of the directors and senior officers of the Company, as at the Record Date, no person beneficially owned, directly or indirectly, or exercised control or direction over shares carrying more than 10% of the voting rights attached to any class of voting securities of the Company.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED ON

No person who has been a director or senior officer of the Company at any time since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of any of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors or the appointment of an auditor, except as may be disclosed herein under the heading "Particulars of Matters to be Acted Upon".

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

For the purposes of this Information Circular, as defined in NI 51-102, "**informed person**" means:

- a) a director or executive officer of the Company;
- b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Company;
- c) any person or company who beneficially owns, directly or indirectly, voting securities of the Company or who exercises control or direction over voting securities of the Company, or a combination of both, carrying more than 10% of the voting rights attached to all outstanding voting securities of the Company, other than voting securities held by the person or company as underwriter in the course of a distribution; and
- d) the Company if it has purchased, redeemed or otherwise acquired any of its own securities, for so long as it holds any of its securities.

No informed person of the Company, nor any proposed director of the Company, nor any associate or affiliate of any informed person or proposed director, has had any material interest, direct or indirect, in any transaction since the commencement of the Company's last completed financial year, or has any material interest, direct or indirect, in any proposed transaction which, in either case, has materially affected or would materially affect the Company, except as may otherwise be disclosed herein.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No director, proposed director, executive officer, employee or former executive officer, director or employee of the Company or any of its subsidiaries, or any associate of any director, proposed director or executive officer has been indebted to the Company or any subsidiary of the Company at any time since the beginning of the last completed financial year of the Company, other than for routine indebtedness.

STATEMENT OF EXECUTIVE COMPENSATION

Summary of NEO Compensation

Form 51-102F6V – "Statement of Executive Compensation-Venture Issuers", adopted by the CSA defines "Named Executive Officers" or "NEOs" to include:

- a) a Chief Executive Officer ("**CEO**") of the Company or an individual performing functions similar to a CEO;
- b) a Chief Financial Officer ("**CFO**") of the Company or an individual performing functions similar to a CFO;
- c) the most highly compensated executive officers of the Company, including any of its subsidiaries, (or the most highly compensated individuals acting in a similar capacity), other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000; and
- d) each individual who would be a NEO under paragraph (iii) but for the fact that the individual was neither an executive officer of the Company or its subsidiaries, nor acting in a similar capacity, at the end of that financial year.

Pursuant to Form 51-102F6, the Company provides the following disclosure regarding all compensation paid, payable, awarded, granted, given, or otherwise provided, directly or indirectly, by the Company, or a subsidiary of the Company, to each NEO and director in the most recently completed year, in any capacity, including, for greater certainty, all plan and non-plan compensation, direct and indirect pay, remuneration, economic or financial award, reward, benefit, gift or perquisite paid, payable, awarded, granted, given, or otherwise provided to the NEO or director for services provided, directly or indirectly, to the Company or a subsidiary of the Company.

Except as set forth in this Information Circular, no compensation has been awarded to, earned by, paid to, or become payable to any director or NEO, in any capacity with respect to the Company or its subsidiaries, and, to the best of management's knowledge and belief, no compensation has been awarded to, earned by, paid to, or become payable to, a NEO or director, in any capacity with respect to the Company, by another person or company.

NEO Compensation Discussion and Analysis

The compensation paid to NEOs directly and indirectly is designed to fairly compensate the NEOs for the time they commit to the Company's affairs. The objective of the compensation is to retain their services and to incent and reward them for those services.

The Company does not have a formally constituted Compensation Committee. Compensation decisions are made by the board of directors of the Company (the "**Board**") as a whole on recommendations from independent directors.

The Company's process for determining executive compensation is straightforward. The Company relies solely on management and the Board's discussions without any formal objectives or criteria. The Board assesses hourly, per diem or monthly cash compensation paid to the NEOs based on their judgment of prevailing market rates for similar services and based upon the proportion of the total time that each individual will dedicate to the affairs of the Company. The objectives of the NEOs are closely aligned with management and the Board's objectives in respect of the Company's current and potential business

prospects. Any bonuses for NEOs will be determined according to achievement goals established by the Board. No such goals have been established to date, and no bonuses have been declared or paid.

Performance goals are subjective because the Company is a junior natural resource company. Performance goals are not based on objective, identifiable measures, such as the company's share price or earnings per share.

No new actions, decisions or policies were made after the end of the most recently completed financial year that could affect a reasonable person's understanding of an NEO's compensation for the most recently completed financial year.

The Company uses option-based awards to incent directors, officers and employees, as well as certain consultants. The Board as a whole is responsible for setting or amending any equity incentive plan under which an option-based award is granted. Previous grants of option-based awards are taken into account when considering new grants.

The Company is a venture issuer and relies on the exemption from the obligation to provide a Share Performance Graph set out in Item 2.2 of Form 51-102F6V; "Statement of Executive Compensation-Venture Issuer".

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

Shareholders will be asked to consider and, if thought fit, to pass an ordinary resolution approving the Company's stock option plan (the "**Plan**"). The Company has no other incentive plans.

The Plan is referred to as a "10% rolling stock option plan" and the Company will seek shareholder approval of the Plan at the Meeting. The Plan and the requirements for approval are more particularly described under "*Particulars of Matters to be Acted On – Stock Option Plan*".

The following table sets out equity compensation plan information required to be disclosed by Form 52-102F5 – "Information Circular" as at the end of the Company's financial year ended June 30, 2022.

Plan Category	Number of shares to be issued upon exercise of outstanding options as at June 30, 2022	Weighted-average exercise price of outstanding options as at June 30, 2022	Number of shares remaining available for future issuance under stock option plan (excluding securities reflected in column (a))⁽²⁾
Equity compensation plans approved by security holders ⁽¹⁾	5,850,000	\$0.11	616,100

(1) The Plan permits the grant of stock options exercisable to purchase that number of shares which is equal, in the aggregate, to a maximum of 10% of the number of shares of the Company outstanding at the time of grant.

(2) If all outstanding options and all options remaining available for grant under the Plan were granted and were exercised, the shares which would be issued upon such exercise would constitute 10% of the Company's issued and outstanding shares on a non-diluted basis. The Company had 64,660,100 shares outstanding on June 30, 2022.

CORPORATE GOVERNANCE

National Instrument 58-101 - "Disclosure of Corporate Governance Practices" ("**NI 58-101**") requires that, whenever management of a venture issuer solicits a proxy from a security holder for the purpose of electing directors to that issuer's board of directors, that issuer must include in its Information Circular for the meeting at which directors are proposed to be elected the disclosure in respect of its corporate governance practices

required by Form 58-101F2 – "Corporate Governance Disclosure (Venture Issuers)". The Company is a venture issuer and, accordingly, provides the following prescribed disclosure, having regard to the corporate governance guidelines (the "**Guidelines**") adopted in National Policy 58-201 – "Corporate Governance Guidelines". The Guidelines are not prescriptive, but have been considered by the Company in adopting its corporate governance practices.

Board of Directors

The Board has the overall responsibility for the strategic planning and general management of the business and affairs of the Company. The Board does not have a written mandate. In fulfilling its responsibilities, the Board is responsible for, among other things:

- a) strategic planning for the Company;
- b) identification of the principal business risks of the Company and ensuring the implementation of the appropriate systems to manage these risks;
- c) succession planning for the Company, as well as the appointment, development and monitoring of senior management;
- d) a communications policy for the Company; and,
- e) the integrity of the Company's internal control and management information system.

The Company's Board is currently comprised of four directors.

The Guidelines suggest that the board of directors of every listed company should be constituted with a majority of individuals who qualify as "independent" directors under NI 58-101. Under NI 58-101, which refers in turn to National Instrument 52-110 – "Audit Committees" ("**NI 52-110**"), a director is considered independent if he or she has no direct or indirect "material relationship" with the Company (other than shareholdings) which could, in the view of the Board, reasonably interfere with the exercise of that director's independent judgment.

Of the proposed nominees, Brent Peters and Robert Suttie are "independent" within the meaning of NI 52-110.

The Board facilitates its exercise of independent supervision over management through its committee(s) having a majority of independent directors and through the requirement for approval of such matters as executive compensation by a majority of independent directors as well as a majority of the Board as a whole.

The Company has not historically had regularly scheduled meetings of independent directors at which non-independent directors are not in attendance, as approvals for corporate actions have generally been obtained by unanimous written resolutions.

Directorships

Each of the following is a director of the following reporting issuers:

- Carl Hansen: Antler Gold Inc.; Torrent Capital Ltd.
- Brent Peters: Voyageur Mineral Explorers Corp.
- Thomas Pladsen: Carrie Arran Resources Inc., Northfield Capital Corporation.
- Robert Suttie: ATEX Resources Inc.; BE Resources Inc.; North Peak Resources Limited.

No other current director or nominee is presently a director of any other issuer that is a reporting issuer (or the equivalent) in a Canadian or foreign jurisdiction.

Orientation and Continuing Education

The Board ensures that each new nominee has the competencies, skills and personal qualities required to perform his duty properly, and Company management does provide informal orientation and education to new directors respecting the Company's history, properties, performance and strategic plans. However, the Board does not have any formal policies with respect to the orientation of new directors, nor does it take any measures to provide continuing education for the directors. At this stage of the Company's development, and having regard to the background and experience of its directors, the Board does not feel it necessary to have such policies or programs in place. Each director is responsible for keeping informed of Company affairs, and directors are informed not less than quarterly regarding corporate developments in the process of approving financial statements and other continuous disclosure documents.

Ethical Business Conduct

The Board has adopted a formal written Code of Business Conduct and Ethics. As well, the current limited scope of the Company's operations and the small number of officers and consultants allows the Board to monitor on an ongoing basis the activities of management and to ensure that the highest standard of ethical conduct is maintained. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

Nomination of Directors

The Board has not historically had a formal process in place with respect to the recruitment or appointment of new directors. Candidates have historically been recruited by existing Board members, and the recruitment process has involved both formal and informal discussions among Board members. The Board does not currently have a Nominating Committee.

Compensation

The Company does not currently have any Compensation Committee. The Board as a whole determines compensation of directors and the President on recommendations from independent directors. Directors are not currently compensated for acting as directors, save for being granted incentive stock options. The Board is satisfied that currently outstanding stock options adequately reflect the responsibilities and risks involved in being an effective director of the Company.

Other Board Committees

At the present time, the only standing committee is the Audit Committee. As the Company grows, and its operations and management structure became more complex, the Board expects it will constitute additional formal standing committees, such as a Compensation Committee, and will ensure that such committees are governed by written charters and are composed of at least a majority of independent directors.

Assessments

The Board monitors, but does not formally assess, the performance of individual Board and committee members and their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time.

AUDIT COMMITTEE

As a reporting issuer in British Columbia, the Company is required to have an audit committee. NI 52-110 requires the Company, as a venture issuer, to disclose annually in its Information Circular the information required by Form 52-110F2 – "Disclosure by Venture Issuers". The required information is set out below. The Company's Audit Committee Charter is attached to this Information Circular as **Schedule A**. The following is a summary of matters relating to the Audit Committee.

Composition of the Audit Committee

Robert Suttie, Brent Peters and Carl Hansen are currently members of the Company's Audit Committee.

NI 52-110 provides that a member of an audit committee is independent if the member has no direct or indirect material relationship with the issuer, which could, in the view of the issuer's board of directors, reasonably interfere with the exercise of the member's independent judgment. Robert Suttie and Brent Peters are independent members of the Audit Committee of the Company for the purposes of NI 52-110.

NI 52-110 provides that an individual is "financially literate" if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the issuer's financial statements. All members of the Company's Audit Committee are considered to be financially literate as that term is defined in NI 52-110.

Relevant Education and Experience

Mr. Suttie is a financial executive and currently is the CFO and director and member of the audit committee of a number of Canadian reporting issuers. Mr. Peters is a financial executive and has been a CFO and director and member of the audit committees of a number of Canadian reporting issuers. Mr. Hansen, a geologist, has been the CEO and a member of the board of directors and audit committees for a number of Canadian reporting issuers.

Audit Committee Oversight

The Audit Committee has not, at any time since the commencement of the Company's most recently completed financial year, made a recommendation to the Board to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Certain Exemptions

The Company has not, at any time since the commencement of the Company's most recently completed financial year, relied on the exemption in section 2.4 of NI 52-110 (*De Minimis Non-audit Services*) or an exemption from NI 52-110, in whole or in part, granted under Part 8 (*Exemptions*) of NI 51-110.

Pre-Approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services. Engagements for such services are considered on a case-by-case basis.

The following table sets forth the fees billed to the Company by its auditor, Clearhouse LLP, Chartered Accountants, for services rendered in respect of the last three financial years for which audits have been completed.

The Company is a venture issuer as defined in NI 52-110 and relies on the exemption in section 6.1 of NI 52-110 relating to parts 3 (*Composition of Audit Committee*) and 5 (*Reporting Obligations*) of NI 52-110.

Recommendations

The Board recommends that the shareholders vote "FOR" the election of management's nominees as directors.

If named as proxy holder, on any ballot, the management designees of the Company named in the Proxy intend to vote the shares represented by each Proxy in respect of which they have been named proxy holder "FOR" the election of each of management's nominees as a director of the Company unless such Proxy specifies that authority to do so is withheld.

D. Stock Option Plan

The Board has proposed the Plan, which provides for the granting of options to directors, officers, employees and consultants of the Company and subsidiaries of the Company. Stock options are a significant long-term incentive and are viewed as an important aspect of compensation.

The Plan is referred to as a "10% rolling stock option plan", and was established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Plan is administered by the directors of the Company. The Plan provides that options will be issued pursuant to option agreements to directors, officers, employees and consultants of the Company and subsidiaries of the Company. Options do not vest until such agreement has been executed and delivered to the Company by the grantee. All options expire on a date determined by the Board, but in any event not later than five years after the granting of such options.

The Plan authorizes the Board to grant stock options to eligible persons on the following essential terms:

- a) The aggregate number of shares which may be issued pursuant to options granted under the Plan, unless otherwise approved by shareholders, may not exceed that number which is equal to 10% of the shares of the Company issued and outstanding on the relevant grant date.
- b) The number of shares subject to each option will be determined by the Board, provided that the aggregate number of shares reserved for issuance pursuant to option(s) granted to: (i) any one individual during any 12-month period may not exceed 5% of the issued shares of the Company, unless the additional options are approved by majority of the votes cast by "disinterested shareholders" at a general meeting; (ii) any one Consultant during any 12-month period may not exceed 2% of the issued shares of the Company; (iii) any one Person employed to provide Investor Relations Activities during any 12-month period may not exceed 2% of the issued shares of the Company. In each case, percentages noted in this subsection b) are calculated as at the date of grant of the option, including all other shares under option to such Person at that time.
- c) The exercise price of an option may not be set at a price less than the closing market price of the Company's shares on the trading day immediately preceding the date of grant of the option less a maximum discount of 25%.
- d) Options may be exercisable for a period of up to five years and, in the case of Consultants who are engaged in Investor Relations Activities will vest as to 25% on each of the date of grant and three, six, and nine months after the date of grant.
- e) The options are non-assignable, except in certain circumstances.
- f) The options can only be exercised by the optionee as long as the optionee remains an eligible optionee pursuant to the Plan or within a reasonable period (set by the directors in each case) after ceasing to be an eligible optionee or, if the optionee dies, within one year from the date of the optionee's death.

- g) On the occurrence of a takeover bid, issuer bid or going private transaction, the Board will have the right to accelerate the date on which any option becomes exercisable.

At the Meeting, shareholders will be asked to approve the Plan by ordinary resolution. Specifically, shareholders will be asked to consider and, if thought fit, to pass an ordinary resolution in substantially the following form, subject to such changes as may be recommended by legal counsel or required by Regulatory Authorities:

"Resolved, as an ordinary resolution, that the Company's 10% rolling stock option plan is ratified, confirmed and approved, including the reserving for issuance under the stock option plan at any time of a maximum of 10% of the issued and outstanding common shares of the Company, subject to regulatory approval, all as more particularly described in the Company's information circular dated November 23, 2022."

A copy of the Plan is attached as Schedule B to this Information Circular.

The Board recommends that the shareholders vote "FOR" approval and ratification of the Plan.

If named as proxy holder, on any ballot, the management designees of the Company named in the Proxy intend to vote the shares represented by each Proxy in respect of which they have been named proxy holder "FOR" approval and ratification of the Plan unless such Proxy specifies that the proxy holder is to vote "AGAINST" approval and ratification of the Plan.

E. Other Business

The Company will consider and transact such other business as may properly come before the Meeting or any adjournment thereof. Management of the Company knows of no other matters to come before the Meeting other than those referred to in the notice of Meeting. Should any other matters properly come before the Meeting, the shares represented by the Proxy solicited hereby will be voted on such matter in accordance with the best judgment of the proxy holders.

RESTRICTED SECURITIES

No action is proposed to be taken at the Meeting which involves a transaction that would have the effect of converting or subdividing, in whole or in part, existing securities into restricted securities, or creating new restricted securities.

Without limiting the generality of the foregoing, where a Committee has been appointed by the Board to administer this 2021 Plan pursuant to a general resolution passed by the Board, such Committee has authority to:

(i) grant to Eligible Participants up to the number of options specified by the Board in the resolution appointing the Committee or in any other subsequent resolution(s) of the Board, the whole on the terms set out in such resolution(s);

(ii) exercise rights reserved to CSC under this 2021 Plan;

(iii) determine vesting terms and conditions for options granted under this 2021 Plan in accordance with the terms and conditions of this 2021 Plan; and

(iv) make all other determinations and take all other actions as it considers necessary or advisable for implementation and administration of this 2021 Plan.

(b) The interpretation, construction and application of this 2021 Plan shall be made by the Board and shall be final and binding on all holders of options granted under this 2021 Plan and all persons eligible to participate under the provisions of this 2021 Plan.

(c) No member of the Board or Committee shall be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of this 2021 Plan or any options granted under it.

4. COMMON SHARES SUBJECT TO THE 2021 Plan

(a) Subject to subsection 4(b), the maximum number of Common Shares which may be issued under options granted under this 2021 Plan, from time to time, shall be equal to 10% of the Issued Common Shares.

(b) The following limitations apply to grants of options under this 2021 Plan:

(i) the aggregate number of options granted to any one Person (and companies owned or controlled by that Person) in a twelve month period must not exceed 5% of the Issued Common Shares, calculated on the date an option is granted to the Person (unless CSC has obtained the requisite Disinterested Shareholder Approval);

(ii) the aggregate number of options granted to any one Consultant in a twelve month period must not exceed 2% of the Issued Common Shares, calculated at the date an option is granted to the Consultant;

(iii) the aggregate number of options granted to all Persons retained to provide Investor Relations Activities must not exceed 2% of the Issued Common Shares in any twelve month period, calculated at the date an

option is granted to any such Person;

(iv) the number of Common Shares which may be issued under this 2021 Plan together with Common Shares reserved for issuance under all other stock option plans of CSC shall not exceed 10% of the Issued Common Shares.

(c) Common Shares in respect of which an option is granted under this 2021 Plan but not exercised prior to the termination of such option, due to the expiration, termination or lapse of such option or otherwise, shall be available for options to be granted thereafter pursuant to the provisions of this 2021 Plan. All Common Shares issued pursuant to the exercise of the options granted under this 2021 Plan shall be so issued as fully paid and non-assessable Common Shares.

(d) This 2021 Plan is an "evergreen" plan and, accordingly, any exercise of options will, subject to the overall limit provided for at subsection 4(a) above, make new grants available hereunder effectively resulting in a reloading of the number of options available to grant hereunder. In addition, options that have been cancelled, terminated or not exercised, may continue to be issuable under this 2021 Plan as new grants of options made in compliance with this 2021 Plan.

(e) The Board (which for these purposes does not include a reference to a Committee) shall allot, set aside and reserve for issuance for the purpose of this 2021 Plan a sufficient number of Common Shares at each meeting of the Board such that the number of Common Shares issuable under section 4 shall be properly allotted, set aside and reserved for issuance.

5. ELIGIBILITY AND GRANT OF OPTIONS

(a) Options shall be granted only to Eligible Participants or to a registered retirement savings plan established and controlled by an Eligible Participant and provided that in each case, the Eligible Participant is an Eligible Participant at the time of the grant.

(b) Subject to the foregoing, the Board shall have full and final authority to determine the Eligible Participants who are to be allocated and granted options under this 2021 Plan and the number of Common Shares subject to each option grant.

Subject to section 14, stock options granted under this 2021 Plan shall be for the purchase of Common Shares only, and for no other security.

(c) Unless limited by the terms of this 2021 Plan or any regulatory or stock exchange requirement, the Board shall have full and final authority to determine the terms and conditions attached to any grant of options under this 2021 Plan.

(d) CSC may only grant options pursuant to resolutions of the Board.

(e) CSC may not grant any options while there is an undisclosed material change or undisclosed material fact relating to CSC.

(f) In determining options to be granted to Eligible Participants, the Board shall give due consideration to the value of each such Eligible Participant's present and potential contribution to the success of CSC.

(g) Any option granted under this 2021 Plan shall be subject to the requirement that, if at any time CSC shall determine that the listing, registration or qualification of the Common Shares subject to such option, or such option itself, upon any stock exchange or under any law or regulation of any jurisdiction, or the consent or approval of any stock exchange or any governmental or regulatory body, is necessary as a condition of, or in connection with, the grant or exercise of such option or the issuance or purchase of Common Shares thereunder, such option may not be granted, accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board (which for these purposes does not include a reference to a Committee).

For certainty, it is expressly stated that CSC may only grant options, and issue Common Shares on exercise thereof, to Eligible Participants resident in jurisdictions in Canada where NI 45-106 has been complied with. However, nothing herein shall be deemed or construed to require CSC to apply for or to obtain such listing, registration, qualification, consent or approval.

(h) For options granted to Employees, Consultants or Management Company Employees, CSC and the Eligible Participant are responsible for ensuring and confirming that the Eligible Participant is a bona fide Employee, Consultant or Management Company Employee, as the case may be.

(i) The Board shall complete and file, in accordance with applicable law, or shall cause to be completed and filed, all notices, reports, filings or other documentation required by applicable law, regulatory requirement or stock exchange rule, in connection with a grant of options or an issuance or purchase of Common Shares thereunder.

6. PRICE

(a) The option exercise price per Common Share that is subject of any option shall be fixed by the Board when such option is granted.

(b) The option exercise price per Common Shares shall not be less than the Market Price.

(c) The Board shall not set the exercise price of any option on the basis of a Market Price which does not reflect material information of which the Directors and Officers of CSC are aware but which has not been generally disclosed to the public.

(d) The option price per share will be expressed in Canadian dollars.

7. PERIOD OF OPTION AND RIGHTS TO EXERCISE

(a) Subject to the provisions of this section 7 and sections 8 and 9 below, options will be exercisable in whole or in part, and from time to time, at any time following the date of grant and prior to the expiry of their term, but provided that if an option expires during a Black-out Period (including expiry of an option under subsections 8(a) and 8(b) below but not including expiry of an option if the Eligible Participant shall cease to be an Eligible Participant for cause), then the option shall remain exercisable until the period ending up to 10 trading days after the end of such Black-out Period, notwithstanding the expiry of its term, except that in no event may such exercise occur more than ten years after the initial grant date of the option.

(b) Options shall not be granted for a term exceeding five years (but subject to extension in the case of Black-out Period as described in subsection 7(a) above).

(c) Subject to the Board's sole discretion in modifying the vesting of options, from time to time, options granted shall vest, and become exercisable, upon and subject to such terms, conditions and limitations as contained herein and otherwise as the Board may from time to time determine with respect to each option except that options issued to Persons retained to provide Investor Relations Activities must vest in stages over a period of not less than twelve months and no more than 25% of such options can vest in any three month period.

(d) The Common Shares to be purchased upon each exercise of an option shall be paid for in full in cash by the Eligible Participant at the time of exercise.

(e) Except as provided in paragraph 8 and 9 below, no option which is held by an Eligible Participant may be exercised unless the Eligible Participant is then an Eligible Participant, and in the case of an Employee, the Employee has been continually employed by CSC since the date of the grant of the option, but provided that an authorized absence of leave shall not be considered an interruption of employment for purposes of this 2021 Plan.

8. CESSATION OF PROVISION OF SERVICES

(a) Death of an Eligible Participant. In the event of the death of an Eligible Participant during the term of the Eligible Participant's option, the option theretofore granted to the Eligible Participant shall be exercisable within, but only within, the period of one year next succeeding the Eligible Participant's death, and in no event after the expiry date of the option. Before expiry of an option under this paragraph 8(a), the Board shall notify the Eligible Participant's representative in writing of such expiry no less than twenty days prior to its expiry.

(b) Termination of Employment or Office. Subject to the discretion of the Board to determine otherwise (which for these purposes does not include a reference to a Committee) or as otherwise agreed in any contract with any Eligible Participant which has been approved by the Board, and this section 8, if any Eligible Participant shall cease to be an Eligible Participant of, or to, CSC, for any reason, other than for cause or death, he or she may exercise any option issued under this 2021 Plan that is then exercisable, but only within the period that is 30 days from the date that he or she ceases to be an Eligible Participant. Before expiry of an option under this paragraph 8(b), the Board shall notify the former Eligible Participant in writing of such expiry no less than five days prior to its expiry. In the event that an Eligible Participant ceases to be an Eligible Participant because of termination for cause or material violation of any agreement, the options of the Eligible Participant not exercised at such time shall immediately be cancelled on the date of such termination and be of no further force or effect whatsoever notwithstanding anything to the contrary in this 2021 Plan.

(c) Other. If any Eligible Participant shall cease to be an Eligible Participant for any reason other than provided for in this section 8, the options of the Eligible Participant not exercised at such time shall immediately be cancelled and be of no further force or effect whatsoever, unless otherwise determined by the Board.

9. EXTENSION OF OPTION

In addition to the provisions of section 8, the Board (which for these purposes does not include a reference to a Committee) may extend the period of time within which an option held by a deceased Eligible Participant may be exercised or within which an option may be exercised by an Eligible Participant who has ceased to be an Eligible Participant but such an extension shall not be granted beyond the original expiry date of the option. Any extensions of options granted under this 2021 Plan are subject to any applicable regulatory or stock exchange approvals required at such time.

10. NON-TRANSFERABILITY OF OPTION

Subject to applicable law, no option granted under this 2021 Plan shall be assignable or transferable otherwise than:

(a) by will or by the laws of descent and distribution, and such option shall be exercisable, during an Eligible Participant's lifetime, only by the Eligible Participant (subject to subsection 8(a)); or

(b) to an Eligible Participant's registered retirement savings plan ("RRSP") or registered retirement income fund ("RRIF"), provided that the Eligible Participant is, during the Eligible Participant's lifetime, the sole beneficiary of the RRSP or RRIF.

11. AMENDMENT AND TERMINATION OF THE 2021 Plan

(a) Subject to subsection 11(b), the Board (which for these purposes does not include a reference to a Committee) may at any time, and from time to time, and without shareholder approval, amend any provision or terminate this 2021 Plan, that is an amendment to fix typographical errors or amendments to clarify the existing provisions of this 2021 Plan that do not substantively alter the scope, nature and intent of the provisions. Any other amendment shall require the approval of the CSE except as provided in subsection 11(c).

(b) Notwithstanding subsection 11(a) and any CSE approval to an amendment, the Board (nor the Committee) shall not be permitted to amend:

(i) subsection 4(a) in order to change the percentage of Common Shares issuable under this 2021 Plan;

(ii) the limitations in subsection 4(b);

(iii) section 6 in any manner;

(iv) the method for determining the exercise price of options;

(v) the definition of "Eligible Participant" or the persons eligible to participate in this 2021 Plan;

(vi) the exercise price of any option issued under this 2021 Plan to an Insider where such amendment reduces the exercise price of such option; or

(vii) the expiry and termination provisions herein; in each case without first having obtained the approval of a majority of the holders of Common Shares voting at a duly called and held meeting of holders of Common Shares (excluding votes held by any Insider benefiting from the proposed amendment) ("Disinterested Shareholder Approval").

(c) CSC may amend the terms of a stock option without the acceptance of the CSE in the following circumstances, but provided CSC issues a news release outlining the terms of the amendment:

(i) to reduce the number of Common Shares under option;

(ii) to increase the exercise price of an option; or

(iii) to cancel an option.

(d) Any amendment or termination shall not alter the terms or conditions of any option or impair any right of any optionholder pursuant to any option granted prior to such amendment or termination.

(e) Notwithstanding the foregoing, this 2021 Plan will automatically terminate when, and if, any of the authorizations required to authorize this 2021 Plan shall cease.

12. EVIDENCE OF OPTIONS

Following the grant of an option in accordance with this 2021 Plan, CSC shall forward to such Eligible Participant, a Notice of Grant (the "Notice") substantially in the form established by CSC from time to time as may be applicable, which Notice shall evidence the grant of the option under this 2021 Plan. CSC shall also forward to the Eligible Participant, in addition to the Notice, a copy of this 2021 Plan (on the first grant of an option) and any other documentation that may be required by applicable law, stock exchange or regulatory requirements.

13. EXERCISE OF OPTION

(a) An option may be exercised from time to time by delivering to CSC at its head or registered office, a written notice of exercise specifying the number of Common Shares with respect to which the option is being exercised and accompanied by payment for the full amount of the purchase price of the Common Shares then being purchased.

(b) Upon receipt of a certificate of an authorized Officer directing the issue of Common Shares purchased under this 2021 Plan, the transfer agent of CSC is authorized and directed to issue and countersign share

certificates for the purchased Common Shares in the name of the Eligible Participant or the Eligible Participant's legal personal representative or as may otherwise be directed in writing by the Eligible Participant, including into a book-entry system, if requested.

(c) Notwithstanding paragraph 5(g), CSC shall not, upon the exercise of any option, be required to register, issue or deliver any Common Shares prior to (a) the listing of such Common Shares on any stock exchange on which the Common Shares may then be listed, and (b) the completion of such registration or other qualification of such Common Shares under any law, rules or regulation as CSC shall determine to be necessary or advisable (including, without limitation, NI 45-106). If any Common Shares cannot be registered, issued or delivered to any Eligible Participant for whatever reason, the obligation of CSC to issue such Common Shares shall terminate and any option exercise price paid to CSC shall be returned to the Eligible Participant without deduction or interest.

(d) If CSC or a Subsidiary or Affiliate is required under the Income Tax Act (Canada) or any other applicable law to make source deductions in respect of any stock option benefits and to remit to the applicable governmental authority an amount on account of tax on the value of the taxable benefit associated with the issuance of Common Shares on exercise of options, then the Eligible Participant shall:

(i) pay to CSC or the Subsidiary or Affiliate, in addition to the exercise price for the options, sufficient cash as is reasonably determined by CSC to be the amount necessary to permit the required tax remittance; or

(ii) permit CSC or the Subsidiary or Affiliate to sell or cause to be sold by a broker or agent engaged by CSC, on behalf of the Eligible Participant, such number of Common Shares issuable to the Eligible Participant on the exercise of such options as is sufficient to fund CSC's or the Subsidiary or Affiliate's obligations to make source deductions; or

(iii) make other arrangements acceptable to CSC to fund the required tax remittance.

(e) The sale of Common Shares by CSC, or by a broker or agent engaged by the CSC or a Subsidiary or Affiliate in accordance with subsection 13(d)(ii), will be made on the exchange on which the Common Shares are then listed for trading.

The Eligible Participant consents to such sale and grants to CSC an irrevocable power of attorney to effect the sale of such Common Shares on his or her behalf and acknowledges and agrees that:

(i) the number of Common Shares sold shall, at a minimum, be sufficient to fund CSC or the Subsidiary or Affiliate's obligations to make source deductions, net of any selling costs, which costs are the responsibility of the Eligible Participant and which the Eligible Participant hereby authorizes to be deducted from the proceeds of such sale;

(ii) in effecting the sale of any such Common Shares, CSC or the Subsidiary or Affiliate or the broker or agent will exercise its sole judgement as to the timing and the manner of sale and will not be obligated to seek or obtain any minimum price;

(iii) neither CSC nor the Subsidiary or Affiliate, nor the broker or agent will be liable for any loss arising out of any sale of such Common Shares, including any loss relating to the pricing, manner of timing of such sales or any delay in transferring any Common Shares to an Eligible Participant or otherwise; and

(iv) the sale price of Common Shares will fluctuate with the market price of the Common Shares and no assurance can be given that any particular price will be received upon any sale.

(f) It is the responsibility of the Eligible Participant to ensure that they adhere to tax legislation in their jurisdiction regarding the reporting of benefits derived from the exercise of options.

(g) In the event any taxation authority should reassess CSC or a Subsidiary or Affiliate for failure to have withheld income tax, or other similar payments from the Eligible Participant, pursuant to the provisions

herein, the Eligible Participant shall reimburse and save harmless CSC, the Subsidiary or Affiliate for the entire amount assessed, including penalties, interest and other charges.

14. ADJUSTMENTS IN SHARES SUBJECT TO THE 2021 Plan

For the purposes of Section 14, any reference to the Board does not include a reference to a Committee.

(a) *Adjustment.* Subject to this section 14, the aggregate number and kind of shares or other securities available or issuable under this 2021 Plan shall be appropriately and equitably adjusted in the event of an arrangement, reorganization, recapitalization, stock split, stock dividend, combination of shares, merger, consolidation, rights offering or any other change in the corporate structure or shares or other securities of CSC. The options granted under this 2021 Plan may contain such provisions as the Board may determine with respect to adjustments to be made in the number and kind of shares covered by such options and in the option price in the event of any such change.

(b) *Effect of Take-Over Bid.* If a bona fide offer (the "Offer") for Common Shares is made to an Eligible Participant or to shareholders generally or to a class of shareholders which includes an Eligible Participant, which Offer, if accepted in whole or in part, would result in the offeror exercising control over CSC within the meaning of the British Columbia Securities Act, then CSC shall, if instructed by the Board in its sole discretion, notify each Eligible Participant of the full particulars of the Offer. The Board will have the sole discretion to amend, abridge or otherwise eliminate any vesting terms, conditions or schedule so that despite the other terms of this 2021 Plan, any options granted under this 2021 Plan may be exercised in whole or in part by Eligible Participants so as to permit Eligible Participants to tender the Common Shares received upon the exercise of options (the "Optioned Shares") pursuant to the Offer. If:

(i) the Offer is not complied with within the time specified therein;

(ii) the Eligible Participant does not tender the Optioned Shares pursuant to the Offer; or

(iii) all of the Optioned Shares tendered by the Eligible Participant pursuant to the Offer are not taken up and paid for by the offeror in respect thereof;

then, at the discretion of the Board, the Optioned Shares or, in the case of clause (iii) above, the Optioned Shares that are not taken up and paid for, shall be returned by the Eligible Participant and reinstated as authorized but unissued Common Shares and the terms of the option as set forth in this 2021 Plan and the Notice shall again apply to the Option. If any Optioned Shares are returned to CSC under this Section, CSC shall refund the exercise price to the Eligible Participant for such Optioned Shares.

(c) *Effect of Reorganization, Amalgamation, Merger, etc.* If there is a consolidation, reorganization, merger, amalgamation or statutory amalgamation or arrangement of CSC with or into another corporation, a separation of the business of CSC into two or more entities or a transfer of all or substantially all of the assets of CSC to another entity, at the discretion of the Board, upon the exercise of an option under this 2021 Plan, the holder thereof shall be entitled to receive any securities, property or cash which the Eligible Participant would have received upon such consolidation, reorganization, merger, amalgamation, statutory amalgamation or arrangement, separation or transfer if the Eligible Participant had exercised his option immediately prior to the applicable record date or event, as applicable, and the exercise price shall be adjusted as applicable by the Board, unless the Board otherwise determines the basis upon which such option shall be exercisable, and any such adjustments shall be binding for all purposes of this 2021 Plan.

Notwithstanding any other term of this 2021 Plan, the Board has the sole discretion to amend, abridge or eliminate any vesting terms, conditions or schedule or to otherwise amend the conditions of exercise so that any such option may be exercised in whole or in part by the Eligible Participant so as to entitle the Eligible Participant to receive any securities, property or cash which the Eligible Participant would have received upon such consolidation, reorganization, merger, amalgamation, statutory amalgamation or arrangement, separation or transfer if the Eligible Participant had exercised his Option immediately prior to the applicable record date or event.

15. RIGHTS PRIOR TO EXERCISE

An Eligible Participant shall have no rights whatsoever as a shareholder in respect of any Common Shares (including any right to receive dividends or other distributions therefrom or thereon) other than in respect of Common Shares in respect of which the Eligible Participant shall have exercised the option to purchase hereunder and which the Eligible Participant shall have actually taken up and paid for in full. For greater certainty a holder of an option under this 2021 Plan shall not be permitted to vote on any arrangement of CSC proposed to the holders of Common Shares of CSC.

16. NO CONTINUED SERVICE

The granting of an option to an Eligible Participant under this 2021 Plan shall not impose upon the CSC, any Subsidiary or any Affiliate any obligation whatsoever to retain the Eligible Participant as a service provider of such entity.

17. GOVERNING LAW

This 2021 Plan shall be construed in accordance with and be governed by the laws of the Province of British Columbia.

18. EXPIRY OF OPTION

On the expiry date of any option granted under this 2021 Plan, and subject to any extension of such expiry date permitted in accordance with this 2021 Plan, such option shall forthwith expire and terminate and be of no further force or effect whatsoever, or as to the Common Shares in respect of which the option has not been exercised.

19. SUPREMACY

To the extent there is any inconsistency between this 2021 Plan and Exchange Rules, the Exchange Rules shall prevail.

20. EFFECTIVE DATE OF THE 2021 PLAN

This 2021 Plan becomes immediately effective on the date that the approval of a majority of the Board is received.

21. APPROVAL

(a) Unless Exchange Rules otherwise provide, this 2021 Plan must receive the approval of shareholders at the annual general meeting of CSC for that year.

(b) Where any shareholder approval required in this 2021 Plan is required to be Disinterested Shareholder Approval, such approval must be determined and calculated as required by Exchange Rules (unless Exchange Rules otherwise provide).

(c) This 2021 Plan was duly approved the Board on January 6, 2021.
