The accompanying Information Circular provides additional information relating to the matters to be dealt with at the Meeting and is supplemental to and expressly made a part of this Notice.

The Corporation has elected to use the notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (the “**Notice-and-Access Provisions**”) for the Meeting. The Notice-and- Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to Shareholders by allowing the Corporation to post the Information Circular, the Corporation’s 2020 audited financial statements and the related management’s discussion and analysis, and any additional materials (collectively, the “**Meeting Materials**”) online. Shareholders will still receive this Notice of Meeting, a form of proxy and request for financial information form and may choose to receive a paper copy of the Meeting Materials.

The Corporation will not use the procedure known as ‘stratification’ in relation to the use of Notice-and- Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Information Circular to some shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and- Access Provisions, which will not include a paper copy of the Meeting Materials.

PLEASE REVIEW THE INFORMATION CIRCULAR CAREFULLY IN FULL PRIOR TO VOTING IN RELATION TO THE RESOLUTIONS BEING PRESENTED, AS THE INFORMATION CIRCULAR HAS BEEN PREPARED TO HELP YOU MAKE AN INFORMED DECISION ON THE MATTERS. INFORMATION CIRCULAR**SOLICITATION OF PROXIES**

This information circular ("**Information Circular**") is furnished in connection with the solicitation of proxies by the management of Alma Gold Inc. (the "**Company**" or "**Alma**") for use at the annual general meeting of the shareholders (the "**Shareholders**") of the Company (the "**Meeting**") to be held at Suite 810, 789 West Pender Street, Vancouver, British Columbia, on January 13, 2022 at 10:30 a.m. (Vancouver time) and any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual General Meeting of Shareholders.

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. All costs of this solicitation will be borne by the Company. The Company has made arrangements for intermediaries to forward solicitation materials to the beneficial owners of the Common Shares held of record by those intermediaries and the Company may reimburse the intermediaries for reasonable fees and disbursements incurred by them in so doing.

Notice of the Meeting was provided to the securities commissions in each jurisdiction where the Company is a reporting issuer under applicable securities laws.

In this Information Circular, references to the "**Company**", "**Corporation**", "**Alma**", "**we**" and "**our**" refer to Alma Gold Inc.; "**Common Shares**" means common shares in the authorized share structure of the Company; "**Beneficial Shareholders**" means Shareholders who do not hold Common Shares in their own name and "**Intermediaries**" refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of the Beneficial Shareholders.

Date of Information Circular

Information contained in this Information Circular is given as at November 29, 2021, unless otherwise indicated.

GENERAL PROXY INFORMATION**Revocability of Proxies**

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- (a) executing a proxy bearing a later date; or
- (b) executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the shareholder's authorized attorney in writing, or, if the shareholder is a company, under its corporate seal by an officer or attorney duly authorized, and by depositing the Proxy bearing a later date with Endeavor Trust Corporation, or at the address of the registered offices of the Company at Suite 810, 789 West Pender Street, Vancouver, BC V6C 1H2, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the date that precedes any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (c) by the registered shareholder personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Appointment of Proxyholders

A shareholder entitled to vote at the Meeting may, by means of a proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be Shareholders, to attend and act at the Meeting for the shareholder on the shareholder's behalf.

The individuals named in the accompanying form of proxy (the "**Proxy**") are directors and/or officers of the Company (the "**Management Designees**"). **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting other than either of the Management Designees. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

A proxy will not be valid unless the completed, signed and dated form of proxy is delivered to the office of **Endeavor Trust Corporation, by any of the following methods: by mail: Suite 702, 777 Hornby Street, Vancouver, BC, V6Z 1S4 or by fax: (604) 559-8908 or online: www.eproxy.ca** not less than 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Exercise of Discretion

The Management Designees named in the Proxy will vote or withhold from voting the shares represented thereby in accordance with the instructions of the shareholder on any ballot that may be called for. The Proxy will confer discretionary authority on the nominees named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the Management Designees will vote the Common Shares represented by the Proxy at their own discretion for the approval of such matter.

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting, but if any amendment, variation or other matter properly comes before the Meeting, each Management Designee intends to vote thereon in accordance with the Management Designee's best judgment.

Proxy Voting Options

If you are a registered Shareholder, you may elect to submit a proxy in order to vote whether or not you are able to attend the Meeting in person. In order to vote by mail, you must complete, date and sign the Proxy and return it to the Company's transfer agent, Endeavor Trust Corporation, by any of the following methods: by mail: Suite 702, 777 Hornby Street, Vancouver, BC, V6Z 1S4; or by fax: (604) 559-8908; or online: www.eproxy.ca at any time up to and including 10:30 a.m. (Vancouver time) on January 11, 2022.

Notice-and-Access

Notice-and-Access is a mechanism which allows reporting issuers other than investment funds to choose to deliver proxy-related materials to registered holders and beneficial owners of its securities by posting such materials on a non-SEDAR website (usually the reporting issuer's website and sometimes the transfer agent's website) rather than delivering such materials by mail. The notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (the "**Notice-and-Access Provisions**") can be used to deliver materials for both special and general meetings.

The use of the Notice-and-Access Provisions is intended to reduce paper waste and mailing costs to the issuer. In order for the Corporation to utilize the Notice-and-Access Provisions to deliver proxy-related materials, the Corporation must send a notice to Shareholders indicating that the proxy-related materials for the Meeting have been posted electronically on a website that is not SEDAR and explaining how a Shareholder can access them or obtain a paper copy of those materials. Upon request, beneficial owners are entitled to delivery of a paper copy of the information circular at the reporting issuer's expense. This Information Circular and other materials related to the Meeting have been posted in full on the Corporation's Meeting website at <https://www.almagold.ca> and under the Corporation's SEDAR profile at www.sedar.com.

In order to use the Notice-and-Access Provisions, a reporting issuer must set the record date for the meeting at least 40 days prior to the meeting to ensure there is sufficient time for the materials to be posted on the applicable website and the notice of meeting and form of proxy to be delivered to Shareholders. The requirements for the notice of meeting are that the Corporation shall provide basic information about the Meeting and the matters to be voted on, explain how a Shareholder can obtain a paper copy of this Information Circular, and explain the Notice-and-Access process. The Notice of Meeting, containing this information, has been delivered to Shareholders by the Corporation, along with the applicable voting document (a form of proxy in the case of registered Shareholders or a voting instruction form in the case of non-registered Shareholders).

The Corporation will not rely upon the use of 'stratification'. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the information circular to some, but not all, of its shareholders, along with the notice of meeting. In relation to the Meeting, all Shareholders will receive the documentation required under the Notice-and-Access Provisions and all documents required to vote at the Meeting. No Shareholder will receive a paper copy of this Information Circular from the Corporation or any intermediary unless such Shareholder specifically requests same.

The Corporation will be delivering proxy-related materials to NOBOs and OBOs indirectly through the use of intermediaries.

Any Shareholder who wishes to receive a paper copy of this Information Circular must contact the Corporation at 789 West Pender Street, Suite 810, Vancouver, British Columbia, V6C 1H2, or by fax at 604-559-8908.

In order to ensure that a paper copy of this Information Circular can be delivered to a requesting Shareholder in time for such Shareholder to review this Information Circular and return a proxy or voting instruction form so that it is received not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) prior to the time set for the Meeting or any adjournment of the Meeting, it is strongly suggested that a Shareholder ensure their request is received no later than January 11, 2022. All Shareholders may call toll free at 1-877-769-8258 in order to obtain additional information about the Notice-and-Access Provisions or to obtain a paper copy of this Information Circular, up to and including the date of the Meeting, including any adjournment of the Meeting

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Beneficial Shareholders should note that only Proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings unless the Beneficial Shareholders have waived the right to receive meeting material. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting.

If you are a Beneficial Shareholder, the form of proxy supplied to you by your broker (or its agent) is similar to the form of Proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary how to vote on your behalf. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Communications Solutions Canada ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the Management Designees to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. It must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although, as a Beneficial Shareholder, you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker (or agent of your broker), you may attend at the Meeting as proxyholder for your broker and vote the Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker or have a person designated by you to do so, you should enter our own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker (or your broker's agent) in accordance with the instructions provided by your broker (or agent), well in advance of the Meeting.

Alternatively, you may request in writing that your broker send you a legal Proxy which would enable you, or a person designed by you, to attend at the Meeting and vote your Common Shares.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than as disclosed herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the "**Board**") of the Company has fixed November 29, 2021, as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Company is authorized to issue an unlimited number of Common Shares without par value. As of the Record Date, the Company had 67,745,625 Common Shares outstanding, each carrying the right to one vote. The Company has no other classes of voting securities.

To the knowledge of the directors and executive officers of the Company, only the following shareholder owns, directly or indirectly, or exercises control or direction over, shares carrying more than 10% of the outstanding voting rights of the Company.

Shareholder Name	Number of Shares Beneficially Owned, Controlled or Directed, Directly or Indirectly ⁽¹⁾⁽²⁾	Percentage of Outstanding Shares

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein except for the special resolution approving the consolidation of the Company's issued and outstanding common shares, which requires a majority of not less than two-thirds (2/3) of the votes cast at the Meeting. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled all such nominees will be declared elected or appointed by acclamation.

Recommendation of the Board

The Board unanimously recommends that Shareholders vote in favour of all resolutions.

ELECTION OF DIRECTORS

The Board currently consists of three directors. Management proposes to fix the number of directors of the Company at four (4) and to nominate the persons listed below for election as directors.

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director's office is earlier vacated in accordance with the provisions of the British Columbia *Business Corporations Act* or the Articles of the Company, each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

Management does not contemplate that any of the nominees will be unable to serve as a director. In the event that prior to the Meeting any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the proxy as nominee to vote the Common Shares represented by proxy for the election of any other person or persons as directors.

The following table sets out the names of the management nominees; their positions and offices in the Company; principal occupations; the period of time that they have been directors of the Company; and the number of Common Shares of the Company which each beneficially owns or over which control or direction is exercised:

Stock Options and Other Compensation Securities

The Company did not issue compensation securities to named executive officers or directors in the fiscal year ending November 30, 2020.

Stock Option Plans and Other Incentive Plans

The purpose of the Company's stock and incentive option plan (the "**Alma Option Plan**") is to provide certain directors, officers and key employees of, and certain other persons who provide services to the Company and any subsidiaries with an opportunity to purchase common shares of the Company and benefit from any appreciation in the value of the Company's common shares. This will provide an increased incentive for these individuals to contribute to the future success and prosperity of the Company, thus enhancing the value of the common shares for the benefit of all the Shareholders and increasing the ability of the Company and its subsidiaries to attract and retain skilled and motivated individuals in the service of the Company.

The Alma Option Plan provides for a floating maximum limit of 10% of the outstanding common shares, as permitted by the policies of the CSE. As at November 29, 2021, this represents up to 6,774,562 common shares available under the Alma Option Plan, of which *nil* are issued under the Alma Option Plan and 6,774,562 are reserved and available for issuance under the Alma Option Plan.

Under the Alma Option Plan, the option price must not be less than the exercise price permitted by the CSE. The current policies of the CSE state that the option price must not be less than the greater of (i) the closing price of the common shares listed on the CSE on the day immediately preceding the date of grant, and (ii) the date of grant. Any amendment to the Plan requires the approval of the CSE and may require shareholder approval.

The material terms of the Alma Option Plan are as follows:

1. The exercise price of Stock Options granted under the Stock Option Plan will be determined by the board of directors, but will not be less than the greater of the closing market prices of the Shares on the CSE on (a) the trading day prior to the date of grant of the options; and (b) the date of grant of the Stock Options.
2. The terms of a Stock Option may not be amended once issued. If a Stock Option is cancelled prior to its expiry date, the Issuer must post notice of the cancellation and shall not grant new Stock Options to the same person until 30 days have elapsed from the date of cancellation.
3. The term of any Stock Option cannot exceed ten (10) years from the date of grant.

4. The maximum number of Shares issuable under the Stock Option Plan shall not exceed 10% of the number of Shares issued and outstanding as of each award date, inclusive of all Shares reserved for issuance pursuant to previously granted stock options.
5. Stock Options vest as the board of directors of the Company may determine upon the award of the Stock Options.
6. The expiry date of a Stock Option shall be the earlier of the date fixed by the Company's board of directors on the award date, and:
 - a) in the event of the death of the option holder while he or she is a director or employee (other than an employee performing investor relations activities), 12 months from the date of death of the option holder, or while he or she is a consultant or an employee performing investor relations activities, 30 days from the date of death of the option holder;
 - b) in the event that the option holder holds his or her option as a director and such option holder ceases to be a director of the Company other than by reason of death, 90 days following the date the option holder ceases to be a director (provided however that if the option holder continues to be engaged by the Company as an employee or consultant, the expiry date shall remain unchanged), unless the option holder ceases to be a director as a result of ceasing to meet the qualifications set forth in section 124 of the BCBCA or a special resolution passed by the shareholders of the Company pursuant to section 128(3) of the BCBCA, in which case the expiry date will be the date that the option holder ceases to be a director of the Company;
 - c) in the event that the option holder holds his or her option as an employee or consultant of the Company (other than an employee or consultant performing investor relations activities) and such option holder ceases to be an employee or consultant of the Company other than by reason of death, 30 days following the date the option holder ceases to be an employee or consultant, unless the option holder ceases to be such as a result of termination for cause or an order of the British Columbia Securities Commission, the Exchange or any regulatory body having jurisdiction to so order, in which case the expiry date shall be the date the option holder ceases to be an employee or consultant of the Company; and
 - d) in the event that the option holder holds his or her option as an employee or consultant of the Company who provides investor relations activities on behalf of the Company, and such option holder ceases to be an employee or consultant of the Company other than by reason of death, the expiry date shall be the date the option holder ceases to be an employee or consultant of the Company. Subject to shareholder approval in certain circumstances, the Board may from time to time amend or revise the terms of the Alma Option Plan or may terminate the Alma Option Plan at any time.

The decision to grant options is made by the Board as a whole, and a grant is approved by directors' resolutions or at a meeting of the Board. Decisions address vesting, maximum term, number of options, exercise price and method of exercise.

Employment, Consulting, Management and Service Agreements

The company has not entered into any material employment contracts, consulting contracts, management contracts or service contracts.

Oversight and Description of Named Executive Officer and Director Compensation

The Board is responsible for determining, by way of discussions at board meetings, the compensation to be paid to the executive officers of the Company. The Company at this time does not have a formal compensation program with specific performance goals; however, the performance of each executive is considered along with Alma's ability to pay compensation and its results of operation for the period. The Company does not use a

peer group to determine compensation. The Company presently has two NEOs, Ryan Kalt and Nicholas Koo. Mr. Kalt has served as the President, CEO and Corporate Secretary, of the Company since July 24, 2020 and Director of the Company since May 21, 2020. Mr. Koo has served as the CFO of the Company since April 6, 2021, when he replaced Ryan Cheung who was previously the CFO of the Company from July 24, 2020 to April 6, 2021.

Alma's executive compensation is currently comprised of a base fee or salary. Base fees or salaries are intended to provide current compensation and a short-term incentive for the NEO to meet the Company's goals, as well as to remain competitive with the industry. Base fees or salaries are compensation for job responsibilities and reflect the level of skills, expertise and capabilities demonstrated by the NEO.

Compensation is designed to achieve the following key objectives:

- (a) to support our overall business strategy and objectives;
- (b) to provide market competitive compensation that is substantially performance-based;
- (c) to provide incentives that encourage superior corporate performance and retention of highly skilled and talented employees; and
- (d) to align executive compensation with corporate performance and therefore Shareholders' interests.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No person who is, or at any time during the two most recently completed financial years was, a director or executive officer of Alma, a proposed nominee for election as a director of Alma, or an associate of any of the foregoing individuals, has been indebted to Alma at any time since the commencement of Alma's last completed financial year.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

An "**informed person**" means: (a) director, proposed director or executive officer of Alma; (b) person or company who beneficially owns, directly or indirectly, Alma Shares or who exercises control or direction of Alma Shares, or a combination of both carrying more than ten percent of the voting rights attached to the outstanding Alma Shares (an "**Insider**"); (c) director or executive officer of an Insider; or (d) associate or affiliate of any of the directors, executive officers or Insiders, has had any material interest, direct or indirect, in any transaction since the commencement of Alma's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect Alma, except with an interest arising from the ownership of Alma Shares where such person or company will receive no extra or special benefit or advantage not shared on a pro rata basis by all Shareholders.

Since the commencement of the Company's most recently completed financial year, no informed person of the Company, nominee for director or any associate or affiliate of an informed person or nominee, had any material interest, direct or indirect, in any transaction or any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Charter.

Reliance on Certain Exemptions

At no time since the commencement of our most recently completed financial year, have we relied on the exemption in sections 2.4 (De Minimis Non-audit Services), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

Exemption in Section 6.1 of NI 52-110

Alma is relying on the exemption in Section 6.1 of NI 52-110 from the requirement of Parts 3 (Composition of the Audit Committee) and 5 (Reporting Obligations).

External Auditor Service Fees

In the following table, "audit fees" are fees billed by Alma's external auditor for services provided in auditing Alma's annual financial statements for the subject year. "Audit-Related Fees" are fees not included in audit fees that are billed by the Auditor for assurance and related services that are reasonably related to the performance of the audit review of Alma's financial statements. "Tax Fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. - (3) "Tax fees" include the aggregate fees billed in each of the last two fiscal years for professional services rendered by the Company's external auditor for tax compliance, tax advice and tax planning.
- (4) "All other fees" include the aggregate fees billed in each of the last two fiscal years for products and services provided by the Company's external auditor, other than "Audit fees", "Audit related fees" and "Tax fees" above.

CORPORATE GOVERNANCE

National Instrument 58-101 Disclosure of Corporate Governance Practices ("**NI 58-101**") requires issuers to disclose the corporate governance practices that they have adopted according to guidance provided pursuant to National Policy 58-201 Corporate Governance Guidelines ("**NP 58-201**").

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. The Canadian Securities Administrators (the "**CSA**") have adopted NP 58-201, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers. In addition, the CSA have implemented NI 58-101, which prescribes certain disclosure by reporting issuers of their corporate governance practices. This section sets out the Company's approach to corporate governance and addresses the Company's compliance with NI 58-101.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the view of the Company's Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The independent members of the Board of Directors of the Company are Brian Hearst and Eugene Hodgson. The non-independent director is Ryan Kalt, the President, CEO and Corporate Secretary of the Company.

The Board facilitates its independent supervision over management by choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. The independent directors are, however, able to meet at any time without any the non-independent directors being present. Further supervision is performed through the Audit Committee who may meet with the Company's auditors without management being in attendance.

Directorships

The current directors of Alma and each of the individuals to be nominated for election as a director of Alma at the Meeting may serve as a director or officer of one or more other reporting issuers as at the date of this Notice of Meeting and Circular, as well as pursue independent economic opportunities. However, directors of the

Company are required in their position of service by law to act honestly and in good faith with a view to the best interests of the Company and to disclose any conflicts of interest with appropriate voting abstention.

To the best knowledge of the Company, there are no known existing or potential conflicts of interest among the Company and our promoters, directors, officers or other members of management as a result of their outside business interests except that certain of the directors, officers, promoters and other members of management serve as directors, officers, promoters and members of management of other public companies, and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of such other companies.

The participation of the directors in other reporting issuers as at the date of this Information Circular is as follows:

Name of Director	Names of Other Reporting Issuers of which the Director is a Director
Ryan Kalt	Dixie Gold Inc. Red Lake Gold Inc. 79 Resources Ltd.
Brian Hearst	Dixie Gold Inc. Red Lake Gold Inc. Jade Capital Corp. MENA Hydrocarbons Inc.
Eugene Hodgson	Efficacious Elk Capital Corp. St. Anthony Gold Corp. Fabled Copper Corp. Dixie Gold Inc. Red Lake Gold Inc. Genesis Acquisition Corp. Spartan Acquisition Corp. Rover Metals Corp. ESC Global Impact Capital Inc.
Greg Isenor	Sylla Gold Corp. Roscan Gold Corporation

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's operations and on director responsibilities.

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussions with all Board members.

The Board does not provide any continuing education but does encourage directors to individually and as a group keep themselves informed on changing corporate governance and legal issues. Directors are individually responsible for updating their skills as required to meet their obligations as directors. In addition, the Board undertakes strategic planning sessions with management.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by Alma's governing corporate legislation and the common law of Canada and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of Alma.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Board is not compensated for acting as directors, except for being granted incentive stock options pursuant to the policies of the CSE and the Alma Option Plan. The Board acts as a whole to determine and approve the final stock grants and compensation amounts.

Other Board Committees

The Board has no other committees other than the Audit Committee.

Assessments

The Board regularly monitors the adequacy of information given to directors, communications between the Board and management and the strategic direction and processes of the Board and its committees. The Board is currently responsible for assessing its own effectiveness, the effectiveness of individual directors and the effectiveness of the Audit Committee.

The Audit Committee provides an open avenue of communication between management, the Company's independent auditors and the Board and to assist the Board in its oversight of:

- (a) the integrity, adequacy and timeliness of the Company's financial reporting and disclosure practices;
- (b) the Company's compliance with legal and regulatory requirements related to financial reporting; and
- (c) the independence and performance of the Company's independent auditors.

The Audit Committee also performs any other activities consistent with the Audit Committee Charter, the Company's Articles and governing laws as the Audit Committee or Board deems necessary or appropriate. See "*Audit Committee Disclosure*".

10. **Procedure For Reporting Of Fraud Or Control Weaknesses**

Each employee is expected to report situations in which he or she suspects fraud or is aware of any internal control weaknesses. Should a new Chairman be appointed prior to the updating of this document, the current Chairman will ensure that the whistleblower is able to reach the new Chairman in a timely manner. In the event that the Chairman of the Audit Committee cannot be reached, the whistleblower should contact the Chairman of the Board.

In addition, it is the policy of the Company that employees concerned about reporting internal control weaknesses directly to management are able to report such weaknesses to the Committee anonymously. In this case, the employee should follow the same procedure detailed above for reporting suspected fraud.
