MANAGEMENT INFORMATION CIRCULAR

(at at April 9, 2021, except as otherwise noted)

This Management Information Circular (“Circular”) is furnished in connection with the solicitation of proxies by the management of Bright Minds Biosciences Inc. for use at the annual general meeting (the “Meeting”) of the Company’s shareholders (the “Shareholders”) to be held on May 18, 2021 at the time and place and for the purposes set forth in the accompanying notice of Meeting.

In this Circular, references to “the **Company**”, “we” and “our” refer to **Bright Minds Biosciences Inc.** “**Common Shares**” means common shares in the capital of the Company. “**Beneficial Shareholders**” means Shareholders who do not hold Common Shares in their own name and “**intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders. “**Registered Shareholder**” means the person whose name appears on the central securities register maintained by or on behalf of the Company and who holds Common Shares in his or her own name.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **If you are a Shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by choosing one of the following methods:

- (a) complete, date and sign the enclosed form of proxy and return it to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, Canada V6C 3B9; or
- (b) use a touch-tone phone to transmit voting choices to the toll free number given in the proxy. Registered Shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll free number, the holder's account number and the proxy access number; or
- (c) via Computershare's internet website www.investorvote.com. Registered Shareholders who choose this option must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the proxy access number.

In either case you must ensure the Proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof. Failure to complete or deposit the Proxy properly may result in its invalidation. The time limit for the deposit of proxies may be waived by the Company's board of directors (the "**Board**") at its discretion without notice. **Please note that in order to vote your Common Shares in person at the Meeting, you must attend the Meeting and register with the scrutineer before the Meeting. If you have already submitted a Proxy, but choose to change your method of voting and attend the Meeting to vote, then you should register with the scrutineer before the Meeting and inform them that your previously submitted Proxy is revoked and that you personally will vote your Common Shares at the Meeting.**

Beneficial Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). In the United States of America (the "U.S." or the "United States") the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called "OBOs" for "*Objecting Beneficial Owners*") and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs" for "*Non-Objecting Beneficial Owners*").

These securityholder materials are sent to both registered and non-registered (beneficial) owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in Canada and in the United States. Broadridge mails a Voting Instruction Form (“**VIF**”) in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), different from the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right insert the name of your desired representative (which may be you) in the blank space provided in the VIF. Once you have completed and signed your VIF return it to Broadridge by mail or facsimile, or deliver your voting instructions to Broadridge by phone or via the internet, in accordance with Broadridge’s instructions. Broadridge tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, it must be completed and returned to Broadridge, in accordance with Broadridge’s instructions, well in advance of the Meeting in order to: (a) have your Common Shares voted at the Meeting as per your instructions; or (b) have an alternate representative chosen by you duly appointed to attend and vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a Proxy may revoke it by:

1. executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder’s authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare, or at the address of the registered office of the Company at 1500 Royal Centre, 1055 West Georgia Street, P.O. Box 11117, Vancouver, British Columbia, V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
2. personally attending the Meeting and voting the Registered Shareholder’s Common Shares.

A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

FINANCIAL STATEMENTS

The audited financial statements of the Company’s financial year ended September 30, 2020 and the report of the auditor thereon, will be placed before Shareholders at the Meeting for their consideration. No formal action will be taken at the Meeting to approve the financial statements. Copies of the audited financial statements are available through the internet on SEDAR, which can be accessed at www.sedar.com.

ELECTION OF DIRECTORS

The size of the Board was set by resolution of the directors at four directors. Accordingly, to continue the current number of directors and pursuant to the Articles of the Company (the “**Articles**”) the Board has not changed the number of directors to be elected and four (4) directors will be elected at the Meeting. Shareholders are asked to consider the persons set forth in the table below as director nominees, and to vote at the Meeting to elect them as directors for the ensuing year.

CORPORATE GOVERNANCE

National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("NI 58-101") requires issuers to disclose their corporate governance practices and National Policy 58-201 - *Corporate Governance Guidelines* ("NP 58-201") provides guidance on corporate governance practices. This section sets out the Company's approach to corporate governance and addresses the Company's compliance with NI 58-101.

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the company's shareholders. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the Board's opinion, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board facilitates its independent supervision over management of the Company through frequent meetings of the Board at which members of management or non-independent directors are not in attendance and by retaining independent consultants where it deems necessary.

Management is delegated the responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board facilitates its independent supervision over management by reviewing and approving long-term strategic, business and capital plans, material contracts and business transactions, and all debt and equity financing transactions. Through its Audit Committee, the Board examines the effectiveness of the Company's internal control processes and management information systems. The Board reviews executive compensation and recommends stock option grants.

Board members have full access to the Company's records.

Ethical Business Conduct

The Board of Directors has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board of Directors in which the director has an interest, have been sufficient to ensure that the Board of Directors operates independently of management and in the best interests of the Company. Further, the Company's auditor has full and unrestricted access to the Audit Committee at all times to discuss the audit of the Company's financial statements and any related findings as to the integrity of the financial reporting process.

Nomination of Directors

The Board of Directors will consider its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board of Directors' duties effectively and to maintain a diversity of views and experience.

The Board of Directors does not have a nominating committee, and these functions are currently performed by the Board of Directors as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Board of Directors is responsible for determining compensation for the officers, employees and nonexecutive directors of the Company. The Board of Directors annually reviews all forms of compensation paid to officers, employees and non-executive directors, both with regards to the expertise and experience of each individual and in relation to industry peers. See *Executive Compensation – Compensation Discussion and Analysis*.

Other Board Committees

The Board of Directors has no other committees other than the Audit Committee.

Assessments

The Board of Directors monitors the adequacy of information given to directors, communication between the Board of Directors and management, and the strategic direction and processes of the Board of Directors and Audit Committee.

Stock Options and Other Compensation Plans

10% “rolling” Stock Option Plan (Option-Based Awards)

The Company has in place a 10% rolling stock option plan (the “**Option Plan**”), which became effective on July 1, 2020. The Option Plan was filed on SEDAR on November 19, 2020.

The principal purpose of the Option Plan is to advance the interests of the Company by encouraging the directors, employees and consultants of the Company and of its subsidiaries or affiliates, if any, by providing them with the opportunity, through options, to acquire Common Shares in the share capital of the Company, thereby increasing their

proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs.

The Option Plan provides that the number of Common Shares issuable under the Option Plan, together with all of the Company's other previously established or proposed share compensation arrangements, may not exceed 10% of the total number of the Company's issued and outstanding Common Shares.

The Option Plan is administered by the board of directors of the Company or by a special committee of the directors appointed from time to time by the board of directors of the Company. The maximum term may not exceed ten (10) years from the date of grant.

The following information is intended to be a brief description of the Option Plan and is qualified in its entirety by the full text of the Option Plan. All capitalized words used but not defined have the meanings ascribed to such term in the Option Plan:

- (a) the maximum number of Options which may be granted to any one holder under the Option Plan within any 12 month period shall be 5% of the number of issued and outstanding Common Shares (unless the Company has obtained disinterested shareholder approval if required by applicable laws);
- (b) if required by applicable laws, disinterested shareholder approval is required to grant to related persons, within a 12 month period, of a number of Options which, when added to the number of outstanding Options granted to related persons within the previous 12 months, exceed 10% of the issued Common Shares;
- (c) the expiry date of an Option shall be no later than the tenth anniversary of the grant date of such Option;
- (d) the maximum number of Options which may be granted to any one consultant within any 12 month period must not exceed 2% of the number of issued and outstanding Common Shares;
- (e) the maximum number of Options which may be granted within any 12 month period to employees or consultants engaged in investor relations activities must not exceed 2% of the number of issued and outstanding Common Shares and such Options must vest in stages over 12 months with no more than 25% of the Options vesting in any three month period;
- (f) the exercise price of any Option issued under the Stock Option Plan shall not be less than the Market Value (as defined in the Option Plan) of the Common Shares as of the grant date; and
- (g) the Board, or any committee to whom the Board delegates, may determine the vesting schedule for any Option.

The foregoing summary of the Option Plan is not complete and is qualified in its entirety by reference to the Option Plan, which is available on the Company's SEDAR profile page at www.sedar.com.

10% "rolling" Restricted Share Unit Plan (Share-Based Awards)

The Company has in place a restricted share unit plan which became effective July 1, 2020 (the "**RSU Plan**"). A copy of the RSU Plan was filed on SEDAR on November 19, 2020.

The RSU Plan was designed to provide certain directors, officers, consultants and other key employees (an "**Eligible Person**") of the Company and its related entities with the opportunity to acquire restricted share units ("**RSUs**") of the Company. The acquisition of RSUs allows an Eligible Person to participate in the long-term success of the Company thus promoting the alignment of an Eligible Persons.

The following is a summary of the RSU Plan. Capitalized terms used but not defined have the meanings ascribed to them in the RSU Plan.

Nature and Administration of the RSU Plan

All Directors, Officers, Consultants and Employees (as defined in the RSU Plan) of the Company and its related entities ("**Eligible Persons**") are eligible to participate in the RSU Plan (as "**Participants**"), and the Company reserves the right to restrict eligibility or otherwise limit the number of persons eligible for participation as Participants in the RSU Plan. Eligibility to participate as a Participant in the RSU Plan does not confer upon any person a right to receive an award of RSUs.

Subject to certain restrictions, the Board or its appointed committee, can, from time to time, award RSUs to Eligible Persons. RSUs will be credited to an account (an “Account”) maintained for each Participant on the books of the Company as of the award date. The number of RSUs to be credited to each Participant’s account shall be determined at the discretion of the Board and pursuant to the terms of the RSU Plan.

RSUs and all other rights, benefits or interests in the RSU Plan are not transferable or assignable otherwise than by will or the laws of descent and distribution, and shall be exercisable during the lifetime of the Participant only by the Participant and after death only by the Participant’s legal representative.

Credit for Dividends

A Participant's Account will be credited with additional RSUs (the “**Dividend RSUs**”) as of each dividend payment date in respect of which cash dividends are paid on Common Shares. The number of Dividend RSUs credited to a Participant’s Account in connection with the payment of dividends on Common Shares will be based on the actual amount of cash dividends that would have been paid to such Participant had he or she been holding such number of Common Shares equal to the number of RSUs credited to the Participant’s Account on the date on which cash dividends are paid on the Common Shares and the market price of the Common Shares on the payment date. Note that the Company is not obligated to pay dividends on Common Shares.

Resignation, Termination, Leave of Absence or Death

Generally, if a Participant's employment or service is terminated, or if the Participant resigns from employment with the Company, then all RSUs held by the Participant (whether vested or unvested) shall terminate automatically upon the termination of the Participant’s service or employment.

In the event a Participant is terminated by reason of (i) termination by the Company other than for cause or (ii) the Participant’s death, the Participant’s vested RSUs shall vest automatically as of such date. In the event the termination of the Participant’s services is by reason of voluntary resignation, only the Participant’s unvested RSUs shall terminate automatically as of such date.

Change of Control

In the event of a Change of Control, the Board may, in its discretion, without the necessity or requirement for the agreement or consent of any Participant: (i) accelerate, conditionally or otherwise, on such terms as it sees fit, the vesting date of any RSU; (ii) permit the conditional settlement of any RSU, on such terms as it sees fit; (iii) otherwise amend or modify the terms of the RSU, including for greater certainty permitting Participants to settle any RSU, to assist the Participants to tender the underlying Common Shares to, or participate in, the actual or potential Change of Control Event (as defined in the RSU Plan) or to obtain the advantage of holding the underlying Common Shares during such Change of Control Event; and (iv) terminate, following the successful completion of such Change of Control Event, on such terms as it sees fit, the RSUs not settled prior to the successful completion of such Change of Control Event, including, without limitation, for no payment or other compensation. The determination of the Board in respect of any such Change of Control Event shall for the purposes of this RSU Plan be final, conclusive and binding.

Adjustments

In the event there is a change in the outstanding Common Shares by reason of any stock dividend or split, recapitalization, amalgamation, consolidation, combination or exchange of shares, or other corporate change, the Board shall make, subject to the prior approval of the CSE where necessary, appropriate substitution or adjustment in (i) the number or kind of Common Shares or other securities reserved for issuance pursuant to the RSU Plan, and (ii) the number and kind of Common Shares or other securities subject to unsettled and outstanding RSUs granted pursuant to the RSU Plan.

Vesting

Each award of RSUs vests on the date(s) specified by the Board on the award date, and is reflected in the applicable RSU agreement certificate.

Limitations under the RSU Plan

The maximum number of Common Shares made available for issuance pursuant to the RSU Plan shall be determined from time to time by the Board, but in any case, shall not exceed 10% of the Common Shares issued and outstanding from time to time, subject to adjustments as provided in the RSU Plan.

Oversight and Description of Director and Named Executive Officer Compensation

Elements of the Compensation Program

The responsibilities relating to executive and director compensation, including reviewing and recommending compensation of the Company's officers and employees and overseeing the Company's base compensation structure and equity-based compensation program is performed by the Company's Board as a whole. The Board also assumes responsibility for reviewing and monitoring the long-range compensation strategy for the Company's senior management. The Board generally reviews the compensation of senior management on an annual basis taking into account compensation paid by other issuers of similar size and activity and the performance of officers generally and in light of the Company's goals and objectives.

The Company is a small biotechnology company with limited resources. The compensation for senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including: (a) attracting and retaining talented, qualified and effective executives; (b) motivating the short and long-term performance of executives; and (c) better aligning the interests of executive officers with those of the Company's shareholders. In the Board's view, paying salaries which are competitive in the markets in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. Competitive salary information on comparable companies is compiled from a variety of sources, including national and international publications.

The Board determines the compensation for the CEO. The compensation of the Company's executives is determined by the Board after the recommendation of the CEO. In each case, the Board takes into consideration the prior experience of the executive, industry standards, competitive salary information on comparable companies of similar size and stage of development, the degree of responsibility and participation of the executive in the day-to-day affairs of the Company, and the Company's available cash resources.

In the Board's view, to attract and retain qualified and effective executives, the Company must pay base salaries which are reasonable in relation to the level of service expected while remaining competitive in the markets in which the Company operates.

The Board has assessed the Company's compensation plans and programs for its executive officers to ensure alignment with the Company's business plan and to evaluate the potential risks associated with those plans and programs. The Board has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Company. The Board considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Company has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Company, none of the executive officers or directors has purchased such financial instruments.

Philosophy and Objectives

The compensation program for the senior management of the Company is designed within this context with a view that the level and form of compensation achieves certain objectives, including:

- (a) attracting and retaining qualified executives;
- (b) motivating the short and long-term performance of these executives; and
- (c) better aligning their interests with those of the Company's shareholders.

In compensating its senior management, the Company has employed a combination of base salary and equity participation through its Option Plan (described above) and its RSU Plan (described above). Recommendations for senior management compensation are presented to the Board for review.

Base Salary or Consulting Fees

In the Board's view, paying base salaries which are reasonable in relation to the level of service expected while remaining competitive in the markets in which the Company operates is a first step to attracting and retaining qualified and effective executives.

Base salary ranges for the executive officers were initially determined upon a review of companies within the oil and gas industry, which were of the same size as the Company, at the same stage of development as the Company and considered comparable to the Company.

In determining the base salary of an executive officer, the Board considers the following factors:

- (a) the particular responsibilities related to the position;
- (b) salaries paid by other companies in the oil and gas industry which were similar in size as the Company;
- (c) the experience level of the executive officer;
- (d) the amount of time and commitment which the executive officer devotes to the Company; and
- (e) the executive officer's overall performance and performance in relation to the achievement of corporate milestones and objectives.

Executive Compensation

Except for the grant of incentive share options and restricted share unit awards to the NEOs and any compensation payable pursuant to an executive compensation agreement between the CEO or CFO and the Company, there are no arrangements under which NEOs were compensated by the Company during the two most recently completed financial years for their services in their capacity as NEOs, directors or consultants.

Director Compensation

The directors receive no cash compensation for acting in their capacity as directors of the Company.

Except for the grant to directors of share options and restricted share unit awards, there are no arrangements under which directors were compensated by the Company during the two most recently completed financial years for their services in their capacity as directors.

Bonus Incentive Compensation

The Company's objective is to achieve certain strategic objectives and milestones. The Board considers executive bonus compensation dependent upon the Company meeting those strategic objectives and milestones and sufficient cash resources being available for the granting of bonuses. The Board approves executive bonus compensation dependent upon compensation levels based on recommendations of the CEO. Such recommendations are generally based on information provided by issuers that are similar in size and scope to the Company's operations.

Equity Participation

The Company believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation is accomplished through the Company's existing stock option plan and its restricted share unit plan. Stock options and RSUs are granted to executives and employees taking into account a number of factors, including the amount and term of options and RSUs previously granted, base salary and bonuses and competitive factors. The amounts and terms of options and RSUs granted are determined by the Compensation and Corporate Governance Committee based on recommendations put forward by the CEO. Due to the Company's limited financial resources, the Company emphasizes the provisions of option and RSU grants to maintain executive motivation.

The Company did not retain a compensation consultant during financial years ending September 30, 2020 and September 30, 2019.

The Company does not, as of the date of this Form, offer any benefits or perquisites to its NEOs other than potential grants of incentive stock options and RSUs as otherwise disclosed and discussed herein.

Hedging by Directors or NEOs

The Company has not, to date, adopted a policy restricting its executive officers and directors from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, which are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by executive officers or directors. The Company is not, however, aware of any directors or officers having entered into this type of transaction.

As of the date of this Form, entitlement to grants of incentive stock options under the Company's Stock Option Plan and unit awards under the Company's Restricted Share Unit Plan are the only equity security elements awarded by the Company to its executive officers and directors.

4.3 Fractional Shares

No fractional shares shall be issued upon the exercise of any Option and, if as a result of any adjustment, an Option Holder would become entitled to a fractional share, such Option Holder shall have the right to purchase only the next lowest whole number of Shares and no payment or other adjustment will be made for the fractional interest.

**SECTION 5
TERMS AND CONDITIONS OF OPTIONS**

5.1 Exercise Period of Option

Subject to sections 5.5, 6.2, 6.3, 6.4 and 11.4, the Grant Date and the Expiry Date of an Option shall be the dates fixed by the Committee at the time the Option is granted and shall be set out in the Option Certificate issued in respect of such Option. No Incentive Stock Option may be granted after ten (10) years from the date of this Plan. The term and expiry date of any Incentive Stock Option granted to a Ten Percent Shareholder Participant shall not exceed five (5) years from Grant Date of such Incentive Stock Option.

The number of Shares which may be purchased pursuant to an Option shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option.

5.3 Exercise Price of Option

The Exercise Price at which an Option Holder may purchase a Share upon the exercise of an Option shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option. The Exercise Price shall not be less than the Market Value of the Shares as of the Grant Date. The Market Value of the Shares for a particular Grant Date shall be determined as follows:

- (a) for each organized trading facility on which the Shares are listed, Market Value will be the closing trading price of the Shares on the day immediately preceding the Grant Date, and may be less than this price if it is within the discounts permitted by the applicable Regulatory Authorities;
- (b) if the Company's Shares are listed on more than one organized trading facility, the Market Value shall be the Market Value as determined in accordance with subparagraph (a) above for the primary organized trading facility on which the Shares are listed, as determined by the Committee, subject to any adjustments as may be required to secure all necessary Regulatory Approvals;
- (c) if the Company's Shares are listed on one or more organized trading facilities but have not traded during the ten trading days immediately preceding the Grant Date, then the Market Value will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Committee; and
- (d) if the Company's Shares are not listed on any organized trading facility, then the Market Value will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Committee to be the fair value of the Shares, taking into consideration all factors that the Committee deems appropriate, including, without limitation, recent sale and offer prices of the Shares in private transactions negotiated at arms' length. Notwithstanding anything else contained herein, in no case will the Market Value be less than the minimum prescribed by each of the organized trading facilities that would apply to the Company on the Grant Date in question.

Notwithstanding the foregoing, the Exercise Price of Shares subject to an Incentive Stock Option granted under the Plan to a Ten Percent Shareholder Participant shall be not less than 110% of the fair market value of the Shares on the Grant Date as determined in good faith by the Committee at the Grant Date.

For the purposes of this Section 5.4, Options designated as Incentive Stock Options shall be taken into account in the order in which they were granted, and the fair market value of Shares shall be determined as of the Grant Date of the Option with respect to such Shares. If the Code is amended to provide for a different limitation than that set forth in this Section 5.4, such different limitation shall be deemed incorporated herein effective as of the date and with respect to such Options as may be required or permitted by such amendment to the Code. If an Option is treated as a Non-Statutory Option in part by reason of the limitation set forth in this Section 5.4, the Holder may designate which portion of such Option the Holder is exercising at any given time. In the absence of such designation, the Holder shall be deemed to have exercised the Incentive Stock Option portion of the Option first. The Company shall have no liability to a Holder, or any other party, if any Option (or any part thereof) intended to be an Incentive Stock Option is not an Incentive Stock Option.

5.5 Termination of Option

Subject to such other terms or conditions that may be attached to Options granted hereunder, an Option Holder may exercise an Option in whole or in part at any time and from time to time during the Exercise Period. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of the Expiry Time on the Expiry Date.  - (ii) a special resolution having been passed by the shareholders of the Company removing the Option Holder as a director of the Company or any Subsidiary; or
 - (iii) an order made by any Regulatory Authority having jurisdiction to so order; in which case the Expiry Date shall be the date the Option Holder ceases to hold such position; OR
- (b) *Ceasing to be Employed or Engaged* - In the event that the Option Holder holds his or her Option as an Employee or Consultant, other than an Option Holder who is engaged in investor relations activities, and such Option Holder ceases to hold such position other than by reason of death or Disability, the Expiry Date of the Option shall be, unless otherwise determined by the Committee and expressly provided for in the Option Certificate, the 90th day following the date the Option Holder ceases to hold such position, or, in the case of an Option Holder that is engaged in investor relations activities, the 30th day after the date such Option Holder ceases to hold such position, unless the Option Holder ceases to hold such position as a result of:
- (i) termination for cause;
 - (ii) resigning or terminating his or her position; or
 - (iii) an order made by any Regulatory Authority having jurisdiction to so order; in which case the Expiry Date shall be the date the Option Holder ceases to hold such position.

In the event that the Option Holder ceases to hold the position of Executive, Employee or Consultant for which the Option was originally granted, but comes to hold a different position as an Executive, Employee or Consultant prior to the expiry of the Option, the Committee may, in its sole discretion, choose to permit the Option to stay in place for that Option Holder with such Option then to be treated as being held by that Option Holder in his or her new position and such will not be considered to be an amendment to the Option in question requiring the consent of the Option Holder under section 9.2 of this Plan. Notwithstanding anything else contained herein, in no case will an Option be exercisable later than the Expiry Date of the Option.

5.6 Vesting of Option and Acceleration

The vesting schedule for an Option, if any, shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option. The Committee may elect, at any time, to accelerate the vesting schedule of one or more Options including, without limitation, on a Triggering Event, and such acceleration will not be considered an amendment to the Option in question requiring the consent of the Option Holder under section 9.2 of this Plan, subject to the limitation under subsection 3.3.

5.7 Additional Terms

Subject to all applicable Regulatory Rules and all necessary Regulatory Approvals, the Committee may attach additional terms and conditions to the grant of a particular Option, such terms and conditions to be set out in a schedule attached to the Option Certificate. The Option Certificates will be issued for convenience only, and in the case of a dispute with regard to any matter in respect thereof, the provisions of this Plan and the records of the Company shall prevail over the terms and conditions in the Option Certificate, save and except as noted below. Each Option will also be subject to, in addition to the provisions of the Plan, the terms and conditions contained in the schedules, if any, attached to the Option Certificate for such Option. Should the terms and conditions contained in such schedules be inconsistent with the provisions of the Plan, such terms and conditions will supersede the provisions of the Plan.

SECTION 6 TRANSFERABILITY OF OPTIONS

6.1 Non-transferable

An Incentive Stock Option shall not be assignable or transferable by any Option Holder and, subject to section 6.2 hereof, may be exercised during the life of the Option Holder only by the Option Holder. An Option other than an Incentive Stock Option are non-assignable and non-transferable, except as provided otherwise in this section 6.

6.2 Death of Option Holder

In the event of the Option Holder's death, any Options held by such Option Holder shall pass to the Personal Representative of the Option Holder and shall be exercisable by the Personal Representative on or before the date which is the earlier of six months following the date of death and the applicable Expiry Date.

6.3 Disability of Option Holder

If the employment or engagement of an Option Holder as an Employee or Consultant or the position of an Option Holder as a director or officer of the Company or a Subsidiary is terminated by the Company by reason of such Option Holder's Disability, any Options held by such Option Holder shall be exercisable by such Option Holder or by the Personal Representative on or before the date which is the earlier of six months following the termination of employment, engagement or appointment as a director or officer and the applicable Expiry Date.

6.4 Disability and Death of Option Holder

If an Option Holder has ceased to be employed, engaged or appointed as a director or officer of the Company or a Subsidiary by reason of such Option Holder's Disability and such Option Holder dies within six months after the termination of such engagement, any vested Options at the time an Option Holder ceased to be employed, engaged or appointed as a director or officer of the Company or a Subsidiary which remains exercisable may be exercised in accordance with its terms by the Personal Representative of such Option Holder and shall be exercisable by the Personal Representative on or before the date which is the earlier of six months following the death of such Option Holder and the applicable Expiry Date.

6.5 Vesting

Unless the Committee determines otherwise, Options held by or exercisable by a Personal Representative shall, during the period prior to their termination, continue to vest in accordance with any vesting schedule to which such Options are subject.

6.6 Deemed Non-Interruption of Engagement

Employment or engagement by the Company shall be deemed to continue intact during any military or sick leave or other *bona fide* leave of absence if the period of such leave does not exceed 90 days or, if longer, for so long as the Option Holder's right to re-employment or re-engagement by the Company is guaranteed either by statute or by contract. If the period of such leave exceeds 90 days and the Option Holder's re-employment or re-engagement is not so guaranteed, then his or her employment or engagement shall be deemed to have terminated on the ninety-first day of such leave.

SECTION 7 EXERCISE OF OPTION

7.1 Exercise of Option

An Option may be exercised only by the Option Holder or the Personal Representative of any Option Holder. An Option Holder or the Personal Representative of any Option Holder may exercise an Option in whole or in part at any time and from time to time during the Exercise Period up to the Expiry Time on the Expiry Date by delivering to the Administrator the required Exercise Notice, the applicable Option Certificate and a certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Shares then being purchased

pursuant to the exercise of the Option. Notwithstanding anything else contained herein, Options may not be exercised during Black-Out unless the Committee determines otherwise.

7.2 Black Out Period

Notwithstanding the foregoing, except in the case of Incentive Stock Options, if an Option expires, terminates or is cancelled (other than an expiry, termination or cancellation pursuant to section 5.5(a)(i)(ii) or (iii) or section 5.5(b)(i)(ii) or (iii) above) within or immediately after a Black Out, the Option Holder may elect for the term of such Option to be extended to the date which is ten (10) business days after the last day of the Black Out; provided, that, the expiration date as extended by this section 7.2 will not in any event be beyond the later of: (i) December 31 of the calendar year in which the Option was otherwise due to expire; and (ii) the 15th day of the third month following the month in which the Option was otherwise due to expire.

7.3 Issue of Share Certificates

As soon as reasonably practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate (or DRS statement) for the Shares so purchased. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall also provide a new Option Certificate for the balance of Shares available under the Option to the Option Holder concurrent with delivery of the Share certificate (or DRS statement).

7.4 No Rights as Shareholder

Until the date of the issuance of the certificate (or DRS statement) for the Shares purchased pursuant to the exercise of an Option, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to such Shares, notwithstanding the exercise of the Option, unless the Committee determines otherwise. In the event of any dispute over the date of the issuance of the certificate (or DRS statement), the decision of the Committee shall be final, conclusive and binding.

7.5 Tax Withholding and Procedures

Notwithstanding anything else contained in this Plan, the Company may, from time to time, implement such procedures and conditions as it determines appropriate with respect to the withholding and remittance of taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law. Without limiting the generality of the foregoing, an Option Holder who wishes to exercise an Option must, in addition to following the procedures set out in section 7.1 and elsewhere in this Plan, and as a condition of exercise:

- (a) deliver a certified cheque, wire transfer or bank draft payable to the Company for the amount determined by the Company to be the appropriate amount on account of such taxes or related amounts; or
- (b) otherwise ensure, in a manner acceptable to the Company (if at all) in its sole and unfettered discretion, that the amount will be securely funded;
- (c) and must in all other respects follow any related procedures and conditions imposed by the Company.

SECTION 8 ADMINISTRATION

8.1 Board or Committee

The Plan shall be administered by the Board, by a Committee of the Board appointed in accordance with section 8.2 below, or by an Administrator appointed in accordance with subsection 8.4(b).

8.2 Appointment of Committee

The Board may at any time appoint a Committee, consisting of not less than two of its members, to administer the Plan on behalf of the Board in accordance with such terms and conditions as the Board may prescribe, consistent with this Plan. Once appointed, the Committee shall continue to serve until otherwise directed by the Board. From

time to time, the Board may increase the size of the Committee and appoint additional members, remove members (with or without cause) and appoint new members in their place, fill vacancies however caused, or remove all members of the Committee and thereafter directly administer the Plan.

8.3 Quorum and Voting

A majority of the members of the Committee shall constitute a quorum and, subject to the limitations in this Section 8, all actions of the Committee shall require the affirmative vote of members who constitute a majority of such quorum. Members of the Committee may vote on any matters affecting the administration of the Plan or the grant of Options pursuant to the Plan, except that no such member shall act upon the granting of an Option to himself or herself (but any such member may be counted in determining the existence of a quorum at any meeting of the Committee during which action is taken with respect to the granting of Options to that member). The Committee may approve matters by written resolution signed by a majority of the quorum.

8.4 Powers of Committee

The Committee (or the Board if no Committee is in place) shall have the authority to do the following:

- (a) administer the Plan in accordance with its terms;
- (b) appoint or replace the Administrator from time to time;
- (c) determine all questions arising in connection with the administration, interpretation and application of the Plan, including all questions relating to the Market Value;
- (d) correct any defect, supply any information or reconcile any inconsistency in the Plan in such manner and to such extent as shall be deemed necessary or advisable to carry out the purposes of the Plan;
- (e) prescribe, amend, and rescind rules and regulations relating to the administration of the Plan;
- (f) determine the duration and purposes of leaves of absence from employment or engagement by the Company which may be granted to Option Holders without constituting a termination of employment or engagement for purposes of the Plan;
- (g) do the following with respect to the granting of Options:
 - (i) determine the Executives, Employees or Consultants to whom Options shall be granted, based on the eligibility criteria set out in this Plan;
 - (ii) determine the terms of the Option to be granted to an Option Holder including, without limitation, the Grant Date, Expiry Date, Exercise Price and vesting schedule (which need not be identical with the terms of any other Option);
 - (iii) subject to any necessary Regulatory Approvals and section 9.2, amend the terms of any Options;
 - (iv) determine when Options shall be granted;
 - (v) determine the number of Shares subject to each Option; and
 - (vi) to designate Options as Incentive Stock Options or Non Statutory Options, as applicable;
- (h) accelerate the vesting schedule of any Option previously granted, subject always to the limitation in subsection 3.3; and
- (i) make all other determinations necessary or advisable, in its sole discretion, for the administration of the Plan.

8.5 **Administration by Committee**

All determinations made by the Committee in good faith shall be final, conclusive and binding upon all persons. The Committee shall have all powers necessary or appropriate to accomplish its duties under this Plan.

8.6 **Interpretation**

The interpretation by the Committee of any of the provisions of the Plan and any determination by it pursuant thereto shall be final, conclusive and binding and shall not be subject to dispute by any Option Holder. No member of the Committee or any person acting pursuant to authority delegated by it hereunder shall be personally liable for any action or determination in connection with the Plan made or taken in good faith and each member of the Committee and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

SECTION 9 APPROVALS AND AMENDMENT

9.1 **Shareholder Approval of Plan**

If required by a Regulatory Authority or by the Committee, this Plan may be made subject to the approval of a majority of the votes cast at a meeting of the shareholders of the Company or by a majority of votes cast by disinterested shareholders at a meeting of shareholders of the Company. Any Options granted under this Plan will not be exercisable or binding on the Company unless and until such shareholder approval is obtained.

9.2 **Amendment of Option or Plan**

Subject to any required Regulatory Approvals, the Committee may from time to time amend any existing Option or the Plan or the terms and conditions of any Option thereafter to be granted provided that where such amendment relates to an existing Option and it would:

- (a) materially decrease the rights or benefits accruing to an Option Holder; or
- (b) materially increase the obligations of an Option Holder;

then, unless otherwise excepted out by a provision of this Plan, the Committee must also obtain the written consent of the Option Holder in question to such amendment. If at the time the Exercise Price of an Option is reduced the Option Holder is an Insider of the Company, the Insider must not exercise the option at the reduced Exercise Price until the reduction in Exercise Price has been approved by the disinterested shareholders of the Company, if required by the Exchange.

SECTION 10 CONDITIONS PRECEDENT TO ISSUANCE OF OPTIONS AND SHARES

10.1 **Compliance with Laws**

An Option shall not be granted or exercised, and Shares shall not be issued pursuant to the exercise of any Option, unless the grant and exercise of such Option and the issuance and delivery of such Shares comply with all applicable Regulatory Rules, and such Options and Shares will be subject to all applicable trading restrictions in effect pursuant to such Regulatory Rules and the Company shall be entitled to legend the Option Certificates and the certificate (or DRS statement) representing such Shares accordingly.

10.2 **Obligation to Obtain Regulatory Approvals**

In administering this Plan, the Committee will seek any Regulatory Approvals which may be required. The Committee will not permit any Options to be granted without first obtaining the necessary Regulatory Approvals unless such Options are granted conditional upon such Regulatory Approvals being obtained. The Committee will make all filings required with the Regulatory Authorities in respect of the Plan and each grant of Options hereunder. No Option granted will be exercisable or binding on the Company unless and until all necessary Regulatory Approvals have been obtained. The Committee shall be entitled to amend this Plan and the Options granted

hereunder in order to secure any necessary Regulatory Approvals and such amendments will not require the consent of the Option Holders under section 9.2 of this Plan.

10.3 Inability to Obtain Regulatory Approvals

The Company's inability to obtain Regulatory Approval from any applicable Regulatory Authority, which Regulatory Approval is deemed by the Committee to be necessary to complete the grant of Options hereunder, the exercise of those Options or the lawful issuance and sale of any Shares pursuant to such Options, shall relieve the Company of any liability with respect to the failure to complete such transaction.

SECTION 11 ADJUSTMENTS AND TERMINATION

11.1 Termination of Plan

Subject to any necessary Regulatory Approvals, the Committee may terminate or suspend the Plan. Unless earlier terminated as provided in this section 11, the Plan shall terminate on, and no more Options shall be granted under the Plan after, the tenth anniversary of the date of the Exchange's acceptance of the Plan.

11.2 No Grant During Suspension of Plan

No Option may be granted during any suspension, or after termination, of the Plan. Suspension or termination of the Plan shall not, without the consent of the Option Holder, alter or impair any rights or obligations under any Option previously granted.

11.3 Alteration in Capital Structure

If there is a material alteration in the capital structure of the Company and the Shares are consolidated, subdivided, converted, exchanged, reclassified or in any way substituted for, the Committee shall make such adjustments to this Plan and to the Options then outstanding under this Plan as the Committee determines to be appropriate and equitable under the circumstances, so that the proportionate interest of each Option Holder shall, to the extent practicable, be maintained as before the occurrence of such event. Such adjustments may include, without limitation:

- (a) a change in the number or kind of shares of the Company covered by such Options; and
- (b) a change in the Exercise Price payable per Share provided, however, that the aggregate Exercise Price applicable to the unexercised portion of existing Options shall not be altered, it being intended that any adjustments made with respect to such Options shall apply only to the Exercise Price per Share and the number of Shares subject thereto.

For purposes of this section 11.3, and without limitation, neither:

- (c) the issuance of additional securities of the Company in exchange for adequate consideration (including services); nor
- (d) the conversion of outstanding securities of the Company into Shares shall be deemed to be material alterations of the capital structure of the Company.

Any adjustment made to any Options pursuant to this section 11.3 shall not be considered an amendment requiring the Option Holder's consent for the purposes of section 9.2 of this Plan.

11.4 Triggering Events

Subject to the Company complying with section 11.5 and any necessary Regulatory Approvals and notwithstanding any other provisions of this Plan or any Option Certificate, the Committee may, without the consent of the Option Holder or Holders in question:

- (a) cause all or a portion of any of the Options granted under the Plan to terminate upon the occurrence of a Triggering Event; or

- (b) cause all or a portion of any of the Options granted under the Plan to be exchanged for incentive stock options of another corporation upon the occurrence of a Triggering Event in such ratio and at such exercise price as the Committee deems appropriate, acting reasonably.

Such termination or exchange shall not be considered an amendment requiring the Option Holder's consent for the purpose of section 9.2 of the Plan.

11.5 Notice of Termination by Triggering Event

In the event that the Committee wishes to cause all or a portion of any of the Options granted under this Plan to terminate on the occurrence of a Triggering Event, it must give written notice to the Option Holders in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Option Holder the opportunity to exercise the vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Company proposes to terminate shall become immediately exercisable notwithstanding any contingent vesting provision to which such Options may have otherwise been subject.

11.6 Determinations to be Made By Committee

Adjustments and determinations under this section 11 shall be made by the Committee, whose decisions as to what adjustments or determination shall be made, and the extent thereof, shall be final, binding, and conclusive.

- (2) No RSU shall be granted and no Common Shares issued or sold thereunder where such grant, issue or sale would require registration of the Plan or of Common Shares under the securities laws of any foreign jurisdiction and any purported grant of any RSU or issue or sale of Common Shares hereunder in violation of this provision shall be void.
- (3) The Company shall have no obligation to issue any Common Shares pursuant to the Plan unless such Common Shares shall have been duly listed, upon official notice of issuance, with the Stock Exchange. Common Shares issued and sold to Participants pursuant to the settlement of RSUs may be subject to restrictions or limitations on sale or resale under applicable securities laws.
- (4) If Common Shares cannot be issued to a Participant upon the settlement of an RSU due to legal or regulatory restrictions, the obligation of the Company to issue such Common Shares under the Plan shall terminate, at no cost to the Company nor obligation to otherwise compensate a Participant in any way.

- (1) Nothing contained herein shall prevent the Board from adopting other or additional compensation arrangements, subject to any required approval.
- (2) Nothing contained in the Plan nor in any RSU granted hereunder shall be deemed to give any Participant any interest or title in or to any Common Shares of the Company or any rights as a Shareholder or any other legal or equitable right against the Company whatsoever other than as set forth in the Plan and pursuant to the settlement of any RSU.
- (3) The Plan does not give any Participant or any employee of the Company or any of its Affiliated Companies, Subsidiary Companies or Controlled Companies the right or obligation to continue to serve as a Consultant, director, officer or employee, as the case may be, of the Company or any of its Affiliated Companies, Subsidiary Companies or Controlled Companies. - (4) The existence of any RSUs shall not affect in any way the right or power of the Company or its Shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

ARTICLE 4 RESTRICTED SHARE UNITS

Section 4.1 Granting of RSUs

- (1) Where the Board determines to grant an RSU Award to an Eligible Person and sets the terms and conditions applicable to such RSU Award, the Company shall deliver to the Eligible Person a RSU Grant Letter, containing the terms and conditions applicable to such RSU Award.
- (2) On the grant of an RSU Award, the Company will credit the Participant's Account with the number of RSUs granted to such Participant under the terms of the RSU Award.
- (3) The grant of an RSU Award shall entitle the Participant to the conditional right to receive for each RSU credited to the Participant's Account, at the election of the Company, either one Common Share or an amount in cash, net of applicable taxes and contributions to government sponsored plans, as determined by the Board, equal to the Market Price of one Common Share for each RSU credited to the Participant's Account on the Settlement Date, subject to the conditions set out in the RSU Grant Letter and in the Plan, and subject to all other terms of this Plan.
- (4) An Eligible Person may receive an RSU Award on more than one occasion under the Plan and may receive separate RSU Awards on any one occasion.
- (5) RSUs granted under this Plan to an Eligible Person in a calendar year will (subject to any applicable terms and conditions) represent a right to a bonus or similar award to be received for services rendered by such Eligible Person to the Company or an Affiliate, as the case may be, in the fiscal year ending in, coincident with or before such calendar year, subject to any other determination by the Company.

Section 4.2 Dividends

- (1) Unless the Board determines otherwise, additional RSUs ("Dividend RSUs") will be credited to a Participant's Account where the Company declares and pays a dividend on Common Shares. The number of Dividend RSUs credited to a Participant's Account in connection with the payment of dividends on Common Shares will be based on the actual amount of cash dividends that would have been paid to such Participant had he been holding such number of Shares equal to the number of RSUs credited to the Participant's Account on the date on which cash dividends are paid on the Shares and the Market Price of the Common Shares on the payment date.
- (2) Dividend RSUs credited to a Participant's Account shall vest and be settled in the same manner and on the same date as the RSUs to which they relate.

Section 4.3 Settlement of Restricted Share Units

- (1) Subject to the provisions of the Plan and in particular Section 4.4 and Section 5.2 and any vesting limitations imposed by the Board in its sole unfettered discretion at the time of grant, RSUs subject to an RSU Award may be settled by a Participant during the Settlement Period applicable to the RSU by delivery to the Company of a notice (the "Settlement Notice") in a form attached to the RSU Grant Letter. As soon as practicable following the receipt of the Settlement Notice, RSUs will be settled by the Company through the delivery by the Company of such number of Common Shares equal to the number of RSUs then being settled or, at a Company's election, an amount in cash, net of applicable taxes and contributions to government sponsored plans, equal to the Market Price at the Settlement Date of one Common Share for each RSU then being settled. Where, prior to the Expiry Date, a Participant fails to elect to settle an RSU, the Participant shall be deemed to have elected to settle such RSUs on the day immediately preceding the Expiry Date.
- (2) Notwithstanding the foregoing, if the Company elects to issue Common Shares in settlement of RSUs:

- (a) the Company may arrange for such number of the Common Shares to be sold as it deems necessary or advisable to raise an amount at least equal to its determination of such applicable taxes, with such amount being withheld by the Company; or
 - (b) the Company may elect to settle for cash such number of RSUs as it deems necessary or advisable to raise funds sufficient to cover such withholding taxes with such amount being withheld by the Company; or
 - (c) the Company may, as a condition of settlement in the form of Common Shares, require the Participant to pay the applicable taxes as determined by the Company or make such other arrangement acceptable to the Company in its discretion (if at all) as it deems necessary or advisable.
- (3) Subject to the terms of the Plan, as soon as practicable after receipt of any of the amount, undertaking or election listed in Section 4.3(2), the Company will forthwith cause the transfer agent and registrar of the Common Shares to deliver to the Participant a certificate or certificates in the name of the Participant or a statement of account, at the discretion of the Company, representing in the aggregate Common Shares issued to the Participant.
- (4) Notwithstanding any other provision of the Plan:
- (a) no RSU shall be capable of settlement after the Expiry Date; provided, however, that if the Expiry Date in respect of an RSU falls on, or within nine (9) Business Days immediately following, a date upon which such Participant is prohibited from exercising such RSU due to a Black-Out Period or other trading restriction imposed by the Company, then the Expiry Date of such RSU shall be automatically extended to the tenth (10th) Business Day following the date the relevant Black-Out Period or other trading restriction imposed by the Company is lifted, terminated or removed. The foregoing extension applies to all RSUs regardless of the date of grant and shall not be considered an extension of the term thereof as otherwise referred to in the Plan;
 - (b) the Settlement Period shall be automatically reduced in accordance with Section 4.4 upon the occurrence of any of the events referred to therein; and
 - (c) no RSU in respect of which Shareholder approval is required under the rules of the Stock Exchange shall be settled until such time as such RSU has been so approved.

Section 4.4 Termination of Service

- (1) Except as otherwise determined by the Board:
- (a) all RSUs held by the Participant (whether vested or unvested) shall terminate automatically upon the termination of the Participant's service with the Company or any Subsidiary Companies for any reason other than as set forth in paragraph (b) and (c) below;
 - (b) in the case of a termination of the Participant's service by reason of (A) termination by the Company or any Subsidiary Companies other than for Cause, or (B) the Participant's death, the Participant's unvested RSUs shall vest automatically as of such date, and on the earlier of the original Expiry Date and any time during the ninety (90) day period commencing on the date of such termination of service (or, if earlier, the Termination Date), the Participant (or his or her executor or administrator, or the person or persons to whom the Participant's RSUs are transferred by will or the applicable laws of descent and distribution) will be eligible to request that the Company settle his vested RSUs. Where, prior to the 90th day following such termination of service (or, if earlier, the Termination Date) the Participant fails to elect to settle a vested RSU, the Participant shall be deemed to have elected to settle such RSU on such 90th day (or, if earlier, the Termination Date) and to receive Common Shares in respect thereof;

- (c) in the case of a termination of the Participant's services by reason of voluntary resignation, only the Participant's unvested RSUs shall terminate automatically as of such date, and any time during the ninety (90) day period commencing on the date of such termination of service (or, if earlier, the Termination Date), the Participant will be eligible to request that the Company settle his vested RSUs. Where, prior to the 90th day following such termination of service (or, if earlier, the Termination Date) the Participant fails to elect to settle a vested RSU, the Participant shall be deemed to have elected to settle such RSU on such 90th day (or, if earlier, the Termination Date) and to receive Common Shares in respect thereof;
- (d) for greater certainty, where a Participant's employment or term of office terminates by reason of termination by the Company or any Subsidiary Companies for Cause then any RSUs held by the Participant, whether or not vested at the Termination Date, immediately terminate and are cancelled on the Termination Date or at a time as may be determined by the Board, in its sole discretion;
- (e) a Participant's eligibility to receive further grants of RSUs under this Plan ceases as of the earliest of the date the Participant resigns from the Company or any Subsidiary Company and the date that the Company or any Subsidiary Company provides the Participant with written notification that the Participant's employment or term of office, as the case may be, is terminated, notwithstanding that such date may be prior to the Termination Date; and
- (f) for the purposes of the Plan, a Participant shall not be deemed to have terminated service where: (i) the Participant remains in employment or office within or among the Company or any Subsidiary Company or (ii) the Participant is on a leave of absence approved by the Board.

Section 4.5 Non-transferability of RSUs

RSUs shall not be transferable or assignable by the Participant otherwise than by will or the laws of descent and distribution, and shall be exercisable during the lifetime of a Participant only by the Participant and after death only by the Participant's legal representative.

Section 4.6 Hold Period

Pursuant to Stock Exchange Policies, where a hold period is applicable, the RSU Grant Letter will include a legend stipulating that the RSU Award is subject to a four-month hold period commencing from the date of grant of the RSU Award.

Section 5.2 Change of Control

(1) Notwithstanding any other provision of this Plan, in the event of an actual or potential Change of Control Event, the Board may, in its discretion, without the necessity or requirement for the agreement or consent of any Participant: (i) accelerate, conditionally or otherwise, on such terms as it sees fit, the vesting date of any RSU; (ii) permit the conditional settlement of any RSU, on such terms as it sees fit; (iii) otherwise amend or modify the terms of the RSU, including for greater certainty permitting Participants to settle any RSU, to assist the Participants to tender the underlying Common Shares to, or participate in, the actual or potential Change of Control Event or to obtain the advantage of holding the underlying Common Shares during such Change of Control Event; and (iv) terminate, following the successful completion of such Change of Control Event, on such terms as it sees fit, the RSUs not settled prior to the successful completion of such Change of Control Event, including, without limitation, for no payment or other compensation.

The determination of the Board in respect of any such Change of Control Event shall for the purposes of this Plan be final, conclusive and binding.

Section 5.3 Adjustments

(1) If there is a change in the outstanding Common Shares by reason of any stock dividend or split, recapitalization, amalgamation, consolidation, combination or exchange of shares, or other corporate change, the Board shall make, subject to the prior approval of the Stock Exchange where necessary, appropriate substitution or adjustment in

- (a) the number or kind of Common Shares or other securities reserved for issuance pursuant to the Plan, and
- (b) the number and kind of Common Shares or other securities subject to unsettled and outstanding RSUs granted pursuant to the Plan;

provided, however, that no substitution or adjustment shall obligate the Company to issue fractional RSUs or Common Shares.
