stock ownership by Eligible Persons; and (iii) providing compensation opportunities to attract, retain and motivate Eligible Persons.

2.2 **Common Shares Subject to the Plan:**

- (a) Subject to adjustment pursuant to section 6.3 hereof, the total number of Common Shares reserved and available for grant and issuance pursuant to the exercise of Options under this Plan and settlement of Restricted Share Units pursuant to this Plan, shall not exceed 10% (in the aggregate) of the issued and outstanding Common Shares from time to time;
- (b) The aggregate sales price (meaning the sum of all cash, property, notes, cancellation of debt, or other consideration received or to be received by the Corporation for the sale of the securities) or amount of Common Shares issued during any consecutive 12-month period will not exceed the greatest of the following: (i) U.S.\$1,000,000; (ii) 10% of the total assets of the Corporation, measured at the Corporation's most recent balance sheet date; or (iii) 10% of the outstanding amount of the Common Shares of the Corporation, measured at the Corporation's most recent balance sheet date;

Common Shares that have actually been issued under the Plan pursuant to any Restricted Share Unit or Option will not be returned to the Plan and will not become available for future distribution under the Plan; provided, however, that if Common Shares issued pursuant to Restricted Share Units are repurchased by the Corporation or are forfeited to the Corporation due to the failure to vest, such Common Shares will become available for future grant under the Plan. Common Shares used to pay the exercise price of an Award or to satisfy the tax withholding obligations related to a Restricted Share Unit or Option will become available for future grant or sale under the Plan. To the extent a Restricted Share Unit or Option issued under the Plan is paid out in cash rather than Common Shares, such cash payment will not result in reducing the number of Common Shares available for issuance under the Plan.

- (e) The Administrators may direct that any stock certificate evidencing Common Shares issued pursuant to the Plan shall bear a legend setting forth such restrictions on transferability as may apply to such shares pursuant to the Plan.

2.3 **Administration of the Plan:** The Plan shall be administered by the Administrators, through the recommendation of the Board or through the recommendation of the Compensation Committee of the Board, if any. Subject to any limitations of the Plan, the Administrators shall have the power and authority to:

- (a) adopt rules and regulations for implementing the Plan;
- (b) determine the eligibility of persons to participate in the Plan, when Restricted Share Units and Options to Eligible Persons shall be awarded or granted, the number of Restricted Share Units and Options to be awarded or granted, the vesting criteria for each award of Restricted Share Units and the vesting period for each grant of Options;
- (c) interpret and construe the provisions of the Plan and any agreement or instrument under the Plan;
- (d) subject to regulatory requirements, make exceptions to the Plan in circumstances which they determine to be exceptional;
- (e) require that any Participant provide certain representations, warranties and certifications to the Corporation to satisfy the requirements of applicable laws, including without limitation, exemptions from the registration requirements of the 1933 Act and applicable state securities laws; and
- (f) make all other determinations and take all other actions as they determine to be necessary or desirable to implement, administer and give effect to the Plan.

3. ELIGIBILITY AND PARTICIPATION IN PLAN

3.1 **The Plan and Participation:** The Plan is hereby established for Eligible Persons. Restricted Share Units may be awarded and Options may be granted to any Eligible Person as determined by the Administrators in accordance with the provisions hereof. The Corporation and each Participant are responsible for ensuring and confirming that such Participant is a bona fide Eligible Person entitled to receive Options or Restricted Share Units, as the case may be.

3.2 **Agreements:** All Restricted Share Units awarded hereunder shall be evidenced by a restricted share unit agreement ("**Restricted Share Unit Agreement**") between the Corporation and the Participant, substantially in the form set out in Exhibit A or in such other form as the Administrators may approve from time to time. All Options granted hereunder shall be evidenced by an option agreement ("**Option Agreement**") between the Corporation and the Participant, substantially in the form as set out in Exhibit B or in such other form as the Administrators may approve from time to time.

4. AWARD OF RESTRICTED SHARE UNITS

4.1 **Award of Restricted Share Units:** The Administrators may, at any time and from time to time, award Restricted Share Units to Eligible Persons. In awarding any Restricted Share Units, the Administrators shall determine:

- (a) to whom Restricted Share Units pursuant to the Plan will be awarded;
- (b) the number of Restricted Share Units to be awarded and credited to each Participant's Account;
- (c) the Award Date; and

(d) subject to section 4.3 hereof, the applicable vesting criteria.

Upon the award of Restricted Share Units, the number of Restricted Share Units awarded to a Participant shall be credited to the Participant's Account effective as of the Award Date.

4.2 **Restricted Share Unit Agreement:** Upon the award of each Restricted Share Unit to a Participant, a Restricted Share Unit Agreement shall be delivered by the Administrators to the Participant.

4.3 **Vesting:**

(a) Subject to subsections (c) and (d) below, at the time of the award of Restricted Share Units, the Administrators shall determine in their sole discretion the vesting criteria applicable to such Restricted Share Units.

(b) For greater certainty, the vesting of Restricted Share Units may be determined by the Administrators to include criteria such as performance vesting, in which the number of Common Shares to be delivered to a Participant for each Restricted Share Unit that vests may fluctuate based upon the Corporation's performance and/or the market price of the Common Shares, in such manner as determined by the Administrators in their sole discretion.

(c) Each Restricted Share Unit shall be subject to vesting in accordance with the terms set out in the Restricted Share Unit Agreement.

(d) Notwithstanding anything to the contrary in this Plan, all vesting and issuances or payments, as applicable, in respect of a Restricted Share Unit shall be completed no later than December 15 of the third calendar year commencing after the Award Date for such Restricted Share Unit.

4.4 **Blackout Periods:** Should the date of vesting of a Restricted Share Unit fall within an applicable Blackout Period or within nine Business Days following the expiration of an applicable Blackout Period, such date of vesting shall be automatically extended without any further act or formality to that date which is the tenth Business Day after the end of such Blackout Period, such tenth Business Day to be considered the date of vesting for such Restricted Share Unit for all purposes under the Plan. Notwithstanding section 6.4 hereof, the ten Business Day period referred to in this section 4.4 may not be extended by the Board.

4.5 **Vesting and Settlement:** As soon as practicable after the relevant date of vesting of any Restricted Share Units awarded under the Plan and with respect to a U.S. Participant, no later than 60 days thereafter, but subject to subsection 4.3(d), a Participant shall be entitled to receive and the Corporation shall issue or pay (at its discretion):

(a) a lump sum payment in cash equal to the number of vested Restricted Share Units recorded in the Participant's Account multiplied by the Market Value of a Common Share on the Payout Date;

(b) the number of Common Shares required to be issued to a Participant upon the vesting of such Participant's Restricted Share Units in the Participant's Account,

duly issued as fully paid and non-assessable shares and such Participant shall be registered on the books of the Corporation as the holder of the appropriate number of Common Shares; or

(c) any combination of the foregoing.

4.6 **Taxes and Source Deductions:** The Corporation or an affiliate of the Corporation may take such reasonable steps for the deduction and withholding of any taxes and other required source deductions which the Corporation or the affiliate, as the case may be, is required by any law or regulation of any governmental authority whatsoever to remit in connection with this Plan, any Restricted Share Units or any issuance of Common Shares (“**Withholding Obligations**”). Without limiting the generality of the foregoing, the Corporation may, at its discretion: (i) deduct and withhold those amounts it is required to remit pursuant to the Withholding Obligations from any cash remuneration or other amount payable to the Participant, whether or not related to the Plan, the vesting of any Restricted Share Units or the issue of any Common Shares; (ii) allow the Participant to make a cash payment to the Corporation equal to the amount required to be remitted, pursuant to the Withholding Obligations, which amount shall be remitted by the Corporation to the appropriate governmental authority for the account of the Participant; or (iii) settle a portion of vested Restricted Share Units of a Participant in cash equal to the amount the Corporation is required to remit, pursuant to the Withholding Obligations, which amount shall be remitted by the Corporation to the appropriate governmental authority for the account of the Participant. Where the Corporation considers that the steps undertaken in connection with the foregoing result in inadequate withholding or a late remittance of taxes, the delivery of any Common Shares to be issued to a Participant on vesting of any Restricted Share Units may be made conditional upon the Participant (or other person) reimbursing or compensating the Corporation or making arrangements satisfactory to the Corporation for the payment to it in a timely manner of all taxes required to be remitted, pursuant to the Withholding Obligations, for the account of the Participant.

4.7 **Rights Upon an Event of Termination:**

(a) If an Event of Termination has occurred in respect of any Participant, any and all Common Shares corresponding to any vested Restricted Share Units in the Participant’s Account shall be issued as soon as practicable after the Event of Termination to the former Participant in accordance with section 4.5 hereof. With respect to each Restricted Share Unit of a U.S. Participant, such Restricted Share Unit will be settled and shares issued as soon as practicable following the date of vesting of such Restricted Share Unit as set forth in the applicable Restricted Share Unit Agreement, but in all cases within 60 days following such date of vesting.

(b) If an Event of Termination has occurred in respect of any Participant, any unvested Restricted Share Units in the Participant’s Account shall, unless otherwise determined by the Administrators in their discretion, forthwith and automatically be forfeited by the Participant and cancelled. With respect to any Restricted Share Unit of a U.S. Participant, if the Administrators determine, in their discretion, to waive vesting conditions applicable to a Restricted Share Unit that is unvested at the time of an Event of Termination, such Restricted Share Unit shall not be forfeited or cancelled, but instead will be deemed to be vested

and settled and shares delivered following the date of vesting of such Restricted Share Unit as set forth in the applicable Restricted Share Unit Agreement.

- (c) Notwithstanding the foregoing subsection 4.7(b), if a Participant retires in accordance with the Corporation's retirement policy, at such time, any unvested performance-based Restricted Share Units in the Participant's Account shall not be forfeited by the Participant or cancelled and instead shall be eligible to become vested in accordance with the vesting conditions set forth in the applicable Restricted Share Unit Agreement after such retirement (as if retirement had not occurred), but only if the performance vesting criteria, if any, are met on the applicable date.
- (d) For greater certainty, if a Participant's employment is terminated for just cause, each unvested Restricted Share Unit in the Participant's Account shall forthwith and automatically be forfeited by the Participant and cancelled.
- (e) For the purposes of this Plan and all matters relating to the Restricted Share Units, the date of the Event of Termination shall be determined without regard to any applicable severance or termination pay, damages, or any claim thereto (whether express, implied, contractual, statutory, or at common law).

4.8 **Restricted Share Unit Accounts:** A separate notional account for Restricted Share Units shall be maintained for each Participant (an "**Account**"). Each Account will be credited with Restricted Share Units awarded to the Participant from time to time pursuant to section 4.1 hereof by way of a bookkeeping entry in the books of the Corporation. On the vesting of the Restricted Share Units pursuant to section 4.3 hereof and the corresponding issuance of Common Shares to the Participant pursuant to section 4.5 hereof, or on the forfeiture and cancellation of the Restricted Share Units pursuant to section 4.7 hereof, the applicable Restricted Share Units credited to the Participant's Account will be cancelled.

4.9 **Record Keeping:** the Corporation shall maintain records in which shall be recorded:

- (a) the name and address of each Participant;
- (b) the number of Restricted Share Units credited to each Participant's Account;
- (c) any and all adjustments made to Restricted Share Units recorded in each Participant's Account; and
- (d) any other information which the Corporation considers appropriate to record in such records.

5. GRANT OF OPTIONS

5.1 **Grant of Options:** The Administrators may at any time and from time to time grant Options to Eligible Persons. In granting any Options, the Administrators shall determine:

- (a) to whom Options pursuant to the Plan will be granted;
- (b) the number of Options to be granted, the Grant Date and the exercise price of each Option;

- (c) the expiration date of each Option; and
- (d) subject to section 5.3 hereof, the applicable vesting criteria,

provided, however that the exercise price for a Common Share pursuant to any Option shall not be less than the Market Price on the Grant Date in respect of that Option.

5.2 **Option Agreement:** Upon each grant of Options to a Participant, an Option Agreement shall be delivered by the Administrators to the Participant.

5.3 **Vesting:**

- (a) At the time of the grant of any Options, the Administrators shall determine, in accordance with minimum vesting requirements of the Exchange, the vesting criteria applicable to such Options.
- (b) The Administrators may determine when any Option will become exercisable and may determine that Options shall be exercisable in instalments or pursuant to a vesting schedule. The Option Agreement will disclose any vesting conditions prescribed by the Administrators.

5.4 **Term of Option/Blackout Periods:** The term of each Option shall be determined by the Administrators; provided that no Option shall be exercisable after ten years from the Grant Date. Should the term of an Option expire on a date that falls within a Blackout Period or within nine Business Days following the expiration of a Blackout Period, such expiration date shall be automatically extended without any further act or formality to that date which is the tenth Business Day after the end of the Blackout Period, such tenth Business Day to be considered the expiration date for such Option for all purposes under the Plan. Notwithstanding section 6.4 hereof, the ten Business Day period referred to in this section 5.4 may not be extended by the Board.

5.5 **Exercise of Option:**

Options that have vested in accordance with the provisions of this Plan and the applicable Option Agreement may be exercised at any time, or from time to time, during their term and subject to the provisions of Section 5.9 hereof as to any number of whole Common Shares that are then available for purchase thereunder; provided that no partial exercise may be for less than 100 whole Common Shares. Options may be exercised by delivery of a written notice of exercise to the Administrators, substantially in the form attached to this Plan as Exhibit C, with respect to the Options, or by any other form or method of exercise acceptable to the Administrators.

5.6 **Payment and Issuance:**

- (a) Upon actual receipt by the Corporation or its agent of the materials required by subsection 5.5 and receipt by the Corporation of cash, a cheque, bank draft or other form of acceptable payment for the aggregate exercise price, the number of Common Shares in respect of which the Options are exercised will be issued as fully paid and non-assessable shares and the Participant exercising the Options shall be registered on the books of the Corporation as the holder of the appropriate number of Common Shares. No person or entity shall enjoy any part of the rights or privileges of a holder of Common Shares which are subject to

Options until that person or entity becomes the holder of record of those Common Shares. No Common Shares will be issued by the Corporation prior to the receipt of payment by the Corporation for the aggregate exercise price for the Options being exercised.

- (b) Without limiting the foregoing, and unless otherwise determined by the Administrators or not compliant with any applicable laws, (i) cashless exercise of Options shall only be available to a Participant who was granted and is exercising such Options outside the United States as a non-U.S. Person in compliance with Regulation S under the 1933 Act at a time when the Common Shares are listed and posted for trading on an Exchange or market in Canada that permits cashless exercise, the Participant intends to immediately sell the Common Shares issuable upon exercise of such Options in Canada and the proceeds of sale will be sufficient to satisfy the exercise price of the Options, and (ii) if an eligible Participant elects to exercise the Options through cashless exercise and complies with any relevant protocols approved by the Administrators, a sufficient number of the Common Shares issued upon exercise of the Options will be sold in Canada by a designated broker on behalf of the Participant to satisfy the exercise price of the Options, the exercise price of the Options will be delivered to the Corporation and the Participant will receive only the remaining unsold Common Shares from the exercise of the Options and the net proceeds of the sale after deducting the exercise price of the Options, applicable taxes and any applicable fees and commissions, all as determined by the Administrators from time to time. The Corporation shall not deliver the Common Shares issuable upon a cashless exercise of Options until receipt of the exercise price therefor, whether by a designated broker selling the Common Shares issuable upon exercise of such Options through a short position or such other method determined by the Administrators in compliance with applicable laws.

5.7 **Cashless Exercise:** Provided that the Common Shares are listed and posted for trading on an Exchange or market that permits cashless exercise, a Participant may elect a cashless exercise in a notice of exercise, which election will result in all of the Common Shares issuable on the exercise being sold. In such case, the Participant will not be required to deliver to the Administrators a cheque or other form of payment for the aggregate exercise price referred to above. Instead the following provisions will apply:

- (a) The Participant will instruct a broker selected by the Participant to sell through the stock exchange or market on which the Common Shares are listed or quoted, the Common Shares issuable on the exercise of Options, as soon as possible upon the issue of such Common Shares to the Participant at the then applicable bid price of the Common Shares.
- (b) Before the relevant trade date, the Participant will deliver the exercise notice including details of the trades to the Corporation electing the cashless exercise and the Corporation will direct its registrar and transfer agent to issue a certificate for such Participant's Common Shares in the name of the broker (or as the broker may otherwise direct) for the number of Common Shares issued on the exercise of the Options, against payment by the broker to the Corporation of (i) the exercise price for such Common Shares; and (ii) the amount the Corporation determines, in its discretion, is required to satisfy the Corporation withholding tax

and source deduction remittance obligations in respect of the exercise of the Options and issuance of Common Shares.

- (c) The broker will deliver to the Participant the remaining proceeds of sale, net of any brokerage commission or other expenses.

5.8 Taxes and Source Deductions: The Corporation or an affiliate of the Corporation may take such reasonable steps for the deduction and withholding of any taxes and other required source deductions which the Corporation or the affiliate, as the case may be, is required by any law or regulation of any governmental authority whatsoever to remit pursuant to the Withholding Obligations in connection with this Plan, any Options or any issuance of Common Shares. Without limiting the generality of the foregoing, the Corporation may, at its discretion: (i) deduct and withhold those amounts it is required to remit, pursuant to the Withholding Obligations, from any cash remuneration or other amount payable to the Participant, whether or not related to the Plan, the exercise of any Options or the issue of any Common Shares; or (ii) allow the Participant to make a cash payment to the Corporation equal to the amount required to be remitted, pursuant to the Withholding Obligations, which amount shall be remitted by the Corporation to the appropriate governmental authority for the account of the Participant. Where the Corporation considers that the steps undertaken in connection with the foregoing result in inadequate withholding or a late remittance of taxes, the delivery of any Common Shares to be issued to a Participant on the exercise of Options may be made conditional upon the Participant (or other person) reimbursing or compensating the Corporation or making arrangements satisfactory to the Corporation for the payment in a timely manner of all taxes required to be remitted, pursuant to the Withholding Obligations, for the account of the Participant.

5.9 Rights Upon an Event of Termination:

- (a) If an Event of Termination has occurred in respect of a Participant, any unvested Options, to the extent not available for exercise as of the date of the Event of Termination, shall, unless otherwise determined by the Administrators in their discretion, forthwith and automatically be cancelled, terminated and not available for exercise without further consideration or payment to the Participant.
- (b) Except as otherwise stated herein or otherwise determined by the Administrators in their discretion, upon the occurrence of an Event of Termination in respect of a Participant, any vested Options granted to the Participant that are available for exercise may be exercised only before the earlier of:
 - (i) the expiry of the Option; and
 - (ii) two months after the date of the Event of Termination.
- (c) Notwithstanding the foregoing subsections 5.9(a) and (b), if a Participant's employment is terminated for just cause, each Option held by the Participant, whether or not then exercisable, shall forthwith and automatically be cancelled and may not be exercised by the Participant.
- (d) For the purposes of this Plan and all matters relating to the Options, the date of the Event of Termination shall be determined without regard to any applicable

severance or termination pay, damages, or any claim thereto (whether express, implied, contractual, statutory, or at common law).

5.10 **Record Keeping:** The Corporation shall maintain an Option register in which shall be recorded:

- (a) the name and address of each holder of Options;
- (b) the number of Common Shares subject to Options granted to each holder of Options;
- (c) the term of the Option and exercise price, including adjustments for each Option granted; and
- (d) any other information which the Corporation considers appropriate to record in such register.

6. GENERAL

6.1 **Effective Date of Plan:** The Plan shall be effective as of the Effective Date.

6.2 **Change of Control:** If there is a Change of Control transaction then, notwithstanding any other provision of this Plan except subsection 4.3(d) which will continue to apply in all circumstances, the Administrators may, in their sole discretion, determine that any or all unvested Restricted Share Units and any or all Options (whether or not currently exercisable) shall vest or become exercisable, as applicable, at such time and in such manner as may be determined by the Administrators in their sole discretion such that Participants under the Plan shall be able to participate in the Change of Control transaction, including, at the election of the holder thereof, by surrendering such Restricted Share Units and Options to the Corporation or a third party or exchanging such Restricted Share Units or Options, for consideration in the form of cash and/or securities, to be determined by the Administrators in their sole discretion. Notwithstanding the foregoing, with respect to Options of U.S. Participants, any exchange, substitution or amendment of such Options will occur only to the extent and in a manner that will not result in the imposition of taxes under Section 409A of the Code, and with respect to Restricted Share Units of U.S. Participants, any surrender or other modification of Restricted Share Units will occur only to the extent such surrender or other modification will not result in the imposition of taxes under Section 409A of the Code.

6.3 **Reorganization Adjustments:**

- (a) In the event of any declaration by the Corporation of any stock dividend payable in securities (other than a dividend which may be paid in cash or in securities at the option of the holder of Common Shares), or any subdivision or consolidation of Common Shares, reclassification or conversion of Common Shares, or any combination or exchange of securities, merger, consolidation, recapitalization, amalgamation, plan of arrangement, reorganization, spin off involving the Corporation, distribution (other than normal course cash dividends) of company assets to holders of Common Shares, or any other corporate transaction or event involving the Corporation or the Common Shares, the Administrators, in the

Administrators' sole discretion, may, subject to any relevant resolutions of the Board, and without liability to any person, make such changes or adjustments, if any, as the Administrators consider fair or equitable, in such manner as the Administrators may determine, to reflect such change or event including, without limitation, adjusting the number of Options and Restricted Share Units outstanding under this Plan, the type and number of securities or other property to be received upon exercise or redemption thereof, and the exercise price of Options outstanding under this Plan, provided that the value of any Option or Restricted Share Unit immediately after such an adjustment, as determined by the Administrators, shall not exceed the value of such Option or Restricted Share Unit prior thereto, as determined by the Administrators.

- (b) Notwithstanding the foregoing, with respect to Options and Restricted Share Units of U.S. Participants, such changes or adjustments will be made in a manner so as to not result in the imposition of taxes under Section 409A of the Code and will comply with the requirements in subsection 4.3(d).
- (c) The Corporation shall give notice to each Participant in the manner determined, specified or approved by the Administrators of any change or adjustment made pursuant to this section and, upon such notice, such adjustment shall be conclusive and binding for all purposes.
- (d) The Administrators may from time to time adopt rules, regulations, policies, guidelines or conditions with respect to the exercise of the power or authority to make changes or adjustments pursuant to section 6.2 or section 6.3(a). The Administrators, in making any determination with respect to changes or adjustments pursuant to section 6.2 or section 6.3(a) shall be entitled to impose such conditions as the Administrators consider or determine necessary in the circumstances, including conditions with respect to satisfaction or payment of all applicable taxes (including, but not limited to, withholding taxes).

6.4 **Amendment or Termination of Plan:**

The Board may amend this Plan or any Restricted Share Unit or any Option at any time without the consent of Participants provided that such amendment shall:

- (a) not adversely alter or impair any Restricted Share Unit previously awarded or any Option previously granted except as permitted by the provisions of section 6.3 hereof, and, with respect to Restricted Share Units and Options of U.S. Participants, such amendment will not result in the imposition of taxes under Section 409A of the Code;
- (b) be subject to any regulatory approvals including, where required, the approval of the Exchange;
- (c) be subject to shareholder approval, where required by the requirements of the Exchange, provided that shareholder approval shall not be required for the following amendments:
 - (i) amendments of a "housekeeping nature", including any amendment to the Plan or a Restricted Share Unit or Option that is necessary to comply with applicable laws, tax or accounting provisions or the requirements of

any regulatory authority or stock exchange and any amendment to the Plan or a Restricted Share Unit or Option to correct or rectify any ambiguity, defective provision, error or omission therein, including any amendment to any definitions therein;

- (ii) amendments that are necessary or desirable for Restricted Share Units or Options to qualify for favourable treatment under any applicable tax law;
 - (iii) a change to the vesting provisions of any Restricted Share Unit or any Option (including any alteration, extension or acceleration thereof);
 - (iv) a change to the termination provisions of any Option or Restricted Share Units (for example, relating to termination of employment, resignation, retirement or death) that does not entail an extension beyond the original expiration date (as such date may be extended by virtue of section 5.4);
 - (v) the introduction of features to the Plan that would permit the Corporation to, instead of issuing Common Shares from treasury upon the vesting of the Restricted Share Units, retain a broker and make payments for the benefit of Participants to such broker who would purchase Common Shares in the open market for such Participants;
 - (vi) the amendment of this Plan as it relates to making lump sum payments to Participants upon the vesting of the Restricted Share Units; and
 - (vii) the amendment of the cashless exercise feature set out in this Plan; and
- (d) be subject to disinterested shareholder approval in the event of any reduction in the exercise price of any Option granted under the Plan to an Insider Participant.

For greater certainty and subject to approval by the Exchange (if applicable), shareholder approval shall be required in circumstances where an amendment to the Plan would:

- (a) change from a fixed maximum percentage of issued and outstanding Common Shares to a fixed maximum number of Common Shares;
- (b) increase the limits in section 2.2;
- (c) reduce the exercise price of any Option (including any cancellation of an Option for the purpose of reissuance of a new Option at a lower exercise price to the same person);
- (d) extend the term of any Option beyond the original term (except if such period is being extended by virtue of section 5.4 hereof); or
- (e) amend this section 6.4.

6.5 Termination: The Administrators may terminate this Plan at any time in their absolute discretion. If the Plan is so terminated, no further Restricted Share Units shall be awarded and no further Options shall be granted, but the Restricted Shares Units then outstanding and credited to Participants' Accounts and the Options then outstanding

shall continue in full force and effect in accordance with the provisions of this Plan. Any termination of this Plan shall occur in a manner that will not result in the imposition of taxes on a U.S. Participant under Section 409A of the Code.

- 6.6 **Transferability:** A Participant shall not be entitled to transfer, assign, charge, pledge or hypothecate, or otherwise alienate, whether by operation of law or otherwise, the Participant's Restricted Share Units or Options or any rights the Participant has under the Plan.
- 6.7 **Rights as a Shareholder:** Under no circumstances shall the Restricted Share Units or Options be considered Common Shares nor shall they entitle any Participant to exercise voting rights or any other rights attaching to the ownership of Common Shares (including, but not limited to, the right to dividend equivalent payments).
- 6.8 **Credits for Dividends:** Unless otherwise determined by the Administrators, whenever cash or other dividends are paid on Common Shares, additional Restricted Share Units will be automatically granted to each Participant who holds Restricted Share Units on the record date for such dividends. The number of such Restricted Share Units (rounded to the nearest whole Restricted Share Units) to be credited to such Participant as of the date on which the dividend is paid on the Common Shares shall be an amount equal to the quotient obtained when (i) the aggregate value of the cash or other dividends that would have been paid to such Participant if the Participant's Restricted Share Units as of the record date for the dividend had been Common Shares, is divided by (ii) the Market Value of the Common Shares as of the date on which the dividend is paid on the Common Shares. Restricted Share Units granted to a Participant shall be subject to the same vesting conditions (time and performance (as applicable)) as the Restricted Share Units to which they relate.
- 6.9 **No Effect on Employment, Rights or Benefits:**
- (a) The terms of employment shall not be affected by participation in the Plan.
 - (b) Nothing contained in the Plan shall confer or be deemed to confer upon any Participant the right to continue as a director, officer, employee or Consultant nor interfere or be deemed to interfere in any way with any right of the Corporation, the Board or the shareholders of the Corporation to remove any Participant from the Board or of the Corporation or any Subsidiary to terminate any Participant's employment or agreement with a Consultant at any time for any reason whatsoever.
 - (c) Under no circumstances shall any person who is or has at any time been a Participant be able to claim from the Corporation or any Subsidiary any sum or other benefit to compensate for the loss of any rights or benefits under or in connection with this Plan or by reason of participation in this Plan.
- 6.10 **Market Value of Common Shares:** The Corporation makes no representation or warranty as to the future market value of any Common Shares. No Participant shall be entitled, either immediately or in the future, either absolutely or contingently, to receive or obtain any amount or benefit granted to or to be granted for the purpose of reducing the impact, in whole or in part, of any reduction in the market value of the shares of the Corporation or a corporation related thereto.

6.11 Compliance with Applicable Law:

- (a) If any provision of the Plan contravenes any law or any order, policy, by-law or regulation of any regulatory body having jurisdiction, then such provision shall be deemed to be amended to the extent necessary to bring such provision into compliance therewith. Notwithstanding the foregoing, the Corporation shall have no obligation to register any securities provided for in this Plan under the 1933 Act.
- (b) The award of Restricted Share Units, the grant of Options and the issuance of Common Shares under this Plan shall be carried out in compliance with applicable statutes and with the regulations of governmental authorities and the Exchange. If the Administrators determine in their discretion that, in order to comply with any such statutes or regulations, certain action is necessary or desirable as a condition of or in connection with the award of a Restricted Share Unit, the grant of an Option or the issue of a Common Share upon the vesting of a Restricted Share Unit or exercise of an Option, as applicable, that Restricted Share Unit may not vest in whole or in part and that Option may not be exercised in whole or in part, as applicable, unless that action shall have been completed in a manner satisfactory to the Administrators. In addition, unless the Restricted Share Units, the Options and the Common Shares issuable pursuant to the Restricted Share Units and Options, as applicable, have been registered under the 1933 Act and any applicable U.S. state securities laws, all rights of a Participant under this Plan shall be subject to and conditioned upon the availability of exemptions or exclusions from the registration requirements of the 1933 Act and any applicable U.S. state securities, as determined by the Corporation in its sole discretion. Any Restricted Share Units or Options granted or issued to a person in the United States or a U.S. Person, as well as the issue of Common Shares pursuant thereto, will result in any certificate representing such securities bearing a United States restrictive legend restricting transfer of such securities under United States federal and state securities laws.

6.12 Governing Law: This Plan shall be governed by and construed in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein, and with respect to U.S. Participants, the Code.

6.13 Subject to Approval: The Plan is adopted subject to the approval of the Exchange and any other required regulatory approval. To the extent a provision of the Plan requires regulatory approval which is not received, such provision shall be severed from the remainder of the Plan until the approval is received and the remainder of the Plan shall remain in effect.

6.14 Special Terms and Conditions Applicable to U.S. Participants: Options issued to U.S. Participants are intended to be exempt from Section 409A of the Code pursuant to Treas. Reg. Section 1.409A-1(b)(5)(i)(A) and the Plan and such Options will be construed and administered accordingly. Options may be issued to U.S. Participants under the Plan only if the shares with respect to the Options qualify as "service recipient stock" as defined in Treas. Reg. Section 1.409A-1(b)(5)(E)(iii). Restricted Share Units awarded to U.S. Participants are intended to be exempt from Section 409A of the Code pursuant to Treas. Reg. Section 1.409A-1(b)(4) and the Plan and such Restricted Share Units will be construed and administered accordingly. Any waiver or acceleration of vesting under the Plan or any Restricted Share Unit Agreement for a U.S. Participant

may occur only to the extent that such acceleration or waiver will not result in the imposition of taxes under Section 409A of the Code. Any payments made under this Plan or any Restricted Share Unit Agreement to a U.S. Participant as a result of a termination of employment that are deemed to be subject to Section 409A of the Code shall occur only if such termination constitutes a "separation from service" as defined in Treas. Reg. 1.409A-1(h). Additionally, any payments resulting from a separation from service made to a U.S. Participant who is a "specified employee" as defined in Treas. Reg. 1.409A-1(i) shall be subject to the six month delay in payments required by Treas. Reg. 1.409A-1(3)(v) if such payments are deemed to be subject to Section 409A of the Code. Although the Corporation intends Options and Restricted Share Units granted to U.S. Participants to be exempt from or compliant with Section 409A of the Code, the Corporation makes no representation or guaranty as to the tax treatment of such Options and Restricted Share Units. Each U.S. Participant (and any beneficiary or the estate of the Participant, as applicable) is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or for the account of such U.S. Participant in connection with this Plan. Neither the Corporation nor any affiliate, nor any employee or director of the Corporation or an affiliate, shall have any obligation to indemnify or otherwise hold such U.S. Participant, beneficiary or estate harmless from any or all such taxes or penalties.
