

MANAGEMENT INFORMATION CIRCULAR

as at February 23, 2022

This Management Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management Silver Hammer Mining Corp. (the “**Company**”) for use at the annual general meeting (the “**Meeting**”) of its shareholders to be held on **Thursday, March 31, 2022** at the time and place and for the purposes set forth in the accompanying Notice of the Meeting.

In this Circular, references to “the Company”, “we” and “our” refer to Silver Hammer Mining Corp. “common shares” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold common shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of common shares held as of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

The only methods by which you may appoint a person as proxy are submitting a Proxy by mail, hand delivery or fax.

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the common shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your common shares will be voted accordingly. The Proxy confers discretionary authority on persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, or where both choices have been specified, in favour or all matters described herein, the persons named in the Proxy will vote the common shares represented by the Proxy for the approval of such matter.

Notice and Access

The Company is not sending this Circular to registered or beneficial shareholders using “notice-and-access” as defined under National Instrument 54-101 (“**NI 54-101**”).

Registered Shareholders

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the form of Proxy and returning it to the Company’s transfer agent, Endeavor Trust Corporation (“**Endeavor Trust**”), by:

- (a) mail or by hand to Suite 702 - 777 Hornby Street, Vancouver, British Columbia, V6Z 1S4;
- (b) facsimile to 604.559.8908;
- (c) email to proxy@endeavortrust.com; or
- (d) www.eproxy.ca.

In all cases, the Proxy must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Voting by mail may be the only method for securities held in the name of a corporation or securities being voted on behalf of another individual.

Voting by mail, fax or by email are the only methods by which a holder may appoint a person as proxyholder other than the Management nominees named on the reverse of the Proxy.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold common shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of common shares).

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in the shareholder’s name on the records of the Company. Such common shares will more likely be registered under the names of the shareholder’s broker or an agent of that broker. In the United States, the vast majority of such common shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

There are two kinds of beneficial owners - those who object to their name being made known to the issuers of securities which they own (called “**OBOs**” for “**Objecting Beneficial Owners**”) and those who do not object to the issuers of the securities they own knowing who they are (called “**NOBOs**” for “**Non-Objecting Beneficial Owners**”).

Pursuant to National Instrument 54-101 of the Canadian Securities Administrators (the “**CSA**”), the Company is sending proxy-related materials directly to NOBOs, which materials will include a scannable Voting Instruction Form (a “**VIF**”). These VIFs are to be completed and returned to Broadridge in the envelope provided or by

facsimile. Broadridge will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

Management of the Company does not intend to pay for intermediaries to forward to OBOs under National Instrument 54-101 the proxy-related materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary*, and, in the case of an OBO, the OBO will not receive the materials unless the OBO's intermediary assumes the cost of delivery.

Every intermediary that mails proxy-related materials to Beneficial Shareholders has its own mailing procedures and provides its own return instructions to clients. Beneficial Shareholders should follow the instructions of their intermediary carefully to ensure that their common shares are voted at the Meeting.

Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form (the "**Broadridge VIF**") which will be similar to the Proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. The Broadridge VIF will appoint the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the Broadridge VIF, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the Broadridge VIF. The completed Broadridge VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. **If you receive a Broadridge VIF, you cannot use it to vote common shares directly at the Meeting – the Broadridge VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the common shares voted.**

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxyholder for your broker and vote your common shares in that capacity. **If you wish to attend at the Meeting and indirectly vote your common shares as proxyholder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the Meeting.**

Alternatively, you can request in writing that your broker send you the legal Proxies which would enable you, or a person designated by you, to attend at the Meeting and vote your common shares.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a Proxy may revoke it by executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to Endeavor Trust at Suite 720 - 777 Hornby Street, Vancouver, British Columbia, V6Z 1S4, or to the address of the registered and records office of the Company at Suite 400 – 1681 Chestnut Street, Vancouver, British Columbia V6J 4M6, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof.

A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, nor any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, the appointment of the auditor and as set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the “**Board**”) of the Company has fixed **February 23, 2022** as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of Proxy in the manner and subject to the provisions described above will be entitled to vote or to have their common shares voted at the Meeting.

The Company is authorized to issue an unlimited number of common shares without par value. As of the Record Date, there were 38,171,520 common shares issued and outstanding, each carrying the right to one vote. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the common shares.

To the knowledge of the directors and executive officers of the Company, as at the Record Date, no person or corporation beneficially owns, or controls or directs, directly or indirectly, voting securities of the Company carrying 10% or more of the voting rights attached to any class of outstanding voting securities of the Company.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company’s auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled all such nominees will be declared elected or appointed by acclamation.

SETTING NUMBER OF DIRECTORS

The persons named in the enclosed Proxy intend to vote in favour of fixing the number of directors at five (5). The Board proposes that the number of directors remain at five (5). Shareholders will therefore be asked to approve an ordinary resolution that the number of directors elected be fixed at five (5).

ELECTION OF DIRECTORS

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director’s office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia), each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

The following table sets out the names of management’s nominees for election as directors, all major offices and positions with the Company and any of its significant affiliates each now holds, each nominee’s principal occupation, business or employment (for the five preceding years for new director nominees), the period of time during which each has been a director of the Company and the number of common shares of the Company beneficially owned by each, directly or indirectly, or over which each exercised control or direction, as at the Record Date.

- (a) was subject to a cease trade or similar order ("CTO") or an order denying the relevant company access to any exemptions under securities legislation, for more than 30 consecutive days while that person was acting in the capacity as director, CEO or CFO; or
- (b) was the subject of a cease trade or similar order or an order that denied the issuer access to any exemption under securities legislation in each case for a period of 30 consecutive days, that was issued after the person ceased to be a director, CEO or CFO in the company and which resulted from an event that occurred while that person was acting in the capacity as director, CEO or CFO.

Except as described below, no director or executive officer of the Company, or a shareholder holding a sufficient number of securities of the Company to affect materially the control of the Company:

- (a) is as at the date of this Circular or has been within 10 years before the date of this Circular, a director or executive officer of any company, including the Company, that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or

Lawrence Roulston became a director of KBL Mining Ltd. ("**KBL**") in March 2015, a company listed on the Australian Stock Exchange at a time, as a result of being the director nominee of Quintana Resources Capital ULC (an investor in KBL by way of a streaming transaction which was secured by KBL's Mineral Hill mine). On

September 7, 2016, Mr. Roulston resigned his position as director and on September 8, 2016, KBL was placed into voluntary administration and, on September 19, 2016, receivers were appointed.

None of the proposed directors (or any of their personal holding companies) has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or a regulatory body that would likely be considered important to a reasonable security holder in deciding whether to vote for a proposed director.

APPOINTMENT OF AUDITOR

Manning Elliott LLP, Chartered Professional Accountants (“**Manning Elliott**”) of 1030 W. Georgia Street, #1700, Vancouver, British Columbia V6E 2Y3, will be nominated at the Meeting for re-appointment as auditor of the Company at a remuneration to be fixed by the Board.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITOR

National Instrument 52-110 (“**NI 52-110**”) requires the Company, as a venture issuer, to disclose annually in its Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth in the following:

The Audit Committee’s Charter

The Audit Committee has a charter. A copy of the Audit Committee charter is attached hereto as Schedule “A”.

Composition of the Audit Committee

The current members of the Audit Committee are Lawrence Roulston (chair), Michael Dake and Jones Lang. All members of the Audit Committee are considered to be financially literate. Mr. Dake was an executive officer of the Company, resigning from his officer position as CEO and Corporate Secretary of the Company on October 14, 2021, and is not considered to be an independent member of the Audit Committee, pursuant to section 1.4(2) and (3) of NI 52-110. Mr. Lang and Mr. Roulston are not executive officers of the Company and, therefore, are independent members of the Audit Committee.

A member of the Audit Committee is independent if the member has no direct or indirect material relationship with the Company. A material relationship means a relationship which could, in the view of the Company’s Board, reasonably interfere with the exercise of a member’s independent judgement.

A member of the Audit Committee is considered financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company.

- (a) an understanding of the accounting principles used by the Company to prepare its financial statements and the ability to assess the general application of those principles in connection with estimates, accruals and reserves;
- (b) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements or experience actively supervising individuals engaged in such activities; and
- (c) an understanding of internal controls and procedures for financial reporting.

Audit Committee Oversight

The Audit Committee has not made any recommendations to the Board to nominate or compensate any external auditor, other than Manning Elliott.

Reliance on Certain Exemptions

The Company's auditors, Manning Elliott, have not provided any material non-audit services.

Pre-Approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services.

External Auditor Service Fees

The Audit Committee has reviewed the nature and amount of the non-audited services provided by Manning Elliott, to the Company to ensure auditor independence. The following table outlines the fees incurred with Manning Elliott for audit and non-audit services in the last two fiscal years:

<u>Nature of Services</u>	<u>Fees Paid to Auditor in Year Ended September 30, 2021</u>	<u>Fees Paid to Auditor in Year Ended September 30, 2020</u>
Audit Fees ⁽¹⁾	\$39,676	\$5,500
Audit-Related Fees ⁽²⁾	Nil	Nil
Tax Fees ⁽³⁾	Nil	Nil
All Other Fees ⁽⁴⁾	<u>Nil</u>	<u>Nil</u>
Total:	<u>\$39,676</u>	<u>\$5,500</u>

- (1) “Audit Fees” include fees necessary to perform the annual audit and quarterly reviews of the Company’s consolidated financial statements. Audit Fees include fees for review of tax provisions and for accounting consultations on matters reflected in the financial statements. Audit Fees also include audit or other attest services required by legislation or regulation, such as comfort letters, consents, reviews of securities filings and statutory audits.
- (2) “Audit-Related Fees” include services that are traditionally performed by the auditor. These audit-related services include employee benefit audits, due diligence assistance, accounting consultations on proposed transactions, internal control reviews and audit or attest services not required by legislation or regulation.
- (3) “Tax Fees” include fees for all tax services other than those included in “Audit Fees” and “Audit-Related Fees”. This category includes fees for tax compliance, tax planning and tax advice. Tax planning and tax advice includes assistance with tax audits and appeals, tax advice related to mergers and acquisitions, and requests for rulings or technical advice from tax authorities.
- (4) “All Other Fees” include all other non-audit services.

Exemption

The Company is relying upon the exemption in section 6.1 of NI 52-110 in respect of the composition of its Audit Committee and in respect of its reporting obligations under NI 52-110 for the years ended September 30, 2021 and 2019. This exemption exempts a “venture issuer” from the requirement to have 100% of the members of its Audit Committee independent, as would otherwise be required by NI 52-110.

CORPORATE GOVERNANCE

General

Effective June 30, 2005, National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) and National Policy 58-201 *Corporate Governance Guidelines* (“**NP 58-201**”) were adopted in each of the provinces and territories of Canada. NI 58-101 requires issuers to disclose the corporate governance practices that they have adopted. NP 58-201 provides guidance on corporate governance practices.

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. The Canadian Securities Administrators have adopted NI 58-201, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the Canadian Securities Administrators have implemented NI 58-101, which prescribes certain disclosure by the Company of its corporate governance practices. This section sets out the Company’s approach to corporate governance and addresses the Company’s compliance with NI 58-101.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

Management has been delegated the responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company’s business in the ordinary course, managing cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board facilitates its independent supervision over management by reviewing and approving long-term strategic, business and capital plans, material contracts and business transactions, and all debt and equity financing transactions. Through its Audit Committee, the Board examines the effectiveness of the Company’s internal control processes and management information systems. The plenary Board reviews executive compensation and recommends stock option grants.

The non-independent members of the Board are Alnesh Mohan, CFO and Corporate Secretary of the Company, and Michael Dake, former CEO and Corporate Secretary of the Company within the last three years. The independent members of the Board are Ron Burk, Joness Lang and Lawrence Roulston.

Other Directorships

Alnesh Mohan is a director of VSBLTY Groupe Technologies Corp., DGL Investments No. 1 Inc., HealthSpace Data Systems Ltd., Premier Diversified Holdings Inc. and Greenfield Acquisition Corp.

Michael Dake is a director of Lot 49 Capital Corp., AMV Capital Corporation, Pure Energy Minerals Limited, Cayenne Capital Corp.

Joness Lang is a director of American Pacific Mining Corp.

Lawrence Roulston is a director of Thunderstruck Resources Ltd., Palladium One Mining Inc., Mountain Boy Minerals Ltd., Enduro Metals Corporation and Metalla Royalty & Streaming Ltd.

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties, business, technology and industry and on the responsibilities of directors.

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Board determines compensation for the directors and CEO.

Other Board Committees

The Board has no other committees other than the Audit Committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees.

COMPENSATION OF EXECUTIVE OFFICERS

Executive Compensation

In this section "Named Executive Officer" ("NEO") means the CEO, the CFO and each of the three most highly compensated executive officers, other than the CEO and CFO, who were serving as executive officers at the end of the most recently completed financial year and whose total compensation was more than \$150,000 as well as any additional individuals for whom disclosure would have been provided except that the individual was not serving as an executive officer of the Company at the end of the most recently completed financial year.

During the year ended September 30, 2021, the Company had four NEOs: Morgan Lekstrom, President and CEO of the Company, Alnesh Mohan, CFO and Corporate Secretary of the Company, Michael Dake, former CEO and Corporate Secretary of the Company and David Grandy, former CFO of the Company.

Compensation Discussion and Analysis

The Board has not appointed a compensation committee so the responsibilities relating to executive and director compensation, including reviewing and recommending director compensation, overseeing the Company's base compensation structure and equity-based compensation programs, recommending compensation of the Company's officers and employees, and evaluating the performance of officers generally and in light of annual goals and objectives, is performed by the Board as a whole.

The Board also assumes responsibility for reviewing and monitoring the long-range compensation strategy for the senior management of the Company. The Board receives independent competitive market information on compensation levels for executives.

The compensation for executives includes four components: base consulting fees, bonus (if applicable), stock options and perquisites. As a package, the compensation components are intended to satisfy the objectives of the compensation program (that is, to attract, retain and motivate qualified executives). There are no predefined or standard termination payments, change of control arrangements or employment contracts.

Philosophy and Objectives

The Company's compensation policies and programs are designed to be competitive with similar mining exploration companies and to recognize and reward executive performance consistent with the success of the Company's business. The compensation program for the senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including (a) attracting and retaining talented, qualified and effective executives, (b) motivating the short and long-term performance of these executives; and (c) better aligning their interests with those of the Company's shareholders.

In compensating its senior management, the Company has encouraged equity participation and in furtherance thereof employs its stock option plan.

Equity Participation

The Company believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation has been accomplished through the issuance of founder's shares and the Company's stock option plan. Stock options are granted to executives and employees taking into account a number of factors, including the amount and term of options previously granted, base consulting fees and bonuses and competitive factors. The amounts and terms of options granted are determined by the Board.

Given the evolving nature of the Company's business, the Board continues to review the overall compensation plan for senior management so as to continue to address the objectives identified above.

Option-Based Awards

The Company has a 10% rolling stock option plan (the "**Plan**") which was approved by the Board on September 17, 2021 and by the shareholders of the Company at the annual general and special meeting held on September 17, 2021.

The Plan provides incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. Management proposes stock option grants to the Board based on such criteria as performance, previous grants, and hiring incentives. All stock option grants require approval of the Board.

The Plan is administered by the Board and provides that options will be issued to directors, officers, employees or consultants of the Company or a subsidiary of the Company.

See Particulars of Matters to be Acted Upon – Re-Approval of 10% Rolling Stock Option Plan for further information on the Company's stock option plan.

PARTICULARS OF MATTERS TO BE ACTED UPON

Approve Stock Option Plan

As at the date of this Circular, the Company's only incentive plan is the Plan dated September 17, 2021.

The Plan was established to provide incentive to directors, officers and employees and consultants. As a 10% rolling plan the aggregate number of common shares issuable as options under the Plan may be up to 10% of the Company's issued and outstanding common shares on the date on which an option is granted, less common shares reserved for issuance on exercise of options then outstanding under the Plan. The purpose of the Plan is to advance the interests of the Company by encouraging equity participation in the Company through the acquisition of common shares of the Company. The Plan is administered by the Board and options are granted at the discretion of the Board to eligible optionees (an "Optionee").

Eligible Optionees

To be eligible to receive a grant of options under the Plan, regulatory authorities require an Optionee to be either a director, officer, employee, consultant or an employee of a company providing management or other services to the Company or a subsidiary at the time the option is granted.

Options may be granted only to an individual eligible, or to a non-individual that is wholly-owned by individuals eligible, for an option grant. If the option is granted to a non-individual, it will not permit any transfer of its securities, nor issue further securities, to any individual or other entity as long as the option remains in effect.

Definitions

“**Black Out Period**” means the period during which the relevant Optionee is prohibited from exercising an option due to trading restrictions imposed by the Company pursuant to any policy of the Company respecting restrictions on trading that is in effect at that time.

Material Terms of the Plan

The following is a summary of the material terms of the Plan:

- (a) persons who are Service Providers to the Company or its affiliates, or who are providing services to the Company or its affiliates, are eligible to receive grants of options under the Plan;
- (b) all options granted under the Plan expire on a date not later than 10 years after the issuance of such options. However, should the expiry date for an option fall within a trading Blackout Period (as defined in the Plan, generally meaning circumstances where sensitive negotiations or other like information is not yet public), within 9 business days following the expiration of a Blackout Period;
- (c) for options granted to Service Providers, the Company must ensure that the proposed Optionee is a bona fide Service Provider of the Company or its affiliates;
- (d) an option will expire 90 days after the date the Optionee ceases to be employed by or provide services to the Company, and only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company, subject to adjustment at the discretion of the Company;
- (e) if an Optionee dies, any vested option held by him or her at the date of death will become exercisable by the Optionee’s lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such option;
- (f) in the case of an Optionee being dismissed from employment or service for cause, such Optionee’s options, whether or not vested at the date of dismissal, will immediately terminate without right to exercise same;
- (g) the exercise price of the common shares subject to each option shall be determined by the Board, subject to applicable Exchange approval, at the time any option is granted. In no event shall such exercise price be lower than the exercise price permitted by the Exchange;
- (h) vesting of options shall be at the discretion of the Board, and will generally be subject to: (i) the Service Provider remaining employed by or continuing to provide services to the Company or its affiliates, as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or its affiliates during the vesting period; or (ii) the Service Provider remaining as a director of the Company or its affiliates during the vesting period;
- (i) the Board reserves the right in its absolute discretion to amend, suspend, terminate or discontinue the Plan with respect to all Plan shares in respect of options which have not yet been granted under the Plan.

The Board has determined that, in order to reasonably protect the rights of participants, as a matter of administration, it is necessary to clarify when amendments to the Plan may be made by the Board without further shareholder approval. Accordingly, the Board proposes that the Plan also provide the following:

The Board may, without shareholder approval:

- (i) change the vesting provisions of an option granted under the Plan, if applicable;

- (ii) change the termination provision of an option granted under the Plan if it does not entail an extension beyond the original expiry date of such option;
- (iii) make such amendments to the Plan as are necessary or desirable to reflect changes to securities laws applicable to the Company;
- (iv) make such amendments as may otherwise be permitted by regulatory authorities; and
- (v) if the Company becomes listed or quoted on a stock exchange or stock market senior to the Exchange, make such amendments as may be required by the policies of such senior stock exchange or stock market.

Shareholder Approval

At the Meetings, the Company's shareholders will be asked to consider and vote on the ordinary resolution to re-approve the Plan, with or without variation, as follows:

“UPON MOTION DULY MADE IT WAS RESOLVED AS AN ORDINARY RESOLUTION THAT:

1. The Stock Option Plan dated September 17, 2021 (the “**Plan**”) as more particularly described in the information circular of the Company dated February 23, 2022, be ratified and approved.

The Board recommends that shareholders vote in favour of the Plan. Unless such authority is withheld, the persons named in the enclosed Proxy intend to vote FOR the approval of the foregoing ordinary resolution.

An ordinary resolution is a resolution passed by the shareholders of the Company at a general meeting by a simple majority of the votes cast in person or by proxy.
