INFORMATION CIRCULAR

INTRODUCTION

This information circular (the “**Information Circular**”) accompanies the notice of annual general meeting of shareholders (the “**Notice**”) and is furnished to shareholders holding common shares (the “**Common Shares**”, or just “**Shares**”) in the capital of Mary Agrotechnologies Inc. (the “**Company**”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting of shareholders (the “**Meeting**”) to be held at the offices of CMJC Law Corporation at Unit 850, 1095 West Pender Street, Vancouver, BC at 2:00 p.m. Vancouver Time on March 28, 2024, or at any adjournment or postponement thereof.

The date of this Information Circular is February 23, 2024. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES

Management Solicitation

The solicitation of proxies by the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals’ authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each Share that such shareholder holds on the record date of February 23, 2024, on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors, officers and representatives of the Company.

A shareholder has the right to appoint a person or company (who need not be a shareholder) to attend and act for or on behalf of that shareholder at the Meeting or any adjournment or postponement thereof, other than the Designated Persons named in the enclosed form of proxy. To exercise the right, the shareholder may do so by inserting the name of such other person in the space provided in the form of proxy. Such person should bring photo identification to the Meeting.

In order to be voted, a proxy must be received by the Company's registrar and transfer agent, Odyssey Trust Company (the "**Transfer Agent**") at their office located at 350-409 Granville Street, Vancouver, British Columbia, V6C 1T2 by 2:00 pm Vancouver Time on March 26, 2024.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder's attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that shareholder or by that shareholder's attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Transfer Agent or to the Company c/o its counsel at #850 - 1095 West Pender Street, Vancouver, British Columbia, V6E 2M6, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

If no choice is specified in the proxy with respect to a matter to be acted upon, the proxy confers discretionary authority with respect to that matter upon the Designated Persons named in the form of proxy. It is intended that the Designated Persons will vote the Shares represented by the proxy in favour of each matter identified in the proxy.

The enclosed form of proxy confers discretionary authority upon the persons named therein in respect of amendments or variations to matters identified in the Notice or other matters that may properly come before the Meeting or any adjournment or postponement thereof. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

NOTICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Shares will not be registered in the shareholder’s name on the records of the Company. Such Shares will more likely be registered under the names of the shareholder’s broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her Shares.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Common Shares without nominal or par value. As at February 23, 2024 (the “**Record Date**”) 43,227,924 Common Shares of the Company were issued and outstanding, each such Common Share carrying the right to one vote on a ballot at the Meeting. Only shareholders of record as the Record Date will be entitled to vote at the Meeting, and, except as otherwise determined from time to time by directors of the Company, no shareholders becoming such after Record Date will be entitled to receive notice of and vote at the Meeting or any adjournment thereof, or to be treated as a shareholder of record for purposes of such other action.

A quorum for the transaction of business at the Meeting shall be two persons present holding or representing by proxy in the aggregate not less than 5% of the Common Shares entitled to be voted at the meeting.

To the knowledge of management of the Company, other than Chuhan (Frank) Qin and Peng Han, no person or company beneficially owns, or controls or directs, directly or indirectly, Shares carrying 10% or more of the voting rights attached to the outstanding Shares of the Company, other than as set forth below:

Name of Shareholder	Number of Shares Owned ⁽¹⁾	Percentage of Outstanding Shares ⁽²⁾

Cease Trade Orders

Except as disclosed below, no proposed director of the Company has, within the past ten years, been a director, officer or promoter of any other issuer that:

- (a) while that person was acting in that capacity, was the subject of a cease trade or similar order that denied the issuer access to any statutory exemptions for a period of more than 30 consecutive days;
- (b) was subject to an event that resulted, after such person ceased to act in that capacity, in the company being the subject of a cease trade or similar order that denied the issuer access to any statutory exemption for a period of more than 30 consecutive days; or
- (c) was declared bankrupt or made a voluntary assignment in bankruptcy, made a proposal under any legislation relating to bankruptcy or insolvency or been subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold the assets of that person.

Joanne Yan resigned as a director of Hanfeng Evergreen Inc. (“**Hanfeng**”) in August 2013, and in an effort to assist Hanfeng during a financial and management crisis, she consented to being re-appointed a director of Hanfeng on February 24, 2014. Prior to the date of this re-appointment, on February 19, 2014, the OSC issued a temporary cease trade order in respect of the shares of Hanfeng as a result of Hanfeng’s failure to meet its reporting obligations under applicable securities laws and, subsequently on March 3, 2014, the OSC issued a permanent cease-trade order in respect of the shares of Hanfeng. The securities commissions of British Columbia, Quebec, Manitoba and Alberta issued cease-trade orders in respect of the shares of Hanfeng in February, March, April and June 2014, respectively. On January 15, 2014, the Toronto Stock Exchange (the “**TSX**”) suspended trading in Hanfeng’s shares pending clarification of Hanfeng’s affairs and, subsequently on June 9, 2014, the TSX delisted Hanfeng’s shares as a result of the failure of Hanfeng to meet the continued listing requirements of the TSX. On August 20, 2014, Ernst & Young Inc. was appointed by the Ontario Superior Court of Justice as receiver and manager over all of the assets of Hanfeng. Ms. Yan resigned as a director of Hanfeng on the same day.

Ying Xu was appointed as interim CFO of Good Life Networks Inc. (now renamed Aquarius AI Inc.) (“**Good Life**”) on September 16, 2019. Good Life had been the subject of a cease trade order issued by the British Columbia Securities Commission on September 5, 2019. Ms. Xu assisted Good Life in filing the required continuous disclosure documents, and the cease trade order was revoked on November 20, 2019.

Bankruptcies

No proposed director of the Company has, within ten (10) years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Penalties and Sanctions

To the best of management’s knowledge, no proposed director of the Company has been subject to: (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with securities regulatory authority; or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Management of the Company recommends the approval of each of the nominees listed above for election as directors of the Company for the ensuing year. In the absence of contrary instructions, the Designated Persons named in the accompanying form of proxy intend to vote the Shares represented thereby in favour of the election to the board of directors of the Company (the “Board”) of those persons designated herein as nominees for election as directors. The Board does not contemplate that any of such nominees will be unable to serve as

a director. However, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, proxies in favour of management designees will be voted for another nominee in their discretion unless the shareholder has specified in his proxy that his/her/its Shares are to be withheld from voting on the election of directors.

APPOINTMENT OF AUDITOR

Mao & Ying LLP, Chartered Professional Accountants, Suite 1488 - 1188 West Georgia Street, Vancouver, British Columbia, V6E 4A2, is the current auditor of the Company. Shareholders will be asked to approve the reappointment of Mao & Ying LLP as the auditor of the Company to hold office until the conclusion of the next annual general meeting of the Company, or until a successor is appointed, and to authorize the Board to fix the remuneration of the auditor for the ensuing year.

Management recommends that the shareholders vote in favour of the reappointment of Mao & Ying LLP as the auditor of the Company.

It is the intention of the Designated Persons named in the enclosed form of proxy, if not expressly directed otherwise in such form of proxy, to vote such proxy FOR the reappointment of Mao & Ying LLP as the auditor of the Company.

RE-APPROVAL OF STOCK OPTION PLAN

The Stock Option Plan is subject to such approvals of the shareholders of the Company as may be required from time to time by the terms of the Plan and the rules of the Exchange or other applicable stock exchanges. At the Meeting, shareholders will be asked to ratify, confirm and re-approve the Stock Option Plan. A copy of the Stock Option Plan is attached to this Information Circular as Schedule “B”.

The Stock Option Plan is a “rolling” stock option plan, whereby the aggregate number of Shares reserved for issuance under the Stock Option Plan and other outstanding convertible securities shall not exceed ten (10%) percent of the total number of issued Shares of the Company (calculated on a non-diluted basis).

The purpose of the Stock Option Plan is to advance the interests of the Company and its shareholders by attracting, retaining and motivating selected directors, officers, employees, and consultants of the Company to encourage and enable such persons to acquire an ownership interest in the Company. A summary of the Stock Option Plan can be found under “Securities Authorized for Issuance Under Equity Compensation Plans Information.”

Shareholders will be asked at the Meeting to consider, and if thought fit, to approve an ordinary resolution ratifying, confirming and approving the adoption of the Stock Option Plan.

As of the date hereof, 3,609,000 stock options are outstanding, which is equal to 8.35% of the issued Shares of the Company. An additional 250,500 are issuable pursuant to the term of an earnout agreement dated November 28, 2019. Accordingly, a total of 463,292 options available for grant under the Stock Option Plan as of the date hereof.

At the Meeting, shareholders will be asked to re-approve the following ordinary resolution (the “**2024 Stock Option Plan Resolution**”), which must be approved by at least a majority of the votes cast by shareholders represented in person or by proxy at the Meeting who vote in respect of the 2024 Stock Option Plan Resolution:

“BE IT RESOLVED, as an ordinary resolution of the shareholders of the Company, that:

(1) The proposed Stock Option Stock Option Plan, attached as Schedule “B” to the Company’s Information Circular dated February 23, 2024 be and is hereby ratified, confirmed and approved; and

(2) Any director or officer of the Company is hereby authorized and directed to execute or cause to be executed, under corporate seal of the Company or otherwise, and to deliver or cause to be delivered, all such documents, and do or cause to be done all such acts and things, as in the opinion of such director or officer may be necessary or desirable in connection with the foregoing.”

Management recommends that the shareholders vote in favour of the 2024 Stock Option Plan Resolution

It is the intention of the Designated Persons named in the enclosed form of proxy, if not expressly directed otherwise in such form of proxy, to vote such proxy FOR the 2024 Stock Option Plan Resolution.

Approval of All Corporate Actions

Shareholders will be asked to approve and confirm all the acts and proceedings of the directors and officers of the Company made to the date hereof including those disclosed or referred to in the Company’s minute books and records, in information disseminated by the Company to the Shareholders, or in the financial statements of the Company.

At the Meeting shareholders will be asked to pass the following ordinary resolution (the “**Corporate Actions Resolution**”):

“RESOLVED, as an ordinary resolution of the shareholders of the Company, that:

1. Notwithstanding:

(a) any failure to properly convene, constitute, proceed with, hold or record any meeting of the board of directors or shareholders of the Company for any reason whatsoever, including, without limitation, the failure to properly waive or give notice of a meeting, hold a meeting in accordance with a notice of a meeting, have a quorum present at a meeting, sign the minutes of a meeting or sign a ballot electing a slate of directors, or any failure to pass any resolution of the directors or shareholders of the Company or any by-law of the Company for any reason whatsoever;

(b) all by-laws, approvals, appointments, elections, resolutions, contracts, acts and proceedings enacted, passed, made, done or taken since the last annual meeting of the shareholders of the Company (the “**Annual Meeting**”), including, but not limited to, the issuance of any shares, warrants, options or convertible debt, approval of interim and annual financial statements and filings of the Company, including those set forth or referred to in the minutes of the meetings, or resolutions of the board of directors or shareholders of the Company or other documents contained in the minute and record book of the Company, or in the financial statements of the Company, and all actions heretofore taken in reliance upon the validity of such minutes, documents and financial statements, are hereby sanctioned, ratified, confirmed and approved; and

2. without limiting the generality of paragraphs above, all by-laws, resolutions, contracts, acts and proceedings of the company enacted, passed, made, done or taken since the Annual Meeting including all those set forth or referred to in the minutes or the meetings and resolutions of the board of directors in the minute and record book of the company or in the financial statements of the company are hereby approved, ratified and confirmed.”

Employment, Consulting and Management Agreements

Compensation for the NEO and the directors are determined periodically having regard to the state of the Company's business. The Company does not have any agreement with any external management company which employs individuals acting as NEOs of the Company.

Directors of the Company currently do not receive any compensation from the Company other than Stock Options.

Oversight and Description of Director and NEO Compensation

The overall objective of the Company's compensation strategy is to offer compensation components to ensure that the Company has in place programs to attract, retain and develop qualified executives, motivate their short- and long-term performance, and align their interests with those of the Company's shareholders.

The Company has established a Compensation & Corporate Governance Committee composed of Larry Lisser, Joanne Yan and Buck Young. All tasks related to developing and monitoring the Company's approach to the compensation of the Company's NEOs and directors, and to developing and monitoring the Company's approach to the nomination of directors to the Board are performed by the Compensation & Corporate Governance Committee and their recommendations are presented to the Board. The compensation of the NEOs and directors is reviewed, recommended and approved by the Compensation & Corporate Governance Committee and the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decision relating to them, as applicable, in accordance with the applicable corporate legislation.

Executive Compensation

In making compensation decisions, the Compensation & Corporate Governance Committee and Board strive to find a balance between medium-term and long-term compensation and cash versus equity incentive compensation. Base salaries and discretionary cash bonuses primarily reward recent performance and incentive stock options encourage NEOs to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary for each NEO, as applicable, is determined by the Compensation Committee and Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time. The NEOs' performances and salaries are to be reviewed periodically on the anniversary of their employment with the Company, as applicable. Increases in salary are to be evaluated on an individual basis and are performance and market-based. The amount and award of cash bonuses to key executives and senior management is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant.

Director Compensation

No stock options were granted to the Company's directors for the financial year ended September 30, 2023. No cash compensation has been paid to Company's independent directors for the financial year ended September 30, 2023. MANAGEMENT CONTRACTS

There are no management functions of the Company, which are, to any substantial degree, performed by a person other than the directors or executive officers of the Company.

CORPORATE GOVERNANCE

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognize the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

The Board facilitates its exercise of independent supervision over management by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Board requires management to provide complete and accurate information with respect to the Company's activities and to provide relevant information concerning the industry in which the Company operates in order to identify and manage risks. The Board also holds board meetings as necessary or desirable to discuss the operation of the Company.

Chuhan (Frank) Qin is not "independent" because he is the Chief Executive Officer of the Company.

Joanne Yan is not “independent” because she was the Vice President of Corporate Development of the Company for a brief period in 2020.

Larry Lisser, Ying Xu and Buck Young are “independent” in that they are independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director’s ability to act with the best interests of the Company, other than the interests and relationships arising from shareholders.

Directorships

The following directors are presently directors of other reporting issuers as set out below:

Director	Other Directorships	Stock Exchange Listing
Joanne Yan	Electrameccanica Vehicles Corp.	NASDAQ

Orientation and Continuing Education

The Board briefs all new directors with respect to the policies of the Board and other relevant corporate and business information. The Board does not provide any continuing education.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. That said, the Board has also adopted a Code of Ethical Conduct.

Nomination of Directors

The Company does not have a formal process or committee for proposing new nominees to the Board. Changes to the Board are expected to be infrequent. As part of its mandate, the Compensation & Corporate Governance Committee will assist in the recruitment and nomination of directors, and make recommendations to the Board.

The Compensation & Corporate Governance Committee is presently comprised of Larry Lisser, Joanne Yan and Buck Young. With the exception of Ms. Yan, the other two members of the committee are independent directors.

Compensation

The Compensation & Corporate Governance Committee also assists the Board with compensation matters. The committee conducts reviews with regard to the compensation of the NEOs and the Company’s employees periodically. To make its recommendations on such compensation, the committee takes into account the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time.

Other Board Committees

The Board has no committees other than the Audit Committee and the Compensation & Corporate Governance Committee.

Assessments

The Board has no specific procedures for regularly assessing the effectiveness and contribution of the Board, its committees, if any, or individual directors. As the Board is relatively small and the Company currently has no active business, it is expected that a significant lack of performance on the part of a committee or individual director would become readily apparent, and could be dealt with on a case-by-case basis. With respect to the Board as a whole, the Board monitors its performance on an ongoing basis, and as part of that process considers the overall performance of the Company and input from its shareholders.

PART 3

GRANTING OF OPTIONS

- 3.01 Administration. This Plan shall be administered by the Board or, if the Board so elects, by a committee (which may consist of only one person) appointed by the Board from its members.
- 3.02 Committee's Recommendations. The Board may accept all or any part of recommendations of the committee or may refer all or any part thereof back to the committee for further consideration and recommendation.
- 3.03 Grant by Resolution. The Board may, by resolution, designate eligible persons who are bona fide Directors, Employees, Consultants, , to whom Options should be granted and specify the terms of such Options which shall be in accordance with Exchange Policy and Securities Laws. It is the responsibility of the Company and the Option Holder for ensuring and confirming that the Option Holder is a bona fide Director, Employee or Consultant, as the case may be.
- 3.04 Terms of Option. The resolutions of the Board shall specify the number of Shares that should be placed under option to each such Director, Employee or Consultant, the Exercise Price to be paid for such Shares, and the period, including any applicable vesting periods during which such Option may be exercised.
- 3.05 Option Certificate. Every Option granted under this Plan shall be evidenced by an Option Certificate, and all Option Certificates will be so legended as required by Exchange Policy and Securities Laws.

PART 4

CONDITIONS GOVERNING THE GRANTING AND EXERCISING OF OPTIONS

- 4.01 Exercise Price. The Exercise Price of an Option granted under this Plan shall not be less than the greater of the closing market price of the Shares on (a) the trading day prior to the date of grant of the Options; and (b) the date of grant of the Options. In any event, no Options shall be granted which are exercisable at an Exercise Price of less than permitted by Exchange Policy. An Exercise Price cannot be established unless the Options are allocated to a particular Option Holder.
- 4.02 Expiry Date. Each Option shall, unless sooner terminated, expire on a date to be determined by the Board which will not be later than the Expiry Date. However, if the Expiry Date falls within a period (the "**Blackout Period**") during which the Company prohibits Option Holders from exercising their Options, the Expiry Date may be extended to a maximum of 10 business days after the expiry of the Blackout Period. The Blackout Period must be formally imposed by the Company pursuant to its internal trading policies as a result of the bona fide existence of undisclosed Material Information. For greater certainty, in the absence of the Company formally imposing a Blackout Period, the Expiry Date of any options will not be automatically extended in any circumstances.
- 4.03 Different Exercise Periods, Prices and Number. The Board may, in its absolute discretion, upon granting an Option under this Plan and subject to the provisions of Section 6.04 hereof, specify a particular time period or periods following the date of granting the Option during which the Option Holder may exercise his Option to purchase Shares and may designate the Exercise Price and the number of Shares in respect of which such Option Holder may exercise his Option during each such time period.
- 4.04 Number of Shares. The number of Shares reserved for issuance under the Plan shall:
- (a) not exceed 5% of the issued Shares of the Company to any one person (and companies wholly owned by that person) in any 12- month period, calculated on the date the Option is granted; and

- (b) not exceed 2% of the issued Shares of the Company to any one Consultant in any 12-month period, calculated on the date the Option is granted to the Consultant.
- 4.05 Ceasing to Hold Office. If an Option Holder holds his or her Options as a Director and such Option Holder ceases to be Director for any reason other than death, such Director shall have rights to exercise any Option not exercised prior to such termination (but only to the extent that such Option has vested on or before the date the Option Holder ceased to be a Director) within a reasonable period of time after the date of termination, as set out in the Option Holder's Option Certificate, such "reasonable period" not to exceed one year after termination. However, if the Option Holder ceases to be a Director of the Company as a result of: (i) ceasing to meet the qualifications set forth in the *Business Corporations Act* (Ontario); or (ii) his or her removal as a director of the Company pursuant to the *Business Corporations Act* (Ontario); or (iii) an order made by any regulatory authority having jurisdiction to so order; in which case the Expiry Date shall be the date the Option Holder ceases to be a Director of the Company. Notwithstanding anything contained herein, in no case will an Option be exercisable later than the Expiry Date of such Option fixed by the Board at the time the Option is awarded to the Option Holder.
- 4.06 Ceasing to be an Employee or Consultant. If an Option Holder holds his or her Options as an Employee or Consultant and such Option Holder ceases to be an Employee or Consultant for any reason other than death, such Employee or Consultant shall have rights to exercise any Option not exercised prior to such termination (but only to the extent that such Option has vested on or before the date the Option Holder ceased to be so employed or provide services to the Company) within a reasonable period of time after the date of termination, as set out in the Option Holder's Option Certificate, such "reasonable period" not to exceed one (1) year after termination. However, (i) if the Option Holder ceases to be an Employee or Consultant as a result of (i) termination for Cause; or (ii) an order made by any regulatory authority having jurisdiction to so order, the Expiry Date shall be the date the Option Holder is terminated by the Company. Notwithstanding anything contained herein, in no case will an Option be exercisable later than the Expiry Date of such Option fixed by the Board at the time the Option is awarded to the Option Holder.
- 4.07 Death of Option Holder. If a Director, Consultant or Employee dies prior to the expiry of any Options held, his legal representatives may, within the lesser of one (1) year from the date of the Option Holder's death or the Expiry Date of the Option, exercise that portion of Options granted to the Director, Consultant or Employee under this Plan which remains outstanding.
- 4.08 Assignment. No Option granted under this Plan or any right thereunder or in respect thereof shall be transferable or assignable otherwise than by will or pursuant to the laws of succession except that, if permitted by the rules and policies of the Exchange, an Option Holder shall have the right to assign any Option granted to him hereunder to a trust, RRSP, RESP or similar legal entity established by such Option Holder.
- 4.09 Notice. Options shall be exercised only in accordance with the terms and conditions of the Option Certificates under which they are respectively granted and shall be exercisable only by notice in writing to the Company.
- 4.10 Payment. Options may be exercised in whole or in part at any time prior to their lapse or termination. Shares purchased by an Option Holder on exercise of an Option shall be paid for in full, in cash, bank wire transfer, bank draft, or by cheque, at the time of their purchase.
- 4.11 Options to Employees or Consultants. In the case of Options granted to Employees or Consultants, the Option Holder must be a bona-fide Employee or Consultant, as the case may be, of the Company or its subsidiary.
- 4.12 Withholding Tax. Upon exercise of an Option, the Option Holder will, upon notification of the amount due and prior to or concurrently with the delivery of the certificates representing the Shares, pay to the Company amounts necessary to satisfy applicable withholding tax requirements or will otherwise make arrangements

satisfactory to the Company for such requirements. In order to implement this provision, the Company or any related corporation will have the right to retain and withhold from any payment of cash or Shares under this Plan the amount of taxes required to be withheld or otherwise deducted and paid in respect of such payment. At its discretion, the Company may require an Option Holder receiving Shares to reimburse the Company for any such taxes required to be withheld by the Company and withhold any distribution to the Option Holder in whole or in part until the Company is so reimbursed. In lieu thereof, the Company will have the right to withhold from any cash amount due or to become due from the Company to the Option Holder an amount equal to such taxes. The Company may also retain and withhold or the Option Holder may elect, subject to approval by the Company at its sole discretion, to have the Company retain and withhold a number of Shares having a market value not less than the amount of such taxes required to be withheld by the Company to reimburse the Company for any such taxes and cancel (in whole or in part) any such Shares so withheld.

PART 5

RESERVE OF SHARES FOR OPTIONS

- 5.01 Sufficient Authorized Shares to be Reserved. Whenever the constating documents of the Company limit the number of authorized Shares, a sufficient number of Shares shall be reserved by the Board to satisfy the exercise of Options granted under this Plan. Shares that were the subject of Options that have lapsed or terminated shall thereupon no longer be in reserve and may once again be subject to an Option granted under this Plan.
- 5.02 Maximum Number of Shares to be Reserved Under Plan. The aggregate number of Shares which may be subject to issuance pursuant to Options granted under this Plan, inclusive of all other stock options outstanding shall not be greater than 10% of the Shares issued and outstanding at the date of the grant of Options. Cancelled and expired Options are returned to the Plan.

PART 6

CHANGES IN OPTIONS

- 6.01 Share Consolidation or Subdivision. If the Shares are at any time subdivided or consolidated, the number of Shares reserved for Option and the price payable for any Shares that are then subject to Option shall be adjusted accordingly.
- 6.02 Stock Dividend. If the Shares are at any time changed as a result of the declaration of a stock dividend thereon, the number of Shares reserved for Option and the price payable for any Shares that are then subject to Option may be adjusted by the Board to such extent as they deem proper in their absolute discretion.
- 6.03 Reorganization. Subject to any required action by its shareholders, if the Company is a party to a reorganization, merger, amalgamation, arrangement, sale of assets or undertaking, winding up or dissolution or its Shares are exchanged or reclassified in any way (collectively, the "**Event**"), whether or not the Company is the surviving entity, Options will be adjusted by the Board in accordance with the Event and in a manner the Board deems appropriate.
- 6.04 Effect of a Take-Over Bid. If a bona fide offer (an "**Offer**") for Shares is made to the Option Holder or to shareholders of the Company generally or to a class of shareholders which includes the Option Holder, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the *Securities Act*, the Company shall, upon receipt of notice of the Offer, notify each Option Holder of full particulars of the Offer, whereupon all Shares subject to such Option

("Option Shares") will become vested and the Option may be exercised in whole or in part by the Option Holder so as to permit the Option Holder to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein including any extensions thereof; or
- (b) all of the Option Shares tendered by the Option Holder pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Option Shares received upon such exercise, or in the case of clause (b) above, the Option Shares that are not taken up and paid for, may be returned by the Option Holder to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the Option shall be reinstated as if it had not been exercised and the terms upon which such Option Shares were to become vested pursuant to section 4.03 shall be reinstated. If any Option Shares are returned to the Company under this section 6.04, the Company shall immediately refund the Exercise Price to the Option Holder for such Option Shares.

6.05 Acceleration of Expiry Date. If at any time when an Option granted under the Plan remains unexercised with respect to any unissued Option Shares, an Offer is made by an offeror, the Directors may, upon notifying each Option Holder of full particulars of the Offer, declare all Option Shares issuable upon the exercise of Options granted under the Plan, vested, and declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer.

6.06 Effect of a Change of Control. If a Change of Control (as defined below) occurs, all Shares subject to each outstanding Option will become vested, whereupon such Option may be exercised in whole or in part by the Option Holder. "Change of Control" means the acquisition by any person or by any person and a Joint Actor, whether directly or indirectly, of voting securities as defined in the *Securities Act*) of the Company, which, when added to all other voting securities of the Company at the time held by such person or by such person and a Joint Actor, totals for the first time not less than fifty percent (50%) of the outstanding voting securities of the Company or the votes attached to those securities are sufficient, if exercised, to elect a majority of the Board of Directors of the Company.

PART 7

SECURITIES LAWS AND EXCHANGE POLICY

7.01 Exchange's Rules and Policies Apply. This Plan and the granting and exercise of any Options hereunder are also subject to such other terms and conditions as are set out from time to time in the Securities Laws and Exchange Policy and such rules and policies shall be deemed to be incorporated into and become a part of this Plan. In the event of an inconsistency between the provisions of such rules and policies and of this Plan, the provisions of such rules and policies shall govern. If the Company's Shares are listed on a new stock exchange, the granting of Options shall be governed by the rules and policies of new stock exchange and unless inconsistent with the terms of this Plan, the Company shall be able to grant Options pursuant to the rules and policies of such new stock exchange without requiring shareholder approval.

PART 8

AMENDMENT OF PLAN

- 8.01 Board May Amend. The Board may, by resolution, amend or terminate this Plan, but no such amendment or termination shall, except with the written consent of the Option Holders concerned, affect the terms and conditions of Options previously granted under this Plan which have not then been exercised or terminated.
- 8.02 Exchange Approval. Any amendment to this Plan shall not become effective until any such Exchange and shareholder approval as is required by Exchange Policy and Securities Laws has been received. Unless approved by the Exchange, Options may not be amended once issued, and if an Option is cancelled before its Expiry Date, the Board may not grant new Options to the same Option Holder until 30 days have elapsed from the date of cancellation.

PART 9

EFFECTIVE DATE OF PLAN

- 9.01 Effective Date. This Plan shall become effective upon the approval of this Plan by the directors of the Company. The Plan is subject to annual approval by the Company's shareholders at a shareholder meeting; however, Options may be granted under this Plan prior to the receipt of approval of the Plan by shareholders.
