

PROSPECT RIDGE RESOURCES CORP.

Suite 488 – 1090 West Georgia Street, Vancouver, BC V6E 3V7

INFORMATION CIRCULAR

for the Annual General Meeting of Shareholders to be held on April 14, 2022

(containing information as at March 7, 2022, unless indicated otherwise)

SOLICITATION OF PROXIES

This information circular (the "**Information Circular**") is furnished in connection with the solicitation of proxies by the management of **Prospect Ridge Resources Corp.** (the "**Company**") for use at the annual general meeting (the "**Meeting**") of the shareholders (the "**Shareholders**") of the Company, to be held on **Thursday, April 14, 2022** at the time and place and for the purposes set forth in the accompanying notice of annual general meeting and at any adjournment thereof. The enclosed instrument of proxy (the "**Proxy**") is solicited by the management of the Company. The solicitation will be primarily by mail; however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

The Company intends to hold the Meeting in person. However, due to the COVID-19 pandemic, to mitigate risk to the health and safety of our communities, shareholders and employees, the Company encourages shareholders to the extent possible to vote their shares by proxy in advance of the Meeting via mail, facsimile or online. No management presentation will be made at the Meeting.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the Proxy are directors and/or officers of the Company. **A Shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for the Shareholder on the Shareholder's behalf at the Meeting other than the persons named in the Proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the Proxy and insert the name of the Shareholder's nominee in the blank space provided, or complete another instrument of proxy.** An instrument of proxy will not be valid unless (i) duly completed, signed and dated by the Shareholder or by the Shareholder's attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer; and (ii) deposited with the Company's registrar and transfer agent, Odyssey Trust Company (the "**Transfer Agent**") by hand or mail at United Kingdom Building, #350 – 409 Granville Street, Vancouver, British Columbia, V6C 1T2, or by fax to the attention of the Proxy Department at 1.800.517.4553 (toll-free within Canada and the U.S.) or 416.263.9524 (international) or by such other means as may be specified in the Proxy, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof.

A Shareholder who has given an instrument of proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, an instrument of proxy may be revoked by instrument in writing signed by the Shareholder or by the Shareholder's attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer, and deposited with the Transfer Agent, by hand or mail at United Kingdom Building, 350 – 409 Granville Street, Vancouver, British Columbia, V6C 1T2, or by fax to the attention of the Proxy Department at 1.800.517.4553 (toll-free within Canada and the U.S.) or 416.263.9524 (international) or by such other means as may be specified in the Proxy, at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof at which the instrument of proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof. The revocation of an instrument of proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the Proxy will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction. **In the absence of any instruction in the Proxy, it is intended that such shares will be voted in favour of the motions proposed to be made at the Meeting as stated under the headings in this Information Circular.** The Proxy, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Information Circular, the management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known

to the management should properly come before the Meeting, the Proxies hereby solicited will be voted on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority greater than one-half (1/2) of the votes cast will be required unless the motion requires a special resolution, in which case a majority of not less than two-thirds (2/3) of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested shareholder approval, common shares held by Shareholders of the Company who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold common shares in their own name. Shareholders who do not hold their common shares in their own name (referred to in this Information Circular as "**Beneficial Shareholders**") should note that only instruments of proxy deposited by Shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those common shares will not be registered in the Shareholder's name on the records of the Company. Such common shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name CDS & Co., the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms.

The common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.** Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form ("**VIF**") provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the common shares on how to vote such shares on behalf of the Beneficial Shareholder.

There are two kinds of Beneficial Shareholders: those who object to their name being made known to the issuer of the securities ("**OBOs**" for "**Objecting Beneficial Owners**"), and those who do not object to the issuer of the securities knowing who they are ("**NOBOs**" for "**Non-Objecting Beneficial Owners**"). Pursuant to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, issuers can obtain a list of their NOBOs from intermediaries for the distribution of proxy related materials to NOBOs. This year, the Company has decided to take advantage of those provisions of NI54-101 that permit it to directly deliver proxy related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable VIF from the Transfer Agent. These VIFs are to be completed and returned to the Transfer Agent in the envelope provided or by facsimile. In addition, the Transfer Agent provides for internet voting as described on the VIF itself which contains complete instructions. The Transfer Agent will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the common shares represented by the VIFs they receive.

The Company is not relying on the "notice-and-access" delivery procedures outlined in NI54-101 to distribute copies of the proxy related materials in connection with the Meeting. These securityholder materials are being sent to both registered and non-registered owners of the common shares of the Company. If you are a non-registered owner and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send this Information Circular and accompanying Proxy to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering this Information Circular to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions. The Company does not intend to pay for intermediaries to forward to OBOs, under NI54-101, the proxy related materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary*, and in the case of an OBO, the OBO will not receive the materials unless the OBO's intermediary assumes the cost of delivery.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting common shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a Shareholder and vote common shares in that capacity. Beneficial Shareholders who wish to

attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their common shares as a proxyholder.

All references to Shareholders in this Circular and the accompanying form of proxy are to registered shareholders unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, none of the directors or executive officers of the Company at any time since the beginning of the last financial year of the Company, the proposed nominees for election as a director of the Company, or any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting exclusive of the election of directors or the appointment of auditors.

RECORD DATE, VOTING SHARES AND PRINCIPAL HOLDERS

The authorized capital of the Company consists of an unlimited number of common shares without par value. As of the close of business on **March 7, 2022**, the record date for the Meeting (the "**Record Date**"), there were 50,009,772 common shares of the Company issued and outstanding, each carrying the right to one vote.

Only Shareholders of record as of the close of business on the Record Date who either personally attend the Meeting or who have completed and delivered an instrument of proxy in the manner and subject to the provisions described under the heading "*Appointment and Revocation of Proxies*" above shall be entitled to vote, or have their common shares voted, at the Meeting or any adjournment thereof. On any poll, each Shareholder of record holding common shares of the Company on the Record Date is entitled to one vote for each common share registered in his or her name on the list of shareholders as of the Record Date.

To the knowledge of the directors and executive officers of the Company, no person(s) or companies beneficially own, directly or indirectly, or exercise control or direction over, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Company as of the Record Date.

Stock Option Plans and Other Incentive Plans

Incentive stock options are granted under and governed by the Company's stock option plan (the "Plan") approved by the Company's directors on March 29, 2021. The purpose of the Plan is to offer to the Company's directors, officers, employees, consultants and other service providers (and those of its affiliates) the opportunity to acquire a proprietary interest in the Company, thereby providing an incentive to such persons to promote the best interests of the Company, and to provide the Company with the ability to attract qualified persons as directors, officers and employees. The Plan is administered by the Company's directors. The material terms of the Plan are as follows:

1. The aggregate maximum number of options which may be granted under the Plan at any one time is 10% of the number of Common Shares outstanding at the time of grant.

2. If an option expires or terminates for any reason without having been exercised in full, the un-purchased Common Shares subject thereto shall again be available for the purposes of the Plan.
3. The board of directors shall not grant options to any one person in a 12 month period which will, when exercised, exceed 5% of the issued and outstanding Common Shares (calculated at the date such options are granted); or to any one consultant or to those persons employed by the Company who perform investor relations services which will, when exercised, exceed 2% of the issued and outstanding Common Shares, calculated at the date such options are granted.
4. The board of directors may impose vesting periods on any options granted.
5. Options granted to persons who perform investor relations services shall vest in stages over not less than 12 months and no more than one-quarter (1/4) of such options may be vested in any three month period.
6. The exercise price of any options granted under the Plan will be determined by the board of directors, in its sole discretion, but shall not be less than the greater of: (i) the closing price of the Common Shares on the trading day preceding the day on which the directors grant such options; and (ii) the closing price of the Common Shares on the date of grant of such options.
7. The term of any options granted under the Plan will be fixed by the board of directors at the time such options are granted, provided that options will not be permitted to exceed a term of ten years, with the exception of any options extended due to a Blackout Period (as defined in the Plan).
8. If the option holder ceases to be a service provider of the Company (other than by reason of death, disability or termination for just cause), then the option granted shall expire on no later than the 90th day following the date that the option holder ceases to be a service provider of the Company, subject to the terms and conditions set out in the Plan. If the option holder's position as a director, officer, employee or consultant is terminated for just cause, then the option granted shall expire on the date of termination for just cause.
9. Options will be subject to adjustment in the event of any consolidation, subdivision, conversion or exchange of the Common Shares.
10. All options will be non-assignable and non-transferable (except upon the death of an option holder, in which case any outstanding options may be exercised by the option holder's successors).
11. Disinterested shareholder approval must be obtained for (i) any reduction in the exercise price of an outstanding option, if the option holder is an insider; (ii) any grant of options to insiders or any increase in the number of Common Shares reserved for issuance pursuant to options previously granted, within a 12 month period, exceeding 10% of the issued Common Shares at the time of the grant of the options; (iii) any grant of options to any one individual, within a 12 month period, exceeding 5% of the issued Common Shares; and (iv) any individual option event that would result in the limitations set out in items (ii) or (iii) being exceeded.

In the event of termination, the consultant is entitled to all amounts accrued and unpaid up to the date of termination. On October 31, 2021, the agreement ended without renewal.

None of the above agreements, except as noted therein, has any material provisions with respect to a change in control of the Company, severance, termination or constructive dismissal.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Company has no standard arrangement pursuant to which the directors were compensated by the Company for their services in their capacity as directors or for committee participation, involvement in special assignments or for services as consultants or experts during the Reporting Year, although directors may be compensated on an ad hoc basis, subject to the approval of the other board members, for certain services provided to the Company. Directors may however receive stock options for their role as directors or committee members with the Company, in such amounts and upon such terms as may be approved by the Board from time to time. The number of stock options granted will depend upon the performance of each director. Previous grants of stock options also provide a basic guideline in determining new stock option grants.

Compensation of Named Executive Officers

The Company is an exploration and development stage mining company and will not be generating revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability and earnings per share, are not considered by the directors to be relevant in the evaluation of NEO performance.

The Board as a whole determines NEO compensation as needed from time to time based on the Company's activity, financial resources and other circumstances. Executive compensation levels are established, on a largely subjective basis, with a view to attracting and retaining personnel critical to the Company's short and long term success, and to provide incentives and reward for performance.

NEO compensation is typically comprised of a base salary, stock options, and as circumstances permit, pre-set or discretionary bonuses. Base salary seeks to provide a competitive and fair level of base compensation. Stock option awards seek to incentive executives and align the executives' interests with increases in shareholder value and short and long term corporate growth and success. Bonuses seek to incentivize executives to satisfy particular corporate goals or objectives, to improve financial performance and to achieve other milestones or are awarded on a discretionary basis as a result of exemplary performance. No bonuses were set or otherwise awarded during the Reporting Year.

Risks Associated with Compensation Practises

The Board has not conducted a formal evaluation of the implications of the risks associated with the Company's compensation policies. Risk management is a consideration of the Board when implementing its compensation policies and the Board does not believe that the Company's compensation policies result in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Company.

Hedging by Executive Officers or Directors

The Company does not have a policy that would prohibit a NEO or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director. Management, however, is not aware of any NEO or director purchasing or holding such an instrument.

Pension Plan Benefits and Deferred Compensation Plans

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

- (b) while that person was acting in that capacity, was subject to an event that resulted, after the director or executive officer ceased to be a director or executive officer, in the company being the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation for a period of more than 30 consecutive days; or

At the time, Wasco was faced with an acute working capital shortage and, as a

consequence, was unable to complete its audit for said fiscal year. On October 18th, 2013, the cease trade order was subsequently extended. As at the date hereof, Mr. Lim remains a director of Wasco, and Wasco remains without active operations, has been unable to raise capital and complete the outstanding audit, and the cease trade order remains in force.

Mr. Jacques Brunelle was a director of Knick Exploration Inc. Knick thereafter complied with its obligations and such orders were revoked. Mr. Brunelle was still a director of Knick in 2019 when the Autorité des marchés financiers subsequently issued a cease-trade order prohibiting the trading of Knick's securities due to its failure to file in due time its annual financial statements and related documents for the year ended December 31, 2018, which cease-trade order is still in effect.

These are the responsibilities of management and the Auditor.

ITEM 2: COMPOSITION OF THE AUDIT COMMITTEE

The current members of the Committee are Nicholas Luksha, Jacques Brunelle and Toby Lim. Under National Instrument 52-110 (the "**Instrument**") of the Canadian Securities Administrators, members are considered "independent" if free from any direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Company's Board of Directors, be reasonably expected to interfere with the exercise of a member's independent judgment. The Instrument also considers a member "financially literate" if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

Messrs. Jacques Brunelle and Toby Lim are considered independent. Mr. Nicholas Luksha is not considered independent as he is currently acting in the capacity of the President of the Company. All of the members are considered financially literate.

ITEM 3: RELEVANT EDUCATION AND EXPERIENCE

All of the current members of the Committee have extensive experience in financial matters, and each has a broad understanding of accounting principles used by the Company to prepare financial statements and varied experience as to the general application of such accounting principles, as well as an understanding of its internal controls and procedures for financial reporting. In addition to each member's general business experience, the education and

experience of each Committee member relevant to the performance of his responsibilities as a Committee member is as follows:

Nicholas Luksha has over 15 years of experience as an owner, director and senior management in real estate development, construction, asset management, technology, and franchising. Mr. Luksha studied at Concordia University and later at Harvard University obtaining numerous certificates with a focus on business and leadership.

Toby Lim holds a Bachelor of Commerce Degree with honours from the University of British Columbia, and a Bachelor of Laws Degree from Osgoode Hall Law School. He has been a lawyer practicing corporate and securities law since 1998, and during that time has served as a director or officer of several public companies, including serving on the audit committee of Niogold Mining Corp.

ITEM 4: AUDIT COMMITTEE OVERSIGHT

At no time since the commencement of the Company's most recently completed financial year was a recommendation of the Committee to nominate or compensate an external auditor not adopted by the Board.

ITEM 5: RELIANCE ON CERTAIN EXEMPTIONS

During the most recently completed financial year, the Company has not relied on the exemptions contained in Section 2.4 or Part 8 of the Instrument, in whole or in part. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of the not pre-approved non-audit services is reasonably expected to be no more than 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided, the Company did not recognize the services as non-audit services at the time of engagement, and the services are promptly brought to the attention of the audit committee and approved prior to the completion of the audit by the audit committee. Part 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of the Instrument, in whole or in part.

ITEM 6: PRE-APPROVAL POLICIES AND PROCEDURES

Formal policies and procedures for the engagement of non-audit services have yet to be formulated and adopted. Subject to the requirements of the Instrument, the engagement of non-audit services is considered by the Company's Board of Directors, and where applicable by the Committee, on a case by case basis.

ITEM 7: EXTERNAL AUDITOR SERVICE FEES (BY CATEGORY)

All other fees (non-tax)	Nil	Nil
Total Fees:	Nil	\$ 28,350

ITEM 8: EXEMPTION

In respect of the financial year ended August 31, 2021, the Company is relying on the exemption set out in section 6.1 of the Instrument with respect to the independence requirements of the audit committee and the reporting obligations.

ITEM 4. ETHICAL BUSINESS CONDUCT

The Board has not adopted a written code of ethics for its directors, officers, employees and consultants. Board members, however, are expected to maintain the highest standards of integrity and to lead by example.

The Board has concluded that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, are sufficient to ensure that the Board operates independently of management and in the best interests of the Company and its shareholders.

ITEM 6. COMPENSATION

The Board is also responsible for reviewing recommendations for compensation of the Chief Executive Officer and other officers of the Company, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of its officers, the board of directors will consider: (i) recruiting and retaining officers critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation (iii) balancing the interests of management and the Company's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general. In making its decisions, the Board relies upon the general experience of the directors, but as needed may retain and otherwise consult with outside consultants to provide independent reports on compensation paid by comparable companies.

ITEM 7. OTHER BOARD COMMITTEES

ITEM 8. ASSESSMENTS

The Board of Directors as a whole assesses its performance, committee performance and the contribution of individual members on an ongoing and as needed basis. The Board monitors and discusses from time to time the adequacy of information given to directors, the effectiveness of communications between Board members and with management, and the processes of the Board and its committees. Directors are encouraged to discuss any perceived issues or weaknesses that they feel impair the effective operation of the Board.
